- Assist in coaching, developing, and sustaining a competitive team
- Game performance analysis and strategy
- Be part of the core team to transition the 2025 senior program

Expectations

- Strategic game planning and match day support
- Build a rapport with coaches, players and club members
- Solid understanding of AFL rules
- Engage constructively and positively
- Coaching experience
- Adhere to code of conduct at all times

Club Background

Established in 2016, the Gisborne Giants comprised four junior football teams followed by three junior netball teams in 2017. Moving forward, the club experienced rapid growth to field seven football teams and eight netball teams plus the introduction of an U19.5s football team in 2022 and recently runners up in 2023.

We promote positive experiences for all stakeholders throughout the entire season from pre-season to the finals period. We focus on player development, collaboration at all levels and adhere to our club values.

Training and Game day information

Saturday morning and some Friday night matches within a 10-35km proximity of Gisborne. Gisborne-based training ground - 2 sessions per week.
