TAC Road Safety Round July 21st – 23rd

Now is the time for clubs to be promoting the TAC Road Safety Round which will occur across the weekend of July 21-23.

Each year there are far too many deaths on our roads and this should come as a timely reminder to be safer on our roads. Our clubs, friends and families play an important role in stopping poor behaviour on our roads, whether that be taking the keys off your friend who has had a few drinks or telling your loved one to get off their phone whilst driving.

Pride Round

Well done to Kyneton and Mount Alexander Falcons for battling out the Pride Cup on Saturday night. Congratulations to Kyneton who took home the 4 points. Well done to Western Rams for wearing rainbow socks to highlight Pride Month.

Milestone Games & Feel Good Stories

Thanks to our Clubs who have sent in their milestone matches and feel good stories throughout the season. We are here to promote our Clubs, our players and our volunteers so if you would like to share any of the above, please send through to Grace at grace@rdfnl.com.au

ROUND 11 RDFNL PREVIEWS

with Grace Bibby

Melton Centrals vs Western Rams

Melton Centrals will be looking to make it two wins on the trot this weekend when they meet Western Rams. When they met in round 1 Western Rams had the luxury of having Dane Swan on their team. While Swan was close to best on ground they couldn't get the job done and they will be up against it again today. Melton Centrals are on the verge of the top five and this is a must win game for them to keep their finals hopes alive.

From the Coaches:

Melton Centrals: We were happy to get the win but we didn't play our best football. Lancefield are very depleted. We were just okay. The good thing is we got through with no injuries and after the next week or two we should be close to full strength and in a position to really push for finals. We win this weekend and we are 4 and 6. We are looking forward to putting on a good show for all our members of the centurions club.

Western Rams: The focus for our second half of the year is just to be competitive. The one thing we can continue to do is roll the sleeves up and keep trying our best. We know we are improving but we are coming from a long way back. We still have a number of senior players unavailable but we will keep trying.

Players to watch

Melton Centrals: Evan Donaghue isn't one to back down from a contested possession. Keep an eye on in him the congestion.

Western Rams: Anthony Bowyer kicked the only two goals for the Rams last week. He has been in and out of the team this year and will be looking to string a couple of games together.

Prediction: Melton Centrals to record their fourth win of the season.

Wallan vs Macedon

In the past few weeks both teams have beaten Romsey and both teams are pushing for the crucial third spot who gets a second

chance. A win for Wallan will desperate them from the rest of the middle of the row teams but a win for Macedon will keep things tight.

Macedon are full of confidence after a few good weeks and Wallan are fighting back after a tough month.

From the Coaches:

Wallan: It was a pleasing win versus Romsey. We started well against the breeze and added to another windy day at Wallan. We learnt a lot from the loss to Riddell which was played in similar conditions. The ladder is pretty tight from second to sixth so these games are crucial come seasons end. It is all about finishing top three and giving ourselves that second chance. Macedon beat Romsey two weeks ago and are hitting form. It is another eight-point game for us. If we win we hold that separation between third and the challengers. Meldrum is a good coach and will have his team ready for the contest. Our game styles are similar and I think the midfield battle will be intriguing.

Macedon: It was a really good win for us against Romsey. It was great to beat a side above us and give our team some belief.

Wallan are always tough to beat at Wallan. They are so good at out numbering and surging on the back of Boyall, Viani and Bowden. Morris is having a great year and Pez also doesn't need too many opportunities to put multiple goals on the board. Our squad is looking pretty good and if Cookey can get through a full week of training he will make himself available.

Players to watch

Wallan: Corey Viani has hit peak form the past month or so he will be looking to take that good form into this weekend.

Macedon: Zach Smedley will play his 100th game for the club and has been an integral part of the senior team for the past few season.

Prediction: Wallan to take the four points in a close one.

ROUND 11 RDFNL PREVIEWS

with Grace Bibby

Lancefield vs Diggers Rest

Lancefield are even further depleted following a tough match against Melton Centrals last weekend while Diggers Rest remain undefeated at the top of the ladder and seemingly fighting fit.

Diggers Rest will lose a few players over the next month or so including superior ruckman Mark Orr who is off on an overseas holiday.

With nine of their senior players out it is hard to see Lancefield staying in this contest for too long but one thing is for sure they won't give up.

From the Coaches:

Lancefield: We lost a few early on the weekend and being down a forward mid rotation definitely hurt us, but we weren't good enough. The pleasing thing was we kept trying and our last eight or ten minutes were our best that gives us something to build on this week. We still got a lot of inside 50 ball and we couldn't score. We want to more of our opportunities and if we are not kicking goals we want to lock it in for longer at the minute opposition are rebounding too quickly and we are caught chasing. We know how good Diggers Rest are but we are going to stay positive and keep cracking in.

Diggers Rest: We played pretty good football to get over the Hawks. We are extremely happy with how we are travelling but we don't want to become complacent. There are a lot of really good sides with us in their sights. It is a different ball game completely if Tom Waters is still missing. He dominated last time we played them. We know they have a lot of injuries and you have to be cautious of teams coming out with nothing to lose.

Players to watch

Lancefield: Ned O'Connell was in everything last weekend and as the injuries continue to hit he is stepping up for the Tigers.

Diggers Rest: In his first year at the club Andre Headberry is starting to feel at home at his new club. He kicked a goal last weekend and

featured in the best.

Prediction: Diggers Rest to keep on keeping on.

Riddell vs Woodend Heskett

This is an important game for both clubs. Last time they met Woodend Heskett were too good for the Bombers and they will go into this match as favourites once again. Riddell will lose their ruckman Josh Grabham for the remainder of the 2023 season due to a knee injury while Woodend Heskett will also be missing some key players for the next few weeks. If Woodend Heskett drop this one they will come back into the pack and win gives them breathing room.

From the Coaches:

Riddell: Since our loss to Melton Centrals, we feel like we have put some okay football together. The win against Wallan was obviously the most pleasing but we have been playing better. We are still not back to our best. Woodend Heskett have been playing well. We know it won't be easy.

Woodend Heskett: We were disappointed with the loss. You want to win every game but that is football. We were within a few kicks fairly late in the game and it got away from us. We are of the belief our best football is still good enough we just need to put it together for four quarters. Last week was a good test for our group and now we need to bounce back against another strong team.

Players to watch

Riddell: Ben Said had a big game against the Rams bagging eight goals in a comprehensive win.

Woodend Heskett: Tim Martin had more than 60 hitouts against Diggers Rest. With no Josh Grabham Martin will be looking to dominate again today.

Prediction: Woodend Heskett to bounce back with a win.

WALLAN FOOTBALL NETBALL CLUB

Club Notes

Another fantastic weekend of netball and football. Thank you to everyone who came to support the teams Friday night, Saturday and Sunday, a great turn out!

It was great to see the junior mascots back for the first time this season. We loved having the young juniors join the senior team for the afternoon on Saturday.

On Friday night the Club 18s were undermanned but put up a great performance against Yarraville Seddon.

On Saturday we welcomed Romsey, with some great results, particularly for our C Grade netballers securing their second win of the season. The 19 & Under netballer's also had an excellent win. B Grade continue to do their

best and get closer to getting a win. A Grade went down in a close encounter.

Both the Under 19.5s and Reserves had excellent wins. The Seniors also secured a very important win. On Sunday the Women's team played Montmorency in a top of the table clash and took home their tenth win for the season.

Thank you to our officials, supporters and helpers. Your help and support is greatly appreciated.

This weekend the Club 18s and Women enjoy a weekend off while on Saturday we welcome Macedon.

Go Wallan

MACEDON FOOTBALL NETBALL CLUB

Club Notes

With a bye last round, it was left to our U19 netballers to represent Macedon, they took on Gisborne Giants with sheer determination. Beth Barry was superb with her goal shooting abilities with a 14-goal game, Stella Vaughan was not far behind with 10 and young Isabelle Moyes round off the Cats tally with 6 - Cats took out the match 30-11. Well done girls.

Lordy, Lordy, Lordy,

What do can we say about Jack! He is an integral part of the Cattery, having played with the club since juniors. A current senior player, Committee member, planning and running functions, and even seen working the front gate, doing all this while being a primary school teacher, DJ, and Lunch Planner. He definitely is a club favourite and his infectious grin and dedication to Macedon he epitomises the true nature of our club. Many thanks for all your hard work and involvement at the club.

He's back!

Welcome back to the fold, Premiership winning player Matt Knox. A tough and seasoned forward line competitor, great clubman, and doting father. Its wonderful to see him return to Macedon, the trainers will have their work cut out for them with the bandaging and strapping.

Our women's team played Melton at Melton; our girls got off to a slow start. Bloods kept them scoreless for the first quarter, though the

Cats never gave up, at the long break they were just 14 points down. The third quarter proved tough, kicking against the wind but the final quarter saw Macedon dig deep and put everything on the line. Lilli Collins was a force to be reckoned with, slotting through 4 of the 5 goals scored for the match, again earning herself best on. Ninna Harbinson kicked the Cats other goal. At the sound of the final siren Macedon went down by 2 points. Fantastic effort by all the team.

LANCEFIELD FOOTBALL NETBALL CLUB*Club Notes*

Good luck to everyone today in our matches against Diggers Rest. Some mixed results last week. Netball had a great day winning the C grade by 5 points, B grade won again in a nailbiter (isn't every one of their games!) by 2 points, while the A grade side went down in a thriller by just one point! A great effort by everyone in really windy conditions. Special shout out to Tarnee Hammond who scored 50 points across her 2 games.

In the football the reserves were competitive for the good portion of the match but just fell away in the last quarter. Getting good numbers in our two's and they will be further strengthened over the latter part of the season as senior players return from injury. The seniors was a disappointing result, the opposition got off to a flyer in the first quarter and it was always going to be hard to come back from there. They have been ravaged by injuries to leading players but as they start to come back over the next few weeks the Tigers will be looking to finish the season with some real momentum.

We're well and truly into the second half of the year now but the pace doesn't ease off with plenty of action coming up at the Lancefield FNC. Today we host

Diggers Rest and we are home again next week against our neighbours from Woodend. Always a great day with a lot of people knowing each other so don't miss it.

Keep your night free on August 5th following our home game against Wallan because we will have comedian 'The Suburban Footballer' Tom Siegert on at the hall. Anyone who has seen him before can tell you this is a cracking night of laughs, there will be plenty more entertainment on the night as well. Make sure you follow us on Facebook and Instagram as we will finalise ticketing arrangements this week. Judging by early requests this event will sell out so be ready to go when tickets go on sale.

The week after on August 12th, our final home game for the year, we are planning a past players function, again, follow us on Facebook and Instagram for all the details but in the meantime if you know a past footballer or netballer let them know to keep August 12 free because without them we wouldn't be here today. Rumours are circulating that there might be a 'Reverse Raffle' that night. Is it true? I don't know, but again follow us on the socials for details to come!

Club Notes

Congratulations to Ponts & all the U19.5's who came away with their first win last week! Team effort! Two's & one's had good wins but we're still missing some players in both grades which makes it hard to get consistency! Come on fella's, let's commit to the rest of the year & get serious about making finals! After

giving the girls a wrap last week, only A Grade won against Western Rams. Welcome to Woodend today and a special mention to all the girls who have come along for Ladies Day! It's getting bigger every year so a big thanks to the organisers too. Go Bombers!

WOODEND-HESKET FOOTBALL NETBALL CLUB

Club Notes

Back at home last Saturday, it was great to see all of our sponsors and club 50 members who joined us for a day of netball and football. Thanks to our players and coaches who chatted about what it's like playing and coaching at the club and what their hopes are for the remainder of the season. It was terrific to work in partnership with the Woodend Junior Football Netball Club on bringing the day together as it's so important to ensure there is a positive transition from the junior to the senior club.

It was a day of mixed results which also saw a mix of weather conditions from bright sunshine through to pouring rain. We had three out of four wins in the netball, with the 19's making it two in a row, C Grade extending their winning margin over Diggers and A grade rounding out the day with a comfortable win.

It was a hard day on the football field with all three men's teams going down - the 19.5s to the Giants and reserves and seniors to the top of the table Diggers.

The senior women's team put in a dominant performance against Romsey with a huge 128 point win and will be

looking forward to a break this weekend before taking on Melton the following round.

The club is looking forward to taking on the Riddell Bombers in football and netball with the A grade netball team looking to avenge their defeat from back at the start of the season. The seniors will be hoping to consolidate second spot on the ladder with a win against the Bombers.

This Saturday night the club is hosting our \$100 mega draw and goods and services auction with the function commencing at 7pm in the social rooms. Everyone is very excited to see who will take away the big \$10,000 first prize in the raffle. All money raised from this event goes towards the club's contribution to the two new netball courts which are due to start construction at the end of this season. It's sure to be a great night and we'd love to see a big crowd down at home.

The club relies on sponsors to ensure we are able to provide the best experience possible for our players and supporters. Thanks to our round sponsor ESC Electrical for their continued support of the club.

ROMSEY FOOTBALL NETBALL CLUB

Club Notes

The Romsey Women have traveled away to Macedon and Woodend in the last 2 weeks.

Macedon proving to be too strong in a 16 per side game played in fine weather on a heavy oval. Thanks go to the Macedon team for their help on the day.

Woodend on a Saturday night in June when it had snowed on Mt.Macedon that week could be viewed with trepidation, however the game was played in the best conditions of the day.

Woodend Women's team started the game with a great clearance and goal, then controlled the game from there on.

The Romsey Women's team took a while to adjust to the style of game, eventually they started to push the ball forward and on several

occasions threatened while scoring 2 points with a poster included.

The spirit remains strong within this group and the smiles and laughs are a reminder that footy is much more than the result. Congratulations to both teams on a fair game.

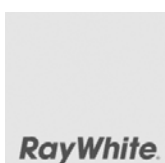

This week we play Mt.Alexander away in Harcourt with a bus trip organised so that the players arrive rested and relaxed ready to take on the Falcons in the match of the day.

Looking forward to hearing the stories from the bus trip home after hopefully a momentous win, go redbacks.

Thank you to those that have helped the team at these two away games.

GISBORNE GIANTS FOOTBALL NETBALL CLUB

Club Notes

Senior Football

The Gisborne Giants were keen to get back on the winners list for their round 10 clash against Woodend-Hesket, they trained through the week with plenty of enthusiasm and vigour in preparation to face the second placed Woodend side in an Away game.

The game started in cold but otherwise fine conditions with both sides bringing high intensity to the contest. It wasn't until midway through the first quarter that the Giants were able to score their first goal, the Giants maintained the intensity throughout the quarter restricting Woodend-Hesket to three points for the quarter while kicking three goals themselves.

On this occasion Woodend-Hesket were not able to match the intensity at the contest and outside ball movement of the Giants over four quarters of the match with the Giants running out winners by 41 points.

The win has consolidated the Giants position at the top end of the ladder with games to come against Melton Centrals and a return match against Woodend-Hesket.

Senior Netball

Giants came up against Macedon earlier in the season. Now, knowing their competition, the girls engaged their training plan, and it was great to see it pay off in the first half. With a strong attack, great passages of play throughout the first and second quarters, the Giants were holding the opposition accountable, sticking with them. In defence, Giants brought the ball down to our attackers after many interceptions in our defensive ring. It was a GREAT first half of Netball from the Giants having their closest margin at half time for the first time this season - 10/7 Macedon's way.

Unfortunately unforced errors caused by Macedon's pressure allowed the Giants to sneak away in the third quarter. Therefore, not enough opportunity for shots at goal. The score in the third blowing out.

Giants' girls to their credit recovered in the last quarter holding Macedon, working hard and never giving up, but the damage was already done.

So many positives to take out of this game making it exciting for when it all comes together for four quarters on Netball. Final score 11/30

ROUND 9 WOMENS PREVIEWS

with Grace Bibby

Mount Alexander vs Romsey

Mount Alexander and Romsey have moved their game forward and will be the stand-alone women's match this weekend as the rest of the competition play next week.

Both teams are coming off goalless games and will be happy to put those results behind them.

From the Coaches:

Mount Alexander: It was a disappointing showing for Mount Alexander against a much stronger Kyneton. The Tigers dominated all over the ground and Mount Alexander just couldn't get their hands on the football. They will be looking to record their second win of the season when they take on Romsey. Their only other win came against Romsey earlier this season.

Romsey: Romsey were dismantled by

Woodend Hesket last weekend. It was their biggest losing margin to date. Romsey had just four inside 50s for the day. The pressure they were under each disposal was intense and they couldn't fight their way through. It is a game they will want to forget. Romsey were without their skipper and best player Nicole Steward last week who makes a huge difference to their team.

Players to watch

Mount Alexander: Jesse Boylan was a stand out player for the Falcons last week managing 19 contested possessions and 7 tackles. Boylan tried hard to keep Mount Alexander in the contest.

Romsey: Meg Dalglish tried her best in the heavy loss laying 13 tackles last week.

Prediction: Mount Alexander will bounce back in a much more competitive game for both teams.

Melton Bloods versed macedon in a tough match, melton took off with the lead in the first quarter and both teams fought hard for the ball throughout the second and third quarters, however the last quarter Macedon upped their game and snagged a few goals catching up to

WOODEND-HESKET WOMEN'S FOOTBALL NETBALL CLUB NOTES

Back at home last Saturday, it was great to see all of our sponsors and club 50 members who joined us for a day of netball and football. Thanks to our players and coaches who chatted about what it's like playing and coaching at the club and what their hopes are for the remainder of the season. It was terrific to work in partnership with the Woodend Junior Football Netball Club on bringing the day together as it's so important to ensure there is a positive transition from the junior to the senior club.

It was a day of mixed results which also saw a mix of weather conditions from bright sunshine through to pouring rain. We had three out of four wins in the netball, with the 19's making it two in a row. C Grade extending their winning margin over Diggers and A grade rounding out the day with a comfortable win.

It was a hard day on the football field with all three men's teams going down - the 19.5s to the Giants and reserves and seniors to the top of the table Diggers.

The senior women's team put in a dominant performance against Romsey with a huge 128 point win and will be looking forward to a break

this weekend before taking on Melton the following round.

The club is looking forward to taking on the Riddell Bombers in football and netball with the A grade netball team looking to avenge their defeat from back at the start of the season. The seniors will be hoping to consolidate second spot on the ladder with a win against the Bombers.

This Saturday night the club is hosting our \$100 mega draw and goods and services auction with the function commencing at 7pm in the social rooms. Everyone is very excited to see who will take away the big \$10,000 first prize in the raffle. All money raised from this event goes towards the club's contribution to the two new netball courts which are due to start construction at the end of this season. It's sure to be a great night and we'd love to see a big crowd down at home.

The club relies on sponsors to ensure we are able to provide the best experience possible for our players and supporters. Thanks to our round sponsor ESC Electrical for their continued support of the club.

MACEDON WOMEN'S FOOTBALL NETBALL CLUB NOTES

Our women's team played Melton at Melton; our girls got off to a slow start. Bloods kept them scoreless for the first quarter, though the Cats never gave up, at the long break they were just 14 points down. The third quarter proved tough, kicking against the wind but the final quarter saw Macedon dig deep and put everything on the line. Lilli Collins was a force to be reckoned with, slotting through 4 of the 5 goals scored for the match, again earning herself best on. Ninna Harbinson kicked the Cats other goal. At the sound of the final siren Macedon went down by 2 points. Fantastic effort by all the team.

WESTERN WATER NETBALL REPORT

by RDFNL Netball Manager Grace Bibby

We have reached the half way point of the season.

Do you have some athletes that may not get large amounts of court time as we enter the pointy end of the season.

Maybe you're a coach of a junior competition or your kids are involved in sports and you coach them at home.

Here are some tips to inspire young athletes to give their best and not grow discouraged with defeat or setbacks.

Coaching Tip # 1: Motivate through specific clear short-term goals. Large or general goals can be overwhelming, so try breaking a practice into fun, manageable goals that don't overwhelm the players.

Coaching Tip # 2: Reward attitude as much as skills. During practice, often give players goals that don't have to do with the game of basketball. For example, ask your players to give a certain number of encouragements or compliments to team members. Or challenge the team to see who can give the most high-fives in an hour. This is part of the effort to keep the team interested and enthusiastic about the opportunity to participate on an organised team and to create an understanding between winning and success. Success isn't always about winning the game but how you treat your teammates and handle yourself on the court.

Coaching Tip # 3: Manage expectations. A player can have a self-expectation, team expectations, family expectations, coach expectations, and analytical (statistical) expectations that all influence a player's performance and demeanour. If an athlete has high expectations towards challenges, it is human nature for the athlete to do

whatever it takes and give a dedicated effort in meeting and exceeding that expectation. Problem is, some players have too high expectations and feel pressured, while others have the opposite issue – too low of expectations. Apathy can become a hindering habit.

To handle players with too-high expectations, try emphasize the fun of the sport and the mindset of "just playing," as this takes away the pressure.

Coaching Tip # 4: Be careful with criticism. For a coach to establish an effective environment it is key to build genuine relationships among team and praise athletes for doing well as much as possible. One way to create a positive atmosphere even when we must give criticism is by using the "positive sandwich" method. Try starting by giving praise, then give the correction/advice and end the point of instruction with positive feedback for constructive criticism. This makes the criticism a lot easier to hear without making a player defensive or discouraged.

Coaching Tip # 5: Emphasize the value of every player. One individual may score a goal, but we help the players understand every goal is actually a team effort. Break down a play to praise and acknowledge the small details that are just as important in getting that goal. Also stress that in netball there are different roles. Someone has to shoot, someone has to pass, someone has to rebound and someone has to defend. However, one common role everyone on the team has is to recognize the value of each role and be a supportive teammate. The value of teamwork can never be stressed enough.

Some great takeaways for aspiring coaches at your club.

WESTERN WATER NETBALL PREVIEW

by RDFNL Netball Manager Grace Bibby

It was another week of mixed results and we are still no closer to knowing who will or who won't play finals.

Each week we are seeing new players coming into the competition so the results continue to vary.

There will be some big matches take place again today.

Riddell vs Woodend Heskett

Riddell were lucky to come out of their match with Western rams with the four points.

They were down early in the match but were able to fight their way back into the contest during the second quarter.

Ellen Close continued to have an excellent year and is combining well with Ruby Shannon in the midcourt.

Woodend Heskett had a good win over Diggers Rest in the A grade grand final rematch but we know the teams have had big changes since then.

Woodend Heskett are still trying to cover the loss of Ty Coppinger and Meg Grbac stepped up in goal defence.

Matilda Lethan played her best game for the club in goal attack.

This will be a big game for the end of year results and even in the short term.

If Riddell lose either Macedon or Woodend Heskett could move into top spot.

Prediction: Riddell to be too strong with no Ty Coppinger in defence for the Hawks.

Wallan vs Macedon

Macedon had a strong fight back to split the points with an improved Romsey who Wallan also went down to on the weekend.

Wallan have been strong in defence all season and Amanda Rothwell Hiscock was once again amongst the best players while Madison Head also impressed in the mid court.

With five wins on the board the Wallan line up look like they will still feature in finals but a win over one of the higher placed teams will fill them with some much-needed confidence.

Macedon would have enjoyed another week off to rejuvenate some sore bodies.

Janelle Birch and Hetty Donoghue have been two notable players missing in recent weeks.

Chloe Williams and Katie Clarke were back to some of their best form against Romsey.

Prediction: If Janelle Birch plays Cats are too strong.

Melton Centrals vs Western Rams

Melton Centrals only just secured the four points over Lancefield.

It was a game that never reached any great heights and Melton Centrals who have had a good start to the year would have liked to be more dominant.

Melton Centrals had plenty of opportunities they didn't take advantage of and Randy and his team may need to make some changes to how they set up.

Bec Morabito came on at half time and gave them plenty of stability across the attacking line.

Tahana Aitu who comes up from the 19s also played really well in wing attack.

Much like Centrals Western Rams will have some decisions to make with their goaling combination.

Malia Seumanutafa was a standout in the first quarter shooting 11 goals and giving the Rams the first quarter advantage.

She had the second and third quarter on the pine and then returned with another 11 goals in the last.

We are not sure if she is being managed or if she has an injury of sorts but from the outside looking in Western Rams are a better team with her on the court.

Western Rams will need to win this one to give themselves any chance of playing finals. They are running out of opportunities.

Prediction: Western Rams to get the four points and keep their slim chances of finals alive.

Lancefield vs Diggers Rest

Lancefield are chasing their first win of the season and if previous results are anything to go by they have improved more than Diggers Rest have to start the season.

Diggers Rest were the winner of this match up earlier this season but Lancefield should be able to turn the table in round 11.

Chloe Hodgson was our player of the week this week for her performance against Melton Centrals.

Inaccurate shooting was probably what let the Tigers down last week or this week could have been a good opportunity for two wins in as many weeks.

Diggers Rest were competitive with Woodend Heskett early but were unable to maintain the high standard for four quarters.

Alice Sacco worked well in goal defence to be named their best player followed by Maggie Payne and Leona Hristovska. Brooke Baker is also enjoying playing up from B grade.

Prediction: Lancefield to get their first win of the season.
