TAC Road Safety Round July 21st - 23rd

Now is the time for clubs to be promoting the TAC Road Safety Round which will occur across the weekend of July 21-23.

Each year there are far too many deaths on our roads and this should come as a timely reminder to be safer on our roads. Our clubs, friends and families play an important role in stopping poor behaviour on our roads, whether that be taking the keys off your friend who has had a few drinks or telling your loved one to get off their phone whilst driving.

PlayHQ

The RDFNL along with 6 other metropolitan leagues will transition from the existing competition management platform GameDay, onto PlayHQ for 2024 and beyond. This will bring the Metro Leagues in line with the rest of the country for the first time since 2021. We'd like to thank GameDay for their support over a number of years. There will be comprehensive training for all volunteers in the lead up to registrations opening later in the year.

League Partners

A huge thank-you to the RDFNL sponsors and partners who

are continuing on in their support of the League in 2023. The RDFNL are pleased to announce Bendigo Bank as the Major Sponsor once again. Bendigo Bank are a great fit for our league and have local branches in Gisborne, Romsey, Lancefield and Kyneton so please don't hesitate to visit for your banking needs. Our longest partner Melton Toyota are on board again in 2023 and we thank Grant Harrison and his team for their continued support. We welcome aboard new partners Rookie Me, Premier Data and Macedon Ranges Driving School. To our other returning sponsors in Adcell, Action Forklift Training, Buffalo Sports, D & M Craftline, Dome Security, Gisborne Landscaping, Greater Western Water, Loco Sports, OnTime Delivery Solutions, Melbourne Greyhounds, Rent-A-Fence, Ring Road Trophies, Routley's Bakery, Sherrin, StarSub, SuperSport Images, TabCorp Park, Team Staffing and Victor Sports. We could not run the RDFNL without the support of these local businesses so please show your support to these companies that so generously support our League.

These new sponsorships have helped the League break its sponsorship amount record and have assisted in reducing the costs for our Clubs which we are ever so thankful for. The team at RDFNL HQ and the RDFNL Board will continue to source these partnerships to assist our Clubs and their bottom line.

The RDFNL is excited by our investments over the off-season in 2 products to support coaches and clubs. The RDFNL have purchased premium licences from Rookie Me to support every coach in the RDFNL, juniors and seniors. Coaches were provided an onboarding session last week to show off the exciting features that are available to every RDFNL coach in 2023.

The RDFNL have also invested with Premier Data, who are a statistics company and will be coding each Senior Mens and Senior Womens game and providing statistics packages to each club. Keep a look out on our social media for the statistics each week.

Best of luck to all teams in Round 13

ROUND 13 RDFNL PREVIEWS

with Grace Bibby

Wallan vs Melton Centrals

Melton Centrals have been a standout team of the last five weeks dropping just one game to Diggers Rest. Over the next five rounds they will need at least three wins to keep their season alive.

Wallan got the job done earlier in the year but it was in school holidays and we know there are a few assumption players who will be missing today. This is a real danger game for the Magpies.

From the Coaches:

Wallan: Good win on Saturday in windy conditions. The surface of the ground was terrific however the wind was challenging. The boys once again started well, lead by Pez up forward with 7 and Morris was also brilliant all day. Young Riley Gilchrist was superb on the wing. The percentage could be vital come seasons end. Melton had an outstanding win against Romsey last week and have previously beaten Riddell too, so we will be ready for a fierce contest on Saturday. We respect Melton Centrals. It should be a great game.

Melton Centrals: We know how we play isn't always pretty but we are playing with a lot of heart and a lot of determination. We have been really good for the last month or so and we have a lot more even contributions across the board. Our top five have been outstanding but our bottom ten are now playing their role well too. We are excited to do one of the toughest road trips in the RDFNL while we are playing well and have a few wins behind us. Our defensive end have kept us in games and they are led by John Ferri he has been outstanding. They are such a good team with a mix of youth and experience. It is a good challenge for us now to see how we go against some teams above us.

Players to watch

Wallan: Sean Morris was once again our player of the week for his dominant performance against Western Rams.

Melton Centrals: Jarrod Underwood has been playing some good football locking down the centre half forward position.

Prediction: Wallan to be too good on their home deck. Melton Centrals on any other ground.

Woodend Hesket vs Western Rams

Woodend Hesket were able to bounce back from a tough loss against Riddell with a big win over Lancefield. Now they face Western Rams will the hope of recording two straight wins. Credit to Western Rams as it has no doubt been another tough year but they continue to fight across four quarters each week.

From the Coaches:

Woodend Hesket: Lancefield were really competitive last time we played them so it was a win we were pleased with. We wanted to put the result against Riddell behind us and we did that. This week we have a new set of goals to reach and hopefully take the four points.

Western Rams: It was great to be able to give some opportunities to some of our young fellas and see the fight until the end of the game. Wallan are a great side who are well drilled. We have Woodend this week who have been playing some good football this year and look to embed themselves into the finals. We want to keep working on new things and experimenting in the back half of the year.

Players to watch

Woodend Hesket: Riley Pateron led the way for clearances in a weekend of tough playing conditions. Will he be the man to win the ball out of congestion this weekend?

Western Rams: Brandon Watts laid 10 tackles in the loss to Wallan and showed plenty of heart and desperation for his team.

Prediction: Woodend Hesket to be too strong for the trying Western Rams.

ROUND 13 RDFNL PREVIEWS

with Grace Bibby

Diggers Rest vs Macedon

An important game for Macedon as they look to bounce back from their narrow defeat at the hands of Riddell last week. While they played well they would have been disappointed in the final result. Macedon fielded their strongest team of the year and just fell short.

For Diggers Rest they come into the game on the back of a bye and are looking to get a few key players back including, Krul, Costigan and Calvaresi.

From the Coaches:

Diggers Rest: The bye came at a good time for us. We had the chance to freshen up after a few tough weeks on heavy grounds. We have a few players back but we also miss Jaycob Hickey to his overseas trip. It will be a good test for us up against Macedon who look to have hit full strength at the right time. They have some really good players who can win a game off their boot and we certainly respect that. We just need to play to our strengths for four quarters and hopefully that is enough.

Macedon: Feeling pretty proud, but yeah disappointing to lose a game that really could have gone either way. I think we got through unscathed but Tony Clarke has never been in such bad condition which is a shame. Tough ask over at Diggers but we have to go there believing we can compete and try and play four quarters against the competition yardstick.

Players to watch

Diggers Rest: Marcus Calvaresi missed the game against Lancefield will general soreness and will be looking to make an impact this weekend with fresh legs.

Macedon: Matthew Knox is a big in for the Cats but he hasn't shown us just how good he is yet, but it is coming.

Prediction: Diggers Rest to take the four points in a close one.

Riddell vs Romsey

It was a loss against Melton Centrals that spurred Riddell into form and they haven't dropped a game since. That loss also coincided with some senior players coming back into the lineup. We know Romsey are missing several senior players but will the loss to Melton Centrals see them get their season back on track?

From the Coaches:

Riddell (captain): Definitely happy with the last month from a whole club perspective, under 19.5's had their first win and seniors have strung together 5 in a row which is always good. No big changes from the first half of the season just sticking with Juzzy and the coaching staffs season long message of creating a fun environment where players can thrive on and off the field. Romsey this week will be a great test that we are looking forward to. Last time we were outplayed by the better side on the day but looking at the stats and contested ball we felt like the result wasn't as bad as the scoreboard showed. Josh Lanyon's had a very underrated season so far and the way he's patrolled the wing has done wonders for our structure so we will be looking for more of the same from him and the boys.

Romsey: We are bitterly disappointed in the result on the weekend. We know we need to be better. Take nothing away from Melton Centrals as they were very good. They played to their strengths and locked the ball in. We know we can be better and need to be better for a sustained period of times to beat teams. This week is another big test. If we can't play four quarters we will more than likely come up short.

Players to watch

Riddell: Dylan Tarczon was back to some of his bullish best against Macedon in horrific conditions.

Romsey: Corey Pertzel did his best to get his team going but it was to no avail. He was one of a few winners on the day.

Prediction: Riddell to continue with their winning form.

Club Notes

There was no doubt that old man winter is well and truly here, temperatures plummeted, and the wind cut through you like a hot knife through butter – but that's typical Macedon weather.

Our U19 netballers were first to take to the courts, it was a tough hard fought game against Riddell, and although they battled hard, they were no match for them on the day. Bombers taking out the match 12 – 30. C Grade took on the challenge and reversed the tables with a narrow 3 point victory. B Grade's match was nothing short of intense, with both sides hungry for the win. When the final siren sounded the game ended in a 29 all draw. A Grade also had a game on their hands, though Riddell just had the edge on us – final score 36 to 40.

Macedon Women's football team played at home with a great crowd there to support them. Conditions were extremely tough as they took on top of the ladder team Kyneton. Although our girls never scored a goal for the match, they never gave up. This week they take on

Woodend at Gilbert Gordon Oval for the final game of the 2023 season.

U19.5 the lads all pulled out the stops, giving Riddell a run for their money. Brad Cooke & Tommy Manuel kicked 2 a piece while young Fintan Light scored 1 goal. Cooke, Coppin & McGregor all polled in the votes. Final scores 5.6.36 to 1.5.11.

Seniors – Cold, wet, muddy and what a game it was, both sides struggled in the conditions, the game could have gone either way. Cats had 11 scoring shots to. Riddell's 10, it was unfortunate that we scored more points than goals. Riddell were victors by 4 points. Hoyne, Hay & Dyer were again voted best on ground.

WOODEND-HESKET FOOTBALL NETBALL CLUB

Club Notes

Last round saw our teams playing at Wallan, Lancefield and Melton and the club enjoyed some good wins as well as a narrow loss in the 19's netball and a draw in extremely windy conditions in the Senior Women's footy.

The 19.5's footy team who had a number of players unavailable struggled against the Magpies at Wallan and will be looking to put their best team forward against the Giants at home this week.

The Reserves played well against the Tigers in tough conditions to score a 67 point win. The seniors worked hard all game to overcome Lancefield in a hard slog on a heavy and wet ground. Both teams will be looking forward to playing back at home this week with the ground holding up really well with all of the rain.

The 19's netball team went down by one goal in a nail biter, coming back from a fair way back in the first quarter. The team played really well but just couldn't quite get the win. C grade while not playing at their best took the win against the Tigers. It was great to see B grade back on the winners list with their second half probably the best netball they have played for the season. A grade scored a comfortable 31 goal win over the Tigers to round out the day.

In extremely windy conditions the Senior Women's team had a draw against Melton. Scoring was really tough and the team will be looking forward to the last game of the season against Macedon this week. The team has improved a lot over the season and are definitely capable of matching it with older more experienced teams.

This Saturday night we host a Life Membership celebration for Paul Podbury. A two-time senior premiership player in 2002 and 2007, Pods has seen the highs and lows of the club on field over a long career. While Pods has enjoyed an outstanding career on the field, he has left his biggest mark off the field in both football and club administration. As a two-time President he has played a huge role in all the major projects that have happened around the club in recent times. He thoroughly deserves to be awarded life membership and we would encourage any past and present players, members and supporters to come down to the social rooms from 7pm to celebrate this wonderful achievement.

This week we are back at home with the 19.5's taking on the Giants, Reserves, Seniors and netball playing the Rams and the Senior Women's playing the Cats in the last round of the women's competition. We wish our women's team all the best as they head towards the finals.

The club relies on sponsors to ensure we are able to provide the best experience possible for our players and supporters. Thanks to our round sponsor Neale Street Medical Clinic for their continued support of the club.

WALLAN FOOTBALL NETBALL CLUB

Club Notes

Another big week for the club.

The Under 17s came to train with the Senior Club and get a taste of the Senior Football training before enjoyed a meal with the boys. Good luck to these young men for the remainder of their last junior football season and hopefully we will see most of them move to Senior football next year.

On Friday night the Under 19.5s went to assist the Under 9 training. The Under 9s loved having the big boys helping out at their training. Well done boys. A great example of giving back!

Unfortunately on Friday night Albion forfeited again and so the Club 18s didn't have a game. Hopefully this week they will have a good game against Wyndhamvale.

On Saturday the Under 19.5 played Woodend- Heskett at Wallan. Fourth v third, the game was played in good spirit and our boys got a very good win.

Meanwhile everyone else travelled to Rockback to play the Western Rams. The Western Rams organised

smoking ceremonies for Welcome to Country as part of NAIDOC week. The Western Rams also proudly worn their Indigenous jumpers. Hopefully next year we will have Indigenous jumpers for our footballers and dresses for our netballers. We are currently in the planning phase and looking for assistance with the designs. If you have a contact who maybe able to assist please let us know.

Congratulations to Archie Moore on playing his first senior game. Great reward after playing excellent footy in the Under 19.5s.

On Sunday the Women's team also had a forfeit against West Preston Lakeside

This week we welcome Melton Centrals. Best of luck to all netballers and footballers, officials and volunteers, have a great day.

LANCEFIELD FOOTBALL NETBALL CLUB

Club Notes

Last week was an exciting week for our club as both our football and netball teams played our nearby neighbours Woodend in some outstanding games of football and netball. The highlight for Lancefield in the netball was the victory from our mighty U/19's. Maybe they should play Woodend every week because they won by 1 goal after drawing against each other in their first meeting. You get your money's worth from these two teams every time they meet. The Hawks were too good in the other 3 divisions showing what a good team they are. In the football it was a titanic arm wrestle all day before the Hawks eventually overwhelmed our boys. Again another great contested footy battle in heavy conditions. We'll done to both sides. The reserves were well beaten by Woodend but showed some really good signs. All our players from all codes and divisions showcased their skills, determination, and team spirit, leaving us all proud.

As we take this week off to rest and rejuvenate, let's reflect on the achievements and victories through this year, we are continuing to grow and expand and the future looks very exciting!

Looking ahead, we can't contain our excitement for the upcoming match on July 22. Our club will be traveling to Macedon, where we will face another thrilling challenge. It's an opportunity for our teams to demonstrate their prowess and determination once again. Let's show up in full force to support our players and create an atmosphere that motivates them to excel.

Enjoy this week off, recharge your batteries, and let's come back stronger and more prepared for the next battle. We're proud of what our teams have achieved so far, and we eagerly anticipate the successes that lie ahead.

Go Lancefield!

GISBORNE GIANTS FOOTBALL NETBALL CLUB

Club Notes

Our footballers enjoyed a week off with the bye last weekend, however our U19s netballers braved the Friday night wintry conditions at Gardiner Reserve, Gisborne. A late afternoon downpour, blustery wind and near freezing conditions didn't stop the Giants and Burras taking to the court.

Spectators could warm up with a cup of hot pumpkin soup, while the players 'put on the show'. The game started off at a frenetic pace with the Burras getting the jump early with some fantastic shooting. The Giants worked their way back into the game through opening the court and excellent ball movement through the mid-court. The game was tight for most of the night!

Hearts were beating fast in the last quarter with the tight tussle right up until the last minute where the Giants had a chance to get within one point, however the Burras defence stood strong launching an end-to-end counterattack, which saw the Burras go up by three with less than a minute left on the clock. An excellent game of netball from both Clubs, played in great spirit.

A reminder that this weekend is the TAC and AFL Vic Road Safety Round.

ROUND 10 WOMENS PREVIEWS

with Grace Bibby

Mount Alexander vs Melton

Mount Alexander:

After recording their second win of the season the Falcons will be ready to finish their season in style. They have organized a big day down at Harcourt for what they are calling their grand finale. Unfortunately, after this game their season will be all over but it has been a fantastic start to competitive football for Mount Alexander. They have blooded some young talent and have found some superstars as well.

Melton:

With a win this weekend Melton Bloods will lock in second spot on the ladder on the eve of finals. They have managed to avoid losing but they have not been convincing in recent weeks. They will be wanting four points and some confidence to finish the regular season.

Players to watch

Mount Alexander: Jesse Boylan is a star of the competition. With another best on ground performance last week there is no doubting Jesse's ability in this competition.

Melton: Tayla Debono was the best for the Bloods last weekend in a sloppy encounter with Woodend Hesket.

Prediction: Melton should be able to get the win in this one but don't write the Falcons off.

Woodend Hesket vs Macedon

Woodend Hesket:

This game is crucial for both teams if Woodend Hesket can win they will hold on to third spot on the ladder. They really pushed Melton in a slog fest last week and will be hoping they can get the job done here. Woodend Hesket have shown great improvement since their earlier meetings and with the likes of Habib and Bau they are never going to be too far away.

Macedon:

If Macedon can sneak a win here they will move ahead of Woodend Hesket on the ladder. They have been thereabouts all season long and will be looking for the four points today to take some momentum into the finals series.

Players to watch

Woodend Hesket: Maisey Crowther lit up the stats sheet last week in a heavily congested low scoring game.

Macedon: Lulu Slater is the difference maker to the Cats line up. There is nothing she can't do on a football field.

Prediction: Woodend Hesket to hold onto third spot.

Kyneton vs Romsey

Kyneton:

Kyneton will finish the RDFNL season on top of the ladder and undefeated. They have contributors all over the ground and then they have five or six superstars who dominate each week. It is hard to see them getting beaten but anything can happen in finals.

Romsey:

This is the last we will see of the Romsey line up. They have battled all season long and their skills have improved a lot. If they can keep most of their group together and work on their general play they will come back better next season. Despite losing every game they have held their head high and continued to crack into the contest.

Players to watch

Kyneton: Jordan Savoia was one of the many standouts last week.

Romsey: Nicole Steward gets a mention each week but she has been outstanding for the Redbacks leading from the front.

Prediction: Kyneton to take the points and complete a perfect home and away season.

WOMEN'S FOOTY TIPPING 2023

MELTON WOMEN'S FOOTBALL NETBALL CLUB NOTES

Melton Bloods versed Woodend Heskett in what proved to be a very hard fought battle between both teams. With 2 milestone 50th games for club legend Amy Hibbert and also Jessica Dowdy, a guaranteed spot for second place on the ladder the bloods had everything to prove. Woodend kicked with the wind in the first quarter keeping our back line under plenty of pressure. First quarter however remained scoreless. Second quarter bloods finally getting a score on the board with one behind. After the half time break the already treacherous wind decided to pick it up a notch as did both teams in what was to become a very physical half. By the end of the third quarter scores were the same as the half time break, by the end of the fourth quarter scores were tied up at a massive 2 behinds each side deeming the game a tie. Massive improvement by all those involved playing with bigger and better things to come . Go bloods

Macedon Women's football team played at home with a great crowd there to support them. Conditions were extremely tough as they took on top of the ladder team Kyneton.

Although our girls never scored a goal for the match, they never gave up. This week they take on Woodend at Gilbert Gordan Oval for the final game of the 2023 season.

KYNETON WOMEN'S FOOTBALL NETBALL CLUB NOTES

It has been a fantastic first season for Kyneton joining the RDFNL. The club is excited to host their first home ground Indigenous Match this weekend against Romsey Redbacks this Saturday at 5pm. The club has worked hard on and off the field to create a welcoming, diverse and inclusive culture and hopes this work can continue long into the future with events like the Indigenous and Pride Rounds becoming a regular feature. The club will welcome Taungurung member Mick Harding to do a Welcome to Country and Smoking ceremony as part of the preceding's this Saturday. Mick was also engaged by Kyneton to design their club Indigenous Guernsey- which the Women's team will be wearing for the first time in Round 10. Local icon and sponsor Mark James has the honour of taking the coin toss between the two teams in what will be a great clash. Kyneton FNC would like to thank Mick Harding, Donkey Kyneton and Sunbury Cobaw Community Health for their support for this incredibly important match.

WESTERN WATER NETBALL REPORT by RDFNL Netball Manager Grace Bibby

As we reach the pointy end of the season what is the best way to manage court time and are we prepared for finals? Do we understand the league by laws surrounding player qualifications?

Is there anything more widely discussed amongst coaches, netballers and their families (and that causes more angst) than the issue of court time?

From players' first forays into the game as seven or eight-year-olds, right up to elite state and national competitions, it's unquestionably the single biggest point of contention, week in and week out.

So what's the right approach when it comes to the court time that players receive? Many clubs have different policies that may or may not work for them, however there are some approaches that undoubtedly work better than others.

TRAINING COMES FIRST

It's amazing how often some players will be unwell or injured for a weekend training session, and yet never fail to be available for a game.

Giving those players the same court time as their teammates sends a message that training isn't important and that there is no reward for players who put in the effort each and every week.

It's important to set rules and guidelines around team expectations at the start of the season and inform both players and parents about them, and then follow through on those expectations throughout the year.

If a player consistently misses training, however, there's cause to suggest that they shouldn't receive any court time until their attendance improves and they can demonstrate commitment to the team.

It shouldn't be seen as a punishment for players who don't attend training, but rather a reward for the players who do attend training and have shown commitment to the team and their teammates.

When explaining this to the affected player and their parents, it's important to note that at training sessions the team works on strategies, structures and on-court team chemistry, and that when players miss training it impacts the ability of every other player in the team to put those newly learned and practised skills out on court.

Of course, sometimes there are extenuating circumstances, like a family emergency, however if players know the guidelines and you're consistent in the application of those guidelines, it's likely you'll have all of your players at training the vast majority of the time.

COURT TIME ISN'T EVERYTHING

It's important to remember that being on the court on match night isn't the only place where development happens. In a 40-minute game of netball, a player might touch the ball 80-100 times if they play all four quarters. Let's say that's two seconds per possession, so you're looking at a maximum of about two-and-a-half minutes to three-and-a-half minutes in which a player will actually have their hands on the ball, across a whole game.

Obviously there is movement and body positioning and other non-ball factors that are also involved in playing a game, however in terms of passing and ball skills, those couple of minutes are all you get.

At training, on the other hand, a player might handle the ball 80-100 times in a single 10-minute drill, if they're completing pair work with a partner. That's why we always stress to players the importance of completing each pass or skill properly, with good

technique and with good intensity, at training – because that's the real opportunity to develop and improve, rather than purely on game day.

It's about creating good habits and techniques so that when that player receives those 20-odd possessions in a quarter during their weekly game, they can execute the pass or skill required on as many of them as possible, thus giving themselves a greater chance of remaining on the court and receiving more court time.

SHOULD EVERYONE RECEIVE EQUAL COURT TIME?

Each club should have a policy that provides guidance for coaches around court time. Having a firm policy will also assist coaches when players or parents approach you to ask those inevitable questions.

We've always aimed to keep court time relatively even, however that's not to say it needs to be. Players should earn their court time, and shouldn't receive it as a matter of course.

It's up to the coach to provide feedback and learning opportunities for players at both games and training, but it's up to the player to take on that instruction and put it out on court. If they don't utilise that feedback to improve, or don't attempt to try what the coach has suggested, why should they receive the same court time as other players who do?

By law 16 - Player Qualification - Seniors

(a) All other eligibility criteria and player registration rules and by-laws must be followed.

(b) Players may play a maximum of 2 matches per round, during the home and away season with their club in any grade, subject to part (e).

(c) A player who has played more than one match in a round in a day shall only have their higher match recorded as match played when determining finals eligibility. The second match will not count when determining finals eligibility. A 19 & Under player will have the underage & the senior grade match recorded as qualification matches for both age group/grade.

(d) Any team may list up to 12 players in any one match, and there will be no limit on the number of substitutions made.

(e) Any player who has played six (6) matches in a higher grade, cannot play in a lower grade for the remainder of the season (except 19 & Under players refer to 16(c)).

If a player is found to have played a game in lower grade after they have already played 6 games in higher grade they will lose premiership points for that round and the club will be fined \$100.00.

(f) Players must take the court in the match for it to be counted as a qualifying game. Players who remain on the interchange bench shall not have the match recorded as a qualifying game.

(g) Players in all grades must play at least four (4) matches in that season in one grade/age group to be eligible to participate in that grade's final series.

(h) A player can only play in one (1) finals match on the same weekend except for players in the 19 & Under competition who can play in two (2) matches maximum on the same weekend, as long as they have met the qualification requirements as stated in 16 (g).

(i) Any player that has played in a higher level than A Grade, e.g. Suncorp Super Netball Competition, Australian Netball League or the Victorian Netball League within the past 12 months will only be permitted to play no lower than A Grade in the RDFNL competition, except if they are a 19 & under player, who are eligible to play in any grade.
