ROUND 18 RDFNL PREVIEWS

with Grace Bibby

Melton Centrals vs Diggers Rest

This game there is more pride on the line than anything. Melton Centrals will be looking to finish their season with a win while Diggers Rest will have their sights on perfect preparation for their run at the 2023 premiership.

From the Coaches:

Melton Centrals: We have had a really good season we have had some great wins and we have been far more competitive than we have been previously. We are proud of the group for how far they have come in such a short amount of time and we are hopeful we can keep everyone together and scrape into finals next season.

Diggers Rest: The boys played really well against a good Romsey outfit. The score line was probably pretty flattering. We were able to put a few blokes on ice to finish. Melton Centrals are certainly no easy beat anymore. We will have our work cut out. They play their home ground well. They used to play a pretty rugged contested game but now they have the skill to play a decent mix of rugged hard good football. We have earned the right to have the week off next week but we want to finish with a win. There is no perfect scenario playing finals but winning form is good form.

Players to watch

Melton Centrals: Dylan Jobson has made a big difference to Melton Centrals forward line which has lacked a big forward presence.

Diggers Rest: Taylor Hine will come back into the side after a stint on the sidelines. He offers class and leadership for the Burra boys.

Prediction: Diggers Rest to record a win prior to their week off.

Riddell vs Wallan

Wallan have cemented their second chance in the finals series but Riddell still have a few bridges to cross. The slip up against Lancefield last week means they not only need to win but

need other results to fall their way. They have been the inform team of the competition in recent months though. Wallan had a great come from behind win against Woodend Heskett but their push for the premiership may be hampered by a serious injury cloud over Stevie Boyall.

From the Coaches:

Riddell: Credit to Lancefield they played really well. It was a great even contribution they didn't beat us convincingly in any area of the ground they were just very good across the ground. We now have our work cut out to make the top three but it isn't over. If we get a win and other results go our way you just never know but we need to control what we can control. Wallan are a good team but they have lost one of their best players.

Wallan: Saturday was a great win for the club. Our young group responded after being 4 goals down early. That shows the development and maturity of the players. They are a joy to coach and all on the same page. Hopefully that now secures a top 3 spot and second chance come finals. Woodend are a very good side, who we respect immensely. It was a finals like atmosphere. Riddell at Riddell is one of the hardest venues to win and we know they will come out firing after last week. Tarczon is the X Factor and best players in the competition. Unfortunately, we could be without Stevie Boyall due to a late injury. He has had another sensational year and will be hard to replace. The ladder is extremely tight going into the last round, which is great for the competition

Players to watch

Riddell: Dylan Tarczon has another outstanding performance to be named the player of the week.

Wallan: Sean Morris becomes even more important in the absence of Steve Boyall.

Prediction: Riddell to bounce back with a big win.

ROUND 18 RDFNL PREVIEWS

with Grace Bibby

Romsey vs Lancefield

Another game with plenty on the line. Lancefield may have had their grand final last week but with one game to go Romsey are still looking to consolidate their top five spot. Lancefield wont be short on confidence after knocking off Riddell.

From the Coaches:

Romsey: We were pretty competitive against Diggers Rest. They applied plenty of pressure and we weren't as clean as we would like to be. We are confident we can still match them. This weekend is another great test for us. Lancefield are up and about and will take some beating. If we can get the win we seal our own fate which would be great.

Lancefield: We are so happy with the boys. They played so well. I am just so proud of them. This was the scalp we have been looking for and it is just really exciting. We know the season is coming to an end but this gives us the belief and something to build on. We knew we had improved but now we have some results to back it up. Romsey will be hungry to win and we want to take confidence out of our win and see if we can back it up. I just cant explain how proud of the group I am. We don't want to get ahead of ourselves we are keen to finish on a high and that is going to take some work.

Players to watch

Romsey: Not a player but a coach, Justin Sherman has extended his contract and will be returning to the Redbacks in 2024. A promising sign for both parties.

Lancefield: Riley O'Meara missed last week through illness but will return to the Tigers line up for todays clash.

Prediction: Romsey to book their spot in the finals with a win.

Woodend Heskett vs Macedon

Woodend Heskett have had a good season and know they will play finals but they will be disappointed they let a four-goal margin go begging last week to give Wallan the upper hand in the race for top three. Macedon completed their first part of the equation by easily accounting for the Western Rams.

From the Coaches:

Woodend Heskett: We played really good football early but we couldn't sustain it. They played well and we couldn't get the momentum back on our side. That's a result that can go either way and we know we can match it with them. This week we have to bounce back with a win over the Cats. Both teams will be pretty desperate, I think.

Macedon: We played really well last week we had a few players who stood up and played well. It was a good complete performance. We are looking forward to another big test this weekend. We know we have to win and they know they have to win. Different scenarios but both looking for the same outcome. Its going to be a great contest.

Players to watch

Woodend Heskett: Ollie Watt took an absolute screamer last weekend to go alongside a few goals. He is a young kid with plenty of talent and is certainly one to keep an eye on this weekend and beyond.

Macedon: Lachlan Hay is another junior on the rise who was named best on ground on Saturday.

Prediction: Woodend Heskett to get the job done and end Macedon's 2023 season.

WOODEND-HESKET FOOTBALL NETBALL CLUB

Club Notes

It's hard to believe it's the last round of the season and the club is super excited to be having two netball teams and all three football teams playing in the finals. Not forgetting our senior women's team who also played in the finals – that's six out of eight teams in the finals this year! B grade can still mathematically make the finals, although it's going to take a huge effort and some other results to go our way.

It was a great day for the netball squad on Saturday with all four teams beating Wallan. In wet conditions early, the 19's set the bar with a terrific win over the Magpies having lost to them by 9 goals earlier in the season. This young side has improved so much over the second half of the season and they are looking forward to taking on the Cats this weekend.

C grade continued on their winning way and cementing 4th position on the ladder with a strong second half setting up a 19 goal win. Rotating a full squad through the game made for lots of changes but also showed the flexibility of the team. B grade scored a 13 goal win in another much improved performance with their full team available. A grade fought out a scrappy win against Wallan but a win none the less and are looking forward to taking on Macedon to see who finishes 2nd and 3rd on the ladder. Congratulations to Charlee Duff-Tytler who played her 50th game for the club.

The 19.5's footballers were only 10 points down at 3/4 time but had difficulty scoring in the final quarter to go down to Wallan a team who is just above them on the ladder. They will be looking to regain their confidence against the Cats at home in the preparation for finals. Despite losing to Wallan, the Reserves sit 4th on the ladder and will be looking to bounce back against the Cats. Congratulations to Jayden Bullard who played his 100th club game.

In a nail-biting finish, the Seniors came up just short against Wallan in a super match with Ollie Watt taking an incredible mark in the last quarter. The Hawks started superbly and scores were even at 3/4 time before the Magpies kicked away, only for the team to run out of time and go down by 2 points. It's going to be a cracking game against the Cats at home this Saturday. Congratulations to Daniel Toman who played his 100th club game.

We take on Macedon at home this round which is the perfect club for all of our teams to fine tune their games in preparation for the finals – it's going to be a cracking day.

The club relies on sponsors to ensure we are able to provide the best experience possible for our players and supporters. Thanks to our round sponsor Ridgewater Homes for their continued support of the club.

Go Hawks!

MACEDON FOOTBALL NETBALL CLUB

Club Notes

It was another round of mixed results as we took on Rockbank at Tony Clarke Reserve. U19 netballers went down to the Rams by 25 and our U19.5 boys had the same amount of luck when they played against Gisborne Giants who defeated Macedon by 3 goals. C Grade took early control of the game winning 30 to 21. B Grade had a comfortable win 47 to 32, while our A Graders had a 25-goal victory 74-49

Reserves had a field day, we saw senior coach Al Meldrum pull on the boots, inspiring many of the younger players that he still had a bit left in the tank, even scoring a goal from an impossible angle. Cats had 11 individual goal scorers including the Goal of the Year contender, kicked by the irrepressible Ollie Monaghan. A fantastic win for the lads.

Seniors saw Jack Kernan back in action, after having a few weeks off to construct a 4ft x 6ft garden shed, it appears that Air taskers completed the job along with the help of project manager Mr Toby Sims, thus allowing Kernan to return to the field. And what a clinic he put on, kicking an impressive 4 goals. The Cooke brothers booted 5 between them, young Lachlan Hay was voted best on ground, he has obviously got his talent from Grandfather Bruce Hay an all-time Gisborne champion.

RIDDELL FOOTBALL NETBALL CLUB

Club Notes

Before we get to the results, a great day held at the Riddell Social Rooms last Friday when we hosted a sportsman luncheon with BT, Wayne Carey, Tom Lynch & David Schwarz. As always, a fantastic event with some great stories & insights. Well done to Bowser for putting it all together.

A belated congratulations to the Beer Pong victors for 2023 from the week before - the trainers Emily & Josh!! Well done. A great night had by all.

The U19.5's got within 29 points of Romsey last week which is a huge improvement since they last met. Let's try & finish on a high note this week!

A big thank you to life member Dave Hutchens for his continued support to the boys throughout the season, it's greatly appreciated!

The reserves had a good win last week & so did all the netballers who are marching into the finals with some excellent form behind them. Congrats to Hayley Brown for making her A Grade debut.

The senior footballers went down by a point to Lancefield last week which was disappointing and will most likely cost us the double chance. The Tigers just seemed to want it more than the Bombers all day. I'm sure we'll bounce back at home this week! Go Bombers.

Don't forget to buy your Presentation Night ticket online or see Rachael. Save the date - Fri 22/09/2023.

Our last home game this week v. Wallan. Thank you to all the helpers on match day - many hands make light work. See you ALL next year!

A special thanks to our sponsors for their continued support in 2023. Please ensure you support them as much as possible all year round.

WALLAN FOOTBALL NETBALL CLUB

Club Notes

Last weekend was another fantastic weekend of football and netball with some huge results, starting with the Women's team winning their semi final and going straight into the grand final. Meanwhile at Wallan we welcomed Woodend-Hesket. The footballers had a great day while it wasn't the netballers day.

Congratulations to Georgia Stevenson on the great achievement of 100 netball games. Not only is Georgia playing, she is also coaching the 19 & Under. A wonderful milestone, well done Georgia Kate!

Last Saturday we also welcomed our wonderful sponsors and life members and thanked them for their support. We also had the pleasure of the Auskickers entertaining the crowd at half time with the Auskick Camp 4

Cancer Cup.

It was a huge day and the helping hands of so many was fantastic. Thank you to everyone who helped out in whatever role throughout the day and behind the scenes throughout the week. Special thanks to all those that helped out in the canteen at many and various times throughout the day.

On Sunday we had the wonderful news that three of the Wallan Junior Football Club teams are off to play in grand finals this Sunday. Congratulations and well done! Best of luck for your games on Sunday.

This week our Under 19.5s head to Romsey while everyone else is off to Riddell. It will be another big weekend, the final weekend of the home and away rounds.

LANCEFIELD FOOTBALL NETBALL CLUB

Club Notes

What a year it has been for Lancefield Football & Netball Club that draws to a close today. The highlight no doubt being the celebrations throughout the year of our 150th anniversary. A big thankyou to everyone who was involved along the way in those landmark events. From our 150th season launch, to our commemorative game, to the launch of the remarkable book chronicling our history and the celebrations that went with that we thank you all. Most of all though, to all the people that came before us who have worked tirelessly over the last 150 years to ensure that we keep going we acknowledge, recognise and thank you for all your efforts. Our club today is the sum of all those combined people and efforts.

We can't let today pass without recognising our win last week against a quality club like Riddell and reigning premier at that. It might have only been a 1-point thriller but in our clubs turnaround journey it was a significant milestone as we look to take our club back from one time easybeats to one of the top sides again. Good luck to all our

players today and lets hope we can finish off strongly in both football and netball against our traditional rivals in Romsey.

When you have struggled you really rely desperately on your sponsors to stand by you, and to all of our sponsors, from the biggest to the smallest, we want to thank you for standing by us in the toughest of times and look forward to taking you with us on our journey back to the top in both football and netball. Without our premium sponsors Ace Floors & Coatings, Innovative Glass and Aluminium, Kilmore Trackside, Kilmore Ford and the Lancefield Hotel we wouldn't be here today. Every club exists because it has volunteers, they are the lifeblood of all our RDFNL clubs and we thank all of ours from the bottom of our heart for the hours of their own time they give to us.

And finally to the RDFNL, and all our sister clubs who are involved in finals, its been an incredibly even competition among all the grades in both codes this year and we wish you all the best of luck in the finals!

Go Tigers!

GISBORNE GIANTS FOOTBALL NETBALL CLUB

Club Notes

Round 17 marked the last home and away game for the season for the Gisborne Giants who came up against the Macedon Cats. This was a must-win game for the Giants to have a real chance of finishing on top of the ladder at season end, especially with the Round 18 bye.

The Giants started the game slowly allowing Macedon to dominate clearances and inside 50s. It wasn't until midway through the second quarter before the Giants were able to start evening up the contest and by half-time there was just a few points separating the two sides.

Several positional changes at half-time changed the make up of the Giants side and with increased pressure at the contest, they began to take control of the game. By early in the final quarter, the Giants were starting to dominate contested possession leading to a reasonably tight match until the final siren.

The Giants took the win by 18 points sending them into their first appearance in the under 19.5 competition. This has been a rewarding journey for the players,

the coaching and support crew and the club, being such a new group so we are looking forward to the future holds.

On the courts, the Giants came up against a fast Melton Central's mid court.

The girls started strong and put the pressure on throughout the court, staying with their players. Although the score didn't reflect, a good first quarter of netball 7-1.

Centrals were fast moving the ball down the court into their attack making it a tough game for our defenders. Much to the Giants credit, they were tight in the ring, rebounding, taking interceptions and sent the ball back into our attack. Whilst hungry for the ball, the Giants just couldn't finish it off, allowing the Centrals to sneak away throughout the game.

As always, the girls never gave up and continued to fight with little wins along the way. The Giants had some nice passages of play in the final quarter and were looking promising down the court, straight into goal, resulting in our biggest scoring quarter for the game.

Final score 39-10

WESTERN WATER NETBALL REPORT

by RDFNL Netball Manager Grace Bibby

The final round of regular season RDFNL for season 2023.

It is exciting that we are just seven days away from kicking off our senior finals campaign but it is also the end of it all for some clubs.

Every year of netball has its ups and downs but we are excited to one again have seen so many faces on court each week.

So many of our small community towns rely on football and netball clubs in so many ways.

As with any end of season there are several things to mention and several people to thank.

We will start by once again highlighting our Interleague coaches.

Thank you so much to Hope Hamilton, Michelle Rix and to Tegan Dowsett for their contribution to the RDFNL junior program. We are hopeful of advertising for coaches of some age groups in the coming weeks and we will also be announcing the coaches who are continuing in their role which is great for the continuity of the program.

We hope that this year our program will begin in November with teams selected prior to the Christmas holidays.

This year we had some outstanding results at Association Champs.

All teams played hard but fair and were more than competitive.

This year we have also seen several a grade debuts and milestone games.

Each week we try to celebrate netball as much as possible.

As part of this the RDFNL has increased the filmed matches each week which provides highlights on our social media.

This year we appointed a netball stats person who has enjoyed watching the games and taking stats which have been used to create our players of the week to highlight defenders and midcourters whose stats are not recorded on Netball Connect.

We know there are more exciting things happening at club land so please don't be afraid to send them in.

In a time where umpires have been so hard to come by our panel have been truly outstanding. We are not saying they are perfect and we know we won't always agree with their decisions but each week they have shown up to ensure the RDFNL games go

ahead with umpires who are not aligned to clubs.

Thanks also to those umpires who are aligned to clubs and have stepped up to the league at short notice and to our club umpires covering 19s and C grade each week.

It is so disappointing that despite so many warnings we are still finding spectators and coaches more so than players abusing our umpires.

The league made a point of tightening up our rules and ability to report and suspend poor behaviour and we have seen a vast improvement in this area.

We have had so many umpires on our panel this year so I won't name them individually but if you get five seconds and see a familiar face this weekend it would be nice if we could say thanks.

Their commitment has made my job of managing the umpires a lot less stressful than it has been in the past.

Touch wood I have been very lucky that I haven't been scrambling for umpires on a Saturday morning too often.

Thank you to all our amazing netball coordinators. We know all the work you are doing behind the scenes and we know all the time it takes to organise teams, players and coaches. It can be a thankless job at times but the work you do is much appreciated by the league.

To the teams that are not participating in finals next week and beyond we hope you enjoy your off season and we are looking forward to seeing you back on court next season.

To those in finals enjoy the experience and play hard but remember it is just a game.

Have fun and be kind to one another.

We look forward to celebrating what has been another fantastic season at the Bowen Ryan Medal on the 28th of September.

It would be great to see a few of the netball people settle into the night and enjoy a dance with live entertainment from the boys of GoodFaces\$Radio to follow the official proceedings.

Who will win the Ryan medal will it be someone who has won it before? Will somebody new take the glory?

It should be a fantastic night with the team of the year honours, rising star and best and fairest vote counts from our other grades also being presenter.

Good luck to all teams this weekend!

by RDFNL Netball Manager Grace Bibby

This weekend marks the last of regular season netball and we unfortunately say farewell to four of our A grade teams. The top four is set but will it be Romsey who seal their finals hopes with a win or will Western Rams sneak in. They will be watching the results eagerly on Saturday evening hoping Lancefield pull off a miracle in their last game of the season.

Melton Centrals vs Diggers Rest

Neither of these two teams will feature in finals this season but it would be great for them to finish the season on a high.

Melton Centrals were very competitive early but have fallen away in the second half of the season.

For Diggers Rest it has been a long season.

They struggled to find a coach in the early part of the season and were a long way off ready when the season arrived.

Their committee will be hoping to secure a head coach nice and early so there is more planning and structure around next season.

Prediction: Melton Centrals to finish their season with a win.

Riddell vs Wallan

Riddell will finish the season at the top of the table and enjoy a week off to freshen up before they make a push for a senior A grade premiership.

Wallan won't know who they play yet but they know they will be there.

This game will be a big test for Wallan to see if they can compete with another team in the top three as they did last week against Woodend Heskett.

Georgia Stevenson, Teagan Walker and Gemma Grimmond led the charge

For Riddell Shelby Holter was outstanding with 55 goals at 91 percent.

Hayley Brown also made an appearance in the senior team alongside her sister.

What a great story they have been coming through the junior ranks and now playing side by side in the seniors.

Their mum Tracey is never too far away either.

Prediction: Riddell to head into the week off with a win.

Romsey vs Lancefield

We know it will be Lancefield's last game of the season but will it be Romseys as well?

Romsey face a must win game just to get into finals then they need to win every game from there. They are

a long way from home but they have a team that is capable. Like many of our senior teams this year they have had several players come in and out.

Maggie Lind has been an outstanding inclusion and the return of Hope Hamilton is speaking volumes.

Hope came on a quarter time last weekend and shot 27 goals.

Laura Neo also impressed down the defensive end.

It was a game Romsey were always going to win so it gave them the opportunity to experiment in a few positions.

For Lancefield they had arguable their best game of the season as they were competitive with Riddell. We saw some new faces at Lancefield which is promising signs for their future.

Stacey Parks took over mid-season so it has been a tumultuous season for the team in black and yellow.

It would be great to see them finish the season on a high and record their first win.

Prediction: Romsey to book their spot in the finals with a win.

Woodend Heskett vs Macedon

This game will be huge in the context of finals. The result means nothing but who will take bragging rights into their match next weekend.

Win lose or draw these teams are finishing second and third which will mean they will meet in the qualifying final next week.

Macedon were the more convincing of the two teams in round 17 with the inclusion of Janelle Birch and also Henrietta O'Donoghue playing a full game.

O'Donoghue may have been the difference shooting 63 goals.

Alex August Leifi also had another great game in defence.

Her athleticism and ability is seriously underrated.

The move of Chloe Williams out to goal attack and Clara Stewart back to wing attack was a positive one. The Cats stifled the Rams early and never gave them a chance.

Woodend Heskett made a lot of changes against Wallan last weekend and despite taking the points it was less than convincing.

Woodend Heskett will need to be considerably better this weekend against better opposition.

Prediction: Macedon to beat Woodend Heskett in a preview of what we can expect to see next week.
