### RDFNL TV

RDFNL TV was launched in 2021 and thanks to our great friends at Adcell Group / Red Onion Creative for their coverage of the RDFNL continuing in 2022. Each RDFNL Football Senior match and an A Grade Netball match is filmed each round and all matches are uploaded to RDFNL TV each Sunday. In addition, we have four highlights packages on our socials and a top 5 plays of the week. These tools are invaluable to the RDFNL and we hope that our followers and supporters are enjoying the extra coverage each weekend.

### Live Scoring and Team Sheets

A reminder to all Clubs that live scoring is compulsory for RDFNL Senior matches. Please assist us in marketing our League with up-to-date live scores of all our Senior matches each weekend. Please ensure all team sheets are accurate online at the beginning of the match. With umpires now completing the votes online, the team sheets must be accurate to allow umpires to select their 3-2-1.

### Round 4

Best of luck to all teams in Round 4.

## ROUND 4 RDFNL PREVIEWS

### with Grace Bibby

#### Western Rams versus Woodend Heskett

Western Rams are still eyeing off their first win in many seasons, but unfortunately it is hard to see it coming this week. Woodend Heskett are up there with the best of them season having already defeated Riddell and competed well with Diggers Rest.

They have plenty of class across each line and their stoppage work with the help of Marcus Stapleton in the ruck is elite.

We hope Rams can put four quarters together and bounce back from their big defeat at the hands of Wallan.

#### From the Coaches:

Western Rams: We just need to try and be a bit more consistent across the four quarters. Wallan really got a hold of us in the first half which was disappointing. We are a good group and it is really exciting watching them turn up and compete each week. We know Woodend Heskett are a good outfit but there is plenty of them in this league.

Woodend Heskett: The rest came at a really good time for us. We are happy to be 2-1 given we have played both grand finalist from last season and a much improved Lancefield. We had a few injuries after some tough football and will be in better shape after the break. We can't afford for the break to diminish our intensity against the Rams. They were competitive against Centrals for a lot of the round game at Ian Cowie.

#### Players to watch

Western Rams: Cain Shaw racked up plenty of the football last weekend and will be important for the Rams today.

Woodend Heskett: Marcus Stapleton led the hit outs for the league last weekend and if he can give the Hawks first use out of the middle he is going to create headaches for the Rams.

**Prediction:** Woodend Heskett to bank another four points in this one.

#### Lancefield versus Melton Centrals

This is a must win game for both clubs and it is always well contested. Melton Centrals had

a decent win over Rams but have fallen short against stronger opposition while Lancefield have not yet recorded a win against two stand out teams.

If both teams play their best football this will be a good game of football.

Both teams have had early injuries and unavailability but should go into the game evenly poised.

Matt Bowden will miss the next six weeks with a hamstring strain for Lancefield while the Charge brothers are away this weekend for Centrals with family commitments.

#### From the Coaches:

Lancefield: We were really competitive early. I thought we battled well considering we had players out. That's no excuse though we ran out of legs and let Diggers get the better of us. We really need to get a W on the board so we keep our belief high because we are playing okay football against the good sides. If we can string four together who knows what will happen. It has been a tough couple of weeks we keep reminding our boys football isn't as big as life itself and we have thrown our arms around them and just try to help as much as we can. These things really effect small community towns. RIP Kieran Lyon.

Melton Centrals: It is always disappointing to lose you go into every match wanted to win. We have some really important players out at the minute. Hopefully we get a few back this weekend. It is a big game for us and we need to be a lot cleaner with the football or it won't go our way. We fumbled, weren't clean and didn't make the most of our opportunities. If we can't break even from the clearances we are going to find ourselves in trouble. They have a great ruck man who puts it where he wants it.

#### Players to watch

Lancefield: Tom Waters was in our top six ruckman of the week with 30 hit outs. He has been a dominant ruckman for many years in the RDFNL and the Centrals are cautious about his influence on the game.

Melton Centrals: Will Thornton Gielen was best on ground for Centrals last week but has been struct

### with Grace Bibby

down with some health issues. Fingers crossed he gets up for today's game.

**Prediction:** Lancefield to record their first win of the season over a depleted Melton Centrals.

#### Romsey versus Riddell

These two teams more often than not have close matches. Riddell have been tested early this season and copped their first loss in round one, but have shown more urgency and intensity since.

Romsey have shown plenty of promise under Justin Sherman and after recording their first win last weekend they will have instilled more belief in their group.

There is always plenty of speculation around the two big men in Grabham and Hoy and both teams will argue they have the best ruckman. Who ever gets on top there will go a long way to seeing their team take the four points.

#### From the Coaches:

Romsey: It is always nice to get a win on the board and get some reward for effort. We feel like we have been solid to start the season and we hope to use this momentum to keep building. We were really competitive against Wallan and that leaves us in good stead for our match up against last year's premiers. They have plenty of talent on the ground but we will continue to worry about what we are doing and how we can best get the game on our terms.

Riddell: Our first loss came in round three we have joked about that with the boys for a while now. It was a strange fixture but we enjoyed the break and the freshen up. We know Romsey always play their best football against us and we are looking forward to another challenge this week.

#### Players to watch

Romsey: Jack Jedwab was a star last week and probably the difference between winning and losing kicking seven goals.

Riddell: There is not a player in the league in more ominous form than Dylan Tarczon. We keep saying his name but until he gives us a reason not to we don't have an issue with it.

**Prediction:** Riddell to win in a tight contest.

#### Macedon versus Wallan

These teams always have well fought games and we expect nothing less this weekend. Wallan have had a dream run so far winning three games but they are yet to be pushed by some of the stronger teams.

It will be interesting to see how their young list stands up this weekend.

Macedon are also eager to get their first win on the board after a tougher fixture.

#### From the Coaches:

Macedon: There was a vast improvement from round one to round two which was pleasing and something for the group to build on but we all hate losing.

Wallan are the yardstick and have been over a sustained period of time but like us they have had plenty of change from 2022 to 2023. Contested possessions and clearances are crucial like most games. With the Cooke's out for a while we will look to give another crop some exposure to 2pm football.

Wallan: Two weeks in a row we have started really well. We played on our junior ground and our men adjusted early and still managed to find open space. We obviously like to run and the attacking game style is starting to gain momentum but it will take time to master. It can be unpredictable throughout the contest but we will keep patient with it.

Macedon played well against Diggers before their bye and will be tough to beat at home. Hopefully the weather holds out and the big ground suits us. It should be a good game between two talented sides.

#### Players to watch

Macedon: With neither of the Cooke brothers available it is a good opportunity for a young forward to stand up and make the Cats 50 his own.

Wallan: Sean Morris was the premier Data player of the week last week for his four goals and 33 possessions.

**Prediction:** Wallan to win in a competitive battle with the Cats.

## WESTERN RAMS FOOTBALL NETBALL CLUB

### Club Notes

Well, it was a tough day on the football field at Wallan last week, Wallan coming out strong and dominant from the first bounce in both our Reserves and Senior games. Whilst our Senior boys showed some good structure in the first, we know we've got some work to do in maintaining our focus and energy across all four quarters. Fitzroy Greenwood impressing Wallan and getting 'Best On' for the day, also impressive for the Rams was the performance of Cain Shaw & Bo James displaying solid work rates, good vision and decision making.

Over on the netball courts we had some luck, our 19s again displaying their strength in another solid win, our B and C grade also taking out the points in hard fought battles, Jess Christie and Tina Afoa showing some dominance and smarts on the courts in these games. Not such a great day for our A's, missing the majority of our normal line up, but with that being said they battled hard and there was some impressive discipline and resilience displayed on the court. Elisa Butterworth-Gonebale showing off her on court diversity moving between Mid court and goals, Aliesha Tainui was

a standout defensively and young gung Teshana Munro proving she can hold her own coming up from the 19s into A grade, putting incredible defensive pressure on a strong attacking Wallan side.

With a split 3/3 win for Rams and Wallan across the day, the decision on awarding the Ray Ogston award has been held off to our home game later this year.

Moving forward, we are looking forward to the challenge this week at Home against Woodend, we know we certainly have our work cut out for us! Hope to see everyone join us for what looks to be a great day, and for anyone who is up for a night of fun, feel free to join us for our annual Frat Party, tickets available on the door - 7pm!

We are also excited to announce that we will also be hosting our Annual Fundraising event for MND Victoria at our Home Game in Round 5 against Romsey on May 13th! We hope to see many people come and join us to help us honour and pay our respects to our valued Life member and former player Ron Lalli-Cafini and help us raise much needed funds for MND Victoria!

### Club Notes

What a start to the season for our Women's Senior Football Team who played the Mt Alexander Falcons at Harcourt Recreation Reserve. White the team enjoyed a comfortable win against the Falcons the day was much more than just getting the win. We would like to sincerely thank the Falcons for the extremely positive, inclusive and welcoming environment which they created for our young players. The game was played in bright sunshine, you could feel the sense of excitement by all players and some terrific skills were on show. Coming together after the game to present the awards in the club rooms and to acknowledge the importance of the day was not lost on those in attendance.

Women's football is here to stay and our club is very proud to be participating in the inaugural season in the league. Big thanks to Aaron and all at the league for the work that has gone on behind the scenes to make this happen.

This round the 19.5's head to Gisborne on Friday night to take on the Giants. The team has enjoyed a strong start to the season and will be looking to test

themselves against the Giants. The Senior Women's Team heads to Kyneton on Saturday evening to take on the Tigers who also had big win in their first match. The Hawks will be keen to test their skills against the experienced Tigers.

The seniors, reserves and all netball teams head to Ian Cowie Reserve to take on the Rams. All teams will be looking to build on their good start to the season. The netball is always a tight contest against the Rams and all games are well supported.

The club relies on sponsors to ensure we are able to provide the best experience possible for our players and supporters. We would like to sincerely thank our round sponsor, Elements Design and Build for their continued support of both football and netball. We would also like to thank local law firm Chink (HEP) Steel Solicitor for their sponsorship of the senior women's team.

Saturday 13 May will be a day of celebration for the club as the women's senior team plays its first game at home and we Celebrate Women at the Nest from 2pm. See the club's facebook page for full details.

## ROMSEY FOOTBALL NETBALL CLUB

### Club Notes

Hello all Redback supporters.

Well the club/ league kicked off the inaugural Women's open footy comp with our girls playing Kyneton FNC on Friday night under lights.

It was fantastic to see the large crowd that attended and supported both teams.

While the results didn't go our way, the girls showed plenty of spirit and they all appreciated both Maddy and Georgie Prespakis from the AFLW and former local players coming in pre game then watching the game. This was much appreciated by the Club.

We had our football boys come away with 3 wins in 19s, Resis and seniors. Great effort and something that hasn't be done for quite awhile.

Netball was also highly competitive across all 4 grades with the B and A team narrowly missing out.

This week we are home against a powerful Riddle FNC in what will be must see round across both codes.

On a sad note. The club deeply saddened by one of our own Loui Auer Snr passing away last week.

Lou has been a long time Sponsor, (Power Concrete cutting)member and supporter of our great club and will be dearly missed.

Our deepest condolences to his Family Kerry, Loui Jnr, Jenna and Fi Fly

# MACEDON FOOTBALL NETBALL CLUB

## Club Notes

Macedon would like to thank all those who turned out to our annual ANZAC Day game, and what a day it was! Unfortunately, the boys went down in all 3 games. Our netballers on the other hand were victorious in all 4 divisions. After playing in B Grade netball

our home-grown star Ash Coxhell took out the back-to-back win in the women's 130m sprint. \$1000 richer thanks to our generous sponsor – Macedon Nursery. The wins didn't stop there, gun player and one of the most club orientated people, Katie Clarke was awarded the McDougall Medal for the 'Most Courageous' player in the A Grade team.

We saw young Joe Barham pull on the boots for his first senior game at the Cattery. Nothing was more thrilling than watching him kick his first goal. Congratulations Joe and may it be the first of many.

With a bye round last week our U19;s played against Gisborne Giants and saw them take out a 10-goal win. U19.5 footballers were to play Lancefield; however, Lancefield forfeited the match – giving us the four points.

Congratulation to our Women's football team who played their first match for the club last Saturday. Although they were kept scoreless by the Melton Bloods, our ladies never gave up fighting. Everyone at the Cattery are extremely proud of your effort,

If you know anyone who is interested playing, please contact Tamara Collins on 0411 017 185

## Club Notes

A huge weekend for the club. On Friday night the Under 19.5s ventured to Gisborne, they didn't come away with the win but both teams put on a great display in damp conditions under lights. Great to see so many supporters make their way to Gisborne to support the team.

Unfortunately for the Club 18s Bacchus March forfeited. This week the Club 18s will play Wyndhamvale on Friday night at 7.30pm at Wyndhamvale South Oval 1

On Saturday the day began with the Auskickers having their first session for year.

The Western Rams arrived early to prepare for the netball as we prepared for a big day on the bottom oval while our main oval remains closed as it recovers from drainage works.

The Rams have an extremely talented 19 & under team, our girls gave them a real run. The team is growing with each game. Great effort girls. C Grade had a difficult day this week but will be back better than ever this week. B Grade almost got their first win of the season going down by just 1 goal. Each week the B Grade team has made huge gains, a win is just around the corner. A Grade had a great win.

Madi Head stepped up from the Under 19s to made her A Grade debut. Madi certainly showed she was ready for the challenge. Well done Madi!

While we prepared for the football to start, lots of people were busy. Melanie Voss was cooking up a treat on the BBQ. Caffeine Me prepared beautiful coffees for us to enjoy. Meanwhile the girls in the canteen did a great job throughout the day.

Matty Bell and Kevin Voss welcomed everyone at the gate.

Huge thank you to all the players who helped out. The injured Jake Neilson and Riley Evans, who operated the manual scoreboard for the Reserves game, thank you. Then the Under 19s leadership group Brian Lawrence, Spencer Whittingham & Luke Young ably assisted by Nash King, who stepped up and kept the scoreboard up to date throughout the seniors.

There were some huge milestones will Graeme Torney playing his 250th Reserve game for Wallan FNC. An

amazing achievement, congratulations!

Then Brenton Cox played his 100th Senior game for Wallan FNC. Another great achievement, well done Coxy!

Congratulations to Alexander Crawford on making his Senior debut. Alex acquitted himself very well and made the most of his opportunity. Well done Alex!

Thank you to the Riddell Umpires who adapted to the not so comfortable rooms on the bottom oval and did a great job.

Thank you to all the Western Rams supporters who came to support the netball and football teams. Also to all the Wallan Football Netball Club supporters who came to cheer the teams on and support the club. Your support is greatly appreciated.

Finally thank you to all who helped out throughout the day, without your support the day wouldn't have been nearly as successful as it was. All your assistance was greatly appreciated. Thank you!

To finish off a fantastic weekend the Women's team had a wonderful game and came home with another win.

This week we travel to Macedon and wear our clash / heritage jumpers again.

Go Wallan!

# GISBORNE GIANTS FOOTBALL NETBALL CLUB

## Club Notes

Gisborne Giants FNC hosted their second Friday night game of the year in a top of the ladder clash against 2022 premiers Wallan FNC.

Although the game started in wet and trying conditions both sides adapted well and played with high intensity and skill level worthy of a top of the table clash.

The continuing momentum shifted throughout the game and saw the lead consistently changing with neither side taking complete control. Although the Giants were able to get out to a 14-point lead, by midway through the last quarter Wallan were able to peg it back and eventually levelling the game with only a few minutes to go.

The Giants were able to show great composure in the final 90 seconds of the game by continually

pushing the ball forward and locking it in the forward line. This led to a roaring crowd with Jack Ryan kicking the final goal after the siren, resulting with a 6-point win for Giants. An exciting and great result for the club!

Our 19 and under Netballers came up against Macedon for the first time. Although the Giants were defeated 27/17, the girls demonstrated promising attributes throughout the game. Their positive attitude on and off the court has been a great way to start their season together as an inaugural team. The girls are starting to show promising passage of play, increasing our play in a attack with many interceptions bringing the ball down the court. The team are starting to build a good foundation for a season ahead.

## ROUND 2 WOMENS PREVIEWS

### with Grace Bibby

#### Melton vs Romsey

##### Melton

Melton had an emphatic first up win in Round 1 vs Macedon at Tony Clarke Reserve and will enter this week's match up full of confidence. This will be their first game at home at MacPherson Park in the RDFNL Women's Competition and they will be looking to put on a big show under the Friday night lights in front of a big crowd.

##### Romsey

Romsey will enter Round 2 with an indication of where the benchmark of the Competition is after playing against Kyneton first up last week. It was the Club's very first game and faced a very strong opponent but will have learnt a lot. It doesn't get any easier this week against a strong Melton side.

#### Players to Watch

##### Melton

Coby Savage was a standout last week and will be one to watch again. Savage kicked four goals in the big win and was also named best on the ground for the Bloods.

##### Romsey

Johanna Langeleaan was Romsey's best player last week in their first ever match and she will be looking to put her best foot forward again in Round 2.

##### Prediction

Cannot go past Melton at home after the Round 1 results.

#### Macedon vs Mount Alexander Falcons

##### Macedon

Macedon had a tough task in Round 1 facing the experienced Melton Bloods at home and weren't able to match it with some unavailability's not helping their cause. The Cats will be hosting the Falcons under the Tony Clarke lights immediately following the Senior Men's match which should be a great day for the Club.

##### Mount Alexander

The Falcons had their first foray into the RDFNL last weekend, and it was a great day at Harcourt Recreation Reserve as they took on the Hawks. Woodend-Hesket were too strong but no doubt the

Falcons will have learnt a lot from last weekend and will be looking to get their first win on the board this week against the Cats.

#### Players to Watch

##### Macedon

Tamara Collins was everywhere in her debut for the Cats last weekend applying plenty of pressure and looks to be one to watch for Macedon.

##### Mount Alexander

Kate Freston who is an on baller for the Falcons will be one to look for this weekend.

##### Prediction

Real toss of the coin this contest but with some big ins this weekend, we think the Cats in a very close one at home

#### Kyneton vs Woodend-Hesket

##### Kyneton

The Tigers started the season with a big win in the season opener at Romsey last Friday night. It was a dominant display and they'll be looking to make it two wins on the trot.

##### Woodend-Hesket

The young Hawks travelled up to Harcourt last week and had a big win over the Mount Alexander Falcons. It was an impressive first outing and they'll need to be on their game travelling to Kyneton this weekend.

#### Players to Watch

##### Kyneton

Taylah Moore was dominant in Round 1 kicking 10 goals and being named best on the ground. The Hawks will have to stop Moore if they're going to win this weekend.

##### Woodend-Hesket

Kat Bau a reigning League B&F winner will be one to watch. One of the youngest players in the Competition but doesn't limit her impact on matches.

##### Prediction

In what appears to be the match of the Round, it is hard to go past Kyneton at home at the Showgrounds under lights.

## MELTON WOMEN'S FOOTBALL NETBALL CLUB NOTES

The Melton Bloods headed to Macedon for their first match in the RDFNL, it was perfect footy weather and was a great start to the 2023 season for the girls. A very successful day on the field to showcase all the skills we have been working on throughout our preseason. Coby lead our goal kicking for the day with 4 goals and Jordyn & Rhiannon also snagging 3 goals each. It was a hard but friendly hit out with macedon and we look forward to playing them again later in the season. This Friday night we play under lights and are very excited to be hosting Romsey at our home ground.

## ROMSEY WOMEN'S FOOTBALL NETBALL CLUB NOTES

The RFNC Women's team were fortunate to open the RDFNL New Womens competition in the 1st game of the season at Romsey Park on Friday 28th April 2023 against Kyneton.

With much excitement and nervous energy 21 players took the field for Romsey with 14 of the players never having played an AFL game before.

With a large crowd gathered and despite the damp and at times drizzling rain, making playing conditions difficult, both sides cracked in and gave their best all night. Kyneton proved too strong and experienced on the

night. We thank them for the spirit the game was played in and for staying around after the game, enjoying some RFNC hospitality.

Congratulations to all involved, special thanks to our helpers on the night.

Women's footy was the big winner with smiles all around and a few ice packs.

The RFNC Women's team thank all the club sponsors including our match day sponsors the Telegraph Hotel Gisborne and McDonalds Gisborne.

Bring on the next game.

## WOODEND-HESKET WOMEN'S FOOTBALL NETBALL CLUB NOTES

What a start to the season for our Women's Senior Football Team who played the Mt Alexander Falcons at Harcourt Recreation Reserve. While the team enjoyed a comfortable win against the Falcons the day was much more than just getting the win. We would like to sincerely thank the Falcons for the extremely positive, inclusive and welcoming environment which they created for our young players. The game was played in bright sunshine, you could feel the sense of excitement by all players and some terrific skills were on show. Coming together after the game to present the awards in the club rooms and to acknowledge the importance of the day was not lost on those in attendance.

Women's football is here to stay and our club is very proud to be participating in the inaugural season in the league. Big thanks to Aaron and all at the league for the work that has gone on behind the scenes to make this happen.

This round the 19.5's head to Gisborne on Friday night to take on the Giants. The team has enjoyed a strong start to the season and will be looking to test

themselves against the Giants. The Senior Women's Team heads to Kyneton on Saturday evening to take on the Tigers who also had big win in their first match. The Hawks will be keen to test their skills against the experienced Tigers.

The seniors, reserves and all netball teams head to Ian Cowie Reserve to take on the Rams. All teams will be looking to build on their good start to the season. The netball is always a tight contest against the Rams and all games are well supported.

The club relies on sponsors to ensure we are able to provide the best experience possible for our players and supporters. We would like to sincerely thank our round sponsor, Elements Design and Build for their continued support of both football and netball. We would also like to thank local law firm Chink (HEP) Steel Solicitor for their sponsorship of the senior women's team.

Saturday 13 May will be a day of celebration for the club as the women's senior team plays its first game at home and we Celebrate Women at the Nest from 2pm. See the club's facebook page for full details.

## TACKLE YOUR FEELINGS

Essendon are partnering with the Tackle Your Feelings (TYF) program to make mental health training available to community coaches, in 2023. Tackle Your Feelings is a free mental health training program for community AFL coaches, as well as committee members and other club support staff. The program is delivered by a local psychologist and aims to help participants gain the tools to Understand, Recognise and Respond to signs of mental ill-health in their players. In 2021, the program was delivered to more than 4000 community coaches from 352 clubs across every Australian state and territory. 'Tackle your Feelings' was inspired by mental health education developed for AFL professional coaches and players, consisting of a face-to-face presentation from a local psychologist and additional online learning. Ambassadors include Leon Cameron, Alastair Clarkson, Nathan Buckley, Neville Jetta, Kara Antonio and Dylan Buckley also feature throughout

the video content within the program. The program was formed by the AFL Coaches Association, AFL Players' Association and Zurich Insurance in 2018, after the tragic death of Adelaide coach Phil Walsh three years earlier.

### How your club can get involved

Tackle Your Feelings is a free program and is available to your club in 2023.

Once coaches complete the training (workshop and online modules) they will have access to resources including blogs, podcasts and videos to assist with their ongoing learning. Participating clubs are eligible for the Tackle Your Feelings rewards program, which includes footballs, equipment and access to program ambassadors.

**If your club wishes to get involved, please register your interest by contacting [sabdilla@essendonfc.com.au](mailto:sabdilla@essendonfc.com.au)**

## UMPIRES CORNER by Paige Giles

### OUT OF BOUNDS | FOLLOW THE JOURNEY OF OUR UMPIRES, BEYOND THE FIELD.

#### ARTICLE 3: 'Girls can do it too!'

We speak with Audrey Balding on her goal umpiring journey.

Audrey has been a goal umpire for the RDFL for the past 3 years. Growing up Audrey played Netball, it wasn't until 2020 when she decided to make the switch to goal umpiring. Her Dad was a big inspiration as he was a goal umpire for the VFL and her sister Genevieve had also decided to take up goal umpiring for the RDFL.

Audrey loves being in the game and is a fanatic Collingwood supporter, footy certainly runs in her blood. She loves the umpiring community, the jokes, friends and the enjoyment of the atmosphere on game day.

Besides her Dad, Audrey looks up to her family friend Michael Palm, who goal umpired for the AFL and actually gave Audrey his flags which she uses now. (Photo below shows Michael Palm and Peter Balding umpiring for the VFL)

Being a female in a male dominated sport, Audrey's key is confidence and showing that 'girls can do it too'. Her advice for junior goal umpires is just to 'give it a decent go because you might end up really loving it.'

Audrey's ultimate goal is to beat her Dad's total number games or better yet, make it to the AFL!

## WESTERN WATER NETBALL REPORT by RDFNL Netball Manager Grace Bibby

Our season is in full swing now for junior and senior netball and we love nothing more than pushing the state pathway out to our players.

Our three junior interleague teams have been training for several weeks now and they also competed in practice matches against the Ballarat FNL on Wednesday night.

We have such a big talent pool now and in recent history we have had players go on to represent our League and zone at academy level and state level.

Some players are currently listed on national team lists so the opportunities are endless.

The 2023 Elmer state trials are now open.

The Netball Victoria State Titles provide a fantastic opportunity for all 19 regions in Victoria to come together and compete in the following divisions:

- 15 & Under Female
- 17 & Under Female
- 17 & Under Male
- Open Female

The weekend competition not only brings quality players, coaches and umpires from across the state together but it is also recognised as an invaluable development tool and promotes a structured pathway for those playing netball in Victoria.

Below are the affiliated association/league in the Elmer region.

- Altona NA
- Bacchus Marsh NA
- Essendon & District FL
- Essendon & District NA
- Hoppers Crossing NA
- Macedon Ranges NA
- Parkville Netball
- Riddell District FNL
- St Albans/Caroline Springs NA
- Sunbury NA
- Victorian Men's & Mixed NA
- Western FL
- Wyndham NA

The 2023 State Titles will be held at State Netball Centre, Parkville from Saturday 7 & Sunday 8 October 2023.

To be eligible to trial for the ELMER Region, a player must play a minimum of six (6) matches in an Association/League within the Region between 1st January 2023 and the competition date/s (year of competition). Where a player is eligible to represent multiple regions, the player may only represent the region of their choice (criteria outlined in bylaw 2.2 Player Eligibility, Netball Victoria)

## WESTERN WATER NETBALL PREVIEW

by RDFNL Netball Manager Grace Bibby

Round three produced some very competitive netball.

Wallan remain undefeated after three games and they will meet another undefeated team in Macedon fresh off the bye in round 4.

Hopefully we see some more well contested games.

Western Rams vs Woodend Heskett

Western Rams are a different team they are missing their gun goaler Malia Seumantafa.

Last weekend they relied on Elisa Butterworth Gonebale to do the damage in the mid court but the goalers didn't make the most of their opportunities and then went down to Wallan.

The pressure this weekend will rise to another level with Woodend Heskett.

We know how good their defensive end is.

Woodend Heskett are fresh off a bye as they played their round three match on Good Friday.

They are still working on their attacking set up and that is where they let most vulnerable at present.

If Grbac can settle on an attacking combination they are going to be hard to beat in the back end of the season.

Western Rams need a full list available if they are to make any inroads into this one.

**Prediction: Woodend Heskett the win by a comfortable margin.**

### LANCEFIELD VS MELTON CENTRALS

Lancefield are still chasing their first win of the season and it looks to be a long way off after a disappointing showing against Diggers Rest.

They have had some changes to their coaching ranks since their last game so it will be interesting to see how they come out today.

Jordan Furness impressed in a half of netball and was well supported by young goaler Darcee Ellard.

For Melton Centrals they have started the year well and a win over Romsey will boost their confidence.

Hayley Hill had plenty of inceptions and was

dominate in defence while Emma Winzar shot well in goal attack.

Melton Centrals managed to win all four games of netball last weekend meaning the club retained the Weavell Cup.

**Predictions: Melton Centrals to record another impressive win and they continue their strong start to 2023.**

### ROMSEY VS RIDDELL

Romsey have been competitive in each of their two games so far this season but it is hard to see them defeating Riddell.

Riddell's off season recruiting was as good as any and with the likes of Shelby Holter, Amy Starzer, Ellen Close, Beck Anstey all running around their options for combinations is endless.

Abbie Barnes made an impact for Romsey last weekend but it wasn't enough for them to secure the win.

Romsey had a six-goal lead after the first quarter but were unable to maintain it for the next three.

If they can pull four quarters together, they will be really competitive most weeks.

Prediction: Riddell to be too strong for Romsey.

### MACEDON VS WALLAN

With neither team having lost yet this is the match of the round on paper.

Wallan have relied on their junior players coming up and are reaping the rewards from players such as Genevieve Carboon and Georgia Stevenson.

Macedon on the other hand are combining some youth with experience to get the job done.

Chloe Williams is still on her comeback journey while Hetty Donohue is making her presence felt.

Will the young fearless attitude of the Magpies prevail or will the older wiser heads of Macedon hold their nerve.

Macedon have had the harder run of opposition but this should be a cracking contest.

**Prediction: Macedon to record a significant win.**
