### Milestone Games & Feel Good Stories

Thanks to our Clubs who have sent in their milestone matches and feel good stories throughout the season. We are here to promote our Clubs, our players and our volunteers so if you would like to share any of the above, please send through to Grace at [grace@rdfnl.com.au](mailto:grace@rdfnl.com.au)

### Supporters, Players and Officials Behaviour

Unfortunately, we've started to see an increase in poor supporter, player and officials behaviour and language, whether directed towards umpires, players, officials or volunteers. This won't be tolerated by the RDFNL and I ask that everyone treats each other with respect as everyone is doing their best.

### Live Scoring and Team Sheets

A reminder to all Clubs that live scoring is compulsory for RDFNL Senior matches. Please assist us in marketing our League with up-to-date live scores of all our Senior matches each weekend. Please ensure all team sheets are accurate online at the beginning of the match. With umpires now completing the votes online, the team sheets must be accurate to allow umpires to select their 3-2-1.

### Round 9

Best of luck to all teams in Round 9

## ROUND 9 RDFNL PREVIEWS

### with Grace Bibby

#### Diggers Rest vs Melton Centrals

After the mid-season bye there is one team that stands alone at the top of the ladder and it is the undefeated Burras. Jamie Lobb and his men have gone from strength to strength this season and there hasn't been anyone that has really challenged the ladder leaders.

Melton Centrals are coming off the back of one of their most impressive wins in recent history having defeated the reigning premiers all be it three weeks ago.

Can they make a name for themselves in today's big clash.

#### From the Coaches:

Diggers Rest: The midseason break came at a really good time for us but now it is time to refocus and make sure our football does the talking. We have let a lot of teams in the contest with errors and we want to be better, more effective in the next few rounds. We know Centrals will come in full of confidence after their win against Riddell. After the break most teams are at full strength and are keen to get back into it.

Melton Centrals: The bye and then the mid-season by wasn't ideal for us. It would have been nice to take some momentum from our win over Riddell and come out swinging against Diggers Rest who are clearly the best side in it. They have dominated most games and the only time anyone has got near them is when they have kicked poorly and the opposition have kicked well. We come into the game as close to full strength as we have been all year and we are really excited by the test. We either know we are on the right track and we get the belief we need or it might be a bit of a reality check. There is no bigger challenge than Diggers Rest at Diggers Rest and I am excited and I hope the playing group are too.

#### Players to watch

Diggers Rest: Jacob Hickey had arguably his best game for the club and was awarded our Player of the Week in round 8.

Melton Centrals: Jake Thornton-Gielen was hiding in the forward pocket as he recovered

from injury in their last outing but he will be back to full fitness to come up against a few old teammates.

**Prediction:** Diggers Rest to continue their winning ways.

#### Lancefield vs Western Rams

Lancefield have been playing some good football in recent weeks but have been unable to steal the four points. This weekend will give them a great opportunity to win but they will have to do it without their fearless leader Tom Waters. Waters is expected to miss the next 4-6 weeks with a knee injury. Lancefield will also be without Darren Robinson who suffered a gruesome injury to his ear. For Western Rams they will go into the game with the same attitude they do every week. Looking to be competitive as they continue to rebuild.

#### From the Coaches:

Lancefield: We are really battling with injuries at the moment we have a few more out following the Riddell game. But with injuries comes opportunity for someone else. We want to go out there and play four quarters and hopefully get a win and some reward for hard work after the last few weeks. We really want to focus on once we get inside 50 that we are kicking a score.

Western Rams: We had so many departures to cover after last season. I have been really proud of the boys but we haven't been able to put four quarters together and play a consistent game. We want to continue to build on and off field. Lancefield have been great this season, we have no easy games but I know our guys will turn up each week with a focus on getting better.

#### Players to watch

Lancefield: Ben Sankey will have big shoes to fill this weekend as he tries to replace Tom Waters in the ruck.

Western Rams: Brandon Watts has shown some impressive signs in the middle of the ground and will be important if they are to get within striking distance of the Tigers.

**Prediction:** Lancefield to consolidate their good form with a win over the Rams.

## ROUND 9 RDFNL PREVIEWS

### with Grace Bibby

#### Macedon vs Romsey

These two teams always deliver a hard fought contest. Which team will break the game open and get the scoreboard going their way.

Romsey would be reasonably content with where they are sitting in the standings but Macedon have some work to do. Will an upset here kick start their charge in the second half of the season?

#### From the Coaches:

Macedon: We are hopeful that some of our experience players can come back in and compliment our development of our local products. I don't think you can be happy sitting at 50% in the win loss column coming to the half way point of the season but we recognize we are building at this particular stage of the season. To put ourselves in a position to win against Romsey this weekend we need to double down on the process of being consistent in game for longer across all phases especially defensively. Jedwab is a star of the competition and too good for community football right now and he is in the sweet spot of his footy timeline. I would love to see him have a crack at state league if he has the appetite.

Romsey: There really isn't an easy game in the RDFNL. Every week you have to play good football. At the minute we are still looking for the right mix but we keep asking for effort across the four quarters. Effort we out weigh anything else. Our win loss position is quite okay but we have been in some games and let them get away from us. We understand that things can change quickly so we have used the break to reset. We are looking forward to getting back out there this weekend and we are also looking forward to our Mental Health program on Thursday night. Mental health is a lot bigger than football and it is something I am really passionate about.

#### Players to watch

Macedon: Toby Sims was in it all in the Cats win over Western Rams. He will be hoping to continue his form after the break.

Romsey: Ali Khalil has been a ball magnet for the Redbacks so far this season and has been influential to their success to start the season.

**Prediction:** Romsey to record their fifth win of the season.

#### Wallan vs Riddell

Two powerhouse teams of the last few seasons who always make a contest no matter what form they are in. Wallan have the better win loss record but come into the game on the back of two tough losses prior to the break. The Bombers on the other hand got back on the winners list and will be looking to build on that in the second half of the season.

#### From the Coaches:

Wallan: We played well against Woodend and had our chances leading at three quarter time. There was plenty to learn from that result. I am pleased with our form. It is great to see Haydn Gill getting his chance at VFL level and playing well. The challenges keep coming and it is a really important game. Riddell have superstars all over the park and we hope to get a few quality players back in also. I have faith in the boys we just need to be better for longer against the top sides.

Riddell: Even they have lost a couple of games they are probably still in better form than we are. We were just getting by before the break and hopefully with some fresher bodies we can start to put some wins on the board and make a late run for it. We are not giving up even though there are a few who have written us off.

#### Players to watch

Wallan: Matt Perri looked lively and like he was starting to return to form last week. We can expect a bag from him soon but will it be this week?

Riddell: Haydn Ross has been getting plenty of the ball in recent weeks. He will be there when the ball is to be won later today.

**Prediction:** Riddell to cause an upset.

#### INCREASE YOUR BRAND AWARENESS

Consumers buy from brands they recognise so social media marketing is great because it can get people to see your business brand faster, easier and more regularly.

#### GLOBAL REACH

Internet usage is now steadily rising across the world so most organisations can find and connect with their target customers online. The better the internet gets the more accessible clients are, from around the world.

#### SAVE MONEY

Most social media networks allow you to set up a profile for free. However, if you decide to pay for promotion you can, for a lower price than traditional marketing including television, radio, and newspaper.

#### INCREASE ENGAGEMENT

As opposed to radio and TV advertisements, social media marketing allows customers to converse and connect with a brand directly, in real-time and on a recurring basis.

## Club Notes

Back to the field and courts this week after a week off to celebrate the Queen's/King's birthday (Huzah!)

We take on Romsey at the Ontime Oval, in no doubt will be a tough hard-fought round. U19.5 lads will play Gisborne Giants on Friday night, after a nail-biting win against Riddell last round, our boys will be firing on all cylinders to keep top spot on the ladder.

Another mixed bag of results in round 8 when we played Rockbank, our U19 netballers tried hard in their match but the Rams were just far too strong on the day, going down by 32. C Grade's game was an absolute nail biter, credit to our girls they didn't give up, fighting to the final siren. It wasn't to be their day - Rockbank took out the match 29-26. Tables turned in the next two games with B Grade winning by 11 and A Grade with a sneaky 3 goal win.

Reserves had an impressive win with young Matt Dettmann proving he is still a class act, kicking an inspiring 3 goals and earning votes. The big fella Frizy again dominated in the ruck while Jack Hassett was by far the best on ground. Great to see the Wanger lining up for his second game of the season.

Seniors had many of their big guns out due to a spate of injuries, Smeds & Sims were indisputably the best players for Macedon, we also saw the irrepressible smiling assassin Reserves coach Chad Walker pull on the boots (what can't this man do!) Phylard, Rutledge & Sims were major goal kickers, a great win for the boys.

Fantastic victory for our women's team, taking on Mt Alexander. Lilli Collins, Adriane Ward & Sarah

Miles were our goal kickers, even though we were kept scoreless in the final quarter, the girls had enough of a lead to take out the points. Well done ladies.

## WALLAN FOOTBALL NETBALL CLUB

### Club Notes

We all enjoyed the King's birthday long weekend after a Round 8.

The Club 18s had their first home game for the season and took the most of the opportunity to play in front of a home crowd to get a nice win against Bacchus Marsh. On Friday night they are off to Caroline Springs for their final away game for the season.

Round 8 didn't go all our way but there was some great netball and football played by both Woodend Hesket and Wallan. Jordan Roberts made his senior debut, an amazing achievement for an New Zealander who is new to football. Jordan acquitted himself very well and made the most of his opportunity. Great effort Jordan!

On Sunday the Women's team had another great win, their 8th straight win.

This weekend we welcome The Riddell FNC.

It will be a big day as we get behind Stevie Bell's fund raising for the MND cause.

Best of luck to all football and netball teams.

# WOODEND-HESKET FOOTBALL NETBALL CLUB

## Club Notes

The club was thrilled to see so many past players from the Heskett Football Club and the two WHFNC premierships reunion teams attend our last home game. It was wonderful to see some of the old memorabilia from the early days of the Heskett FC including photos, membership tickets, newspaper articles and other historical documents. The senior players enjoyed a pre-game talk from the captain of the 1983 Premiership side which spurred them on to their excellent win against Wallan.

# GISBORNE GIANTS FOOTBALL NETBALL CLUB

## Club Notes

Friday night football came back to Gisborne for the round 8 clash between the Gisborne Giants and Romsey Redbacks. Another large and enthusiastic crowd braved the cool but clear conditions to spectate what was to be another big game for the Giants.

The atmosphere was set with thanks to the Giants committee and volunteers who provided a barbeque and fire pits to help everybody keep warm and comfortable while watching the game.

The Giants started slowly and trailed Romsey by as much four goals midway through the second quarter, before getting their game going by kicking the last two goals of the quarter. The third quarter was all about the Giants as took complete control of the game playing fast and exciting football, turning a half time deficit in to a three quarter time lead.

While Romsey stayed within striking distance early in the last quarter, they had no answers for the Giants attack on the ball and transitional play, with the Giants running out comfortably with a four goal win.

Our 19 and under Netballers played under lights following our Junior club on Friday night. It was great to have our club together playing and supporting one another on and off the court.

The girls came up against a strong Melton Centrals. They were quick on their toes in the first quarter making for a catch up game of netball. First quarter down 11/1. The girls adjusted and added some great pressure in areas around the court. Giants had to work hard as the pressure was put on in attack making it hard to get the ball to our goalers. Our defence did a great job trying to keep out a tall Melton Centrals shooter.

Centrals added pressure though out the game causing the Giants to make a few too many unforced errors to narrow the score. In a tough game the girls are continuing to learn each other's game. The team spirit and effort on the court is a strong asset. The score did not reflect some great passages of play and little wins that the Giants had thought out the game. The result being defeated 9/37.

## ROUND 7 WOMENS PREVIEWS

### with Grace Bibby

#### Melton vs Kyneton

Melton: We still haven't seen what Melton are truly capable of. This game was abandoned last time so for the first time this season Melton will be challenged by the league's best.

Led by Jordyn Syme they are a young fearless group who will no doubt thrive under the pressure of the undefeated Kyneton after a week of no football.

Kyneton: To start the season Kyneton have been the standout team. They have winners all over the ground each week including Belinda Hateley, Taylah Moore and Alexandra Strawhorn to name a few.

Despite playing in heavy fog they would have been disappointed that Woodend Hesket were so competitive and they may come out with a fire in their belly this week.

#### Players to watch

Melton: Melina Ciavarella gets plenty of the football each week.

Kyneton: Heidi Erasmus is a prolific ball winner for the Tigers.

Prediction: Kyneton to get back to some of their best form and have a big win.

#### Woodend Hesket vs Mount Alexander

Woodend Hesket: Woodend Hesket were able to compete with the ladder leaders for the first time. The youngsters surged the ball forward and the team are continuing to build around Kat Bau and Mariam Habib. Last time these teams met Woodend Hesket got the job done but both teams have shown improvement since then.

Mount Alexander: Mount Alexander would have been disappointed in their showing against Macedon. After their first win the week earlier they came out and had just two scoring shots. Poor kicking from their opposition made the

scoreboard more favorable than it was. They did however have more possessions than their opposition.

#### Players to watch

Woodend Hesket: Samantha McClenahan has kicked five goals from her five appearances and has been named in the best on two occasions. Samantha is definitely a player to keep an eye on.

Mount Alexander: Jesse Boylan was the RDFNL Player of the week last week. Jesse had 30 disposals 20 of which were contested.

Prediction: Woodend Hesket to win in a close one.

#### Macedon vs Romsey

Macedon: Macedon have been quietly going about their business and made it to the midway point of the season with just two blemishes to their win loss record. Macedon lost just about every stat on the day against Mount Alexander but were able to be cleaner with the football and get first use more often than not largely thanks to Lilli and Kit Collins.

Romsey: Romsey will take some much-needed confidence from their loss prior to the break. It took until round six before they were able to celebrate their first goal and they celebrated not once but four times. We know they are improving and to kick for majors will really help solidify that they are heading in the right direction.

#### Players to watch

Macedon: Ashlee Knight is a pressure machine in the midfield for the Cats. Ashlee has 14 pressure acts last week and will be looking to bring the same intensity this week.

Romsey: Chelsea Lapsey kicked two goals in the flourish of goals and will be eager to continue that form again this week.

**Prediction:** Macedon to be too strong for Romsey.

### WOODEND-HESKET WOMEN'S FOOTBALL NETBALL CLUB NOTES

The club was thrilled to see so many past players from the Heskett Football Club and the two WHFNC premiership reunion teams attend our last home game. It was wonderful to see some of the old memorabilia from the early days of the Heskett FC including photos, membership tickets, newspaper articles and other historical documents. The senior players enjoyed a pre-game talk from the captain of the 1983 Premiership side which spurred them on to their excellent win against Wallan.

With all teams except our senior women's team having a bye this round, it's been a good chance for everyone to have a break from football and netball and reflect on the first half of the season. It's exciting that all footy teams are doing well this year and currently sitting in strong positions on the ladder. The netball teams have also enjoyed a good start to the season with A grade and C grade sitting 3rd and 4th on the ladder and B grade and our 19's team looking forward to a more consistent showing in the second half of the year.

Our senior women's team are currently 4th on the ladder and are looking forward to hosting the Mt

Alexander Falcons at home this round. Hopefully with the game being played in the middle of the day, the teams will enjoy some sunshine instead of the thick fog that descended on GGO at the start of the women's last game. Credit goes to all of the Hawks and Tigers players for playing out the match in terrible conditions. Congratulations to team members who played in the RDFNL U 18 girls interleague team against the Ballarat Football Netball League.

On Saturday 24 June we look forward to hosting at home our Sponsors and Club 50 day. ## MACEDON WOMEN'S FOOTBALL NETBALL CLUB NOTES

Back to the field and courts this week after a week off to celebrate the Queen's/King's birthday (Huzah!)

We take on Romsey at the Ontime Oval, in no doubt will be a tough hard-fought round. U19.5 lads will play Gisborne Giants on Friday night, after a nail-biting win against Riddell last round, our boys will be firing on all cylinders to keep top spot on the ladder.

Another mixed bag of results in round 8 when we played Rockbank, our U19 netballers tried hard in their match but the Rams were just far too strong on the day, going down by 32. C Grade's game was an absolute nail biter, credit to our girls they didn't give up, fighting to the final siren. It wasn't to be their day - Rockbank took out the match 29-26. Tables turned in the next two games with B Grade winning by 11 and A Grade with a sneaky 3 goal win.

Reserves had an impressive win with young Matt Dettmann proving he is still a class act, kicking an inspiring 3 goals and earning votes. The big fella Frizy again dominated in the ruck while Jack Hassett was by far the best on ground. Great to see the Wanger lining up for his second game of the season.

Seniors had many of their big guns out due to a spate of injuries, Smeds & Sims were indisputably the best players for Macedon, we also saw the irrepressible smiling assassin Reserves coach Chad Walker pull on the boots (what can't this man do!) Phyland, Rutledge & Sims were major goal kickers, a great win for the boys.

Fantastic victory for our women's team, taking on Mt Alexander. Lilli Collins, Adriane Ward & Sarah Miles were our goal kickers, even though we were kept scoreless in the final quarter, the girls had enough of a lead to take out the points. Well done ladies.

## ROMSEY WOMEN'S FOOTBALL NETBALL CLUB NOTES

Fog.....GOAL, GOAL, GOAL, GOAL

With the establishment of a new footy team in a new competition there will be a lot of first's along the way which can and should be celebrated. One of the most exciting things in footy is scoring goals, the Romsey Women's team has had somewhat of a dry patch this year, which has finally been broken and smashed in the one game.

Saturday 3rd June 2023 the fog rolled in and goals appeared out of the mist, with a large crowd again in attendance the second quarter produced 2 goals, huge cheers and applause erupted when the first goal was confirmed, as the only way to know for sure was to witness the women celebrating on the field as it was nearly impossible to see the ball, great excitement

followed on and off the field and then out of the fog another major was scored and the celebrations continued. What a night ! Finally kicking 4 goals for the night was sensational, while not enough to secure the win against a consistent Melton team.

Congratulations to all involved with the team this year and especially the players as another footy first is ticked off. Special mention to the goal scorers Nicole, Eilish and Chelsea (2)

Again we wish to acknowledge our match day sponsors, Telegraph Hotel Gisborne, Riddells Creek Nursery and McDonalds Gisborne.

With 4 away games to complete the season we will be looking to achieve more firsts and continuing to improve and finish strongly.

## TACKLE YOUR FEELINGS

Essendon are partnering with the Tackle Your Feelings (TYF) program to make mental health training available to community coaches, in 2023. Tackle Your Feelings is a free mental health training program for community AFL coaches, as well as committee members and other club support staff. The program is delivered by a local psychologist and aims to help participants gain the tools to Understand, Recognise and Respond to signs of mental ill-health in their players. In 2021, the program was delivered to more than 4000 community coaches from 352 clubs across every Australian state and territory. 'Tackle your Feelings' was inspired by mental health education developed for AFL professional coaches and players, consisting of a face-to-face presentation from a local psychologist and additional online learning. Ambassadors include Leon Cameron, Alastair Clarkson, Nathan Buckley, Neville Jetta, Kara Antonio and Dylan Buckley also feature throughout

the video content within the program. The program was formed by the AFL Coaches Association, AFL Players' Association and Zurich Insurance in 2018, after the tragic death of Adelaide coach Phil Walsh three years earlier.

### How your club can get involved

Tackle Your Feelings is a free program and is available to your club in 2023.

Once coaches complete the training (workshop and online modules) they will have access to resources including blogs, podcasts and videos to assist with their ongoing learning. Participating clubs are eligible for the Tackle Your Feelings rewards program, which includes footballs, equipment and access to program ambassadors.

**If your club wishes to get involved, please register your interest by contacting [sabdilla@essendonfc.com.au](mailto:sabdilla@essendonfc.com.au)**

## UMPIRES CORNER

by Paige Giles

Sunday night we had 25 Riddell Umpires attend the Carlton v Essendon game at the G! 9 of our umpires had the privilege of getting out on the ground and umpiring a fair few Auskick games, which could only be described as organised chaos!

Congratulations to everyone involved on a successful night and an amazing experience for our ump's!

## WESTERN WATER NETBALL REPORT by RDFNL Netball Manager Grace Bibby

After a weekend of no netball but lots of interleague football it is also a good opportunity to reflect on our interleague netball program that concluded on the 4th of June.

We had some fantastic results and once again saw our 15 and Under team participate in finals.

While they didn't get the results, they were looking for it was another game where our players were under the watchful eyes of scouts which is what the program is all about.

We hope to have several players identified to take part in the state pathway.

## WESTERN WATER NETBALL PREVIEW

by RDFNL Netball Manager Grace Bibby

A week off netball means all teams will be eager to be back in court and ready to challenge in the second half of the season.

### MACEDON VS ROMSEY

This is a real danger game for the Cats.

They have been without their gun goaler Hetty Donoghue for several weeks now and in that time their results have been reigned in.

They only just got over the line against the Rams.

Georgia Fearn made her debut in the absence of Donoghue and her coach Ciara Stewart.

The defensive duo of Birch and Clarke continue to dominate and while they are playing as well as they are they will always be in matches.

Romsey have turned around what was a slow start to the season with the inclusion of several high profile players.

It is a juggling act managing their points but if they can get two on the court each week they will be thereabouts at the end of the season.

Emma Grech was a stand out last week shooting 47 goals.

**Prediction: Macedon to take the points...just.**

### DIGGERS REST VS MELTON CENTRALS

Melton Centrals have been a bit of a surprise in season 2023.

They have been able to compete with teams at the top of the ladder and hold off those beneath them.

This is a game we would be expecting them to win.

After a two week break in games Melton Centrals will be hungry to get back out on court and return with a win.

For Diggers Rest they were comprehensively defeated by Romsey.

We know they have lost some players since they won the A Grade premiership and Maggie Payne left big shoes to fill last weekend but they appear to be a long way off the pace.

Let's hope with the good form of Leona Hristovska they can find a way to be more competitive in the second stage of the competition.

**Prediction: Melton Centrals to win comfortably.**

### WALLAN VS RIDDELL

Riddell goal shooter Shelby Holter was our player of the week for her dominate performance prior to the mid season bye.

Holter will be a tough match up but if anyone can handle it it is the Wallan defence who are also in good form.

Falling short of the victory against Woodend Heskett all three defenders including Amanda Rothwell Hiscock, Teagan Walker and Georgia Stevenson.

Riddell have been able to win games but their line up is also continuously changing.

Brianna DeHaas had a strong showing against her old club and will be looking to continue her form this week.

Wallan lost a lot of players in the off season but under the guidance of Lucas they are showing some promising signs.

There could be an upset on the cards here.

**Prediction: Riddell to hold on despite a strong challenge from Wallan.**

### LANCEFIELD VS WESTERN RAMS

It was a completely different looking team that played prior to the break with Stacey Parks coming in and wasting no time making her mark.

For the first time in a long time and maybe ever we saw Amanda Bruce in attack, and we saw Darcee Ellard in the mid court.

Parks was named in the best in her first outing for the yellow and black but the result was a long way off what they were hoping for.

It may be a rebuild taking place but they will want to be more competitive against the Rams this weekend.

The Rams are coming off a tough loss at the hands of Macedon.

They fought their way back but the results didn't go their way in what was a physical affair.

Robertson continues to have an outstanding year in defence while Malla Seumanutafa is always impressive when she plays.

**Prediction: Western Rams to be back on the winners list.**
