## Season Launch

The RDFNL Season Launch was held on Wednesday, April 14th at The Meadows. The room was at capacity and it was wonderful to see all the Club representatives in attendance and so eager to get back into community football and netball.

We had a great panel on the night for the crowd to be entertained, thanks to Brian Taylor who was MC on the night and our special guests in Head of AFL Victoria Brad Scott, former Australian Diamonds Netballer, Caitlin Thwaites and Carlton Football Club player Lachie Fogarty.

Lachie Fogarty gave the crowd a great insight into both the Carlton and Geelong Football Club's where he has spent the past four seasons.

Caitlin thrilled the crowd with her Australian Diamonds stories as well as an in depth discussion surrounding the difficulties of hub life during the 2020 season.

Finally, Brad Scott gave a wonderful insight into the challenges of running AFL Victoria and what is on the horizon for all Metro and Country Leagues.

BT did a wonderful job as always as MC, we thank him for his ongoing support of the League.

## Round 1 Football

## ROUND 2 RDFNL PREVIEWS

### with Grace Bibby

#### Woodend Hesket vs Romsey

##### Talking Points

Woodend Hesket believe their best footy is still ahead of them following a disappointing loss to Diggers Rest in Round 1. This will be a big match for both young teams as the majority of them would be yet to play senior football under lights. The home ground factor will certainly play its part but it should be a great contest between two developing teams.

##### From the coaches

Woodend Hesket: We didn't think we played our best football last week and we were pretty disappointed. We think we will be thereabouts and we are hoping to bounce back at home. We are weary of the fact that Romsey have some gun players who can certainly pinch it from us. They have lost a few players but they still have a lot of talent on the park.

Romsey: It is a great opportunity for our players to play under lights and hopefully put on a good show.

##### Who to watch?

Woodend Hesket: Blake Laverie and Nick Franzi will come in for their first taste of RDFNL football. Laverie will be in the middle while Franzi will start on the half back flank.

Romsey: Matthew Burkett was named best on ground in their loss, but Jack Jedwab and Nathan Blair are influential players when they going.

Prediction: Woodend Hesket will go into the match as favourites and we expect them to record a victory.

#### Lancefield vs Wallan

##### Talking Points

This weekend we get our first look at the

Lancefield line up under coach Tom Waters. We know Waters is fit and firing but Lancefield are coming from a long way back. Wallan on the other hand made light work of a depleted Romsey last weekend and will be looking to get the early jump again this weekend.

Wallan controlled the play from the first bounce and stifled their opposition of any opportunities.

##### From the coaches

Lancefield: Our goals for this season is to win as many games as possible and that is what we will be trying to do this weekend. It is still a bit of an unknown at this stage but we are looking forward to being back out there.

Wallan: Lancefield will be the big improvers this year and Tommy Waters will have his new side ready for their first hit out. They have recruited well and I am tipping them to be the surprise packet of 2021.

##### Who to watch?

Lancefield: It is hard to go past their playing coach Tom Waters. An athletic big man who offers plenty around the ground. First use of the football today will be critical.

Wallan: Corey Viana, Paddy Mahoney and Michael Mannix were the stand outs in round when the heat was on. Will they get the job done this week?

##### Prediction

Lancefield to show promising signs but Wallan to be too good.

#### Melton Centrals vs Riddell

##### Talking Points

Is there a bigger talking point from RDFNL than the injury to Melton Centrals spearhead Dylan Weir? Five minutes to go in the first quarter and Dylan Weir injures his wrist and

## ROUND 2 RDFNL PREVIEWS

### with Grace Bibby

looks like missing a minimum of six weeks best case scenario. Luckily for Centrals they recruited Schultz who looks like a dangerous target up forward.

Riddell were the strong finishers of Round 1 and will be taking their fighting spirit into today's match.

##### From the coaches

Melton Centrals: We were really pleased with the way we adjusted last week. We had to make big changes when Dylan went down and it gives us some confidence that we will be able to cover his loss. He isn't just one of our better players he is probably in the top 2 or 3. We were just stoked to take the four points and have our Club 18s on the park and we are just as excited to play this week.

Riddell: A draw is a great result for the league but neither team would be too happy. We are looking forward to bouncing back this week.

##### Who to watch?

Melton Centrals: With Weir in a cast on the sidelines someone will have to step up and fill the void. At this stage it looks like Curtis Schultz will be the main man alongside him.

Riddell: Matthew Panuccia was the winner of the Riddell Puka Up Medal last week. He was flashy through the midfield and got on the end of a goal. Centrals will need to pay close attention to him. Ben Sonogan can also be dangerous.

**Prediction: Riddell to secure their first win of the season.**

#### Macedon vs Diggers Rest (ANZAC DAY - SUNDAY)

##### Talking Points

Diggers Rest will meet Macedon at one of the more picturesque ground in Victoria on

ANZAC day. It is a big game for both clubs and Diggers Rest jumped at the opportunity to play on Anzac day when the fixture opened up.

After a draw last week Macedon will be still looking for their first win while Diggers Rest took the points over Woodend. Both teams could have put their opposition away early but they failed to take some opportunities.

If they don't take their opportunities this week it may be costly.

##### From the coaches

Macedon: It was a hollow feeling because we got ourselves a good break in the last quarter but credit to Riddell for digging deep and kicking the last couple to make it a draw. We are just so happy to be back and we are looking forward to building to a successful season.

Diggers Rest: It is great to be playing in a high-quality game on Anzac Day. We are thrilled to be involved. We will continue with our normal Anzac Day ritual with the dawn service and then we look forward to a good contest.

##### Who to watch?

Macedon: Liam Webb was impressive last week. He was hard at the ball and didn't take a backward step. He is one to continue to watch on the wing. Matt Dick was the winner of the Puka Up Medal judged best on ground for the Cats.

Diggers Rest: Jaidyn Caruana fitted in seamlessly last week and adding plenty to their midfield, but Diggers Rest were not against sharing the ball around.

##### Prediction

Diggers Rest to start their season in perfect fashion and move to 2-0

## MESSAGE FROM AFL VICTORIA

### AFL INVESTMENT FUND RE-LAUNCHED TO BOOST COMMUNITY FOOTY IN VICTORIA

*The AFL has re-launched the Strategic Community Investment Fund (SCIF) as part of the league's commitment to community football in Victoria.*

The SCIF program, originally launched in early 2020 but put on hold due to the COVID-19 pandemic, is available to community football clubs, leagues and regions across Victoria to apply for support funding.

The SCIF will provide grant funding of \$1.5m per year for the next three years directly to local football leagues and clubs. The fund is part of the \$18 million investment into Victorian community football announced by the AFL in September 2019, the largest investment in community football in the state in more than two decades.

Former Premier of Victoria Steve Bracks AC will Chair an independent Advisory Board. The Board will include representatives from across community football and will provide recommendations to the AFL to manage

the allocation of funding.

AFL Chief Executive Officer Gillon McLachlan said the fund will focus on supporting clubs in need to drive participation and ensure clubs are able to attract new

players to their clubs, something that has taken on extra meaning after community football was mostly cancelled across Victoria in 2020.

"Local football clubs bring people together, are often the heartbeat of their communities and we know how important they are for so many people," Mr McLachlan said.

"After the year we have had in Victoria, getting behind community football is more important than ever and this program helps to ensure clubs not only survive but thrive.

"Whether it's a club or league program that engages and encourages participation across diverse communities, or a club which has ambitions to grow membership or a club that needs help in tough times, we hope this fund will be able to directly assist them."

Advisory Committee Chair Steve Bracks AC said, "This is a great initiative for community football in Victoria and I'm honoured to be able to chair the Advisory Board and be in a position to directly assist local clubs and leagues."

"This fund will provide great assistance to community football at all levels and assist in continuing to drive participation and growing the next generation of players, umpires and coaches."

Interested applicants should review the SCIF guidelines in detail to determine their project's eligibility.

The SCIF is a key pillar of the Victorian Community Football Initiative and is in addition to the AFL Community Relief Fund established to support local communities in fire affected areas.

## WALLAN FOOTBALL NETBALL CLUB

### Club Notes

After a long wait we finally hit the ground running last Saturday. It was a fantastic day for everyone involved to finally be back playing competition Football and Netball. After months of preparation everyone swung into action as the BBQ and Canteen opened up and served delicious food and coffees, the Can Bar and Bar had drinks flowing. The weather was perfect and the games were all played with great competition and sportsmanship. A huge thank you must go to our Sponsors who have been able to stick by the club throughout this very trying time. Thank you to all the volunteers both in on field roles and off the field roles, without your support the games wouldn't go ahead. Thank you to all the supporters from both Wallan and Romsey who came out and supported the teams, it was great to see big crowds in attendance throughout the day.

After the on field action was completed we then turned to clubrooms for our first draw of the Key Ring Club. The winner was Andrew Bingham. This was followed by a great night with our first social function, I'll have a Corona, hold the virus. Many and varied party shirts were seen. Great to see so many support the night. Thank you Loz Parkinson for organising our social calendar.

Next event on the social Calendar is the IPOD Shuffle on Saturday 22nd May, so get your dancing shoes ready!

On Sunday our Women's team played Greensborough at home in their second grading game. They will play at home again this week on Sunday at 3pm against St Marys.

This week we travel up to Lancefield. We are very fortunate to have all teams playing at Lancefield including the Under 19.5s footballers who will play Riddell at Lancefield. Good luck to everyone.

## WOODEND-HESKET FOOTBALL NETBALL CLUB

### Club Notes

The season kicked off at Diggers Rest. As always Diggers are competitive across all grades. Highlights of the day were our under 19 girls kicking off the season with a win and our first crack at a Clubbies team (thanks to the diggers guys who helped out).

With numbers so strong on the footy front it will be great to get a club 18's team to keep all our local kids playing.

All our other football and netball teams will be better for the run against well drilled Diggers teams.

Rd 2 sees us at home to Romsey playing for the inaugural Brian `Muscles` Lee Cup who was a life member of both clubs. Some achievement. Hopefully both our football and netball teams can get on the board this week and bounce back from last week.

Our Sponsor of the Round this week is our long term major sponsor - Bourkies Bakehouse - Adam and the team have been great supporters of our club for a long time. Get down and enjoy one of the many flavoured pies or the famous `Vanilla Slice`

## MACEDON FOOTBALL NETBALL CLUB

### Club Notes

MFNC welcomes you to Tony Clarke Reserve and invites you to take part in our 5th Anzac Day Service, to remember all those who served their country in all wars. Anzac Day was officially named in 1916; 12 months after the Australian & New Zealand Armed Forces formed the Allied Expedition. They set out to capture the Gallipoli peninsula; they became known as ANZAC's. The pride they took in this name continues to this day.

This is one of the biggest days of our season and we welcome you all to the club. A short service will be held at 2pm prior to the commencement of the senior game to pay tribute and remember those who have served in all wars. At the conclusion of the senior football and netball games the Grumont Medal & McDougall Medal will be presented to the Most Courageous player.

**Grumont Medal & McDougall Medals** are named in honour of two of our local families who valiantly served our country.

Henry Grumont married Miss Mary McIntosh; they resided in Upper Macedon and raised 10 children. **Arthur Laughlin Grumont** was the first of their sons to enlist on 14th April 1914; he joined the 9th Battalion, H Division. He later became 2nd Lieutenant of 49th Battalion. On Arthur's return to Australia, he was awarded the 1914-15 Stars, The British Medal & the Medal of Victory for his service in 1918. The first tree in Honour Avenue was planted in his name, commemorating the first to enlist from Macedon.

**Colin David Grumont** enlisted on 7th June 1915 as a Sapper. He died from wounds inflicted in France 18th June 1918 aged 21. He is buried at Somme. **James Lindsay Grumont** aged 22,

enlisted on the same day as his brother Colin. He returned home in January 1918 after being badly gassed. The fourth son to enlist was **Albert Charles**, who at the age of 29, joined up on 12th July 1915. He achieved the rank of Sergeant, in July 1918; he was shot and killed between lines at Fromelles. Albert was awarded the 1914-15 Star, The British Medal and the Victory Medal.

#### Mc Dougall Medal

#### Catherine (Kitty) Agnes McDougall 1889-1976

On April 25th, 1917, Catherine enlisted as a Staff Nurse and embarked from Melbourne on the 'Karoola' on that day, her war records show she served in the Australian Army Nursing Service and returned to Australia on February 6th, 1919. After her return from the war, Catherine joined the Good Shepherd Order of Nuns and died in Fitzroy in 1976 aged 87 years. Trees in Honour Avenue, Macedon recognise the contribution of Catherine & her sister Mary for their service to our country.

#### Mary Isabella McDougall 1885-1974

On July 25th, 1917, Mary enlisted as a Staff Nurse and embarked from Melbourne on the 'Somali'. After her return Mary also joined the Good Shepherd Order of Nuns but left and for a time became Matron of Xavier College. Mary became active in the district as an Infant Welfare Nurse in 1952, operating from the CWA Hall at Mt Macedon. Mary died in 1974 at the age of 89 a Nazareth House and is buried in the family grave at Macedon cemetery.

## ANZAC DAY

### 25th APRIL 2021

Diggers Rest Football Netball Club remembers, honors and pays tribute to all Australians who served and died in war and on operational service past and present.

The spirit of ANZAC, with its qualities of courage, mateship, endurance and sacrifice continues to have meaning and relevance, and we acknowledge the contribution and suffering of those who put their lives on the line to allow us the many freedoms we appreciate in our country, including our ability to share game days on weekends with family and mates in this great competition of Football and Netball.

As we come together today with Macedon Football Netball Club to pay respect to the occasion, we have no doubt all games will be played in the spirit of the day.

*They shall grow not old, as we that are left grow old;  
Age shall not weary them, nor the years condemn.  
At the going down of the sun, and in the morning  
We will remember them.*

**Lest we forget**

## WESTERN WATER NETBALL REPORT

by RDFNL Netball Manager Grace Bibby

What a great weekend of sport!

Round one kicked off with a bang and more importantly we made a successful return to sport with no dramas.

Now that round one has been and gone it is time to settle into the season and embrace the exciting opportunities we have along the way.

Starting with our junior interleague teams which we were pleased to announce on Tuesday.

As we mentioned last week the state pathway is one we really want to focus on in 2021 which is why we have included an 19 and under team.

We hope that the additional junior age group will help bolster the standard of our competition.

We wish to congratulate all the players and coaches and we wish them all the best for the association championships in June.

The Association Championships is the best opportunity for the RDFNL players to be scouted.

Each year Netball Victoria will appointment talent scouts who will conduct TID at Netball Victoria competitions and events, including Association Championships & State Titles.

Scouts hold a minimum of an Intermediate Coaching Accreditation and have completed Netball Australia Select for Netball Success online learning.

These scouts are viewing athletes in a match play setting and are assessing their talent currently as well as athlete potential in the future.

Should an athlete be TID'd they will then be invited to trial for the appropriate where they will undergo an intensive selection progress.

We hope to have several players involved in this process.

The teams are as follows:

**13 and Under:** Asha Connors (Rookies), Emmy O'Meara (Lancefield), Holly Brewar (Rookies), Jewel Evans (Romsey), Lilly Wadden (Riddells Creek), Lucca Vavallo (Riddells Creek), Mia Allen (Riddells Creek), Minty (Clementine) Taylor (Woodend), Nicole Winks (Lancefield), Olivia Whiting (Riddells Creek), Prue Kirby (Melton Centrals), Tilley Allen (Riddells Creek) Training Partners: Sophie DeCarolus (Lancefield), Crystal Dyer (Lancefield), Ava Casley (Melton Centrals)

## WESTERN WATER NETBALL PREVIEW by RDFNL Netball Manager Grace Bibby

Round one is done and dusted and how great was it to be back on court?

There were high scoring games and very little signs to suggest the girls hadn't played competitively for 18 months.

While we thought Riddell and Macedon would be the game of the round the surprise contest came from Rockbank.

Rockbank were always going to be a team to watch with the inclusion of Bec Hicks into their line up.

With several other strong players around her it is no surprise that Hicks shot 43 goals at 86% but for Melton Centrals to push past the Rams high conversion rate and stick to their own play was a credit to them.

Katharine Dicker provided a good target in attack for the Centrals and featured amongst the Centrals best players.

The game will leave Melton Centrals in good stead as they take on Riddell today.

Riddell out played Macedon in the second half but a strong first half for the Cats was enough to see them take the points.

Other winners for the round were a new look Diggers Rest who accounted for Woodend Hesket and Wallan who made short work of an inexperienced Romsey.

Lancefield sat round 1 out with a bye but will be ready for round two action.

### Melton Centrals vs Riddell

Riddell were competitive against the league powerhouse Macedon in round one but they were unable to take the points.

Adam Boldiston will be hungry to get his season tally to a level playing field of 1-1.

They are a newly formed team though and it may take some time for them to play their best netball.

As discussed above Melton Centrals may have surprised a few league followers with their gallant effort against Western Rams so the Bombers will not want to take this one lightly.

**Prediction: Riddell to record their first win of the season.**

### Lancefield vs Wallan

We will have our first look at a Michelle Rix led Lancefield this weekend. After sitting round one out they will be eager to get out and put some of their practice match form into action.

With the inclusion of some up and coming stars they could be one of the more improved teams in the competition in 2021.

Wallan however will be a tough start.

Wallan were a strong team last year and now they have Tahnysha Salanoa to their list.

Salanoa shot 20 goals with just one miss. Chloe Meulenmeesters was a strong contributor as well shooting 36 goals from her 52 attempts. The scary part is the Wallan defenders are probably more settled than their attacking end.

**Prediction: Wallan to win comfortably.**

### Woodend-Hesket vs Romsey

Woodend Hesket were competitive against Diggers Rest but they failed to make the most of their opportunities.

Their goalers felt the pressure and their shooting percentages were well down on what they would have expected.

New coach Carly Arkinstall would have been pleased with the way they moved the ball and created opportunities they created however and if they can do that in today's match, they should take the four points.

Kiara Taylor is also in her second game as an A grade head coach and will be looking forward to match.

There would have been plenty of nerves for the Romsey coach with her new line up and in her first game but she will definitely be better for the run.

Mia Lucas is an impressive young defender who they could build a team around if she sticks around.

**Prediction: Carly Arkinstall and Woodend Hesket to break through for their first win.**

### Macedon vs Diggers Rest

We have become accustomed to seeing Macedon verses Rupertswood on ANZAC day but from the moment this game freed up Diggers Rest were eager to become a part of it.

They will be looking to put on strong showing on for the Sunday crowd.

Macedon come into the match on the back of an impressive performance against Riddell.

Katie Clarke continues to show her worth in this competition as the winner of the Puka Up Medal last weekend.

Diggers Rest new players Chelsea Ross and Stef Symes are no stranger to the Macedon players having played against and with as part of the interleague team for a number of years.

This is an exciting contest for the league and we can't wait to watch it unfold

**Prediction: Macedon to win in a close one.**
