Club 18's

The Club 18 Competition kicked off last weekend. It was wonderful to see our Club 18's kick off last weekend with four matches. This weekend we have all ten teams in action with four Friday night games at Sunbury Lions, Braybrook, Caroline Springs, Woodend-Hesket and a Saturday game at Western Rams.

Female Football Competition

It was wonderful for two brand new RDFNL Competitions to commence last Sunday in the RDFNL Junior Girls and RDFNL Youth Girls. We have 10 teams across the two divisions with four matches each weekend. Well done to all the girls who competed in Round 1 and best of luck for the year ahead.

Junior Competitions

Last weekend saw the end of the Junior Grading period. Thanks to the Junior Clubs for their patience over the Grading period. We now have 15 competitions across 7 age groups with 107 teams of football. For the netball, we have 58 teams across 8 divisions and 4 age groups. Thanks to Aaron and Grace for their work on our Junior Fixtures.

J8 Photography

Thanks to Duncan from J8 photography for his ongoing support of the League. Each Monday on the RDFNL Facebook page, we post an album of Duncan's photos from across the weekend.

Live Scoring

A reminder to all Clubs that live scoring is compulsory for RDFNL Senior matches. It is a simple task that is a one person job and can be completed on any smart device. Please assist us in marketing our League with up to date live scores of all our Senior matches each weekend.

RDFNL TV

RDFNL TV has been launched in 2021 and thanks to our great friends at Adcell Group / Red Onion Creative for their coverage of the RDFNL in 2021. Each RDFNL Senior match is filmed each round and all matches are uploaded to RDFNL TV each Sunday. In addition, we have four highlights packages on our socials and a top 5 plays of the week. These tools are invaluable to the

RDFNL and we hope that our followers and supporters are enjoying the extra coverage each weekend.

Community Umpiring Round

Last weekend, across the State, we thanked our Umpiring Associations. There would be no game without Umpires and special thanks to our friends at the Riddell Umpires Association. Umpiring numbers are down across the state following the COVID-19 Pandemic so we are always on the look out for umpires so if you are interested in becoming an Umpire, please contact the Riddell Umpires Association.

The Umpires Association are doing a wonderful job covering all of our matches every weekend which is ensuring Clubs don't have to find an extra volunteer so next time you come in contact with one of our Umpires, please thank them.

Photo below from J8 Photography of a group of our Umpires in action last weekend.

ROUND 4 RDFNL PREVIEWS

with Grace Bibby

Romsey vs Riddell

Talking Points

Romsey versus Riddell is just one of many that could be game of the round with the two in form teams meeting each other. Apart from a round one loss to Wallan, Romsey have been able to put big scores on the board consistently.

Riddell haven't been as attacking but their two-way game style sees them in second place on the ladder with two wins and a draw.

This game will be a good indication of how well both teams are travelling.

Riddell are the older more experienced team, but will be fearless, take the game on attitude work for the Redbacks.

From the coaches

Romsey: We just want to play with a high intensity and start with high intensity and get the game on our terms. We have been able to do that the last few weeks and it has worked well for our group. It has been a pretty good start for us.

Riddell: We are really happy with how we are going and we got through with a clean bill of health last week which is a great start. Until we play everyone it's a bit of unknown but we know they are pretty young and take the game on. We still have a lot of sore bodies who are going to the pool early in the week rather than on the track and I think everyone is in the same boat there. We are not a team of superstars we just have kids playing their role.

Who to watch?

Romsey: Jack Jedwab kicked another bag against Lancefield and looks to be making the most of his opportunity playing deep forward.

Riddell: Josh Grabham continued his strong form with another best on ground performance. If clubs aren't already putting some time into him, we would be very surprised.

Prediction

Riddell to win, but only a kick or two in it.

Western Rams vs Lancefield

Talking Points

Round four is a great opportunity for these two developing clubs to come into the game with a realistic chance of winning. Western Rams were dealt a heavy defeat in round three. There is no doubt the goalless game would have been in the back of their minds as they hit the track this week and we expect to see an improved score line this week.

It has been a big week for Tom Waters and he will be looking forward to getting back on the field and playing football.

From the coaches

Western Rams: Western Rams were disappointed to be beaten so convincingly by Wallan. Wallan are a good side and Daniel Nolan has them going well but we thought we would be better than that. We are looking forward to getting back out there in front of our supporters and giving them something to cheer about.

Lancefield: We are disappointed to not have a win on the board. This is a huge opportunity for Lancefield. We have been pleased with how we have moved the ball and the way we attack but we have allowed teams to score too easily. We are coming from a long way back as are Rams. This isn't a game we will take lightly and we expect it to be a good contest. Our undisciplined football last week started something, we are a physically team and we will always go in and defend our teammates, but once it gets beyond the push and shove stage, we don't want to see it.

Who to watch?

Western Rams: Kristan Vance was named in the best last week in the loss to Wallan. Vance showed plenty of fight when their backs were against the ball. All the Rams boys will be looking forward to proving a few sceptics wrong this weekend.

Lancefield: Jayden Williams continues to play a strong lock down role in defence and will be key to Lancefield again this weekend. Jo

ROUND 4 RDFNL PREVIEWS

with Grace Bibby

Slattery and Alex Simpson also impressed in last weekend's loss.

Prediction: Lancefield to record their first game of the 2021 season.

Diggers Rest vs Melton Centrals

Talking Points

When the fixture was first released few people would have thought these teams would be fifth and sixth on the ladder. Diggers Rest have struggled in the early stages of the competition coming up against strong opposition. Jamie Lobb and his men have had a pretty tough reality check in the opening few rounds and they will be looking to make amends today.

Melton Centrals have been lacking that fire power in their forward line with the loss of Weir.

From the coaches

Diggers Rest: It is definitely not where we want to be. She is a long season but it is a decent reality check. We need a bit of old fashion hard work. We didn't get ahead of ourselves but I just don't think we realized how the 12 months off would affect everyone and we have been nothing short of lazy. We have a few coming back in this week which should bolster us a little bit but we just need to be a bit hungrier.

Melton Centrals: We knew how important last weekends game was an unfortunately we just weren't good enough. Our issue is going to be injuries. We are so depleted at the minute we are asking blokes to play out of position and play roles they are not used to. We knew at the start of the season we didn't have the depth if we got injuries and our results and probably reflective of that.

Who to watch?

Diggers Rest: Tom Gleeson a former captain of Diggers Rest returns this week and will provide an extra spark on the field. The team will also relish his leadership skills out in the middle.

Melton Centrals: In recent weeks Curtis Schultz has been the go-to forward and he will again be key for the Melton Centrals being competitive.

Prediction

Diggers Rest to get their season back on track with a big win.

Macedon vs Wallan

Talking Points:

What a game this will be. Two heavy hitters in the RDFNL meeting under lights with neither team having recorded a loss in the opening three rounds. Wallan have been blowing teams out of the water with an attacking fast pace high scoring brand of football while Macedon have locked teams down and stopped perennial teams such as Riddell and Diggers Rest from scoring. Both teams are loaded with stars and it will be a great spectacle for the league.

From the coaches

Macedon: The bye is a catch 22 we had a good win and we want to keep things going but we also had sore bodies that are now fresh. Both rounds have been hard, tired and tough contests where there is not much open play or space. We tried to put a focus on defence and now we need to keep working on our offence connection. It was a goal of ours to have a stable defence now we need to capitalise on our turnovers and make them pay on the scoreboard.

Wallan: The boys are travelling okay and performed well last weekend. It was a great team effort. The big test is this weekend versus Macedon who are very hard to beat at home. They have started the year well beating Diggers and drawing with Riddell. They have quality players across every line and match winners and leadership.

Who to watch?

Macedon: Mills, Dick and Cooke are three great players who love the big stage. Dick has been outstanding in the opening two rounds for the Cats.

Wallan: Matt Perri has kicked 16 goals from his three matches in 2021 and looks in ominous form again. Jesse Davies is another big-name player who will enjoy a match under lights.

Prediction: Wallan to remain undefeated after four rounds.

Club Notes

We have had a successful start to the year with the Seniors sitting well with two wins and a draw which is much improved from recent years when we have not got of to a good start. Reserves are playing well and now are starting to get enough numbers to field some strong sides. Under 19s looked close to being non starters but with the help of Brodie Doolan we now manage to field a strong team which has won two if its three. Unfortunately there are only five sides which is an indication of the

problems with underage football at that level. We again have four netball sides with good numbers at all levels. Work is nearing completion of the surface of the court and we will then be able to play outside as required by the League.

Both the Netball and Football sides have recruited well and the Club welcomes them all to the fold and trust they will enjoy their time with the Club.

Listed below is our Social Calendar and you are invited to attend any function:

Club Notes

With a bye for all teams after a successful ANZAC Day, it was up to the U19's boys to represent Macedon in Round 3. True to the Cats spirit they did not let us down. Taking on Romsey our lads battled hard throughout a tight fought match. Will Thomas kicked a sensational goal late in the last quarter to seal the game. Goal scorers were Thomas & Kennedy with 2 a piece, James, Blake, Calopa & Potter. Votes went to Collins, James, Schroder, Whitfield, Blake & Thomas. Coach Richard Blake was so impressed with the boys that he even managed to crack a smile! Final scores Cats 8.11.59 - Romsey 6.4.40 Well done boys.

WALLAN FOOTBALL NETBALL CLUB

Club Notes

On Thursday night we were very fortunate to have Matt from SALT to deliver a Wellbeing and Mental Health presentation open to all of our males footballers. It was an excellent presentation and very well received. In a few weeks both our netballers and women's footballers will also have the opportunity attend a Wellbeing and Mental Health presentation presented by SALT. We were very fortunate to have these presentations funded by North Western Melbourne Primary Health Network.

Friday night saw the commencement of the Club 18 / Thirds season and our first competition match under lights. A big crowd was on hand to support the teams. The boys put on a fantastic display of competitive football, almost running over a strong Sunbury Lions team in the final team.

On Saturday we hosted the Western Rams in beautiful weather without a breath of wind. All the netball games were hotly contested with Wallan able to come away with the points. The Under 19.5s had a bye, while the Reserves and Seniors played the Rams. We played for the Ray Ogston memorial shield.

On Sunday the Women played Whittlesea at Whittlesea, after a very good first half, Whittlesea ran away with

a win. Unfortunately Wallan's women team suffered a number of injuries during the game. We wish all the ladies a speedy recovery.

The winner the Key ring club week 2 was Mitchell Kermath.

This week we travel to Macedon for our first night games for 2021 for both the footballers and netballers.

WOODEND-HESKET FOOTBALL NETBALL CLUB

Club Notes

Round 3 we travelled to Melton Centrals with optimism generated on our success across most grades the week before and expectations of not repeating the disappointing losses the seniors had posted in the previous two weeks. The improvement in attitude and a team first effort was obvious from the first bounce and was rewarded when we secured the win. Great to get on the board.

The Reserves again impressed with a solid performance and notched up two in a row with a well rounded team effort.

Our Inaugural Club 18's team had their first run and claimed the win, with just 14 players but after the success and enthusiasm for this grade hopefully this Friday nights game at

Gilbert Gordon will field a full team. Social footy at its best contact the club if you want to get involved

Impressive wins again in the Netball for our A GRADE coming back from an early deficit to get points, much like the seniors they are starting to gell as a unit and should be very competitive moving forward. Our under 19's keep on winning while the B & C GRADE not far off the pace and improving every week.

Excluding Club 18's it's a BYE this week and our next game is at home v Macedon for the BILL TUNN CUP on the 15th May sure to be a massive crowd and a huge day. Our major Raffle also drawn this day make sure you get your tickets.

WESTERN WATER NETBALL REPORT

by RDFNL Netball Manager Grace Bibby

It's a challenge for all coaches, and not just at the local level. It was only last year that Super Netball franchise Sunshine Coast Lightning were unable to win the first quarter of a game for the first three games of the season, forcing them to play catch-up every week.

What can we do to help our players ensure they're switched on and ready to put strong netball out on court in the opening minutes of a game?

Here are a few simple ideas worth considering thanks to the netball coach blog:

BUILD THROUGH THE WARM-UP

This is arguably the most common contributing factor in teams that consistently start games slowly – they're simply not ready to go, and it all stems from the pre-game warm-up.

Does your team spend the first 10 minutes of warm-up chatting, doing their exercises at half-pace and stretching poorly, followed by more chatting while they warm up their passing, and then eventually lifting their heart rate a little when they move into a team drill?

If players have barely broken a sweat in warm-up, how do we then expect them to step out on court and instantly go from 0 to 100?

Try thinking of your warm-up as an extension of the game – the first of five quarters. Build the intensity through the warm-up, aiming to hit close to match intensity (both physically and in voice) in the last five minutes before the players step on court.

Encourage your players to get to the courts five minutes earlier and get their chatting out of the way before warm-up starts. Once you're in warm-up mode, try to ensure that any chat is game-specific.

As the coach responsible for a group of young players, it's up to you to set the tone.

MIX IT UP

While there's certainly value in having a set, structured team warm-up, changing up a drill or two every so often is a good way to ensure players aren't just going through the motions every week.

Add a different drill towards the end of the warm-up that they can perform well but also challenges them to think, and see if it helps them switch on.

GOALERS TAKE RESPONSIBILITY

Have you ever felt like you're dominating defensively and in general play during the first quarter of a game, but the scoreboard doesn't reflect it?

If your goalers aren't arriving early to put up shots for 10 minutes before the game (and practising

throughout the week) don't expect them to be red hot right out of the gate.

Speak to your goalers about accountability and how putting up pre-game shots is part of the responsibility of having GS or GA on your bib, and let's loosen up those nervy shots before the game, rather than in the first quarter.

HAVE A SET PLAY

Ever had a team you have coached who had a habit of always conceding 3-4 goals before they'd finally wake up and put one on the board.

We tried everything during warm-up, to no avail, but the solution turned out to be having a strong set play on the centre pass to start each game (or even each quarter).

Every player on the team knew that that structure was the first thing we were going to set up, and nine times out of 10 we'd get a shot out of it, which got the scoreboard ticking over and helped everyone relax.

Find a set play your team can execute consistently and effectively, and give it a go.

ENCOURAGE YOUR PLAYERS TO THINK AHEAD

Often there's a good chance your players will know some of their opposition, and particularly later in the season once you've already played most teams.

Before the game, ask your players to tell you something about the other team or an opponent they might be playing on – a strength they'll need to combat or a weakness they can look to exploit.

For some players, it will be enough to help put their brain in game mode, and get them firing early.

PRACTICE THOSE GOOD STARTS

While it can be hard to replicate your match night at training, finishing a session with some matchplay scenarios that replicate the start of a game is a concept worth trying.

Pick four attackers in positions, and tell them they have five centre passes in which to score 3-4 goals (depending on their age and ability).

After five centre passes, change the combination and start again. While it's not quite the same as match night, it does force players to be on their game from the very first centre pass, and remain focused for 2-3 minutes, which can be the difference between getting off to a great start, or a poor one.

This is definitely one for the coaches and we hope you have found it useful.

WESTERN WATER NETBALL PREVIEW

by RDFNL Netball Manager Grace Bibby

It was a round of netball that could have seen Riddell Bombers announce themselves as a serious contender or a round that Diggers Rest could have secured favouritism for the A grade premiership.

Riddell Bombers prevailed and now sit in second place on the league ladder.

With just Wallan remaining undefeated at the top of the table the race for the premiership is starting to heat up.

Woodend Heskett sit in third spot which would be unfamiliar territory for their developing club.

The inclusion of Meg Grbac and Laura Carland is a huge positive for the Hawks and it was obvious last weekend as both players were named in the best.

Michelle Rix recorded her first win of the 2021 season over a struggling Romsey.

While on court they may have been disappointed Romsey hosting the Pink Day and raising funds and awareness was a win for their club on the day.

The Western Rams had a tough day on the football field but their results were far more competitive on the netball court.

Bec Hicks continues to dominate and if she is playing, they will come close against most teams in this competition.

Looking ahead to round four we see a much-anticipated clash between Macedon and Wallan under lights.

Goodluck tipping the winner of that one.

DIGGERS REST VS MELTON CENTRALS

Diggers rest really stamped their authority on the rest of the competition in their round 2 win over Macedon but a loss last week brings them back to the field.

They would have been disappointed with the result and will be looking forward to getting back on the winners list today.

Melton centrals won't be an easy beat though. Katharine dicker and Emma Winzar look to be a dominant pairing while there is also the chance, we will see Bec Morabito in the mix.

Centrals will be hungry to get a win on the board and they will not lie down without a fight.

Prediction: Diggers Rest to bounce back.

WESTERN RAMS VS LANCEFIELD

Western Rams were solid against Wallan last week and if that form is anything to go by then this should be a comfortable victory for the Rams.

Bec Hicks played a solo hand in terms of goal scoring but feeders Olivia Burrow and Aleisha Tainui were among the better players.

If the Tigers can get on top of the ball into Hicks that will go a long way in the match.

The shooting percentage for the Tigers was also concerning shooting at less than 70 percent.

The strong teams in the league won't give them as many chances.

Prediction: Western Rams to take the four points from the round four match up.

ROMSEY VS RIDDELL

Riddell will be riding on a high after their win over Diggers Rest and it is hard to see them losing this one.

It was a poor day for shooting percentages but both teams will be looking to improve in that area this week.

Romsey are a young team that are developing young players and they have found a star in Mia Lucas.

If Lucas plays this weekend, they will look a lot stronger in defence.

The attacking end of Romsey will come up against the toughest defensive combination in the league with Ash Hardy, Elly Randel, Kirby Elliott and Loz Close all extremely good players in their own right.

Prediction: Riddell to secure an easy victory.

MACEDON VS WALLAN (NIGHT)

Under lights at Macedon this will be one of the games to watch for the entire season.

Both teams have had pretty settled line ups over the past few seasons but the addition of Tee Salanoa creates a whole new avenue to scoring for Wallan.

Having missed just two goals in three matches her ability is right up there with the league's best.

Georgia Bowkett is also coming along in leaps and bounds and lets not forget their co captains Chloe Meaulenmeesters and Gemma Grimmond.

The class that Wallan have across the court may catch the Cats off guard.

The Cats have had two weeks to lick their wounds after their Anzac Day loss to Diggers Rest.

Jannelle Birch can't be too far away from playing and when she does, she will make a big difference.

Prediction: Wallan to remain undefeated after four rounds.
