## ACROSS MY DESK

by General Manager Operations Grace Bibby

It was great to be back playing football and netball but there were some strong learning to come out of week one. In a week full of firsts for me personally but also things that haven't happened in the league for the eight years Jordan and I have been involved.

We are excited to put all the admin behind us and get back to what we all love this week.

I want to start by welcoming Cameron Pope to our small RDFNL team.

In just one week he has experience a lot of what happens behind the scenes of a football netball league and we hope he is enjoying his time with us and will continue to do so.

We hope that week two is a little more relaxed and run of the mill so we don't scare him off early in his tenure.

The positives to come out of round were some fantastic hard fought close contests that further reiterate how even our competition is becoming in both senior football and A Grade netball.

We are looking forward to some equally as impressive and exciting results this weekend and next as RDFNL Round 2 includes feature games on Good Friday. A reminder to all clubs that all senior football games are required to be live scored. We do not want any scores to be missed for the RDFNL fans who cannot make it to the ground.

That is enough from me here is a short message from our newly appointed Footballer operations Manager Cameron Pope.

Hello everyone, My name is Cameron Pope, and I am thrilled to introduce myself as the new Football Operations Manager at the Riddell District Football Netball League. I am excited to be joining the team and look forward to working with each of you to deliver an exceptional 2025 season. Having grown up in Mount Eliza, down the Mornington Peninsula and now residing in Albert Park, I am fairly new to the area, so I would love a bit of leeway to find my bearings as I begin the role. I can guarantee my commitment to the league and ensure the support of all players, coaching staff, and everyone involved in the day-to-day operations to ensure smooth, efficient, and effective processes both on and off the field. Please feel free to reach out to me for any questions. Looking forward to meeting everyone and working together. Warm regards, Cameron Pope

It is the grand final rematch and Wallan come into this one fresh after having the bye in round one while Riddell got their season off to a flying start with a big win over Macedon. Wallan have gone out hard in the recruiting space like they have done in previous season and former AFL player Cameron Cloke makes a return to football after well documented issues with concussion.

He joins the likes of Jake Carlisle and John Bellino who were at the club in 2024.

There will be a bit of tension in this one as it is the first time meeting since Wallan lost to Riddell in the grand final.

Wallan have had a change of leadership this season with Michael Mannix stepping down and being replaced by co captains Sean Morris and Stevie Boyal.

Riddell already have one win under their belt this season and it was impressive.

They unveiled some new recruits and Lachie Hay stood up against his former club and was named amongst the best.

Dylan Tarczon was a bull in the middle of the ground.

Despite losing in the grand final last year Chris Stewart dominated and will be an important player on Saturday. If Riddell can shut him down it goes a long way to the Bombers getting the win.

**Prediction:** Riddell to make the perfect start to the season and start 2-0.

For a long time there hasn't been a local rivalry in the RDFNL for Melton Centrals but now that Melton South are back in the RDFNL this has huge potential.

Both teams will be hungry to be the strongest team in the Melton area and there will be plenty of heart in all grades of football.

Melton Centrals took the four points in extraordinary circumstances last week against Woodend Heskett following a head count and investigation while Melton South were unable to start their campaign with a win.

There are several players who have called both teams homes for a number of games with the likes of Jacob Thornton Gielan, William Thornton Gielan and Jake Charge having all played a number of seasons with Melton Centrals before returning to Melton South.

Last week Sam Darley showed his class for the panthers while for Melton Centrals Evan Donoghue, Dylan McDonald, Hisham Kerbatieh, Fabian Brancatisano, Caleb Higgins, and Jake Armistead were named in the best.

Melton Centrals would have been pleased to see how their new recruits are fitting in with some of their returning big name players.

This is set to be a great day at Arnolds Creek Rec Reserve and Melton Centrals have done a lot of work to making this day special.

**Prediction:** Melton Centrals to get the win at their home ground in what we hope is the start of a healthy rivalry between cross town teams.

*By Grace Bibby*

Diggers Rest and Romsey were both big winners in their respective round one matches.

Diggers Rest got the early jump on Melton South on the back of a strong game from newly appointed playing coach Shaun Campbell.

For Romsey it was a bittersweet victory as they knocked over Lancefield but lost their playing coach Nathan Blair to concussion protocols. Blair will be forced to coach from the sidelines this week.

Romsey have an uncanny way of playing their best football against Diggers Rest and this contest will be tight.

Both teams have started the year playing an attacking style of football which will be exciting to watch.

Prediction: Diggers Rest to win in a close one.

This game is one not to miss on the annual galender having compete last year on Good Friday and set the tone this year is shaping to be just as good.

In the opening round an administrative error cost the Woodend Heskett football Netball Club the four points and Kyneton took full advantage of a shell shocked Gisborne Giants in their first official game.

Kyneton through some of their stars including Caleb Fisher and Ethan Foreman piled on some early goals and the damage was done in the first quarter.

They will be met with more resistance this week.

Woodend Heskett will be without Marcus Stapleton who will be serving a suspension from the round one encounter.

Prediction: Kyneton to make it two from two to start their 2025 campaign.

A week is a long time in football and unfortunately both these clubs have had two weeks to lick their wounds following round one losses.

Gisborne Giants settled into the contest against Kyneton well but unfortunately the margin was too much for them to ever be in the contest. They will be better for the run. Quigley was a shining light for the Giants racking up plenty of the football and dominating the clearances.

For Macedon they were without two of their stronger more experience players in Matt Dick and Jason Cooke with soft tissue injured the extra week will help them but we round 3 might be more realistic.

The performance against the reigning premier was gallant and Al and his players won't be too deterred by the first round in a long 18 round season.

Prediction: Cats to bounce back with a Good Friday win.

# TACKLE YOUR FEELINGS

## 'Be a Champ'

- Tackle Your Feelings ambassador Nathan Buckley and social media larrikins the Shepmates have teamed up to create a humorous video celebrating local football club culture and encouraging players and coaches to help support the mental health of their footy mates
- Watch the video
- As part of the campaign, Tackle Your Feelings is looking to celebrate and recognise those local 'champs' who go above and beyond when it comes to investing in mental health
- Being referred to as a 'champ' is not always cast in a positive way, so Tackle Your Feelings is looking to reclaim the phrase and spin it around to celebrate these people who often don't get the recognition they deserve with the role they play at their clubs
- We want players, coaches, committee members, support staff and umpires to be a champ and book their club in for a Tackle Your Feelings workshop
- Clubs can register for a workshop at [tyfo.tackleyourfeelings.org.au/login/](https://tyfo.tackleyourfeelings.org.au/login/).

Adam Baldwin, Program Manager said:  
"Clubs are beginning to understand their responsibility to create an environment which supports the mental health of their players. We want clubs to prioritise mental health in the same way they currently do physical health. Tackle Your Feelings is a free program that can help clubs kick-start the development of their own mental health game plan."

**Book a @tyf\_au workshop today.**

## What is Tackle Your Feelings?

- Tackle Your Feelings is a FREE mental health program for community football/netball clubs
- The program was formed by the AFL Coaches Association, AFL Players' Association and Zurich Insurance in 2018 following the death of Adelaide coach Phil Walsh
- The program is delivered by a local psychologist and aims to help participants gain the tools to Understand, Recognise and Respond to signs of mental ill-health.
- The program is based on the education delivered to the AFL industry and is led by high-profile player and coach ambassadors
- Since 2019, the TYF program has been delivered to more than 10,000 participants in every Australian state and territory and it's available to your club in 2024
- Quote from TYF ambassador Nathan Buckley: "It's an awesome program. It's so succinct and gives you really good strategies... it's a really good conversation starter."

# **GISBORNE GIANTS** *Club Notes*

Giants Netball enjoyed a stellar start to their season, with both D Grade and the 19's securing impressive victories in our first games of the day. Our D grade side have added some new faces to their premiership team from 2024 as they set out to defend their title, winning 42-22. Our 19's sent an early message to the rest of the competition with an emphatic 66-7 victory. The momentum continued as C Grade took to the court, displaying early dominance and strong connections all across the court. After establishing a 19-5 1st 1/4 lead, built on strong defensive efforts and solid goaling, they ran away with a huge win 66-10.

B Grade faced a fierce challenge from a competitive Kyneton side. In a tense and closely fought battle that went down to the wire, the Giants ultimately fell short by a single goal after a nail-biting contest 41-42. The highly anticipated A Grade match lived up to expectations. The Giants came out firing, establishing an early lead and extending it at each break, ultimately winning by 8 goals 47-39.

The midcourt controlled the game with tenacity and great decision making ensuring that our exceptional defensive efforts reached our goalers to capitalise. This highlighted the already strong connection this team has on court.

The footballers were excited to show off the new facilities in front of a big crowd. Thank you to Kyneton for making the trip down and we look forward to going to the Showgrounds later this season. Both the Under 19.5's and Reserves games were decided by under a goal, Giants holding on in the 19.5's and Kyneton prevailing in the Reserves. It was a momentous day in our short history watching our senior footballers run out for the first time. Unfortunately Kyneton were much too good, but our boys will be better for the opportunity and look forward to Good Friday.

We can't wait to take on Macedon in our Good Friday Round 2 showdown!

## LANCEFIELD Club Notes

What an opening day for round one of the RDFNL season. Blue skies and warm weather in Lancefield meant that the sunscreen was even being handed out at the netball courts for the big Lancefield v Romsey clash. A big thanks to Alex, Ashley and the team at The Lancefield Hotel and The 1860 in Romsey who instituted 2 trophies that the two towns will play for each year. 'The Pub Cup' was handed out for the winner of the men's senior football match which went to Romsey this year. While 'The Derby Shield' trophy was won by Lancefield. It was a great day all round for each club and a big crowd adding to the atmosphere.

A bye for most Lancefield teams this week while we conduct one of our major fundraising efforts, the Swap Meet, however the women's footy team have a stand alone Friday night game against the new Riddell women's team. We had one of these stand alone games last year and a big crowd turned out with a fantastic atmosphere.

## Club Notes

Round one is out of the way; we travelled to Riddles Creek to compete for the Puka Up Cup. Unfortunately, we did not come away with the cup. However, it was a great day, raising awareness for men's mental health and encouraging young men to speak up about any battles they may be facing. Taking a moment to reach out to a mate to ask how they are going may be all it takes to save a life. Let's all work together to keep the conversation going!

It was great to see our D Grade netball team play their first match together, marking a great moment for our club, despite losing 14 – 28 the girls had a great time and finished with a smile on their faces. It will be awesome to watch Tanae and her girls grow through the year! Other match results included our U19 girls, under new coach Abbey Lambert, went down 29-53. Our C Grade girls won, and kicked off their premiership defence, by a single goal 33 – 32, newly appointed coach Michelle Rix is very happy with her girls. Our B grade girls went down 32 – 52 and A Grade went down 44 – 53. Some stand out players from the day included Brooklyn Anderson playing in GK for the B Grade, Caitlyn Muir in the centre for the A Grade & Eliza Petherick who shot 27 of the 32 B grade goals.

In the football department it was a mixed bag of results. The day started with our U19.5s kicking off their season with a win by 8 points, 55 – 43. Fintan Light stood out, booting 4 goals. Our Reserves went down 37 – 65. Impressive players included Sonny Phelan & Nigel Bloomfield. Our Seniors were defeated 65 – 101. New Sunbury Lions recruit Blake Watson was electric in his debut for the Macedon Cats, clearly best on ground with Charlie Rosetti not far behind. The recently engaged Rosetti was deadly in front of goal, slotting two majors with precision – love clearly suits him! Wrapping up the day were our Senior Women, who put on a classy performance and kicked off their premiership defence with a 70 – 0 win. Star players included league B&F winner Ruby Watts, along with Lily Prater off the half back line.

Our Senior Women will aim to continue with their winning ways, whilst the rest of the club enjoys a bye. We take on the Mt Alexander Falcons in what is shaping up to be another great match. Get down to Tony Clarke at 5PM on Saturday to show your support. Go girls!

Michelle from MTA is proudly sponsoring our major raffle again this year. There are 3 prizes: \$15,000, \$10,000 & \$5,000 travel vouchers. Head to our website or speak to a club member to purchase your \$50 ticket and have your chance to win!

## MELTON BLOODS

### *Club Notes*

Round 1 was a great first hit out for us at the Bloods. Mt. Alexander put up a strong fight, but we were able to push through and get the win.

Our Coaches were happy with how our first game panned out after a long and grueling pre-season.

Our new players fit in very well, plus we were happy with how we adapted to our new structures and game plan.

We would like to thank everyone involved with the 1 minute silence we held for not only those who have passed but also our teammate Bekk Duggan whom sadly passed away in December 2024 who we dedicated this game to.

Looking forward to a big game under lights Friday against Romsey, where we'll be looking to improve and build on the foundation we've set for the season ahead.

Hoping for a great strong performance before the Easter break.

## MELTN CENTRALS

### *Club Notes*

We are very excited for our first home game against Melton South.

It should be a ripper of a day and we thank our volunteers for their efforts in getting organized for what we hope is a big day for years to come.

We have our U/9s playing at half time of the Seniors, various market stalls and don't forget to buy a raffle ticket to win a \$2500 travel voucher.

Wishing all teams the best of luck on the day.

GO CENTRALS!!

## MELTON SOUTH *Club Notes*

The Melton South Football Netball Club's Round 1 festivities kicked off with plenty of energy and community spirit, marking a successful start to the season despite mixed results on the footy field.

While the senior football team faced challenges, the day as a whole was a resounding success with a large crowd in attendance. The day was a special occasion, featuring the annual Past Players Day, which brought back familiar faces and contributed to the vibrant atmosphere.

As the sun set, the mood remained high with the Y2K party, where everyone embraced the theme and dressed up for a night full of fun and nostalgia.

On the field, there were notable performances. Sam Hurst was named Best on Ground for the seniors, delivering a standout performance. In the reserves, Archer Doyle caught the eye with his effort, earning Best on Ground honours. Jack Sipworth also impressed, taking out the Best on Ground for the Under 19.5's with a strong display.

In netball, the club had a strong start in their new league. Despite a few key players missing from the lineup, the team showed promise, and once those players are back, there's excitement about what the team can achieve. The highlight was the club's clean sweep in all grades, except for A Grade, which ended in a dramatic draw after a countback. Addison West was awarded Best on Ground for the A Grade team for her impressive performance during the match.

Overall, Round 1 at Melton South was a fantastic showcase of community, camaraderie, and potential. While the football teams will be looking to improve after a tough start, the buzz in the air and the energy from the crowd sets an optimistic tone for the rest of the season.

The netball teams, meanwhile, seem poised for success, and the early signs of their potential are encouraging.

Thank you Diggers Rest for the turn out!

## Club Notes

What a start to the 2025 season! With a big win on the netball courts and some fierce battles on the footy field, we're proud of the spirit shown across the board - and we're only just getting started.

### ROUND 1 RESULTS

Netball Update: Round 1 was a fantastic weekend on the netball courts! Our A Grade, C Grade, and D Grade teams all came away with comfortable wins. Our under 19s were just defeated - a great effort for a new team, and our B Grade, although beaten, came away with plenty of positives. We are looking forward to facing Kyneton on our old courts for hopefully the last time before our new netball courts open.

Footy Update: A thrilling and hard-fought contest for our senior team. Dan Toman and Ryley Ferguson were standouts, earning best player honours for their efforts.

Our reserves faced an uphill battle after an early deficit but showed great resilience, only to go down narrowly to Melton Centrals. It was great to see our young locals stepping up with Jack Tadd, Hamish McDonald, and Saxon Gardner leading the charge.

### CLUB STATEMENT

Following Round 1, the WHFNC has accepted the decision handed down by the RDFNL and taken full responsibility for errors made during the second half of the game.

We are reviewing our processes and will continue to uphold the standards of honesty, fairness, and community spirit that define our club. Thank you to everyone who has stood by us - your support means everything.

**WE'RE PROUD TO  
SUPPORT HEALTHY  
FOOD AND DRINK  
OPTIONS FOR KIDS**

**Join the  
movement**

It's lunch time and our partners Macedon Ranges Health have a program they want to share with us all. Vic Kids Eat Well is an exciting new state-wide movement to boost healthy eating in Victoria so kids can thrive. It's working with schools, sports clubs and other community organisations to:

-  Refresh the fridge
-  Switch up the snacks
-  Change up the menu
-  Put the 'fun' into fundraising and marketing

### **What snacks are you eating today?**

Learn how you can join the movement here:

It was two very different scenarios for these clubs after round one. Lancefield had a strong win over Romsey while Riddell were held goalless in their first round encounter against Macedon.

Lancefield showed great improvement in the back end of last season and their ability to kick goals this season will put the rest of the competition on notice.

For Riddell they came up against one of the best community football women's teams you will see and their season can only go up from here.

Riddell didn't shy away from the contest and looked to enjoy themselves which is a great start to their senior women's program.

**Prediction: Lancefield to win but Riddell to be more competitive in their second showing.**

Romsey will be looking to bounce back from their first round loss at the hands of Lancefield when they take on Melton under lights on their home deck.

Melton on the other hand started their season well with a bigger than expected win over Mount Alexander.

Romsey would have been pleased to be competitive in their first game and having booted a decent score they will take confidence.

Melton were too good for the Falcons with the inclusion of Pauline Hutchins.

Pauline had 42 possessions and kicked four goals in a best on ground performance that led to the bloods victory.

Prediction: It is hard to see the Redbacks winning this one but fingers crossed the game is competitive. Melton to win comfortably on the score board.

It was a perfect start for the Cats title defence as they held Riddell scoreless in their first round.

Led by Bri Woodburn and Ruby Watts on field the Bombers were on the back foot from the first bounce.

Mount Alexander will need a quick turn around from their first round loss if they are to make a dent in the Macedon attack.

Jesse Boylan was the stand out player for Mount Alexander against a very strong Melton Bloods line up who have done some heavy recruiting in the off season.

**Prediction: Macedon look near impossible to stop at the minute. Macedon to record another strong victory.**

# NETBALL MANAERS REPORT

*by General Manager Operations Grace Bibby*

## The Importance of Attention to Detail When Managing Netball

In the fast-paced world of netball, success doesn't come solely from athletic prowess or strategic brilliance on the court—it's also forged behind the scenes. Effective management is the backbone of any successful netball team or organization, and at the heart of great management lies one critical skill: attention to detail. Whether you're coordinating schedules, handling equipment, managing points, scoring or ensuring player welfare, it's the small things that often make the biggest difference.

### 1. Player Welfare and Development

Attention to detail is crucial when it comes to tracking player fitness, health, and development. Injuries can sometimes result from overlooked signs—slight changes in movement, subtle complaints of fatigue, or missed physiotherapy sessions. Detailed monitoring of these elements helps managers intervene early, providing the necessary support before small issues become major setbacks. It also ensures each player is progressing according to their individual goals, creating a more cohesive and motivated team environment.

### 2. Compliance and Governance

From insurance paperwork and safeguarding protocols to league rules and regulations, netball managers are responsible for a vast range of compliance matters. A minor oversight—like a missing stroke on the scoresheet or an ineligible player taking the court—can lead to serious consequences, including forfeited matches or reputational damage.

Maintaining meticulous records and double-checking every compliance detail is essential for smooth, issue-free operations.

### 3. Game Day Execution

Game day is where preparation meets execution, and here, attention to detail truly shines. Uniforms, equipment, warm-up routines, bench setup, substitution strategies, and sideline communication all need to be seamless. Managers who plan thoroughly and anticipate needs ahead of time enable the coaching staff and players to stay focused on the match itself. A forgotten piece of kit or a missing water bottle might seem trivial, but it can cause unnecessary stress or distraction at a crucial moment.

### 4. Effective Communication

Clear, accurate, and timely communication is the glue that holds a netball organization together. Miscommunicating training times, misinterpreting feedback from players, or failing to pass on critical updates can lead to confusion and frustration. Attention to detail in how, when, and what is communicated builds trust, ensures alignment, and keeps everyone moving toward shared goals.

### 5. Building a Professional Culture

When managers consistently demonstrate attention to detail, it sets the tone for the entire team. It signals professionalism, care, and a commitment to excellence. Players and staff are more likely to take pride in their own roles when they see that nothing is left to chance.

This will be a fascinating contest as two newly formed teams meet in the opening round of the RDFNL A Grade competition. Gisborne Giants will play their inaugural season in the A Grade competition and have a strong preseason and will be looking forward to getting stuck into the real play for points competitions.

Gisborne Giants jumped out of the blocks by getting a highly credentials coach in AJ Craske and he is already showing his recruited power. We are exciting to see what the Giants can showcase this weekend.

We are excited to see a former RDFNL young gun in Niamh Rosendale get her chance at A Grade level and we know she will be physical and bring plenty of intensity to the game. Kyneton also went out hard in the coaching ranks securing David O'Hare.

Kyneton are a new look team this year with a new coach and several new players across their A grade line up.

Michelle Fletcher who is a former best and fairest winner at Kyneton returns to the line up and will be beside Matilda Candy in attack. While Ryan Medallist Tilly Shephard will continue her dominance in the RDFNL in goal keeper.

Kyneton come out all gun blazing in opening round last year and will be looking to do the same this season.

**Prediction: Kyneton to get a close win to start their 2025 campaign.**

When these two teams meet it is always a very close hard fought game and we are expecting no different this weekend.

Riddell welcome back to the team Bec Colwell who has been a gun goaler for a number of years i the RDFNL. The standard of the competition has improved but we have no doubt she will still hold her own for the red and black. Georgia Shaddock and Finn McKeagney Stubbs are returning as is Mady Brown.

Riddell have been consistent performers with a consistent list ut the team they face in round one is very similar.

The Cats will welcome back Janelle Tate who missed last season.

Tate was missed in defence and will be a huge inclusion but down the other end of the court there is big shoes to fill with Chloe Williams not playing this season.

Chloe Eyre was the big recruit of the summer while still being able to play junior netball. Eyre has experience in A Grade coming across from Melton Centrals but this will be a big step for the young superstar as she holds down the starting position in goal attack.

Eyre will be teaming up with another tall shooter in Hetty O'Donoghue who missed a lot of netball last season but had star quality written all over her.

This match will go down to the wire.

**Prediction: Riddell to show their experience and win in a tight contest.**

We do not know a lot about Melton South as they have a new look team to the one they put on court in the Ballarat Football Netball League last season.

They have retained coach Anna Edmonds who is no stranger to the RDFNL competition. Kiara Boyd is one player who will attract plenty of attention from her opposition as they suss out the new competition.

Diggers Rest have retained their VNL powerhouse in Leona Hristovska who has stepped up into the captains role in the absence of Maggie Payne.

In defence bench coach from last year Anica Wilson will return to the court after having last season on the sidelines.

Wilson is a huge inclusion and will add plenty of experience and control for the young Diggers Rest line up.

Prediction: Melton South to start in the RDFNL with a win.

player this season after dominating last season in both B Grade and A Grade. Chloe Hodgson has temporarily hung up the football boots and returned to the netball court which is exciting.

For Romsey they have a new coach in Justin Philby but it will be a year of development and building as they lost several key players in the off season.

Romsey will be without Emily Miles and Maggie Lind this season.

**Prediction: Lancefield to open their resurfaced courts with a win.**

Our reigning premiers for a third straight season will take on Melton Centrals in a twilight fixture for their first game of the year.

Abbey Gilmore has made her way to Shepperton and will not be in the Hawks dress this season while Melton Centrals also lost their powerhouse shooter with Helen Aumua not back for another season.

Both teams have retained strong defensive halves with Tayissa Coppinger leading Woodend following her major milestone in the VNL and Avana Hobson and Hayley Hill will continue their strong partnership in the Melton Centrals back court.

In the midfield we expect a strong contest of speed and skill between Sarah Duff and Elisa Butterworth Gonebale. Both players have proven how good they can be in the RDFNL A Grade competition and will only continue to get better.

**Prediction: Woodend Heskett to start their title defence with a win.**

Lancefield will likely go into this one as favourites having built a strong foundation last season. Under Ciara Stewart the Tigers recruited well and retained players and look to be in good shape this season.

Tarnee Hammond will be a permanent A Grade
