Playing Sport on ANZAC Day in Australia: A Tradition of Respect and Remembrance  
ANZAC Day, observed annually on April 25th, is one of the most solemn and significant days on the Australian calendar. It commemorates the sacrifices of Australian and New Zealand Army Corps (ANZAC) soldiers who fought at Gallipoli during World War I, as well as all those who have served in military conflicts since. While the dawn service remains the emotional centerpiece of the day, another uniquely Australian tradition has become an integral part of how the nation commemorates ANZAC Day: sport.

### A Day of Dual Meaning

In Australia, sport is more than entertainment—it's a cultural cornerstone. On ANZAC Day, the sporting field becomes a stage not just for competition, but for commemoration. From the AFL to local footy and community games, sports events held on April 25 often begin with a moment of silence, the playing of "The Last Post," and on-field ceremonies paying tribute to those who served.

One of the most iconic ANZAC Day fixtures is the AFL match between Collingwood and Essendon at the Melbourne Cricket Ground. First held in 1995, this match has grown into a powerful ritual that draws tens of thousands of fans and millions of viewers. The RDFNL have games of their own with Macedon hosting Diggers Rest and now Kyneton hosting Lancefield where we encourage everyone to dig deep and support the charities that support those who served.

Honouring Through Competition  
Critics occasionally question the appropriateness of sports on a day of remembrance. However, many veterans and military organizations have expressed strong support for the tradition. They argue that the spirit of teamwork, courage, and sacrifice celebrated in sport mirrors the values upheld by service members. The playing of these matches allows the broader community—especially younger generations—to engage with the ANZAC legacy in a living, vibrant way. Moreover, the revenue and attention generated by these matches often support veteran charities and raise awareness about the ongoing needs of service members and their families. Community-Level Commemoration  
Beyond the big leagues, local sporting clubs across the country will hold matches on ANZAC Day, frequently accompanied by commemorative services. For many regional towns, these games offer a focal point for the day's activities and a means of bringing people together in shared reflection. From RSL clubs to grassroots football grounds, the combination of remembrance and recreation reflects a broader Australian ethos—paying tribute through unity, action, and community spirit.

**VS**

**VS**

For the second consecutive year these two teams meet on ANZAC Day in the hopes of forming a rivalry for years to come.

Last year Kyneton were victorious and it is hard to see the result being over turned in season 2025.

Kyneton have been fast starters in season 2025 and with some new recruits they look the goods early in the season.

They easily accounted for Woodend Heskett last weekend and will be looking to make it three weeks from three attempted when they host Lancefield.

Lancefield have had a week off to lick their wounds following a round one loss to Romsey. The time will allow the new look tigers team to work on their cohesion and hopefully bring a stronger performance in their second hit out. On a per Kyneton have the stronger team and with the likes of Danny Grumisa, Caleb Fisher and Ethan Foreman the Tigers depth will be tested.

Lancefield will need a lot to go right to take the four points from Kyneton but their best football will be more than competitive if they can sustain that for four quarters.

**Prediction: Kyneton to record a big win over Lancefield.**

Not that long ago these teams met in the finals and the young Cats sent the Diggers Rest men packing.

After leading for a large part of the first half Jason Cooke come alive and kicked goal after goal.

Cooke has not been sighted yet this season start with a calf injury but he has been named for today's clash and that will no doubt bring some nightmares to the coaching staff of Diggers Rest.

Macedon recorded a strong win over the Giants last week and will take confidence from that result.

Diggers Rest have had a perfect start to the season starting with a win over Melton South and then catching the Redbacks on the back foot in round two.

Shaun Campbell has got the Burra boys working hard and working together which has been lacking in previous seasons.

This ANZAC Day tradition is always a fierce contest and we expect no different come the first bounce.

**Prediction: Diggers Rest to get the four points from this one.**

## LEST WE FORGET

# RDFNL Senior Mens Previews

*By Grace Bibby*

Both these teams will have to bounce back from round two losses after Romsey were no match for Diggers Rest and Wallan were defeated by Riddell.

Romsey looked to move the ball okay in the second half but the fast start from Diggers Rest caught them napping and it was too much to overcome.

For Wallan their new recruits were damaging but it wasn't enough to compete with Riddell who had winners all over the ground.

Former AFL player Cameron Cloke kicked five goals to start his first RDFNL season with a bang.

It was a physical contest and this will be no different.

**Prediction: Wallan to bounce back with a win sending Romsey back to the drawing board.**

Riddell are setting the benchmark for the rest of the teams in the early stages of the Bendigo Bank Senior Mens competition.

They easily accounted for both the preliminary finalist in the first two rounds knocking over Macedon and then Wallan. Riddell have kept most of their premiership list together and everything looks easy for Arran Bray and his charges at the minute.

Riddell will be without their bull Dylan Tarczson this week who will miss through suspension.

Melton Centrals hosted a fantastic day against Melton South but they were unable to produce a win where they wanted it most. The new recruits are playing well but the depth will be a concern coming up against the leagues best.

**Prediction: Riddell to win by a comfortable margin.**

Melton South broke their winless drought of over 1000 days when they defeated Melton Centrals in front of a big crowd at Arnolds Creek Recreation Reserve.

Sam Darley another former AFL player proved he was a cut above racking up plenty of the ball and dominating the field.

Despite losing the opening round to Diggers Rest Melton South have played some good football and will go into this game as favourites.

Gisborne Giants were more competitive in their second hit out and look to be settling into RDFNL senior football but it is hard to see them stopping the Panthers who now have a bit of momentum and confidence.

Gisborne Giants will be looking for some confidence of their own in the early stages and to put some scoreboard pressure on.

**Prediction: Melton South to win this one.**

# TACKLE YOUR FEELINGS

## 'Be a Champ'

- Tackle Your Feelings ambassador Nathan Buckley and social media larrikins the Shepmates have teamed up to create a humorous video celebrating local football club culture and encouraging players and coaches to help support the mental health of their footy mates
- Watch the video
- As part of the campaign, Tackle Your Feelings is looking to celebrate and recognise those local 'champs' who go above and beyond when it comes to investing in mental health
- Being referred to as a 'champ' is not always cast in a positive way, so Tackle Your Feelings is looking to reclaim the phrase and spin it around to celebrate these people who often don't get the recognition they deserve with the role they play at their clubs
- We want players, coaches, committee members, support staff and umpires to be a champ and book their club in for a Tackle Your Feelings workshop
- Clubs can register for a workshop at [tyfo.tackleyourfeelings.org.au/login/](https://tyfo.tackleyourfeelings.org.au/login/).

Adam Baldwin, Program Manager said:  
"Clubs are beginning to understand their responsibility to create an environment which supports the mental health of their players. We want clubs to prioritise mental health in the same way they currently do physical health. Tackle Your Feelings is a free program that can help clubs kick-start the development of their own mental health game plan."

**Book a @tyf\_au workshop today.**

## What is Tackle Your Feelings?

- Tackle Your Feelings is a FREE mental health program for community football/netball clubs
- The program was formed by the AFL Coaches Association, AFL Players' Association and Zurich Insurance in 2018 following the death of Adelaide coach Phil Walsh
- The program is delivered by a local psychologist and aims to help participants gain the tools to Understand, Recognise and Respond to signs of mental ill-health.
- The program is based on the education delivered to the AFL industry and is led by high-profile player and coach ambassadors
- Since 2019, the TYF program has been delivered to more than 10,000 participants in every Australian state and territory and it's available to your club in 2024
- Quote from TYF ambassador Nathan Buckley: "It's an awesome program. It's so succinct and gives you really good strategies... it's a really good conversation starter."

## DIGGERS REST

### *Club Notes*

Diggers Rest Football Netball Club remembers, honors and pays tribute to all Australians who served and died in war and on operational service past and present.

The spirit of ANZAC, with it's qualities of courage, mateship, endurance and sacrifice continues to have meaning and relevance, and we acknowledge the contribution and suffering of those who put their lives on the line to allow us the many freedoms we appreciate in our country, including our ability to share game days on weekends with family and mates in this great competition of Football and Netball.

*They shall grow not old, as we that are left grow old;  
Age shall not weary them, nor the years condemn.  
At the going down of the sun, and in the morning  
We will remember them.*

## GISBORNE GIANTS

### *Club Notes*

On a hot and windy Good Friday, our Giants Netballers continued our strong start to the season as we hosted Macedon Cats. Our C grade and 19U teams got the day started with solid wins. In what were very trying conditions, both teams managed to control the game for 4 1/4's leading at every break and displaying some disciplined, controlled netball. Our D and B Grade teams hit the courts next. Our D grade team continued their strong early season form with a comprehensive win. While our B Grade team started strong, establishing a solid 1/4 time lead, they were unable to sustain their efforts for 4 1/4's resulting in a comprehensive loss.

A Grade took to the court as the temperature peaked. Right from the first centre pass it was clear the Cats had come to play. We struggled to find our rhythm early and trailed by 5 goals at 1/4 time. After a reset, the girls locked in for what we knew was going to be a hotly contested 4 1/4 match. 3/4 time saw us draw even for the first time in the match, And true to the nature of this team, they never dropped their heads and fought right to the end eventually securing a 1 goal win. For the football, Macedon proved too strong across all 3 grades in front of a huge crowd. Thank you to everyone who came out and supported. Finally, we would like to say a massive thank you to everyone who helped contribute to our fundraising efforts for The Good Friday Appeal. We raised \$1500 on the day.

We look forward to our first away games for the season in Round 3 as we travel to take on Melton South.

## LANCEFIELD

### *Club Notes*

What a great privilege it is to take part in a game on ANZAC Day and have the opportunity to pay tribute to those who have served our country past or present. It is an honour that the Lancefield FNC value greatly and we hope we will continue to build in our Clash of the Tigers match in the years to come.

This year our men's footballers, and our A and B grade netballers will wear special wattle inspired ANZAC Day jumpers and dresses that pay tribute to service men and women, both past and present, who served our nation and paying special tribute to the 13 Lancefield footballers who went to WW1 and WW2 but tragically never returned with their names included in the design. We will also be presenting medals to the players believed to best exemplify the ANZAC spirit of skill, courage, self sacrifice, teamwork and fair play.

The Ike Johnston medal will be awarded to the men's footballer judged to best represent those ideals on the day. Ike Johnson is probably the greatest name in our clubs history. He was just 13 when named in the best players in our 1895 premiership. He served our nation in the Boer War and was in the Light Horse Brigade in WW1 where his regiment were involved in the disastrous attack on the Nek. He volunteered as a 58yo in WW2. He won at least 7 premierships, the last at the age of 43 where, as always, he is listed in the best players again. Ike passed away in 1965 at the age of 83.

The Bonny Lamb Medal will be awarded to the A grade netballer who best personifies the ANZAC spirit on the day. Bonny was the very first Lancefield player to win a league B&F, our first recognised champion. Bonny served in WW1 on the Western Front at Bullecourt in France where tragically on May 3, 1917 he was killed.

The Jack Bristow medal is presented to the women's footballer who best represents the ANZAC ideals. Jack Bristow grew up in Lancefield and returned to be a primary school teacher here. While teaching he would travel to play for Carlton before returning to play for Lancefield. He was recruited again, this time to Melbourne before joining Richmond. Always returning to help out at Lancefield, often as the teams umpire. On April 25<sup>th</sup> 1915 he led his section onto the beach at Gallipoli before being evacuated with pleurisy and then serving in northern France. The story of his legendary efforts in the Battle of Ypres earned him the Military Cross.

To all those who have served our nation past and present, the Lancefield FNC thanks you.

# MACEDON Club Notes

Our Senior Women played against Mt. Alexander, winning 140 – 0. It is great to see our girls off to a strong start this year, going the right way about defending their title. Stand out players from this match included Charlette Noonan who is back to her old ways booting 7 goals, along with two-time player of the week Ruby Watts.

In the remainder of the football results, we travelled to the Gisborne Giants home ground to go to battle. In a windy day, our U19.5s battled hard and came out on top by 8 points.

Callum Large and Josh Nolan lead the way. It was great to see our Reserves come out successful in their match, winning 33 -24. Stand out players there included Sauce Bulluss, Tommy Indian and Zac Baggs. The Seniors capped off what was a great day with our 3rd win, by 53 points. Headlined by Mick Rutledge booting 7 goals.

Another mixed bag of results on the Netball courts. In the U19s the final score saw the Giants win 45 – 19. Izzy Moyes was a standout shooting 13 goals. It was a thrilling match in the A Grade, with only a goal deciding it. Unfortunately, it did not go our way, 44 – 43. It was a big win for our B Grade girls, going up 53 – 30. Our D Grade girls went out for their second match. The girls went down 43 – 7, however walked away with smiles and have been really enjoying themselves. Rounding out the Netball results is our C Grade girls who went down 15 – 32. An even spread of goal shooters with Nellie Wilson and Susan Eastman shooting 8 and 6 respectively.

Our attention turns this week to what is one of the most anticipated days of the calendar.

We host Diggers Rest at Tony Clarke for a full day of Football and Netball matches. It is always special to be able to play on ANZAC day and to contribute donations to the Commando Welfare Trust.

Our shout out this week goes to all the Men and Women who have served or are currently serving our nation. Their contributions and actions are what allow us to live in the amazing country that we do. If you are at Tony Clarke, or out and about at any time during ANZAC day, please make it a priority to extend your thanks and gratitude towards those who are serving or have served.

## MELTON BLOODS

### *Club Notes*

Last round the Melton Bloods headed to Romsey for Friday night footy. It was a strong physical game played by both teams and the Redbacks had a few stand out players which really challenged us. We were happy to walk away with the 4 points, finishing with a 19 point win. Linda Morren was hot down forward kicking 3 goals, Pauline Hutchins kicked 2 and a huge congratulations to Talia Bozinovski for kicking her first goal as a Bloods girl.

We hope everyone enjoyed the Easter weekend break from footy and spent time with family & friends, eating too much chocolate of course.

Friday we head to Macedon for a special Anzac Day clash at 5pm. Being out first ever Anzac Day match we are very excited and appreciative of the opportunity to play on such a significant day.

With the game being a top of the table clash against Macedon who have proven themselves in previous years as the team to beat. We look forward to the challenge and hope to shape up nicely against the Cats.

We would like to extend our heartfelt thanks and thoughts to all Anzacs who served & continue to serve our country. We stand together in spirit, to honour service, recognise sacrifices and thank you for our freedom.

Lest We Forget.

## MELTON SOUTH *Club Notes*

What a weekend for the Club — the Panthers came, prowled, and conquered across all grades in a clean sweep that had the whole place buzzing with energy and pride.

For the Seniors, it was a victory over 1000 days in the making. And when the drought broke, it absolutely poured — a resounding 44-point win that marked our first W in over three years. The hunger was obvious from the first bounce, and the boys delivered a performance to remember. Alec Goodson was unstoppable up forward, slotting five majors with ease and confidence. Mitch Fino, John Kovarik, and Will Thornton-Gielen each added two goals of their own, contributing to a potent forward line that clicked beautifully. In the middle, it was the Sam Darley Show — racking up a jaw-dropping 52 disposals in a best-on-ground performance. He was everywhere, leading by example with class and composure. Broden Collins and Joel Hodgson were also brilliant in support, both showing grit and clean ball use in key moments. Not to be outdone, the Reserves turned in a dominant display of their own, storming to a 110-point win. Brayden Wood lit up the scoreboard with five goals, while Shaun White wasn't far behind with three. The depth across the squad is looking strong, and the vibe around the twos is as positive as ever. And it didn't stop there. Wins came rolling in from netball across the board with the A Grade, C Grade, D Grade, and Under 19s all getting the job done. The Panther spirit was alive and roaring all weekend long — a massive credit to all players, coaches, and volunteers.

Let's carry that energy into the week and beyond. And tonight... Let's lock in. From 7pm 'til lockout, it's time to celebrate together — the drought is over, and the club is rising again.

GO PANTHERS.

Our first games for season 2025 were on Saturday 12th April Round against Riddell FNC. It was a magnificent day with lots of firsts, not all the results went our way but there was a lot to celebrate!

A massive thank you everyone who helped out in whatever way that day, we couldn't have got through the day without your help. Thank you to all the supporters who came to support both clubs.

It was a day when Tim Yendall made his debut as the Under 19.5s coach and set the bar high with all the boys arriving with their kits in everything other than their footy bag as they come together as a team.

Thank you to all the water carriers, Thank you to everyone who filled the water bottles and the containers with water and ice so many times throughout the day, much appreciated.

Thank you to the gate keepers, and everyone who served in the bars. Special thank you to Connor Voss who did a huge amount of work in both bars. Thank you to everyone in the canteen. Thank you to Mel for her help behind the scenes ensuring everyone enjoyed a beautiful half time spread.

Thank you to our wonderful time keepers, Carol Bass and Neal Langborne, back for another season. Also, a big thank you to our trainers, Cat, Imran and Jaime, another busy day.

Special thank you to Zac Bell, after a best on ground performance in the under 19.5s, Zac then pulled on the runners top for the Reserves and then the water carriers top for the seniors. A huge day, thank you Zac!

Meanwhile on the netball court we welcomed some new players and we saw very competitive games. Emma Stalenberg and Genevieve Carboon coached their first C grade game. Sharon continued to coach the 19 & Unders and has also taken on the role of B Grade coach, while Lucas Bennett-Hullin continues to coach the A & D Grade teams. The D Grade team began the day at the early time of 8.05am under the watchful eye of Lucas Bennett-Hullin. Finally Lucas completed the day on the netball court guiding the A Grade team through a very competitive game.

Thank you to Jenni Wood, who scored and ensured the day ran smoothly.

To everyone who helped Jenni throughout the day, thank you your help and support is greatly appreciated.

To our social media team led by Archie Moore thank you, you did a wonderful job.

Today we all head across to Romsey to enjoy yet another great day of football and netball. Go Wallan

## WOODEND - HESKET

### *Club Notes*

Round 2 was a big one at The Nest, with Good Friday footy and netball bringing great energy and a strong crowd to Gilbert Gordon Oval.

**NETBALL** ● D Grade kicked off the day with strong defensive pressure both in the circle and across the court. Great intercepts and hustle for loose balls helped secure a well-earned 5-goal win.

● C Grade claimed a 17-goal victory, led by standout defensive intercepts from the GK and slick transitions down the court to goal.

● U19s notched their first win of the season by 14 goals! Great court movement and defensive pressure in the circle set the tone for a fantastic team performance.

● B Grade went down by 18 goals in a tough match. Despite the scoreline, the group showed good ball movement and defensive pressure, but Kyneton proved too strong on the day.

● A Grade came out firing, feeding strong holding shooters with precision from centre court and turning defensive gains into scoreboard pressure. A polished effort saw them take a 22-goal win.

**FOOTBALL** ● Our Under 19.5s had their first outing of the season against a strong Kyneton side. While they didn't get the result, it was great to see the boys on the park, learning and battling hard all game.

● The Reserves started strong but couldn't match the fitness of Kyneton in the second half. Solid performances from Brazell across half-back and Gardner kept us in the contest early.

● In the Seniors, we had a strong first half but missed chances proved costly. Kyneton found momentum and pulled away, but strong efforts from Ollie Watt and skipper Duggan stood out.

**WE'RE PROUD TO  
SUPPORT HEALTHY  
FOOD AND DRINK  
OPTIONS FOR KIDS**

**Join the  
movement**

It's lunch time and our partners Macedon Ranges Health have a program they want to share with us all. Vic Kids Eat Well is an exciting new state-wide movement to boost healthy eating in Victoria so kids can thrive. It's working with schools, sports clubs and other community organisations to:

-  Refresh the fridge
-  Switch up the snacks
-  Change up the menu
-  Put the 'fun' into fundraising and marketing

### **What snacks are you eating today?**

Lancefield are flying to start the season and they meet Mount Alexander who haven't had the same luck.

Lancefield have put a lot of time into their women's program and are reaping the rewards this season with two wins to start the season. This will be another big test.

Mount Alexander have had a tough start with a difficult draw and they will be hoping to record their first win when they take on Lancefield. It is a great show of support by Kyneton FNC to see this game hosted at their venue to ensure Lancefield can stay together as one club on a very special ANZAC Day.

This will be a great spectacle of womens football.

**Prediction: Lancefield to win but the Falcons to challenge them.**

While the season has only just begun it looks to most like these two teams will meet in the finals for sure and maybe even the grand final unless something drastic happens.

Macedon have dominated in the two early games as have Melton Bloods so it is great that the two teams will go head to head this weekend.

Macedon dismantled Mount Alexander not only keeping them scoreless but kicking a huge total as well.

Charlotte Noonan was the star of the show up forward while Ruby Watts just keeps on keeping on dominating in the mid field.

For Melton Bloods they are being well led by Jordyn Syme who is combining well with the new recruits.

**Prediction: Under lights at Tony Clarke on a cold night might bring Macedon back to the pack but it is hard to see anyone beating the reigning premiers at this stage,**

It wont matter who wins this game it is going to be very exciting. Riddell are in their first season looking for their first victory but Romsey are in their third season still chasing a win. Riddell haven't kicked a goal yet this season but they have been up against tough opposition.

For Romsey they have found scoring a lot easier this season and will be quietly confident they have what it takes to take the four points from Riddell on Saturday.

We hope this is a competitive game and both clubs really enjoy the opportunity to get a win on the board!

**Prediction: Riddell to cause an upset and steal a close victory from Romsey.**

# NETBALL MANAERS REPORT

## *by General Manager Operations Grace Bibby*

After round two I am just going to leave this here.

### The Importance of Attention to Detail

In the fast-paced world of netball, success doesn't come solely from athletic prowess or strategic brilliance on the court—it's also forged behind the scenes. Effective management is the backbone of any successful netball team or organization, and at the heart of great management lies one critical skill: attention to detail. Whether you're coordinating schedules, handling equipment, managing points, scoring or ensuring player welfare, it's the small things that often make the biggest difference.

#### 1 Player Welfare and Development

Attention to detail is crucial when it comes to tracking player fitness, health, and development. Injuries can sometimes result from overlooked signs—slight changes in movement, subtle complaints of fatigue, or missed physiotherapy sessions. Detailed monitoring of these elements helps managers intervene early, providing the necessary support before small issues become major setbacks. It also ensures each player is progressing according to their individual goals, creating a more cohesive and motivated team environment.

#### 2. Compliance and Governance

From insurance paperwork and safeguarding protocols to league rules and regulations, netball managers are responsible for a vast range of compliance matters. A minor oversight—like a missing stroke on the scoresheet or an ineligible player taking the court—can lead to serious consequences, including forfeited matches or reputational damage.

Maintaining meticulous records and double-checking every compliance detail is essential for smooth, issue-free operations.

#### 3. Game Day Execution

Game day is where preparation meets execution, and here, attention to detail truly shines. Uniforms, equipment, warm-up routines, bench setup, substitution strategies, and sideline communication all need to be seamless. Managers who plan thoroughly and anticipate needs ahead of time enable the coaching staff and players to stay focused on the match itself. A forgotten piece of kit or a missing water bottle might seem trivial, but it can cause unnecessary stress or distraction at a crucial moment.

#### 4. Effective Communication

Clear, accurate, and timely communication is the glue that holds a netball organization together. Miscommunicating training times, misinterpreting feedback from players, or failing to pass on critical updates can lead to confusion and frustration. Attention to detail in how, when, and what is communicated builds trust, ensures alignment, and keeps everyone moving toward shared goals.

#### 5. Building a Professional Culture

When managers consistently demonstrate attention to detail, it sets the tone for the entire team. It signals professionalism, care, and a commitment to excellence. Players and staff are more likely to take pride in their own roles when they see that nothing is left to chance.

VS

VS

It has been a tough start to the RDFNL season for Kyneton. After narrowly losing to Gisborne Giants they were easily accounted for by Woodend Heskett.

This is a game they will be hoping to be more consistent and competitive in.

Madison Kirk is settling in well to the midcourt and with Tilly Shepherd in defence that area is well covered by they do fall down on the attacking line.

New coach O'Hare tried a number of options over the weekend but they didn't have the answers against Woodend Heskett defence.

For Lancefield it is a similar story. A very strong defensive end led by Shaide Sasalu and a great midcourt but uncertainty in attack.

Tarnee Hammond Darcee Ellard and Shenae Brundell are the most common goaling options but the combinations haven't seemed to work consistently over the past two seasons.

Coming up against the reigning Ryan Medallist in Tilly Shepherd they will need to be on from the first whistle.

This will be a really good indication of where both teams are at this season.

**Prediction: Lancefield to win in a close one.**

Macedon will be disappointed they didn't make the most of their early lead against the Gisborne Giants and capitalise with a win.

Instead they are sitting 0-2 to start the season. They are not known for their fast starts to a season and we have no doubt they will bounce back but they do have some work to do.

The Cats were missing Hetty Donoghue last week and the lack of experience in goals really showed in a physical contest.

There were plenty of positive signs early and no doubt plenty of learnings for the young Cats line up.

For Diggers Rest they would have also been disappointed going down to Romsey.

Lexie Lischke has been a great addition to the team but after a strong performance in round one we are sure Anica Scherer would have been hopeful of a more competitive showing. This week is a new week and no matter where these sides are on the ladder this is always a fantastic game.

**Prediction: Macedon Cats to get their first win of the season over a gallant Diggers Rest line up/**

## LEST WE FORGET

# RDFNL Netball Previews

*By Grace Bibby*

Romsey recorded their first win of the season with a big win over Diggers Rest. After a disappointing round one they looked in total control against the Burras. Amelia Cini is proving to be an important recruit while Charlize Bellette was our player of the week for her dominance in goal shooter.

For Wallan they were outclassed by Riddell in their first encounter. They will be better for the run and they will come out firing this week. Dakota Lister continues to shine in the midcourt but without Maddy Wallmeyer there is a lot of workload to manage through the midcourt.

Alyssa Pearce showed her versatility in goal attack, goal defence and the wings which is pretty incredible at this level.

**Prediction:** Wallan to bounce back with a win in their second match of the season.

Riddell have had a strong start to the season and look like a feel threat to the premiership in the early stages of the competition.

Maddy Brown has had a fantastic start to the season and is combining well with Lara Turner.

Bec Colwell made a strong return to the RDFNL after a number of years at other competitions and leagues.

Bec was able to use her strength to hold off the smaller Wallan defenders.

Melton Centrals will be looking forward to putting round 2 behind them after they won the game but lost the four points due to a player points breach.

The club have owned their mistakes and will be keen to get on court.

Matilda Lethlean was impressive in her first game.

Avana Hobson will make life hard for Colwell as Colwell will have to find the body to hold her space.

**Prediction:** Riddell to win in a close one.

Gisborne Giants were on a mission in the second half against the Cats and their attacking end were able to stand up to some intense pressure.

It was great to see Geneya Burke make her A Grade debut after playing D grade a fostering a strong culture as the club coordinator.

For Melton South they came up against a tough opposition and were competitive but in the end received the points through a points policy breach.

They will be hoping for a fairer contest this weekend but the challenge will not be any easier.

Melton South had some players away last week but if they come back in the midcourt contest will be exciting.

**Prediction:** Gisborne Giants to start the season with three wins.
