Celebrating Women in Sport this Mother's Day

On this special day, we pause to acknowledge and celebrate the women who have shaped, supported, and elevated sport at every level. Mother's Day is not only a time to honour the love and sacrifices of mothers—it is also an opportunity to reflect on the vital role they play in the world of sport.

From grassroots to the global stage, women are essential to the fabric of sport. Many are athletes, pushing the limits of what's possible. Others are coaches, officials, administrators, and leaders who drive progress and champion equity. And so many are mothers—nurturing the next generation of athletes, showing up with unwavering dedication, and often juggling their own professional and personal goals with grace and determination.

Mothers are the early alarm clocks, the sideline cheerleaders, the first coaches, and often the quiet force behind every great performance.

They are the ones who believe when others doubt, who encourage when it's tough, and who celebrate every small victory along the way.

In elite sport, we see more and more mothers returning to competition, breaking barriers and redefining what it means to be an athlete. Their journeys inspire not just their children, but an entire generation of young girls and boys to believe that you can be strong, capable, and compassionate—and that family and ambition can go hand in hand.

Today, we salute the women who lead, inspire, and persevere in sport. We thank the mothers who give so much of themselves so that others can thrive. And we recommit to building a sporting world that values, includes, and uplifts women at every level.

To all the women in sport, and especially the mothers—we see you, we appreciate you, and we celebrate you.

Happy Mother's Day.

# RDFNL Senior Mens Previews

*By Grace Bibby*

**VS**

**VS**

This contest should be a good one. Macedon are looking to get their season up and running after just one win from the opening four rounds. Wallan also fell short to Riddell but since then they have cruised to comfortable victories. The big men continue to cause headaches for the opposition with Cameron Cloke leading the way in front of the big sticks. Stewart and Carlisle have been valuable contributors and when one gets shut down another pops up. Macedon have been well led by Charlie Rossetti in the ruck but he will face his toughest opponent yet this weekend. Macedon are still missing two of their best in Cooke and Dick. Hamish Govan has been the stand out for the Cats so far, Last time they met was in the preliminary final in 2024 where Wallan progressed through to the big dance. Will there be some added spite in this one because of that result or have the Cats and the Magpies put last season behind them. Wallan will go into this one as favourites and Macedon will have their work cut out to stop them.

**Prediction: Wallan to get the jump on Macedon and run away with the four points.**

An interesting fact. When Gisborne Giants were first created and joined the RDFNL as a junior team they first played Lancefield. On that day there were several players that played for Lancefield and Gisborne Giants who will take place in the game as well. The skipper Mangan showed his worth last week kicking three in the Giants loss to Woodend Heskett while for Lancefield O'Halloran has been an impressive pick up in the ruck. O'Halloran will have to be mindful of Quigley at his feet though and there has been no shortage of disposals coming off his hand and boot. This is a great opportunity for both teams to record their first win of the season. Lancefield have been competitive most weeks with just the odd quarter here and there undoing their results. Gisborne Giants have taken some time to settle into their new competition and with a new group of players but will continue to get better and a confidence boosting win may change the course of their season. With such a strong competition both teams will be desperate for the four points here.

**Prediction: Gisborne Giants are still coming together and the more established Lancefield should be able to get the job done with more experience and stronger bodies.**

# RDFNL Senior Mens Previews

*By Grace Bibby*

Riddells premierships defence is humming along nicely. Kyneton looked to be the real deal but the Bombers made short work of them last week. Bryce Williamson has had a good start to the season alongside Callum Williamson, Dylan Tarczon and many more.

The Hawks are back on the winners list after defeating Gisborne Giants with Daniel Toman back to his best as player of the week.

The Hawks have the ability to step up each time they play the Bombers no matter what the ladder positions are at the time.

Riddell will be aware of the track record and how well the two teams match up and wont want to slip up.

**Prediction: Riddell to record another strong win and make it five wins from their five games.**

Melton South are fresh of the bye and this is a big game for both teams.

Melton South consider themselves a finals team in the early stages of the competition but they will need to win games over the likes of Romsey if they are to make that come to fruition.

They do have a big inclusion this weekend that would be in the top tier of RDFNL players.

Marlion Picket former AFL Premiership player will line up alongside former AFL Player Sam Darley

Jack Jedwab is another star of the competition and will need some attention for the Redbacks. Nathan Blair who has taken on the coaching role this season led from the front last weekend.

**Prediction: Romsey to win in a close game that will be well worth watching.**

Both teams will have to bounce back from tough losses last weekend. Melton Centrals were no match for Diggers Rest.

Kyneton suffered their first loss to Riddell. The match up between James Roberts and Caleb Fisher in the middle of the ground will be a good one.

Melton Centrals have a lot more depth this season with a couple of handy recruits while Fisher has shouldered a lot of the workload in the middle for the Tigers.

Harrison Huntley has made the move forward this season and has been able to kick seven goals from his three matches. He will be a big focal point for the Tigers, Each time these two teams meet it is a good contest.

**Prediction: Hard to see Kyneton losing two games in a row. They will be hungry and too strong for Melton Centrals.**

# TACKLE YOUR FEELINGS

## ‘Be a Champ’

- Tackle Your Feelings ambassador Nathan Buckley and social media larrikins the Shepmates have teamed up to create a humorous video celebrating local football club culture and encouraging players and coaches to help support the mental health of their footy mates
- Watch the video
- As part of the campaign, Tackle Your Feelings is looking to celebrate and recognise those local ‘champs’ who go above and beyond when it comes to investing in mental health
- Being referred to as a ‘champ’ is not always cast in a positive way, so Tackle Your Feelings is looking to reclaim the phrase and spin it around to celebrate these people who often don’t get the recognition they deserve with the role they play at their clubs
- We want players, coaches, committee members, support staff and umpires to be a champ and book their club in for a Tackle Your Feelings workshop
- Clubs can register for a workshop at **tyfo.tackleyourfeelings.org.au/login/**.

Adam Baldwin, Program Manager said: “Clubs are beginning to understand their responsibility to create an environment which supports the mental health of their players. We want clubs to prioritise mental health in the same way they currently do physical health. Tackle Your Feelings is a free program that can help clubs kick-start the development of their own mental health game plan.”

**Book a @tyf\_au workshop today.**

## What is Tackle Your Feelings?

- Tackle Your Feelings is a FREE mental health program for community football/netball clubs
- The program was formed by the AFL Coaches Association, AFL Players’ Association and Zurich Insurance in 2018 following the death of Adelaide coach Phil Walsh
- The program is delivered by a local psychologist and aims to help participants gain the tools to Understand, Recognise and Respond to signs of mental ill-health.
- The program is based on the education delivered to the AFL industry and is led by high-profile player and coach ambassadors
- Since 2019, the TYF program has been delivered to more than 10,000 participants in every Australian state and territory and it’s available to your club in 2024
- Quote from TYF ambassador Nathan Buckley: “It’s an awesome program. It’s so succinct and gives you really good strategies... it’s a really good conversation starter.”

## *Club Notes*

This week Gisborne Giants are thanking our sponsors Quest Apartments Echuca, Cycon Civil and Gisborne Garden Supplies for their support. Last weekend we welcomed Woodend-Hesket who gave our A grade netballers their first loss of the season in a tough game. Our senior mens again showed competitiveness but a poor patch in the 2nd quarter was ultimately too much to overcome. The story of the weekend was our reserves side getting their first ever win! Congratulations to new coach Tom Heagney and the team. Other winners on the day include U19.5s football, C grade, D grade and 19 & under netball.

This weekend we look forward to travelling to Lancefield to take on the Tigers.

Save the date for Saturday May 24th as we have our Duck Racing night starting at 7pm!

Now here's some trivia for you as we welcome the Gisborne Giants senior club to Lancefield Park. The Gisborne Giants history making very first game when their junior club was formed was on April 17, 2016 - against none other than Lancefield! The Tiger's claimed the honours by 19 points in the under 12's before the Giants got the prize later in the day in the under 14's by 32 points. Scanning through the kids who played on that day you see countless names who will also be part of the first senior game. It's an incredible effort by the Giants to come so far from that sunny Sunday morning in April 2016 to be a fully fledged senior club. That takes a huge amount of work behind the scenes so to all those who did congratulations on making it into the big league and welcome to Lancefield Park.

A big thanks to Wallan who so generously hosted us last week. The netballers picking up 3 wins to continue their good form, no joy for the men's footballers but some good signs with the Under 19's getting oh so close before being run down while the seniors were right in it up to  $\frac{3}{4}$  time against a quality side before fading out. While the women's footballers had the bye.

Don't forget next week we'll be backing up with another home game against another new club in the competition when Melton South make there way here. Make sure you keep it free, we've got a stack on with the \$5,000 Ball Drop lots of entertainment and the girls are playing at home too so the whole club will be together.

Speaking of which not long now until one of our major fundraisers takes place, the annual Ball Drop! This was a great day last year and in 2025 will be held on May 17 after the Melton South game. Tickets are \$50 and someone is going home with \$5,000. We'll hoist the bag full of balls high up in the air over the ground, release the net and whoever's ball lands closest to the pin will take home the big prize. All players have tickets to sell so they'd love to hear from you! What would you spend \$5,000 on?

Saturday was a lacklustre day for our male football department. Tom Hilderbrand and his U19.5 boys started the day off, narrowly going down in a 52 – 39 loss. Best players included Tate Wilson who kicked 2 goals and Callum Power out of the ruck, also booting a goal. The Reserves match was a shootout, with both sides going goal for goal. Crowd favourite Wombat looked dangerous up forward, with Thomas Hilderbrand also flaunting his skill set. Unfortunately, our mighty Reserves fell just short, going down by 5 points in a nail-biter that went down to the wire. The Seniors, on the other hand, struggled to find their rhythm. We conceded several early goals, creating a margin that proved too difficult to claw back. There were, however, a few highlights. Hamish Govan kicked the first goal of the final term, Brodie Hoyne impressed with his glimmering blonde locks, and Toby Sims, who had the yips against the Gisborne Giants, showed signs of improved form. A silver lining came in the form of fiery Lachie Turner making his senior debut, alongside Will Stewart. Charlie Ozanne played well in just his second senior outing for the club. Our Senior Women continued their hot streak, with a 73 – 12 win. This was headlined by, you will never guess... Ruby Watts and Charlotte Noonan who combined for 9 goals and countless touches.

On the court it was a successful day for us. Abbey and her U19 girls did not get the chocolates, with a 33 – 23 loss. Best on court was awarded to Evie Nolan who was dangerous in attack. Our D grade girls played a tough, solid match. Showing big signs of improvement, lead by Katie Muller. In the C Grade we had a big win, 61 – 39. Nellie Wilson was back to her old ways, dominating in the attacking third. B grade won in a nail biter, going up by 3 goals. Our best player in this one was Brooklyn Anderson who was like a brick wall in defence. Rounding out the day was another large win in the A Grade, headlined by superstar Hetty Donoghue who shot 52 goals. Shout out to Abbey Lambert who made her A Grade debut, well done!

Our attention now turns to Ontime Oval as we turn it pink! This week we celebrate all of the wonderful women in our community and raise funds for Breast Cancer Awareness Australia. If you have not yet – jump online to secure your spot. This will be one you won't want to miss!

After a well-earned break last weekend with the bye, the Panthers are refreshed, recharged, and ready to attack the rest of the season with renewed energy.

The break gave the squad a chance to reset both physically and mentally – and from what we've seen on the track this week, the hunger is well and truly back.

Adding to the excitement, today marks the long-awaited debut of former Richmond premiership player Marlon Pickett in the Panthers colours.

With a wealth of experience, leadership, and natural footy smarts, Marlon's inclusion is a massive boost to the team. We can't wait to see him in action – and we know the Panther faithful will give him a roaring welcome!

But footy isn't the only thing to celebrate today – we're also hosting one of our favourite annual traditions:

Ladies Day Luncheon. It's a special afternoon dedicated to the beautiful, strong, and supportive women in our lives – whether they're players, partners, mums, sisters, friends, or fans.

Tickets are \$30, which includes nibbles, access to a private viewing area, and two free drinks of your choice. It's a fantastic value and an even better atmosphere – so if you haven't got your ticket yet, head over and see Telia or Rhys today to grab yours.

Don't miss out! There's plenty to look forward to as the Panthers continue their hunt for success this season – both on and off the field. From new faces in the lineup to community events that bring us together, our club is building something special.

So whether you're here to watch the footy or netty, enjoy the luncheon, or just soak in the Panther spirit, thank you for being part of the journey.

Let's make today one to remember. Go Panthers!

# RDFNL Senior Womens Previews

*By Grace Bibby*

There has been plenty of hype and anticipation ahead of this one for the Falcons with their first home game of the 2025 season. The club do a great job of organising and making these occasions special for their participants and we have no doubt they will put on a show.

Romsey were competitive against the Cats last weekend and will be hoping they can record their second win.

Zoe Haridman is a player to watch for the Redbacks while Jesse Oylund is a superstar for the Falcons.

**Prediction: Romsey to record another good win.**

Last time these two teams met Riddell were on the back foot and Lancefield dominated.

With Ruby Taranto coming back from an ACL and kicking four goals last week this game will be much closer.

Riddell are really starting to play some good football and Lancefield have had a strong start to the season.

The Bombers will have to keep a close eye on Molly Libardi and Alice Blomley who can each be damaging with the football in hand.

**Prediction: Riddell to win their first game of the season!**

# NETBALL MANAERS REPORT

by General Manager Operations Grace Bibby

IPsychological benefits and mental health – While sports can be fun, its benefits on our psychology and mental health are paramount. Its effects on human psychology have been a widely researched topic. Sports has benefits for all age groups. Let us look at some of these benefits.

·Beats stress, anxiety, and depression – Sports is one of the best ways to distract your mind from everyday stresses. Physical activity stimulates the production of endorphins, which are hormones that are known to relieve stress and pain. Playing can help your mood by diverting your mind away from any thoughts that are bothering you. Indulging regularly in sports can help you deal with anxiety and depression.

·Improves focus and concentration – Many argue that students should avoid sports as it takes up a lot of time and interferes with academics. Contrary to this, sports can make a person sharper by improving their focus and concentration. It helps them to be better learners and great thinkers.

·Self-discipline – Athletes are used to setting goals for themselves and then pushing themselves to become better to achieve those goals. It requires a great deal of self-discipline. It is an important characteristic that helps one become a better individual and achieve great things in life.

Sportsmanship – It is a trait of treating others with fairness and respect. It includes treating your opponents as well with the same level of ethics. Sports teach an athlete to hold ethics and moral values above one's own emotions, even in the face of a challenge or loss. Losing gracefully and winning with humility are traits that sports can teach you.

·Self-confidence and leadership – Playing sports can improve your physical and mental skills over time and boost your confidence and self-esteem tremendously. It will reflect in other aspects of life as well. It also gives you opportunities to face challenges and overcome them. These experiences, along with traits like self-discipline and self-confidence, will imbibe leadership qualities in a person. These are just a couple of great reminders of why we are involved in community sport and why we play netball.

I have been so fortunate to work with so many fantastic people over the last four years and have built some fantastic working relationships. The Netball Coordinators are a tight knit group of people all experiencing the same stress and hard times and by working together we are achieving some fantastic things.

AA Grand final rematch Riddell have been waiting for. In the off season Riddell identified their shooting end as their weakness and went and found Bec Colwell to help their cause. The shooting end will also be the weakness of Woodend Hesket as they lost Abbey Gilmore and Matilda Lethlean over their off season. Which allowed for Rebecca Hicks to make her way to the Hawks. Both teams have started the year well with some strong wins. Riddell are yet to be challenge despite Macedon being within a couple of goals in the third quarter in the opening round. Woodend Hesket easily account for Gisborne Giants who have been strong starters as well. Mady Brown and Sarah Duff will be a good match up in the midcourt while Tayissa Coppinger and Georgia Bowkett will no doubt look to double Colwell and confuse the space for the Riddell feeders. Gerogia Shaddock and Finn McKeagney Stubbs will do the same if Rebecca Hicks is available this week. There is a strong chance these two teams meet late in the finals as they did in 2024 so neither team will want to give an inch come Saturday. **Prediction: Woodend Hesket to win in a close one and become the early premierships favourites.**

If for the first time this season the Cats attacking end really combined well to put Romsey to the sword early in their round four encounter. Hetty Donogan and Chloe Eyre worked well and Hetty took the most of her opportunities finishing with 52 goals. Eyre has most of the assists along side captain Caitlyn Alifraco who was the player of the week. Coach Katie Clarke was the best of the defenders but overall a very good day for the Cats A Grade. For Wallan they are still waiting for their moment where everything clicks. They went down to Lancefield in a close affair. Dakota Lister and Gen Carboon are trying hard to lift the team but they will need a bigger all round performance this week if they are to get the win. Caitlyn Alifraco and Dakota Lister will be a fascinating watch as Caitlyn uses her smarts and Dakota uses her speed. Wallan have a way of winning games when you least expect it and they will be underdogs in this one. **Prediction: Macedon to record another strong win and give themselves a good platform as they head into the middle of the season with their young group of attackers especially.**

Melton South will come into this match up fresh of the bye and after Romsey had a poor showing against the Cats the Panthers will like their chances in this one.

Both teams have had wins and losses this season but neither have been able to break through for a win against a top four team. Melton South have consistently had players out and have been competitive while Romsey are in a rebuild stage and will get better each week.

Boyd will be important if she plays and Coverdale a key player in defence for Melton South.

For Romsey Charlize Bellette has been their best player so far and will be required to continue her good form for the Redback to come away from this one with the four points.

**Prediction: Romsey to get a good win over Melton South and bounce back from last weeks performance.**

This one will no doubt go down to the wire. Both teams have started the season well. Shanae Brundell looks to have cemented her spot in as the deepest goaler for the Tigers pushing Tarnee Hammond out to share the goal attack duties with Darcee Ellard.

Mia Daly is dominating the midcourt while in defence Bella Colladetti and Shaid Sasalu are combining well.

Gisborne Giants are a very attacking team and their strength is the amount of goals they can put on the board but against high pressure defence they have struggled.

This will be a good opportunity for both clubs to really make their mark and let their opposition know they are a serious contender in 2025.

**Prediction: Gisborne Giants to put their first loss behind them and win in a close one.**

Neither team have had a lot of luck this season and their results paint a similar picture. The good news for both teams is in patches they have played well.

Melton Centrals were winning heading into the last quarter last week and were unable to get the job done against Diggers Rest, Avana Hobson and Elisa Butterworth Gonebale are both having strong seasons and it was fantastic to see Bec Morabito back in the A Grade line up last week.

For Kyneton Tilly Shepherd nearly snagged her second player of the week in as many matches. Tilly reads the play so well and is able to get to contests most wouldn't dream of.

While they have Tilly in defence they are a chance in most games.

**Prediction: Melton Centrals to be too strong for Kyneton.**
