ACROSS MY DESK

by Football Operations Manager Cameron Pope

As I complete my first six weeks with the RDFNL, I would like to extend my sincere thanks to everyone for the warm welcomes

and for helping me settle into the role. It's been a fantastic start to the season, with the junior competition now well

underway. Over the past two weeks, we've seen teams begin to find their rhythm. We are closely monitoring these divisions and results to ensure the highest level of competitiveness across the league.

Game Day Operations – Junior Competition In the early rounds, we encountered a few situations where clubs were unsure about specific game day procedures—particularly regarding football sizes, volunteer responsibilities, and quarter lengths. I encourage all clubs to refer to the RDFNL Operations Manual available on our website, which outlines the rules and requirements for each age group and gender. Should any clarification be needed, please don't hesitate to contact me directly.

Match Reports While this is a simple process, I would like to reinforce the importance of correctly completing match reports. These documents are a vital part of our competition's administration. While I genuinely appreciate the time and dedication of all team managers, we've had several instances where incorrect team names have been recorded and signed off.

Please take a moment to double-check the accuracy of match reports before submission.

Additionally, it is essential that match reports are signed by the appropriate team managers promptly after each game. Nonetheless, consistent accuracy and timeliness help us avoid issues down the line. This is not meant as a criticism, but rather a reminder and appreciation for the important role you all play.

PlayHQ Scoring – Quarter-by-Quarter Entries Another simple but important point: when entering scores into PlayHQ, please ensure that if a team does not score in a particular quarter, a '0' is entered rather than leaving the field blank. Empty fields affect the appearance of the match summary and can create confusion. This is something I regularly monitor post-round, and I'm happy to correct any oversights when needed. That said, entering this information accurately from the outset will enhance the professionalism and consistency of our reporting.

Thank you to all clubs and volunteers for a fantastic opening five rounds. I look forward to seeing how teams continue to grow and develop as we approach the halfway mark of the season.

RDFNL Senior Mens Previews

By Grace Bibby

These two teams just turn it on when they play against each other and we are excited for this contest.

Diggers Rest are fresh off the bye so will be raring to go and will have a point to prove after their mishap against the Bombers last year. The Bombers were poor in front of goals last week giving Woodend Hesket a sniff early in the contest but their class shone through late and they ran away comfortable winners. Dean Galea bagged another three goals. It helps when your team is playing well and the delivery is good but Dean has been in the goals each week and has consistently kicked four or five goals.

Tommy Alkemade was the Bombers best player and will be important again this weekend. Diggers Rest best footy will certainly push the Bombers but they need to be disciplined. Some of the key players across the ground will be the likes of Shaun Campbell leading from the front with Jaidyn Caruana and the Andersons while for Riddell Dylan Tarczon is having a fantastic season as is Alkemade who we have previously mentioned, and Callum Williamson.

Both teams look set to play finals in 2025 as they have done for the last few years and we hope both teams can turn it on this weekend.

Prediction: Riddell look to be the best team in it this season and havent given anyone any reason to doubt them yet..

As they say in this sport poor kicking is poor football and we saw both end of that last weekend.

Kyneton kicked truly more often than not and put a huge score on the board while Macedon had more scoring shots than Wallan but lost the game by 13 points.

The conversion in front of goal is slowly becoming an issue and may have cost them not one but two games early in this season remembering the draw against Diggers Rest just a few weeks ago.

Coach Ethan Foreman kicked a couple on the weekend and AHaydn Smith continues to shine in the yellow and balck but Michael Hibberd will be the name on everyones lips this weekend.

Hibberd through his work formed a connection with the coach and will don the Kyneton jumper this weekend.

Jason Cooke made a strong return from a half injury for the Cats and was the dominant forward for the day finishing with five.

Hamish Govan who previously played for Kyneton has also been in good touch for Macedon.

It is no secret that these two teams enjoy the rivalry they have created and we hope this one will go down to the wire.

Prediction: Macedons best would be good enough but with the inclusion of Hibberd and their current form it is too hard to tip against Kyneton.

RDFNL Senior Mens Previews

By Grace Bibby

Both the Tigers and the Panthers will be licking their wounds this weekend as they let winnable games go begging in round five.

The Lancefield group will need to pull their socks up and find some positives as a win for this group is a must in this long season.

For Melton South they really fought to the end against the Redbacks, but it wasn't to be.

Marlion Picket kicked a few goals in his first game but it was Sam Darley who put the team on his back and said come with me, as he recorded a second player of the week honour.

Zac O'Halloran got plenty of the ball and sent it Lancefield's way but so far this season he is playing a lone hand and he needs more support.

Prediction: Melton South to record a good win over Lancefield and continue a strong start in the RDFNL.

Woodend Heskett will be encouraged by their start against the Bombers where they really took it to the reigning premier early but it wasn't to be. For Romsey they held on in a close one to take the four points over Melton South. It was a fiery contest that the Redbacks won with Jack Jedwab once again the stand out alongside coach Nathan Blair.

Woodend Heskett coach Alistair Rae moved himself into the forward line and was able to kick a couple last week so it will be interesting to see if he starts there this time around.

The Hawks will need more avenue to goal if they are to compete with a very attacking Romsey side who barely missed the middle of the big sticks last week.

Prediction: Romsey to get the four points in comfortable fashion.

After celebrating the history making first win of the season the Gisborne Giants will be full of confidence and take a nothing to lose attitude into their match up with Wallan.

Mangan stood up booting five majors.

There will be a few young Giants who would have loved to have played against Jake Carlisle but unfortunately he will miss the next two weeks through suspension.

Chris Stewart was struggling in the ruck against Macedon and moved forward to kick 6 majors alongside Perri who kicked three. Stevie Boyal also got plenty of the football.

There will be plenty of players who need attention when the Giants come up against Wallan and their and the Magpies love putting a big score on the board.

Prediction: Wallan to get a strong win with the bigger bodies and experience to test the depth of Giants.

TACKLE YOUR FEELINGS

‘Be a Champ’

- Tackle Your Feelings ambassador Nathan Buckley and social media larrikins the Shepmates have teamed up to create a humorous video celebrating local football club culture and encouraging players and coaches to help support the mental health of their footy mates
- Watch the video
- As part of the campaign, Tackle Your Feelings is looking to celebrate and recognise those local ‘champs’ who go above and beyond when it comes to investing in mental health
- Being referred to as a ‘champ’ is not always cast in a positive way, so Tackle Your Feelings is looking to reclaim the phrase and spin it around to celebrate these people who often don’t get the recognition they deserve with the role they play at their clubs
- We want players, coaches, committee members, support staff and umpires to be a champ and book their club in for a Tackle Your Feelings workshop
- Clubs can register for a workshop at **tyfo.tackleyourfeelings.org.au/login/**.

Adam Baldwin, Program Manager said: “Clubs are beginning to understand their responsibility to create an environment which supports the mental health of their players. We want clubs to prioritise mental health in the same way they currently do physical health. Tackle Your Feelings is a free program that can help clubs kick-start the development of their own mental health game plan.”

Book a @tyf_au workshop today.

What is Tackle Your Feelings?

- Tackle Your Feelings is a FREE mental health program for community football/netball clubs
- The program was formed by the AFL Coaches Association, AFL Players’ Association and Zurich Insurance in 2018 following the death of Adelaide coach Phil Walsh
- The program is delivered by a local psychologist and aims to help participants gain the tools to Understand, Recognise and Respond to signs of mental ill-health.
- The program is based on the education delivered to the AFL industry and is led by high-profile player and coach ambassadors
- Since 2019, the TYF program has been delivered to more than 10,000 participants in every Australian state and territory and it’s available to your club in 2024
- Quote from TYF ambassador Nathan Buckley: “It’s an awesome program. It’s so succinct and gives you really good strategies... it’s a really good conversation starter.”

GISBORNE GIANTS

Club Notes

Wow what a weekend it was last weekend with our seniors getting their first win in history! Thank you to everyone who has contributed either big or small to the formation of this club, with the senior win a culmination of 10 years worth of work. Well done to the Reserves and Under 19.5's footballers for also getting the wins. Thank you to Lancefield for hosting us and we look forward to welcoming the Tigers later in the season.

Over on the netball court the Giants won 3/5, with the Tigers getting the wins in A & B grade and the Giants winning 19s, D and C grade. Thank you to the RDFNL for recognising our Senior President Anton Bant for his tireless efforts. Anton has been vital in firstly developing and then progressing the 19.5's program to ultimately become a senior, reserves and 19.5's football program. It is well deserved recognition as the club wouldn't be a senior club today if it weren't for Anton. This weekend we welcome Wallan FNC to Macedon Ranges Sports Precinct.

LANCEFIELD

Club Notes

Today it's another home game against another new club in the competition when Melton South make their way to Lancefield for the first time. We might have to re-name today the 'Hodgson Cup' with A grade netball centre Chloe Hodgson's Lancefield Tigers taking on dad, and senior football coach, Travis Hodgson's Melton South Panthers. Five netball matches and four football contests today, with the women's footy side hosting Mt Alexander, means everyone will get more than their fix of local sport.

This Saturday sees one of our major fundraisers for the year, the annual Ball Drop! This was a great day last year and we are looking forward to this year's one being just as good. Tickets are \$50 and someone is going home with \$5,000. We've got ball's on sale at the bar today so don't miss your chance. If you don't win it someone else will. We'll hoist the net full of balls high up in the air over the ground straight after the seniors match and just before the women's match starts. We'll pull the cord on the net and whoever's ball lands closest to the pin will take home the big prize. All players have tickets to sell so they'd love to hear from you! What would you spend \$5,000 on?

MACEDON *Club Notes*

t was a weekend of highs and lows for the Macedon Cats. Our Under 19.5s set the tone early with a dominant win over Wallan. Young gun Brodie Clarke was electric, tearing through the defence, while Fintan Light wasn't far behind with a standout performance of his own. Our Reserves, despite fielding a strong side, couldn't get the job done. Jarrod Bulluss was a clear standout, dancing around the Magpies. New recruit Milky "the Milkman" is putting together a memorable debut season with the cats, whilst Jake Curll showed plenty of grit and determination. Ryan Fischer worked hard, trying to channel his Collingwood heroes, but couldn't quite reach their heights. In the Seniors, it was an old-fashioned shootout. We looked in control for much of the match but couldn't capitalise on the scoreboard. Jason Cooke returned to form with five goals, even with calves as fragile as papier-Mache. Hamish Govan slotted a crucial goal late to narrow the gap, but the Magpies held strong and came away with the win.

It was a monumental day on the netball court, with our D Grade girls kicking the day off with their first ever win, going up 28 – 20. Lucy Douba started our ladies day off with a bang, shooting 17 goals in the win. In the C Grade we unfurled the flag from last year, celebrated 100 matches for Sarah Wright and Nellie Wilson, then continued with a strong win to lock in 2nd place on the ladder. The B Grade won in a nail biter, with a final score of 34 – 33. Brooklyn Anderson is putting together some sort of year, scoring best on court again with a large 14 intercepts in the game. Another strong win for our A Grade girls. Recruit Chloe Eyre had her best match yet, shooting 28 goals. A huge shout out to Shiloh Milton and Ashlee Blake who made their debut in the A Grade side this week too! Unfortunately, our U19 girls could not find their first win of the season, going down 17 – 45. Audrey MacDonald was out best player in that match.

Now we look forward to the trip over to Kyneton where we will take on the Tigers. Our senior women will return in a match against Melton, they are hoping to continue their dominant run!

MELTON BLOODS

Club Notes

The Bloods had a well deserved week off with a bye this past round after a very physical game against Riddell in round 4.

The bloods came out firing in the 1st quarter and stacked on 4 goals to get the game going. Co-Captain Jordyn Syme kicking 2 goals to get her team fired up for what was to be a very close game. It was a perfect day for footy at Maccy Park, wind free and the sun was shining as the Bloods went on to lead by 8 points heading into the last quarter. With only 10 minutes to go, Riddell Fired back and hit the score board. The Bloods were able to hold on, winning by just 1 point in a nail-biting afternoon of footy. The Bloods were not going to take anything but a win for Co-Captain Danni Rocznik's 100th game.

Danni had a fantastic game as always and kicked a beautiful left foot snap goal to go with it.

Our best players named were Pauline Hutchins, Jordyn Syme, Jessica Dowdy, Danielle Rocznik, Talia Bozinovski & Lina Farrugia. Jordyn & Jess both kicked 2 goals each.

This week we host Macedon and look forward to taking on the cats again. Although we only played them a few weeks ago, we are excited for another match and are sure it will be challenging game against the top team. We hope we can give them a run for their money, knowing we are the team in the league coming closest to them.

We are so lucky to be celebrating another milestone this week with our girl Jodie Willis! A Bloods veteran who has played ever since the team was formed many years ago. Jodie is well known as someone that fills whatever role the team needs no matter how hard it may be. She has those strong run-down tackles and is always up for the fight. Jodie is beloved by her team, always with a smile on her face and a cheeky laugh. Jodie has been a great

mentor over the years to all new girls joining the team, is a highly valued player and member of the club. We wish her well for her 50th game and we know she will do amazing as always.

Congrats on 50 games Jodes

WALLAN

Club Notes

The Wallan Football Netball Club sends our love, thoughts and condolences to the Broben and Gilchrist families with the passing of Peter Broben.

Peter's many years of contribution to our club are something we are thankful for and will not be forgotten. He took on roles including Treasurer, Committee Member, Football stats, working on the gate, or wherever he was needed. Peter also played a huge role in setting up our netball department and teams, also taking on the roles of Coach, Assistant Coach, and doing the stats for the netball teams.

Peter was a kind and generous man who loved watching his daughter, Kirrily play netball, Scott play and coach football and both grandsons, Brodie and Riley play for Wallan.

Peter played a huge role in making our club great. He will be greatly missed.

OPTIONS FOR KIDS**

**VIC KIDS
EAT WELL**

Join the
movement

It's lunch time and our partners Macedon Ranges Health have a program they want to share with us all. Vic Kids Eat Well is an exciting new state-wide movement to boost healthy eating in Victoria so kids can thrive. It's working with schools, sports clubs and other community organisations to:

-  Refresh the fridge
-  Switch up the snacks
-  Change up the menu
-  Put the 'fun' into fundraising and marketing

What snacks are you eating today?

Learn how you can join the movement here:

RDFNL Senior Womens Previews

By Grace Bibby

It wasn't that long ago that these teams met and despite putting some early pressure on the reigning premiers ran away with a comfortable win.

The Bloods will be hoping to be more competitive on their home deck and will be raring to go following the bye.

Macedon also had the bye and won't want to come out sluggish.

There are winners all over the ground and Brianna Woodburn the skipper of the Cats will no doubt get plenty of the football and her opposition Bloods captain Jordyn Syme has also been in good form.

Prediction: Macedon to keep their winning streak alive.

Lancefield have had a strong start to the season but they would have been disappointed to go down to Riddell last week after defeating them earlier this season.

For Mount Alexander they had a good win over Romsey with the inclusion of Tash Ross Harris setting them up nicely.

Ross Harris was the player of the week for round 5. Someone else who is familiar with a player of the week is Chloe Hodgson and we heard a rumour during the week she might be returning to the football field.

If those two are playing this will be a fine spectacle of two hard skillful players going head to head.

Prediction: Lancefield to win.

NETBALL MANAERS REPORT

by General Manager Operations Grace Bibby

What can we do to help our players ensure they're switched on and ready to put strong netball out on court in the opening minutes of a game?

Here are a few simple ideas worth considering.

BUILD THROUGH THE WARM-UP

This is arguably the most common contributing factor in teams that consistently start games slowly – they're simply not ready to go, and it all stems from the pre-game warm-up.

Does your team spend the first 10 minutes of warm-up chatting, doing their exercises at half-pace and stretching poorly, followed by more chatting while they warm up their passing, and then eventually lifting their heart rate a little when they move into a team drill?

If players have barely broken a sweat in warm-up, how do we then expect them to step out on court and instantly go from 0 to 100?

Try thinking of your warm-up as an extension of the game – the first of five quarters. Build the intensity through the warm-up, aiming to hit close to match intensity (both physically and in voice) in the last five minutes before the players step on court.

Encourage your players to get to the courts five minutes earlier and get their chatting out of the way before warm-up starts. Once you're in warm-up mode, try to ensure that any chat is game-specific.

As the coach responsible for a group of young players, it's up to you to set the tone.

MIX IT UP

While there's certainly value in having a

set, structured team warm-up, changing up a drill or two every so often is a good way to ensure players aren't just going through the motions every week.

HAVE A SET PLAY

Ever had a team you have coached who had a habit of always conceding 3-4 goals before they'd finally wake up and put one on the board.

Find a set play your team can execute consistently and effectively.

ENCOURAGE YOUR PLAYERS TO THINK

Often there's a good chance your players will know some of their opposition, and particularly later in the season once you've already played most teams.

Before the game, ask your players to tell you something about the other team or an opponent they might be playing on – a strength they'll need to combat or a weakness they can look to exploit.

For some players, it will be enough to help put their brain in game mode, and get them firing early.

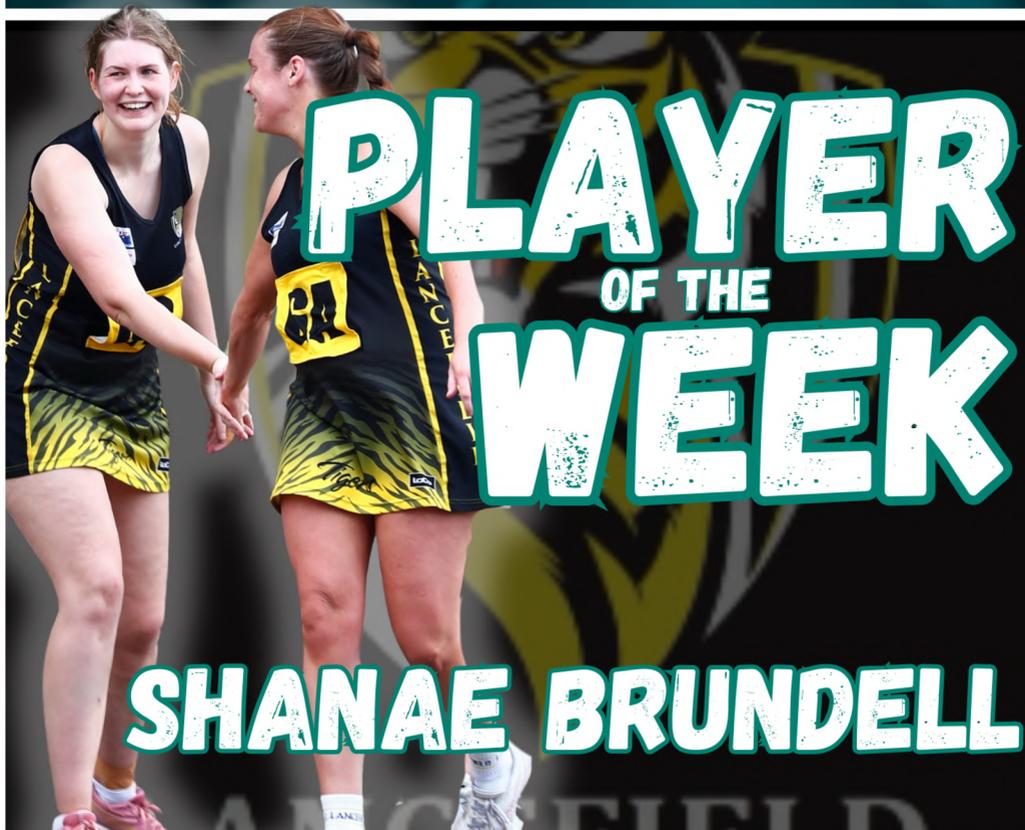

PRACTICE THOSE GOOD STARTS

While it can be hard to replicate your match night at training, finishing a session with some matchplay scenarios that replicate the start of a game is a concept worth trying.

Pick four attackers in positions, and tell them they have five centre passes in which to score 3-4 goals (depending on their age and ability).

After five centre passes, change the combination and start again.

This is definitely one for the coaches and we hope you have found it useful.

RDFNL Netball Previews

By Grace Bibby

After a strong start to the season the Giants have lost their last two games and will be looking forward to another opportunity to get back on the winners list.

Vitalone was amongst the best players against Lancefield but they just didn't have the same opportunity in the goaling end as they have had in previous weeks.

For Wallan it was a sad and sorry day for the club as they had two bad injuries to two of their brightest stars.

Dakota Lister who has really dominated since she stepped out as an A grade player suffered a serious knee injury while Jordan Fonua has a fractured leg.

We wish both players the best of luck as they work through their rehabilitation and we hope to see them back on court for Wallan as soon as possible. We are also sending Jenni strength as she has lost two umpires.

Wallan have been missing their spark to start this season but they still have plenty of talent on court and we hope they can pull it together and get a win on the board in the not too distant future.

If Giants can win the midcourt battle and give their goalies plenty of opportunity they will be hard to stop in this one.

Prediction: Gisborne Giants to keep Wallan winless, as they take the four points.

After a slow start to the season Kyneton really fought gallantly against the bigger bodies of Melton Centrals.

Tilly Shepherd was once again fantastic this time in goal defence where she could use her reading of the play to her advantage and cut off the supply into the goal ring.

Laura Girvan enjoyed her warm up as the umpire in the earlier game and then excelled in goal keeper.

We knew it would take some time for Kyneton to get their cohesion together and they could consider themselves unlucky not to have won last week.

Macedon on the other hand were in total control against Wallan.

Chloe Eyre has really found her straps and is combining beautifully with Molly McGrath.

Like Kyneton they made some big changes in the off season so they were always going to improve as the season went on.

Janelle Birch while not exactly young she was also going to take some time finding her feet.

Kyneton are more than capable but they will need to be at their best.

Prediction: Macedon to record another strong win and continue the tough start for their cross town rivals.

RDFNL Netball Previews

By Grace Bibby

Lancefield have all the answers early in the RDFNL A grade competition. Despite getting some injuries a long the way the Tigers have found a way to keep winning against tough opposition. Shanae Brundell played her best game in the win over Giants to record a player of the week honour.

Mia Daly is also doing plenty of work to make sure the delivery into the goal ring is perfect. Melton South seem to be making plenty of changes and are struggling to find a combination that works at either end of the court.

The RDFNL standard has improved a lot over the years and they might have underestimated how hard the A Grade comp would be.

Prediction: Lancefield to record another good win over gallant opposition.

Diggers Rest have had an up and down start to the season. Their result at times show improvement and then other results you wonder what went wrong. This will be a good test for the new look Burras who have picked up some recruits to compliment the likes of

Sacco and Hristovska who are still playing fantastic netball.

For Riddell they did a super job to curb the influence of Bec Hicks last weekend and while it was a loss they will take plenty of positives from it.

Ella Shannon played her best game for the club in a position Ruby Shannon has made her own over the years, centre, Shannon and Mady Brown compliment each other well and will be a force in the midcourt.

Prediction: Riddell to be too good and strong for the up and coming Burras.

It is getting harder and harder to see anyone defeating our reigning back to back to back premiers in Woodend Hesket. They have done a fabulous job or recruiting and retaining and now there are no weaknesses in their game. Riddell did a good job of shutting down the scoring but the Hawks found a way.

Romsey recorded another strong win with Charlie Bellette and Emma Grech really starting to combine well in attack. Laura Neo and Amelia Cini who was playing against her old club both played well in the mid court and defence.

While Romsey have had a good start to the season a win here would be unlikely.

Prediction: Woodend Hesket to record another big win.
