ACROSS MY DESK by Football Operations Manager Tanae Bannan

Congratulations to all clubs on a great last round last week. We look forward to the finals series beginning this weekend and well done to all clubs on a successful 2024 home and away season.

Junior Grand Finals

Thank you to Melton JFNC for hosting last weekends Junior Grand Finals at MacPherson Park. It was a great day with 12 games of football and 11 games of netball with over 6,000 spectators in attendance. There were some terrific contests on both the footy field and netball court.

Senior Women's Grand Final

Thank you to Woodend-Hesket for hosting last Saturday nights women's grand final. It was a great game under lights. Congratulations to Macedon Football Netball Club on taking home the grand final win by 1 point.

FINALS WEEK 1 RDFNL PREVIEWS

with Grace Bibby

Qualifying Final

These two teams have had some cracking battles over the journey and they have happened on this ground. They have split the results during the year and they will both be out to prove themselves on the big stages. Diggers Rest come into this one in terrible form while Wallan have been playing well against lower placed competition. It is going to be a great spectacle to see who comes out on top in this one.

Wallan vs Diggers Rest

From the Coaches

Wallan: Finals footy has arrived and the players are looking forward to the occasion. We have had some epic battles with Diggers Rest over the journey, especially in finals. They have big game players and it should be a terrific contest. We finish the home and away season second on the ladder and have internal belief in our playing group. The group finished the season off well, with a strong performance against Kyneton. Byrne, Port, Brodie and Riley Gilchrist, Jake Carlisle all contributed to the victory. We should get Hayden Gill back from Carlton duties this week. Our 19's and Reserves also play in the finals on Saturday, which is an amazing achievement for the club, to have all three teams finishing top 3 plus netball.

Diggers Rest: Last week was disgusting. We weren't on the same page we weren't playing for each other. We just need to wipe that one clear

from the memory bank. It was ugly and we know as a group we are so much better than what we delivered. We were on top in most of the stats but that doesn't count for much when you lose the game. We need to worry about what works best for us forget about anything externally. If we can just get out there and play football we will be okay. We are our own worst enemy and if we keep going the way we are we will be an easy beat. We know our best football is good enough and we take confidence from defeating every team in the competition this season. We get some good footballers back in this week who have year of finals experience under their belt and their on field leadership will be crucial to our success.

Players to watch

Wallan: Steve Boyall is a dangerous player and he has not yet played against Diggers Rest since returning from injury. He is a live wire you have to watch.

Diggers Rest: On the back of his coaching appointment Shaun Campbell will be looking to rejoin the team and have an impact during the finals series.

Prediction: Wallan to win in a close one as Digger Rest continue their form slump.

FINALS WEEK 1 RDFNL PREVIEWS

with Grace Bibby

Elimination Final

Romsey vs Macedon

It is not every day you play the same team twice in as many weeks but that is the case for Romsey and Macedon this week after they met in round 18 last weekend. The game was goal for goal and the two teams cracked in and it was Romsey who took the bragging rights into the first week of finals.

From the Coaches

Romsey: It has been a big week of highs and lows but we are ready to get into this weekend and see what we can achieve as a group. We wanted to win on the weekend against Macedon and it was pleasing we were able to. It wasn't by any means a pretty win, it was pretty wet and gritty but we played four quarters and got the result we were after. This weekend is a different ball game though both teams will have a little bit left up their sleeve and I think both teams will make changes. We played some players in unusual positions to see what worked and we were really happy with how it played out. We have a lot of players that were in this position last season playing finals with minimal experience and I think we are a lot better placed. But as I say every week we just want to give it our all and enjoy the occasions. Finals don't come around all the time.

Macedon: I think both teams really cracked in and the result it could have gone either way. It was goal for goal and they got lucky with a late

score. Those games you want to win but you are not too disappointed when you don't because you know it is only a bit of luck here and there. They scored a late one and we ran out of time. They have some really good players in their team and it would be fantastic to see the leagues leader like Jack Jedwab up and firing in front of a big crowd but we have to believe our best form can still produce a scalp this season. We had a good look at them and think we have more in the tank. We have three players who are a good chance to come back in and while it is hard to tell players they miss out it is a fantastic position to be in. We have plenty of teams in finals and it is an exciting time on the back of two junior grand final wins on Sunday and a massive shout out to our senior women who played an exciting game and won on Saturday night. Finals always brings a great atmosphere and we are lucky to be able to be involved.

Players to watch

Romsey: Darcy Lockens floated to a win in the last round of the season and looked to be playing with a lot of joy and freedom.

Macedon: Hamish Govan has won plenty of clearances on the inside for Macedon this season.

Prediction: Macedon to cause an upset and progress to another week of finals.

TACKLE YOUR FEELINGS

'Be a Champ'

- Tackle Your Feelings ambassador Nathan Buckley and social media larrikins the Shepmates have teamed up to create a humorous video celebrating local football club culture and encouraging players and coaches to help support the mental health of their footy mates
- Watch the video
- As part of the campaign, Tackle Your Feelings is looking to celebrate and recognise those local 'champs' who go above and beyond when it comes to investing in mental health
- Being referred to as a 'champ' is not always cast in a positive way, so Tackle Your Feelings is looking to reclaim the phrase and spin it around to celebrate these people who often don't get the recognition they deserve with the role they play at their clubs
- We want players, coaches, committee members, support staff and umpires to be a champ and book their club in for a Tackle Your Feelings workshop
- Clubs can register for a workshop at **tyfo.tackleyourfeelings.org.au/login/**.

Adam Baldwin, Program Manager said: "Clubs are beginning to understand their responsibility to create an environment which supports the mental health of their players. We want clubs to prioritise mental health in the same way they currently do physical health. Tackle Your Feelings is a free program that can help clubs kick-start the development of their own mental health game plan."

Book a @tyf_au workshop today.

What is Tackle Your Feelings?

- Tackle Your Feelings is a FREE mental health program for community football/netball clubs
- The program was formed by the AFL Coaches Association, AFL Players' Association and Zurich Insurance in 2018 following the death of Adelaide coach Phil Walsh
- The program is delivered by a local psychologist and aims to help participants gain the tools to Understand, Recognise and Respond to signs of mental ill-health.
- The program is based on the education delivered to the AFL industry and is led by high-profile player and coach ambassadors
- Since 2019, the TYF program has been delivered to more than 10,000 participants in every Australian state and territory and it's available to your club in 2024
- Quote from TYF ambassador Nathan Buckley: "It's an awesome program. It's so succinct and gives you really good strategies... It's a really good conversation starter."

WALLAN FOOTBALL NETBALL CLUB

Club Notes

Another massive weekend of football and netball with some challenging weather conditions at Kyneton saw the end of the home and away season.

The D Grade netballers started the day in pouring rain playing the Gisborne Gaints. The rain continued on and off for most of the day but that didn't deter the netballers. It was a great day for all teams playing with great spirit, enthusiasm and team work. The D, C and B grade teams season have now come to an end. Thank you to the excellent coaches and the wonderful job the coaches have done with each team, Lucas Bennett-Hullin for the D Grade team, Amanda Caitlin and Genevieve Carboon for the C Grade team and Kirrily Gilchrist for the B Grade team. Your efforts are greatly appreciated. Thank you to everyone who has assisted and supported the netball teams throughout the season.

The 19 & Under and A Grade netballers are off to the finals, with A Grade securing second place on the ladder and the 19 & Under secured top place. A Grade along with the Seniors, Reserves and Under 19.5 footballers will all play at Romsey on Saturday while the 19 & Under netballers will enjoy a week off.

Thank you very much everyone who helped out throughout the day, especially all of those out in the weather. An enormous day for Stevie Bell as assistant coach and runner for the Under 19.5s, then water carrier for the Reserves and runner for the Seniors.

Big thank you to our trainers, another great job, especially when one of the Kyneton players suffered a horrible injury. We wish the player well and hope he is up and about very soon.

To end the day we joined the Kyneton FNC as they drew their major raffle winners. Thank you to everyone who brought a ticket, much appreciated by the Kyneton FNC.

On Sunday after a whole season of preparation six of the Wallan Junior Football Club teams played in Grand Finals, an amazing achievement. Two of the teams came away with a premiership, the Under 12s and 14s while the Under 11, 13, 15 & 16 did themselves and the club proud as runners up. Congratulations to each and everyone of you, well done!

Good luck to everyone competing in the finals, all players, umpires, coaches, officials, volunteers and supporters. Please cheer loud and proud but remember respect matters.

Go Wallan

THE RIDDELL RUB:

Welcome to the first week of the 2024 finals series. We have 5 teams competing today so good luck to everyone! Last Saturday concluded a very successful H&A season. We have 7 of 8 teams featuring in finals. It's a credit to all the hard work done around the club by the coaches, players and committee. In netball the girls are well placed to dominate September with all teams making finals. A grade finished 3rd, B grade finished 1st, C grade 2nd, D grade 2nd & U19's finished 2nd. In football our Seniors finished 3 games clear on top of the ladder. As with B grade, they have earned the week off and will play either Diggers or Wallan in the 2nd semi final next week. The Reserves finished 2nd and will take on Wallan today in the qualifying final! Go Bombers!!

The U19.5's got rolled by Lancefield last week by 2 points. They finished 7th in a disappointing season which was largely affected by injuries to key players. Hopefully we can bounce back quickly next season.

A massive thank you to all our sponsors and members for their support throughout season 2024. We look forward to seeing a large amount of Bomber supporters at our finals. Finally, a huge congratulations to the RCJFNC U17 footy

& U11 netballers for winning their grand finals last Sunday! The future is bright at Bomberland!!

LET'S BRING OUT OUR BLACK & RED FOR THE NEXT 4 WEEKS & WEAR IT WITH PRIDE!!

ROMSEY DENTAL NETBALL REPORT

by RDFNL Netball Manager Grace Bibby

What an exciting 10 days it has been in the Netball world. From last Wednesday night celebrating the future of our competition with the Junior Presentation Night where several individuals were recognized for their outstanding seasons, to Junior Grand Finals last weekend and now Senior Finals today. There is a hell of a lot of work that goes into organizing these types of events and it wouldn't be possible without the help of our volunteers, club coordinators, umpires and our very dedicated netball director Krissy Clements.

While every season will have its ups and downs, I honestly believe this has been our best season yet.

In the junior finals we had all clubs represented during grand finals across the two sports.

On grand final day our 11 premierships were shared across seven clubs which is so exciting to see.

I think we can all agree now although only in its second season the grading of our junior competition has definitely improved the evenness across the board.

We are excited to see it continue to improve results and limit the big margins as we all know losing by a big margin can be detrimental to the participation numbers.

It was also awesome to see young men once again participating in Sunday's finals.

We hope next year the RDFNL can take another step in their inclusivity by introducing a full boys competition in some capacity to ensure that the boys in our competition have somewhere to continue playing once they age out of the mixed competitions.

Hopefully this can encourage more young men to be involved in our sport.

A massive congratulations to the RDFNL Junior Netball Premiership Teams and the best on court recipients:

From a senior perspective we will have eight

out of the nine clubs playing finals over the next four weeks.

We are looking forward to hosting finals at Romsey today and Diggers Rest tomorrow. Like the junior competition the senior competition has never been more even and any of the top five teams could win the premiership on their day.

Last season we saw three consecutive over time games in the A Grade competition and we hope this season is just as close and exciting.

We want to thank for the players whose season have come to an end for their contribution to the season and we look forward to seeing you continue to support your club mates over the coming weeks.

A huge thankyou to all the coordinators that make this possible and also to our new netball major sponsor Romsey Dental.

We hope all teams play hard and enjoy the next four weeks and we look forward to seeing not four, but five fantastic games of netball each day of the final's series.

Our D Grade competition is still in its infancy but will add another game to the schedule and will see another 20 odd players get to experience a grand final who otherwise might have missed out.

That is something as the league netball manager I am really proud of.

Seeing more people on court enjoying the game we all love.

While finals are intense, we do expect everyone to be respectful of the umpires and opposition.

It is a big occasion and despite what it may look like or how you feel about the situation everyone is trying their best.

Good luck to all those teams competing.

ROMSEY DENTAL NETBALL PREVIEW

by RDFNL Netball Manager Grace Bibby

Tipping a winner this season has been almost impossible with so many ups and downs. Kyneton defeating Woodend Hesket early and Diggers Rest took four points from Riddell and Lancefield and Romsey have challenged and won games from no where. It has been a fantastic season of even high-quality netball.

Qualifying Final

Wallan vs Riddell

Wallan: Wallan had a really strong win over Kyneton to finish the regular season and in the last quarter they experimented and reminded everyone why we do what we do. To have fun! Lucas Bennett Hullin and his players jumped out of the gates this season and were dominant in the early rounds knocking off teams that in other years they might have lost to. They won fewer games in the second half of the season but the job was done and very early in the season the second chance and top three finished looked theirs. This time last year the Magpies suffered an agonizingly close loss at the hands of Romsey but they will be better for the year of experience. Wallan have a well balanced teams and if they are on they will be hard to beat.

Riddell: Riddell had some heartbreak of their own last season losing in the grand final in another close contest. There is only a handful of their players who were in the team to experience that and they will be driving the hunger of the new players in the group. Riddell's form has also been up and down and on the weekend they were challenged early by Lancefield. The old familiar faces and the new faces of the club don't always seem to be on the same page but like any team in the race for finals when they pull it together it is very impressive.

Players to watch

Wallan: Gen Carboon was this weeks player of the week for her work through the middle for Wallan. She feeds well and is always an option if required.

Riddell: You would be hard placed to find a more determined player than Madi Brown and we expect big things from her this final series.

Prediction: Riddell to win and Wallan to have to cash in their second chance.

Elimination Final

Macedon vs Melton Centrals

Macedon: Macedon have been missing a couple of players in recent weeks but if they can go into this one at full strength, they will have plenty of confidence. Despite losing a couple of weeks ago they were still competitive and they were without a couple of their stars including their coach. Caitlyn Alifracco looks likely that she will play after a couple of quiet weeks. They have plenty of finals experience and last year no one gave them a chance based on their form throughout the year and they very nearly pinched a grand final spot. They are a new team and they don't have the same level of experience across the court but they have leaders in every third who know how to get the best out of their teammates.

Melton Centrals: Melton Centrals have been the quiet achievers of this season but they have come home like a freight train with some big wins when they needed it. They have a young fearless group who play an exciting brand of netball and when it works it looks fantastic. We are excited to see how the young group handle the finals experience and atmosphere but we have no doubt they will put up an almighty fight. After defeating Macedon two weeks ago they will be confident they can do it again and progress through to next week.

Players to watch

Macedon: Katie Clarke is a star of the competition she gives her all and leads by example. This might be her last A grade finals campaign so we expect her to be the workhorse and others will follow.

Melton Centrals: Avan Hobson is so relaxed and calm under pressure. Finals will not change the way the game is played down the defensive end for Melton Centrals.

Prediction: Melton Centrals to cause and upset and keep their season alive.

Club Notes

Gisborne Giants Celebrate Junior Success and Look Ahead to Senior Finals

As the Gisborne Giants' junior season draws to a close, congratulations are in order for the impressive achievements of our under 11 Silver football team, under 11 Orange netball team, and under 13 Silver netball team, all of whom secured premierships. Their hard work, dedication, and team spirit all contributed to their success on and off the field and court, bringing glory to the Giants' name.

With the junior triumphs behind us, our focus now shifts to the senior sides, where the under 19.5 football team and D grade netball team have clinched the minor premierships over the weekend. The Giants senior teams have shown remarkable consistency and determination throughout the season, setting high standards in their relentless pursuit of success.

As we send our best wishes to both senior teams embarking on their respective finals campaigns, the Gisborne Giants family are looking forward to more thrilling performances and victories to come.

Let's go Giants!
