Tackle Your Feelings / AFL Coaches Association

The RDFNL are super excited about this new partnership that is designed to help our Clubs, our coaches, our players and our volunteers.

To book in a Tackle Your Feelings workshop for your Club, please contact Grant McMillan grant@rdfnl.com.au

Behaviour – Spectators, Players & Coaches

A reminder to everyone that we are playing and watching community sport. We take RDFNL Senior action very seriously and Clubs, players and volunteers invest a lot of time into their football and netball but it isn't an outlet where your normal manners and behaviours can go out the door and you're free to carry on.

We unfortunately have seen too many incidents now of poor behaviour and it needs to be called out. Stop abusing umpires, stop abusing other players and get on with playing the game or supporting your team.

The RDFNL will be invoking a zero tolerance across the board for the remainder of the 2024 season for poor behaviour. It simply isn't good enough.

TAC Towards Zero Partnership

The RDFNL in conjunction with AFL Victoria and the Transport Accident Commission will shortly be announcing details about the TAC Road Safety Round. Stay tuned for updates and how to get involved. This partnership provides RDFNL Club's with the opportunity to raise awareness and much needed funds. Many RDFNL Club's have received some generous funds from the TAC over the years.

Congratulations to Adam Horton from Macedon FNC on recently obtaining his licence through our partners Macedon Ranges Driving School. The RDFNL partners with both Macedon Ranges Driving School and Gisborne Driving School which also ties nicely into the RDFNL's ongoing partnership with the TAC.

ROUND 10 RDFNL PREVIEWS

with Grace Bibby

Melton Centrals vs Lancefield

The bottom of the ladder clash is shaping up to be a good one. Melton Centrals got the chocolates in their previous encounter but despite being 0-8 Lancefield are the more in form team.

A loss here could secure the woodend spoon so both teams will be hungry for a win.

From the Coaches:

Melton Centrals: We are just lacking our depth. It is really hard to compete against the bigger better clubs when you don't have the players. Our depth was already in question and then to lose guys through injury and being unavailable it makes it even harder to compete. We won the clearance battle and despite letting Macedon getting the jump on us we held up okay down back. We are falling down inside our fifty credit to Dylan for finding some boots and a playing uniform and sitting in a forward. With his own boots he might have kicked three straight. This week is a new week and we want to be really competitive for our breast cancer day. It is a big day for the club and we want to do them all proud.

Lancefield: We were really happy with how we competed in the first and then again in the third. If you take the second quarter out of it we were well and truly in it. We are a young group and we had a few come back in which really helped us. We just need to put some scores on the board nice and early and get some belief. The result wasn't what we wanted but it's as good as we have played and it felt better we are looking forward to bringing that kind of intent again this week.

Players to watch

Melton Centrals: Since returning from injury Armistead has been fantastic for the men in Blue. Hopefully he can continue his strong form and get a few more to join him this weekend.

Lancefield: Most people had written him off with a serious knee injury but he was back and he was fantastic for the Tigers. Tom Waters is a star and he loves playing against the Centrals.

Prediction: Lancefield to get their first win of the year.

Riddell vs Wallan

Both teams are in good form and look set to play finals late in the year but who will get the round 10 bragging rights. Last time they met it was Riddell who won but will they take the four points at their own ground or do Wallan have a massive point to prove.

From the Coaches:

Riddell: It was a pretty scrappy contest early but when the game opened up I thought we played quite well. This week will be a big challenge too. We are happy that we got a bit more run into some players and there were no injuries. We are pretty close to full strength but I think this group are still capable of playing better football than we are. It is pleasing we have been able to get results but we know there is room to grow.

Wallan: Kyneton challenged us early and were great in the contest. We managed to address a few things at Half Time and the players adjusted accordingly. Our backline have been amazing all year and kept another good side to a low total. Heath Shaw was outstanding on and off the field. He performed well and gave plenty of advice / encouragement throughout the day. Our players learnt a lot from him. Sean Morris stepped up as Captain, in the absence of Michael Mannix. He is having another terrific season. Chris Stewart continues to show why he is regarded as one of the best players in local football. Reuben Rode, Shaun Stewart and Matt Perri also contributed to the win. Riddell are on top and have a strong list. Skip has the boys playing well. They beat us earlier in the year and it's going to be a big test on their home deck. Stevie Boyall has been training well and hopefully only a few more weeks away.

Players to watch

Riddell: Josh Grabham is a strong leader on and off the ground and his off field performance will be tested this weekend when he takes on one of the leagues best big.

Wallan: Chris Stewart was once again the player of the week and will have a big contest with Grabham in the ruck.

Prediction: Riddell to win in a close one with the home ground advantage.

ROUND 10 RDFNL PREVIEWS

with Grace Bibby

Romsey vs Kyneton

Romsey are flying at the minute but can Kyneton get a scalp they need for the second half of the year?

From the Coaches:

Romsey: It was pleasing to get the win on a big occasion. We won all three football games which is exciting I am genuinely so proud of everyone's effort. We are starting to get reward for effort but we don't want to become complacent. Jack Jedwab is a fantastic player and even better human if you could have 22 of him your would as a coach he just does everything you ask but we want to promote our players to play at a higher level and it is just a bonus when he comes back. If you want to be the best you have to beat the best and that is every single week. The league is so competitive you cant afford to relax. Early signs Kyneton moved the ball well and they have picked up some class recently. It will be a big game. Romsey Reverse Raffle is coming up so make sure you show your support.

Kyneton: It was a good game of footy but once again we just dropped our heads a bit and let them get a couple of wuick goals after the break. I don't think it is a skill or structure thing just a bit of mental toughness but we are a young group and that will come. We have so many players on injury lists it is getting harder and harder to move the magnets but we will keep working away at it. Romsey is another big test for us and we wont die wandering we will always give it our all. Kynetons major draw is now open head to the facebook page to buy your tickets.

Players to watch

Romsey: Matt Burkett popped up for four goals when they met earlier this season and will be closely watched in their second meeting.

Kyneton: With a couple of injuries again on the weekend we could be a chance of seeing Harrison Huntly in the forward line. Can he kick a bag and get the Tigers across the line.

Prediction: Romsey to win but not without a scare from Kyneton.

Woodend Hesket vs Diggers Rest

Diggers Rest have been hit with a few injuries of late and they wont make excuses but they will be wanting to get back on the winners list this week after coughing up the four points last week. For Woodend Hesket they are fresh off a two week bye and could challenge on their home ground with a fresh list.

From the Coaches:

Woodend Hesket: It has been a long break for us so we are looking forward to getting back out there. Diggers Rest are a great team and it will be a good challenge for our group.

Diggers Rest: It was a game we knew we had to play our best football to get the win. We started really well and then to fall away that was the disappointed part. We don't like losing but they are a quality side. We want to be better and will need to be better this week. We get a couple back but we still want have a full list. We need to be better this week to get the win. Woodend Hesket play their ground really well and it is difficult for the away team because of the dimensions.

Players to watch

Woodend Hesket: Trent Laverie is dangerous will the ball in hand and is the biggest threat on the ground in the eyes of the opposition coach.

Diggers Rest: Hayden Davis got the half century in hit outs last week and will be key to Diggers Rest winning the ball out of the middle.

Prediction: Diggers Rest to get back on track with a big win.

WOMEN'S FOOTBALL ROUND 9 RDFNL PREVIEWS with Grace Bibby

Macedon vs Woodend Hesket

Macedon: Macedon recorded one of the most impressive victories to date in the competition only to be nearly outdone but this week opposition Woodend Hesket. Macedon handed Kyneton their first defeat of the season and they did in an emphatic fashion. They piled on the goals and kept the previously undefeated Tigers goalless. The development of this Cats team has been so impressive and is a credit to the team and their coaching staff.

Woodend Hesket: Like Macedon Woodend Hesket were very impressive last weekend annihilated the Redbacks. The Hawks had winners all over the ground and time and time again they have proven they have no issue getting the ball inside fifty but in a close hard-fought contest their inaccurate kicking may be an issue if they can find the middle of the big sticks more often than not, they will take it right up to the Cats and make this competition even more interesting.

Players to watch

Macedon: Ruby Watts is having a fantastic year and she lights up the stats each and every week.

Woodend Hesket: Marium Habib found some her best form to lead the Hawks to a massive win.

Prediction: Macedon to win in a close one. If Hawks kick straight, they are a huge chance of an upset.

Lancefield vs Mount Alexander

Lancefield: Lancefield have been a team to kick one or two goals each week. Against the Falcons they will stay in the contest for longer as Flacons play a contested game of football. This could be a danger game for the Falcons where Tigers sneak up on their prey.

Mount Alexander: Mount Alexander have had the extra long break to freshen up and prepare for the last section of the Rookie Me Women's competition. Their form prior to the break hadn't been all that convincing despite recording some big wins in the week previous. This will be a game they go into as favourites and they will be looking to put the tigers away nice and early.

Players to watch

Lancefield: Meaghan Lyons has proven her versatility moving away from the netball dress and switching for a football uniform. She is a fantastic player in both and she is finding her craft in the middle of the football ground. She found plenty of the football and had five clearances in their loss last weekend.

Mount Alexander: While it has been a couple of weeks since we saw the Falcons on action in their recent hit out Jesse Boyland was their best player for finding the football 20 times including 15 contested possessions and four clearances. It will be a good battle in the middle with both these players going head-to-head.

Prediction: Mount Alexander to win in a close low scoring affair.

Romsey vs Kyneton

Romsey: While Romsey got dealt one of their biggest losses last week they would be proud of the fact they kicked two majors. So many times this season Romey have been held not only goal less but on some occasions scoreless. It is slow progress but credit to them for putting their head over the football and having a go.

Kyneton: It will have been a long hard week on the track for Kyneton. Having not lost in almost two seasons it would have been a disappointing day to have not registered a goal. They have handed out their fair share of thrashings but it is never nice being on the other end of it. They are a proud team it and we pity the team they come up against this weekend because they will be looking to bounce back in a big way. Kyneton were beaten in just about every stat on the board and will be keen to put that behind them.

Players to watch

Romsey: Taryn McAliece found the middle of the big sticks last weekend and will be keen to feel that excitement again this week.

Kyneton: Natalie Korinsky was one of the only Kyneton players to really get into the game with 30 possessions.

Prediction: Kyneton to bounce back and record a big win over the current bottom of the ladder Romsey.

TACKLE YOUR FEELINGS

'Be a Champ'

- Tackle Your Feelings ambassador Nathan Buckley and social media larrikins the Shepmates have teamed up to create a humorous video celebrating local football club culture and encouraging players and coaches to help support the mental health of their footy mates
- Watch the video
- As part of the campaign, Tackle Your Feelings is looking to celebrate and recognise those local 'champs' who go above and beyond when it comes to investing in mental health

- Being referred to as a 'champ' is not always cast in a positive way, so Tackle Your Feelings is looking to reclaim the phrase and spin it around to celebrate these people who often don't get the recognition they deserve with the role they play at their clubs

- We want players, coaches, committee members, support staff and umpires to be a champ and book their club in for a Tackle Your Feelings workshop

- Clubs can register for a workshop at [tyfo.tackleyourfeelings.org.au/login/](https://tyf.tyfo.tackleyourfeelings.org.au/login/).

Adam Baldwin, Program Manager said: "Clubs are beginning to understand their responsibility to create an environment which supports the mental health of their players. We want clubs to prioritise mental health in the same way they currently do physical health. Tackle Your Feelings is a free program that can help clubs kick-start the development of their own mental health game plan."

Book a @tyf_au workshop today.

What is Tackle Your Feelings?

- Tackle Your Feelings is a FREE mental health program for community football/netball clubs
- The program was formed by the AFL Coaches Association, AFL Players' Association and Zurich Insurance in 2018 following the death of Adelaide coach Phil Walsh
- The program is delivered by a local psychologist and aims to help participants gain the tools to Understand, Recognise and Respond to signs of mental ill-health.
- The program is based on the education delivered to the AFL industry and is led by high-profile player and coach ambassadors
- Since 2019, the TYF program has been delivered to more than 10,000 participants in every Australian state and territory and it's available to your club in 2024
- Quote from TYF ambassador Nathan Buckley: "It's an awesome program. It's so succinct and gives you really good strategies... it's a really good conversation starter."

MEN'S FOOTBALL & NETBALL

Our round 10 clash against Melton is brought to us by our Gold Sponsor 'Food Industry Services, a family owned and run company operating from North/West Melbourne that service all of metropolitan and rural Victoria, South Australia & Tasmania. They are dedicated to delivering high quality maintenance, sales & technical support to the food industry including advanced food machinery solutions to a diverse range of food processing facilities, cafes and restaurants Australia wide.

Whether it's delivering scheduled maintenance programs, assisting with state of the art food machinery products for sale or providing customers with comprehensive technical support, the Food Industry Services team are there to help with all your food service requirements. If you're in the food industry check out how they can help you at foodindustrieservices.com.au

A big clash today for the Tigers as we travel to Melton to take on the Navy Blues. In football both clubs are in a rebuilding phase and wins are hard to come by so today is a big opportunity for both clubs to take home 4 points. The Tigers were decimated by injuries last time these two sides met and then lost more players through the game before Melton scored a good win. While Lancefield still won't be at full strength they should have a few more players to choose from than last time.

In netball the two clubs are also similarly matched. Melton took the points last time by 6 goals but Lancefield led by 9 at half time so they'll be looking to run it out stronger today.

The social scene in Lancefield continues on Saturday June 29 when we have a home game against Woodend. During the day we have our 500 Club and sponsors lunch. We've got a few surprises lined up for that so make sure you are there if you are a sponsor or 500 Club member. On the same day following the home game against Woodend we have our iPod Shuffle Night. Enter your song and if its playing when the clock strikes 11:30 you're the winner! These are always good fun nights.

On Saturday July 20 after the home game against Romsey it's a big one, forget 'Beyond The Valley', we've got the first ever 'Beyond The Lanny'. We've had a huge response to this one, tickets are on sale now but given the massive interest we will have to cap numbers, the DJ lineup is up on our socials, lots of fun guaranteed.

THE RIDDELL RUB:

A successful day against Lancefield last week will all competing teams winning! The U19.5's won a close game. After being up by 3 points at ¾ time, they managed to kick 3.1 to 1.3 and get the W. The 2's had a comfortable win & remain undefeated. The one's welcomed back Brent Swallow after a long lay off from an injury sustained in round 1. It was all over by half time with the Bombers accuracy of 7 goals straight to Lancefield's 2 points. They ran out easy winners by 53 points.

The U19 netballers smashed their opponent by 35 goals which helps keep them 2nd on the ladder with a healthy percentage. C Grade remain equal top of the ladder with a 14-goal win. A hard-fought win for the undefeated B grade against 2nd placed Lancefield. Well done girls! The A Graders bounced back with a win but only by 5 goals after being level with bottom of the ladder Lancefield at ¾ time. A bit of work to be done going into the second half of the season for our A's.

Welcome to Wallan this week to another home game. It's a big week on the ground & court so let's all get behind our Bombers & cheer them to victory!

WALLAN FOOTBALL NETBALL CLUB

Club Notes

What a fantastic weekend of football and netball! We welcomed the Kyneton FNC and the Gisborne Giants D Grade netball team to Greenhill Reserve. The spectators arrived early in anticipation of a big day.

Heath Shaw joined the Senior team for a one off game and certainly didn't disappoint. Heath was incredibly generous both on and off the field and brought smiles to many very excited supporters. Thank you Heath!

We had many Under 10 Wallan Junior Football Club mascots eagerly join the Seniors and participate in the fun.

Stevie Bell continues to do his wonderful work fundraising for fight MND. The footballers and some of netballers

wore their MND socks, while the coaches wore their MND beanies as did many others. Another amazing effort by Stevie Bell!

The Wallan Auskickers provided the half time entertainment, putting on a great display and keeping the big crowd entertained. It was wonderful to see the joy and smiles on the face of the Auskicker's.

It was a huge day and thank you everyone helped and offered to help out, your support is greatly appreciated.

Now it is time to turn our attention to another big weekend of football and netball as we make the trip to Riddell's Creek to play the Riddell Football Netball Club.

LANCEFIELD WOMEN'S FOOTBALL NETBALL CLUB NOTES

A bit of an unusual one for our women's team today. They are playing away from the rest of the teams again due to not all clubs having a women's side but for those not up for the drive they will play at Lancefield Park while most of the others are at Melton. It's also a very sociable 2pm start so a great chance for Lancefield to get a look at the Tigers in daylight and at home.

They take on Mt Alexander Falcons who took the points over us last time by 48 points up at Harcourt. We were slow out of the starting blocks that day but gathered ourselves in the second half to be pretty competitive which was a good result given we were racked by injuries and absences that day and had pretty much given up on being able to field a side on the Thursday night before a bunch of debutantes stepped in to save the day.

The girls are coming off a 25 point loss to Melton last week but it was a really competitive game, Melton just managing to get that one goal advantage each quarter that saw them edge clear.

The social scene in Lancefield continues on Saturday June 29 when we have a home game against

Woodend. During the day we have our 500 Club and sponsors lunch. We've got a few surprises lined up for that so make sure you are there if you are a sponsor or 500 Club member. On the same day following the home game against Woodend we have our iPod Shuffle Night. Enter your song and if its playing when the clock strikes 11:30 you're the winner! These are always good fun nights.

On Saturday July 20 after the home game against Romsey it's a big one, forget 'Beyond The Valley', we've got the first ever 'Beyond The Lanny'. We've had a huge response to this one, tickets are on sale now but given the massive interest we will have to cap numbers, the DJ lineup is up on our socials, lots of fun guaranteed

KYNETON WOMEN'S FOOTBALL NETBALL CLUB NOTES

Kyneton Women's team suffered their first loss in an 18 game streak since joining the RDFNL in 2024. The Tigers had some significant outs and a few injuries early in the match left them scrambling to hold back a talented and skilful Macedon Cats. This week the Tigers hope to bounce back when they take on the Romsey Redbacks at Romsey Park. The players have been working hard on the track to learn from last weeks match and are looking forward to a great hit out with Romsey. The Kyneton FNC is hosting Pink Round on the 29th June, with all players donating and donning pink socks for the match. If you can spare a few bucks, scan the QR code below and join our team to support research into this devastating disease.

MELTON WOMEN'S FOOTBALL NETBALL CLUB NOTES

Saturday was a very busy and successful day at Maccy Park for the Bloods. With all teams playing at home we saw 3 out of 4 Football teams get the win and 5 out of 6 Netball teams also get on the winners list.

Senior Womens Coaches Brett Grambau & Josh Fikret alongside Captain Jordyn Syme & Vice Captain Dani Rocznik attended the annual sponsors luncheon to thank all of our 2024 sponsors for their ongoing support to our club. The luncheon was held at the club rooms with a surprise guest performance by the comedian suburban footballer who

had the room laughing all day. A great luncheon enjoyed by all who attended.

The Bloods Ladies took the opportunity in their first match up against Lancefield with a 25 point win over the Tigers. Rhiannon Carra with another standout performance and 2 goals for the game. The competition has now seen all women's teams play each other and is heading into the last half of the season. The Bloods have this week off with a bye and look forward to taking on Romsey next Friday night.

Club Notes

The Gisborne Giants faced their first defeat of the season at the hands of the Macedon Cats. From the outset, it was evident that the Cats possessed superior skill and discipline, dominating the game from the first bounce. Despite the Giants best efforts, they struggled to match the relentless pace and foot skills of the Cats.

However, this loss serves as a crucial learning opportunity for the Giants. It highlights areas where improvement is needed and provides valuable insights into how to close the gap between themselves and the formidable Cats.

Acknowledging their weaknesses and strengths from this game will allow the Giants to refine the way they want to play and help improve their performance in future matches. While disappointed with the outcome, the Giants can take heart in the positives: their resilience and determination to compete at a high level. This setback will undoubtedly fuel their motivation to strive for greater success as the season progresses.

Round 9- Giants D grade

The Giants Girls headed nice and early to come up against Wallan in their hometown.

After a tough pressured game last week against Diggers Rest, the Giants took the opportunity to try new connections and plays onto the court. The first quarter saw Giants show their style of game, strong connections in attack, setting themselves up for the rest of the game. Score 8-1 up.

In the second half of the game Giants rotated throughout the court, proving that they are versatile and growing as a team.

Heading into the final quarter 24-1 the Giants continued to extend their lead, defenders reading the play, making interceptions, and sending the ball back into attack, adding to the score board.

Our biggest win for the season, 34-2. Putting us on top of the ladder for the first time this season and in the history books for Gisborne Giants Senior Netball.

ROMSEY DENTAL NETBALL PREVIEW

by RDFNL Netball Manager Grace Bibby

Melton Centrals vs Lancefield

This is the game of the round on the netball court. Two teams how have been consistent but just missing out in the close games.

Melton Centrals: Melton Centrals only just missed out on an upset win over the Cats last weekend and back on their home court in their pink dresses they will be keen to their luck around. It has been a tough few weeks for Centrals coming up against som good opposition. They have been playing well but they haven't been able to get the results. This is another big opportunity for them to win.

Lancefield: It was a really competitive showing for Lancefield last weekend against Riddell and one they nearly snatched. Under Ciara Stewart the team have made steady progress and have recorded two wins but could have had more on the board. They are still working on combination but their connect between the three thirds in growing each week. When they get a turn over their transition to attack is quite smooth.

Players to watch

Melton Centrals: Talasa Helen Aumua is a fantastic focal point for Centrals but she will have her work cut out against her this week with the height of Brundell.

Lancefield: Shanae Brundell has moved around the court and even last week popped up for a quarter in goal shooter but she looks to have found her home in defence.

Prediction: Melton Centrals to win in a close one but this one is a huge chance of being a draw as both teams are so evenly placed.

Riddell vs Macedon

Two teams who got the job done last weekend with a number of players missing. Will they return this week or will we see a close affair where the game is in the balance. Last time they met it was a fierce battle that Wallan won through their midcourt.

Riddell: Ridell were lucky to get out of last weeks contest with a win with Lancefield taking it right up to them. Lara Turner was fantastic as was Brianna De Haas. The mid court gave the Bombers plenty of opportunities and that may have been the difference late in the game. Riddell are generally sharp shooters and they will be working on that during the week no doubt.

Wallan: Wallan are going from strength to strength and look to be getting the job done with little to no fuss. They have winners all over the court and when they bring new players in they don't look out of place. The depth of the club this year is very impressive. Unlike most teams they have an even spread where all seven players contribute week in week out.

Players to watch

Riddell: Sahara Ball is starting to come into her own late in the season and will be looking to go to another level this weekend against the Wallan defender.

Wallan: Jac DeWaele gives the Wallan defence a different look to most other defenders in the league. Using her body to out position the attackers has been very effective and while we keep promoting their attackers she has made a big difference to the Magpies this season.

Prediction: Wallan to win in a close one.

ROMSEY DENTAL NETBALL PREVIEW

by RDFNL Netball Manager Grace Bibby

Romsey vs Kyneton

Romsey: Romsey dominated from start to finish last weekend. The local talent of Hope Hamilton and Emma Grech controlled the attacking end while new recruit Mikaela Minns was impressive and Maggie Lind put her best foot forward in her return game.

Kyneton: Kyneton were competitive against Wallan but just couldn't not get the ball into a scoring position. The defensive end held up really well but they managed just 48 goal attempts. The positive for Kyneton is that the shooting percentage kept them in the game. Romsey tend to play their games like a shoot out so it might suit them this weekend.

Players to watch

Romsey: Charlize Bellette has proven herself at both ends of the court. A strong defender who reads the ball well and equally as impressive in GS when Hope Hamilton takes a break.

Kyneton: Lauren Girvan was the best of the Kyneton last weekend in wing defence.

Prediction: Romsey to win in a close one.

Woodend Heskett vs Diggers Rest

Woodend Heskett: Fresh of the bye the reigning premiers will look to continue their form. After dropping a couple of early games they bounced back and while not as dominant as last season they have shown their best is as good as anyones.

Diggers Rest: It has been an up and down season for the Burra girls. Like anyone in the competition when they are at full strength and playing well they would beat everyone but they just haven't been able to bring their best consistently.

Players to watch

Woodend Heskett: Tayissa Coppinger is one of the best players the league has seen and anyone that plays goal attack is in for a long day. She anticipates the play and is athletic enough to get to contests most players wouldn't even try.

Diggers Rest: Alice Sacco has stepped u(in the absence of Maggie Payne but the task in defence gets harder with Charlee Duff Tytler, Abby Gilmore and Matilda Lethleen in the mix.

Prediction: Woodend Heskett to get a big win on the board and start pushing for the top spot in the second half of the season.

ROMSEY DENTAL NETBALL REPORT

by RDFNL Netball Manager Grace Bibby

We have reached the half way point of the season.

Do you have some athletes that may not get large amounts of court time as we enter the pointy end of the season.

Maybe you're a coach of a junior competition or your kids are involved in sports and you coach them at home.

Here are some tips to inspire young athletes to give their best and not grow discouraged with defeat or setbacks.

Coaching Tip # 1: Motivate through specific clear short-term goals. Large or general goals can be overwhelming, so try breaking a practice into fun, manageable goals that don't overwhelm the players.

Coaching Tip # 2: Reward attitude as much as skills. During practice, often give players goals that don't have to do with the game of basketball. For example, ask your players to give a certain number of encouragements or compliments to team members. Or challenge the team to see who can give the most high-fives in an hour. This is part of the effort to keep the team interested and enthusiastic about the opportunity to participate on an organised team and to create an understanding between winning and success. Success isn't always about winning the game but how you treat your teammates and handle yourself on the court.

Coaching Tip # 3: Manage expectations. A player can have a self-expectation, team expectations, family expectations, coach expectations, and analytical (statistical) expectations that all influence a player's performance and demeanour. If an athlete has high expectations towards challenges, it is human nature for the athlete to do whatever it takes and give a dedicated effort in meeting and exceeding that expectation. Problem is, some players

have too high expectations and feel pressured, while others have the opposite issue – too low of expectations. Apathy can become a hindering habit.

To handle players with too-high expectations, try emphasize the fun of the sport and the mindset of "just playing," as this takes away the pressure.

Coaching Tip # 4: Be careful with criticism. For a coach to establish an effective environment it is key to build genuine relationships among team and praise athletes for doing well as much as possible. One way to create a positive atmosphere even when we must give criticism is by using the "positive sandwich" method. Try starting by giving praise, then give the correction/advice and end the point of instruction with positive feedback for constructive criticism. This makes the criticism a lot easier to hear without making a player defensive or discouraged.

Coaching Tip # 5: Emphasize the value of every player. One individual may score a goal, but we help the players understand every goal is actually a team effort. Break down a play to praise and acknowledge the small details that are just as important in getting that goal. Also stress that in netball there are different roles. Someone has to shoot, someone has to pass, someone has to rebound and someone has to defend. However, one common role everyone on the team has is to recognize the value of each role and be a supportive teammate. The value of teamwork can never be stressed enough.

Some great takeaways for aspiring coaches at your club.
