ROUND 15 RDFNL PREVIEWS

with Grace Bibby

Lancefield vs Macedon

Lancefield are still chasing their first win of the season and this might be their best chance but for Macedon they need to keep winning to hold out Kyneton for the race for the fifth and final spot to proceed to the finals.

From the Coaches

Lancefield: It was another disappointing result. We are trying hard and trying to change things up but we are really up against it and Romsey are a good team. They put us away early but we didn't give up and that was pleasing. We will keep working and hopefully a win isn't too far away. Macedon are a good team but we match up well against them and we seem to play well when the two teams meet. Our deck is pretty heavy at the minute which might nullify their pace but we need to worry about us first and foremost and hope our four consistent quarters is enough.

Macedon: They were too good. Wallan just adapted to the conditions really well and it was as simple as they were too good. They have a phenomenal list and if they can all play well then they are hard to beat. We have had a really good few weeks of football so we don't want to be too hard on ourselves. We want to go into this one full of confidence and take the four points. Our destiny is in our hands and we know we are good enough to play finals but we need to make sure of it with some good football in the last few games.

Players to watch

Lancefield: Tom Waters always gets himself up for a game against his old club and if he is playing well Lancefield are going to be thereabouts.

Macedon: We haven't seen much of new recruit Dyl McDonald so keep your eyes peeled for his return.

Prediction: Macedon to bounce back with a big win over Lancefield.

Melton Centrals vs Riddell

Riddell are no doubt the team to beat now and Melton Centrals will be gunning for the upset. Can they do it in front of their home crowd like not too long ago?

From the Coaches

Melton Centrals: We just had a really bad second quarter outside of that we fought hard all day and that is really pleasing as a coach. When they could have said its too hard hey didn't. We have been winning the clearance battle and that's helping a couple of our mids get on top. We will be without Jimmy Roberts this weekend so the mids will have to shoulder the absence he leaves. Riddell have great players across the board and its been no secret they have had the best list. If they are all fit we will need some luck come 2.15pm Saturday afternoon. We just want to keep competing. We have our reverse raffle on Saturday night back at the club and its always a better night if you've played well.

Riddell: We played really well. It is funny we didn't think we were a wet weather team but our two best games have been against Kyneton and now Diggers Rest in really wet weather. We just cracked in hard all day. We were up for any challenge and we put them to the sword early. It is not often you get a win like that over those boys so we embraced it and rode the wave. We know the job is no where near done. We will be the hunted now and a bit of a target on our backs. People generally want to catch you out so we have to respect everyone and continue to play our best football every single week from here.

Players to watch

Melton Centrals: Sam Apinuru has made a big impact in the ruck and has been able to give his side first use of the football.

Riddell: Dylan Tarczon enjoyed some wet weather football and to no surprise was hard at the contest.

Prediction: Riddell to record another big win.

ROUND 15 RDFNL PREVIEWS

with Grace Bibby

Romsey vs Woodend Heskett

This is a danger game for Romsey and a good opportunity for Woodend Heskett. Romsey haven't been the most convincing in recent weeks but their form on the weekend will help with their confidence. Woodend Heskett have challenged teams and are not as far off the pace as their results suggest.

From the Coaches

Romsey: It was a good win. It was challenging conditions and we adapted fairly well. On a heavy track it is hard to kick a big score and to win like we did was impressive. We were able to nurse a few late on the contest blokes that have been sick, got niggling injuries and Jack who was on limited minutes from BFL commitments but all and all we are in good shape. It is a bit of a danger game for us as they pushed Riddell and we just have to expect that they bring their best. They have some really good players so whether we tag or nullify their impact we will have plans and hopefully it works. But we also have our own game to play and we are hellbent on playing our best football late in the season. We have been able to come back in matches and our maturity has improved immensely but it is time to take it up a gear.

Woodend Heskett: It would be nice to get a scalp to finish the season on a big of a high. We have been really good the last month or so and another win on the weekend helps with our belief. We don't think this game is beyond us but it will take some of our best.

Players to watch

Romsey: Matt Burkett led the way last weekend in tough conditions.

Woodend Heskett: Daniel Toman cannot be stopped. Another huge game and another player of the week performance.

Prediction: Romsey to record a tight win after a challenge from Woodend Heskett.

Diggers Rest vs Kyneton

Diggers Rest have been the most talked about team in a round wrap up for some time and there isn't too much positives they will be looking to put the disastrous result behind them and we feel for Kyneton who get them on the bounce.

From the Coaches

Diggers Rest: We were embarrassing. We didn't want to play wet weather football. Probably a little bit precious. You can excuse skill errors and having a bad day but you can't excuse the effort areas. We were embarrassed by Riddell. They adapted really well to the conditions and were a class above what we could muster. It is lucky you don't have to wait too long between games because that one will never sit well with us but fingers crossed, we play a bit better this week. We honestly couldn't get much worse. There is lots to work on and we hope the group are up for the challenge. It is a fine balancing act do you just sweep it away and move on or do you review every single area where it wrong. One for us to work our way through. Bring on Kyneton. We have our ladies day and some live tunes post game so hopefully our supporters and the Kyneton supporters can come in for a beer.

Kyneton: It's been nice to freshen up and even better we took a win into the break. Our season is not over yet. We played really well against Melton Centrals. We feel like our best football is still ahead of us and we are slowly coming together. It would be nice to get a win over one of the big three to finish but we are aware getting Diggers Rest after their weekend's performance might be hard work. They will have a point to prove to themselves more so than anyone.

Players to watch

Diggers Rest: After a poor performance last week it will take the full 22 to turn it around this week.

Kyneton: Caleb Fisher has been the stand out player all season long for Kyneton his work rate across the entire ground means he racks up plenty of the football and is damaging. You just cant run with him.

Prediction: Diggers Rest to put last week behind them and get the four points over Kyneton.

WOMEN'S FOOTBALL ROUND 14 RDFNL PREVIEWS with Grace Bibby

As we reach the final regular games for the Rookie Me Womens competition we want to congratulate all the women and their support staff who have made this competition what it has been this season. There is a lot of work that goes into the behind the scenes of any team and the women are no different We hope to see you all back in action next season in a competition we hope explains any further in the off season.

Romsey vs Woodend Hesket

Romsey: It has been another tough season for the Romsey Redbacks but credit to them they have battled through adversity and got to the end of the season. They have had some weeks where they have been short of numbers and have had injuries and tough losses but they turn up each week and give it their all. We hope they have enjoyed their season and hope 2025 is the year we see them record their first victory after coming so close this season.

Woodend Hesket: The season has seen Woodend Dominant many games of football but their inaccurate kicking for goal has been costly. We know they are one of the better teams in the competition but to mix it with the top two their kicking needs to improve. This will be a good test for the Hawks. They will get plenty of opportunity in front of goals but will they make the most of them? Time will tell. They could be a real smokey in finals if they can kick straight.

Players to watch

Romsey: Kaitlynn Paterson was a tackling machine in the loss to Kyneton.

Woodend Hesket: Kat Bau has had a relatively quiet season at local level but we know how good she is when she turns it on. In big games the best players stand out and she will be getting ready for a big finals series.

Prediction: Woodend Hesket to win this one.

Lancefield vs Macedon

Lancefield: What a fantastic first up season it has been for Lancefield they have recorded two wins and been competitive in most games they have played. The scoring hasn't always reflected this but the stats do. They have uncovered some genuine stars and we hope they continue to improve. We

know they will be on the look out for a new coach next season but hope the positivity continues and we see some more wins on the board next year.

Macedon: With just one game to go and still yet to record a loss the Macedon Cats will be this seasons minor premiers. After coming together late last season, to playing in a grand final, to no dominating week to week. Damian Slater and his team have the cats purring and they are going to be tough to knock off over the next three weeks. The inclusion of the Gisborne players has given them more depth and a greater mixed of young and experienced.

Players to watch

Lancefield: I am not sure we have seen a more impressive debut season of football than Chloe Hodgson. She is hard at it and works hard. Two fantastic qualities for a young footballer.

Macedon: Lulu Slater was back in the best for the Cats last weekend and the Cats need her up and firing late in the year.

Prediction: Macedon to remain undefeated for the home and away season.

Melton vs Kyneton

Melton: Melton have been off the pace this season but this is a game where they have nothing to lose. The good players are playing well but they don't have the depth that other teams have so the workload is considerably more. The bottom players need to stand up if Melton are going to move into the second week of finals and this is a good test for them when the result won't affect anything.

Kyneton: Kyneton's depth has also been questioned this year. Having lost Alex Strawhorn and Taylah Moore they have been pushed back into the pack a bit more. It has been good to see their senior players stand up since they lost to Macedon. We know how hungry they will be to go back to back so no one is writing them off.

Players to watch

Melton: Rhiannon Carra lit it up last week and was easily our player of the week for a second time.

Kyneton: Belinda Hateley got plenty of the ball in Kyneton's win over Romsey.

Prediction: Kyneton to win comfortably and set themselves up for a strong finals campaign.

TACKLE YOUR FEELINGS

'Be a Champ'

- Tackle Your Feelings ambassador Nathan Buckley and social media larrikins the Shepmates have teamed up to create a humorous video celebrating local football club culture and encouraging players and coaches to help support the mental health of their footy mates
- Watch the video
- As part of the campaign, Tackle Your Feelings is looking to celebrate and recognise those local 'champs' who go above and beyond when it comes to investing in mental health

- Being referred to as a 'champ' is not always cast in a positive way, so Tackle Your Feelings is looking to reclaim the phrase and spin it around to celebrate these people who often don't get the recognition they deserve with the role they play at their clubs
- We want players, coaches, committee members, support staff and umpires to be a champ and book their club in for a Tackle Your Feelings workshop
- Clubs can register for a workshop at tyf.tackleyourfeelings.org.au/login/.

Adam Baldwin, Program Manager said: "Clubs are beginning to understand their responsibility to create an environment which supports the mental health of their players. We want clubs to prioritise mental health in the same way they currently do physical health. Tackle Your Feelings is a free program that can help clubs kick-start the development of their own mental health game plan."

Book a @tyf_au workshop today.

What is Tackle Your Feelings?

- Tackle Your Feelings is a FREE mental health program for community football/netball clubs
- The program was formed by the AFL Coaches Association, AFL Players' Association and Zurich Insurance in 2018 following the death of Adelaide coach Phil Walsh
- The program is delivered by a local psychologist and aims to help participants gain the tools to Understand, Recognise and Respond to signs of mental ill-health.
- The program is based on the education delivered to the AFL industry and is led by high-profile player and coach ambassadors
- Since 2019, the TYF program has been delivered to more than 10,000 participants in every Australian state and territory and it's available to your club in 2024
- Quote from TYF ambassador Nathan Buckley: "It's an awesome program. It's so succinct and gives you really good strategies... it's a really good conversation starter."

Club Notes

MEN'S FOOTBALL & NETBALL

Our Round 15 matches are bought to you by our friends at Kilmore Trackside. It's a premier entertainment complex with a bistro that is a family friendly, relaxed dining experience, as well as a sports bar, function rooms and TAB facilities. They are a leader within the local community and this is shown, not just by their kind sponsorship of Lancefield FNC, but also a host of other local community and sporting clubs. It's a perfect place to celebrate a birthday, wedding, anniversary, Christmas party, graduation or other special event.

Don't forget to put the Kilmore Cup date in your calendar, Sunday November 24. This is always a big day and a great opportunity to catch up with friends on the lawn or take advantage of Kilmore Trackside's dining options or marquee packages.

Good luck to our footballers who go hunting for their first win of the season. They're gradually getting closer with the 3 closest margins of the year being in 3 of their last 4 games. 'Give Up' never won a race so we'll keep going to chase that first win and finish the season strong. The reserves have been fantastic this year, they have had to give up a lot of players through the year to support the seniors, but have still been able to put wins on the board. A similar

story in the Under 19's with 7 eligible players running with the seniors last week but still they continue to play their hearts out. Women's football wraps up this week with the final home and away round. What a year it's been and everyone is really looking forward to building it into something even bigger next year.

Netball saw good news last week with A & B grade coach Ciara Stewart signed up for season 2025. That was followed up with one of the games of the year when Romsey scored an, on the buzzer, goal resulting in a draw. What a game! The B grade side took the points again and currently sit 2nd on the ladder, while C grade took another 4 points to sit just inside the 5 and give themselves a chance of playing finals. The Under 19's have a big game sitting 6th and play Macedon this week who are on the same points as them.

Good luck Tigers!

ROMSEY FOOTBALL NETBALL CLUB*Club Notes*

In the world of netball, few achieve the milestone of 400 games. Even fewer leave behind a legacy as profound and inspiring as Hope Hamilton. This week, amidst cheers and applause, Hope marks her 400th league game, a testament not just to her longevity but to her unparalleled contributions to the sport. Hope's journey has been adorned with accolades that glitter like jewels in a crown. From early successes with the Sunbury Lions, where she played a pivotal role in their 1997 premiership and garnered the BFNL Senior Best and Fairest title in 2002, to her remarkable achievements with the Romsey Redbacks, including multiple A Grade premierships and Best and Fairest awards, her career reads like a saga of triumphs etched in time. Her prowess on the court is matched only by her dedication off it. Known for her unwavering support and infectious love for the game, Hope stands tall as a mentor and role model. Her loud voice of encouragement echoes through the teams she has graced, fostering an environment where teammates thrive and younger players blossom under her tutelage. Beyond the statistics and awards lies a deeper legacy—of

determination, strength, and a passion for netball that transcends mere competition. Hope's impact extends far beyond match days; it's in the lifelong friendships she has forged, the wisdom she imparts to juniors, and the indelible mark she leaves on the netball community. For Sunbury Lions and Romsey Redbacks alike, Hope Hamilton isn't just a player; she is a cornerstone, a symbol of excellence and sportsmanship. Her six RDFNL Team of the Year selections, multiple leading goal shooter titles, and Player of the Year accolades in 2015 only scratch the surface of her achievements. As we celebrate this remarkable milestone in Hope's career, we also celebrate the person behind the achievements—the heart, the spirit, and the unwavering dedication to a sport she loves like no other. Here's to you, Hope Hamilton, for 400 games of brilliance, for inspiring generations, and for leaving an indelible mark on netball that will resonate for years to come.

On behalf of the Romsey FNC committee, players, supporters past and present.

Congratulations Hope!

Club Notes

Last week our focus was Road Safety Round.

On Thursday night we had the pleasure of visit from two of our local Highway Patrol Police Officers, Al and Dutchy. They spoke about major contributors to trauma on our roads

- Speeding
- Drugs and Alcohol
- Distraction, in particular mobile phones

It served as a great reminder to everyone from the people on the frontline about how we can play our role on the road

On Saturday we made our way to Macedon and we were all Banging Together to Play our role to make Victorian roads safer. As you can see from all the photos everyone was keen to get involved and play their role.

This week most teams will enjoy a well earned bye. The Under 19.5s are off to Gisborne to take on the Gisborne Giants on Friday night after a great game against Macedon the boys a sure to put on a great display against a very good team.

Go Wallan!

MELTON WOMEN'S FOOTBALL NETBALL CLUB NOTES

The Bloods enjoyed a very nice 27 point win over the Lancefield Tigers on the weekend. Despite the very very muddy , cold , wet conditions the Bloods managed to snag a few goals and keep Lancefield to only 1 point for the match. The Tigers were great to play against and both teams shared the fun and laughs of playing in the mud. It was Rhiannon Carra again who had another outstanding game to add to her unbelievable season so far with a cheeky 45 Disposals and 2 goals . Congrats Rhi on another superstar performance.

The Bloods celebrated their Captains 50th game , the Skipper Jordyn Syme was very excited about the win because it locked in the Bloods 4th spot on the ladder for the upcoming finals series.

It was an important round for the league as all teams banded together to support the TAC and AFL partnership in promoting Road Safety.

The key messages being show up for your team , slow down on the road and its better to be late then never.

This week 'The home of the Bloods' will be super busy with all teams playing at Maccy Park. We are hosting Kyneton at 10:45am which we are sure will shape up to be a hard physical game against the Tigers. We are excited to see just how far

both teams have progressed this season as we have not met Kyneton since round 1.

Our Mens Footballers and Womens Netballers take on local rivals Melton South Panthers. We know this will be an exciting day for all Bloods Families and supporters to be apart of and hope to see as many people at the club for the day and then sticking around for our Mexican Fiesta Function during the night. The Bloods are excited to host their last home and away game for the season before the finals commence , a bitter sweet time of year when finals are approaching but you know the season is coming to a close. Goodluck to all teams on the weekend. **GO BLOODS!**

Upcoming Social Events

- July 27th Mexican Fiesta Party
- August 10th \$5000 Draw
- September 26th Presentation Night

KYNETON WOMEN'S FOOTBALL NETBALL CLUB NOTES

Kyneton celebrated their yearly Indigenous Match against Romsey in some foggy conditions last Saturday with Uncle Mick Harding conducting the Welcome to Country and Smoking Ceremony for the players and public. It was a great turn out for the match with many punters coming out to celebrate milestone games for Kyneton Players Natalie Korinsky who was playing her 100th game, and Belinda Hateley, a stalwart for women's football, playing her 200th game. This week the players take on Melton for their final round, with newcomer Emily Wallace playing her 50th game. Em has been a great addition to the Tigers this season with her natural defending abilities and hunger for the ball. We wish all the players a great game ahead before going into the final's series.

Our Round 15 match is bought to you by our friends at Kilmore Trackside. It's a premier entertainment complex with a bistro that is a family friendly, relaxed dining experience, as well as a sports bar, function rooms and TAB facilities. They are a leader within the local community and this is shown, not just by their kind sponsorship of Lancefield FNC, but also a host of other local community and sporting clubs. It's a perfect place to celebrate a birthday, wedding, anniversary, Christmas party, graduation or other special event.

Don't forget to put the Kilmore Cup date in your calendar, Sunday November 24. This is always a big day and a great opportunity to catch up with friends on the lawn or take advantage of Kilmore Trackside's dining options or marquee packages.

A bit of a sad day today, women's football wraps up with the final home and away game of the year. What a year it's been! So many great moments, personal achievements, and

accomplishments. The building of some great friendships and a real support network has been built between everyone.

From everyone at Lancefield FNC congratulations to all our girls on creating history this year with our first ever official women's team, our first ever win and one of the rides of our life. We hope you've had a ball, We're all looking forward to building it into something even bigger next year.

ROMSEY WOMEN'S FOOTBALL NETBALL CLUB NOTES

In the world of netball, few achieve the milestone of 400 games. Even fewer leave behind a legacy as profound and inspiring as Hope Hamilton. This week, amidst cheers and applause, Hope marks her 400th league game, a testament not just to her longevity but to her unparalleled contributions to the sport. Hope's journey has been adorned with accolades that glitter like jewels in a crown. From early successes with the Sunbury Lions, where she played a pivotal role in their 1997 premiership and garnered the BFNL Senior Best and Fairest title in 2002, to her remarkable achievements with the Romsey Redbacks, including multiple A Grade premierships and Best and Fairest awards, her career reads like a saga of triumphs etched in time. Her prowess on the court is matched only by her dedication off it. Known for her unwavering support and infectious love for the game, Hope stands tall as a mentor and role model. Her loud voice of encouragement echoes through the teams she has graced, fostering an environment where teammates thrive and younger players blossom under her tutelage. Beyond the statistics and awards lies a deeper legacy—of

determination, strength, and a passion for netball that transcends mere competition. Hope's impact extends far beyond match days; it's in the lifelong friendships she has forged, the wisdom she imparts to juniors, and the indelible mark she leaves on the netball community. For Sunbury Lions and Romsey Redbacks alike, Hope Hamilton isn't just a player; she is a cornerstone, a symbol of excellence and sportsmanship. Her six RDFNL Team of the Year selections, multiple leading goal shooter titles, and Player of the Year accolades in 2015 only scratch the surface of her achievements. As we celebrate this remarkable milestone in Hope's career, we also celebrate the person behind the achievements—the heart, the spirit, and the unwavering dedication to a sport she loves like no other. Here's to you, Hope Hamilton, for 400 games of brilliance, for inspiring generations, and for leaving an indelible mark on netball that will resonate for years to come.

On behalf of the Romsey FNC committee, players, supporters past and present.

Congratulations Hope!

ROMSEY DENTAL NETBALL PREVIEW

by RDFNL Netball Manager Grace Bibby

Lancefield vs Macedon

Both teams have been hoping for the four points last weekend and Lancefield escaped with a draw but for Macedon they are licking their wounds this week. The shift of Ciara Stewart from Macedon to Lancefield has been well publicized this year last time they met it didn't really have an impact but will it come to the fore this time around?

Lancefield: Lancefield were never out of the contest against Romsey but they left their best quarter until last and only just managed to split the points. We saw some players in positions we haven't seen them in and what worked well against Diggers Rest was not used this week. Maybe with the chance of finals out the window the Tigers are working out their future. The Tigers season will end in four weeks but they could still cause some damage to the top five teams and they will be gearing themselves up for a big contest against Macedon.

Macedon: Macedon played really well for another three quarters and were level with Wallan to start the fourth quarter but another fade late cost them the four points and they will be looking to put that behind them this week with a win over Lancefield. Macedon were able to apply pressure on the Wallan attackers and their poor shooting percentage was keeping the Cats alive. In the last quarter the Cats seemingly ran out of puff and could not get the ball into their taller shooters.

Players to watch

Lancefield: Mia Daly has been in good form and was up to the challenge last weekend

Macedon: Caitlyn Alifracco and Chloe Williams are well known to the Macedon team but knowing what they do and then being able to stop them are two different stories.

Prediction: Macedon to bounce back and get a close win over Lancefield.

Melton Centrals vs Riddell

This is always a great match up no matter where each team is on the ladder and this time they are closer than most would have expected. Riddell have been hot and cold but their best is still very good while Melton Centrals have been competitive each week and their fearless style of play keeps everyone guessing.

Melton Centrals: Melton Centrals looked a little bit out of sorts in the wet weather and as a result they just didn't get the free flowing game of netball that has been so positive for them going. Avana Hobson was a stand out again but with a lack of height in defence they moved her to goal defence and Hayley Hill into wing defence. Last time these two teams met the game was well contested and it was the stronger bodies that stood up but they went down by one goal. They will be looking to turn that result around this weekend.

Riddell: A second quarter onslaught set up the Bombers for a comfortable victory over Diggers Rest. After breaking even at quarter time Riddell took it personally and came out and piled on 22 goals to pull away from the Burras. Once Riddell got going there was no stopping then and they ran out comfortable winners. There will be greater resistance this weekend against the Melton Centrals line up.

Players to watch

Melton Centrals: Hayley Hill's impact is crucial. We know she is undersized but her pressure allows Hobson to have a go at intercepts she normally wouldn't. The duo have been working well together all season long.

Riddell: Shelby Holter is hard to stop but she has admitted she finds Avana Hobson hard to play on. How will they match up this weekend?

Prediction: Riddell to account for Melton Centrals in a tight physical contest.

ROMSEY DENTAL NETBALL PREVIEW

by RDFNL Netball Manager Grace Bibby

Romsey vs Woodend Hesket

Like Lancefield the idea of finals is off the table for Romsey but the list of players they have could definitely cause any of the teams in the top five some issues and doubt late in the season.

Romsey: Romsey took just two points from their contest with Lancefield. The Redbacks got themselves in from by the barest of margins but Lancefield were able to claw their way back. Romsey have had a tough couple of weeks either side of the bye and will be desperate to take some positives out of the back end of the season. Can they upset the current reigning premier and top of the ladder.

Woodend Hesket: Woodend Hesket easily accounted for Melton Centrals last weekend and they have really put their foot down and extended the gap between them and the rest of the competition. We know finals is a different ball game but right now it is hard to see them losing another game in the regular season. The class and experience of Georgia Bowkett who was our player of the week and Tayissa Coppinger means their attackers get more opportunities than their opposition every single week. If they shooters can convert they will be hard to stop.

Players to watch

Romsey: Hope Hamilton will this weekend celebrate game 400. A fantastic achievement over many years and to be still playing at the highest level is a credit to the athlete she is. The list of achievements is a long one and we wish her the best of luck this weekend.

Woodend Hesket: Sarah Duff played one of her best games for the club since a battle of injuries has seen her sidelined more often than not in previous years. She will be hungry to get a premiership she missed last season.

Prediction: Woodend Hesket to keep on keeping on with another dominant win over Romsey.

Diggers Rest vs Kyneton

Neither team have had the year they would have liked but this is a good opportunity for them both to finish with a win late in the season.

Diggers Rest: Diggers Rest started strongly again this week but one decent quarter was all undone when Riddell stacked on 22 goals in the second quarter. The Burras defender just had no answers and despite a galant effort Riddell were able to extend the margin each quarter.

Kyneton: Kyneton are fresh off the bye and would be in good spirits after a competitive showing against the inform Melton Centrals the week earlier. The Tigers look a lot more secure in defence with Laura Bennie coming back into the line up.

Players to watch

Diggers Rest: Olivia Marris is someone that works hard in the midcourt every single week.

Kyneton: Laura Bennie is a strong leader and defends well. She gives those around her confidence and Kyneton are a better team with her out there.

Prediction: Kyneton to get back on the winners list with a win over Diggers Rest.

ROMSEY DENTAL NETBALL REPORT

by RDFNL Netball Manager Grace Bibby

It's a challenge for all coaches, and not just at the local level to start the game well.

What can we do to help our players ensure they're switched on and ready to put strong netball out on court in the opening minutes of a game all the while containing their adrenaline or pre game jitters.

Here are a few simple ideas worth considering thanks to the netball coach blog:

BUILD THROUGH THE WARM-UP

This is arguably the most common contributing factor in teams that consistently start games slowly – they're simply not ready to go, and it all stems from the pre-game warm-up.

Does your team spend the first 10 minutes of warm-up chatting, doing their exercises at half-pace and stretching poorly, followed by more chatting while they warm up their passing, and then eventually lifting their heart rate a little when they move into a team drill?

If players have barely broken a sweat in warm-up, how do we then expect them to step out on court and instantly go from 0 to 100?

Try thinking of your warm-up as an extension of the game – the first of five quarters. Build the intensity through the warm-up, aiming to hit close to match intensity (both physically and in voice) in the last five minutes before the players step on court.

Encourage your players to get to the courts five minutes earlier and get their chatting out of the way before warm-up starts. Once you're in warm-up mode, try to ensure that any chat is game-specific.

As the coach responsible for a group of young players, it's up to you to set the tone.

MIX IT UP

While there's certainly value in having a set, structured team warm-up, changing up a drill or two every so often is a good way to ensure players aren't just going through the motions every week.

Add a different drill towards the end of the warm-up that they can perform well but also challenges them to think, and see if it helps them switch on.

GOALERS TAKE RESPONSIBILITY

Have you ever felt like you're dominating defensively and in general play during the first quarter of a game, but the scoreboard doesn't reflect it?

If your goalers aren't arriving early to put up shots for 10 minutes before the game (and practising throughout the week) don't expect them to be red

hot right out of the gate.

Speak to your goalers about accountability and how putting up pre-game shots is part of the responsibility of having GS or GA on your bib, and let's loosen up those nervy shots before the game, rather than in the first quarter.

HAVE A SET PLAY

Ever had a team you have coached who had a habit of always conceding 3-4 goals before they'd finally wake up and put one on the board.

We tried everything during warm-up, to no avail, but the solution turned out to be having a strong set play on the centre pass to start each game (or even each quarter).

Every player on the team knew that that structure was the first thing we were going to set up, and nine times out of 10 we'd get a shot out of it, which got the scoreboard ticking over and helped everyone relax.

Find a set play your team can execute consistently and effectively, and give it a go.

ENCOURAGE YOUR PLAYERS

TO THINK AHEAD

Often there's a good chance your players will know some of their opposition, and particularly later in the season once you've already played most teams.

Before the game, ask your players to tell you something about the other team or an opponent they might be playing on – a strength they'll need to combat or a weakness they can look to exploit.

For some players, it will be enough to help put their brain in game mode, and get them firing early.

PRACTICE THOSE GOOD STARTS

While it can be hard to replicate your match night at training, finishing a session with some matchplay scenarios that replicate the start of a game is a concept worth trying.

Pick four attackers in positions, and tell them they have five centre passes in which to score 3-4 goals (depending on their age and ability).

After five centre passes, change the combination and start again. While it's not quite the same as match night, it does force players to be on their game from the very first centre pass, and remain focused for 2-3 minutes, which can be the difference between getting off to a great start, or a poor one.

This is definitely one for the coaches and we hope you have found it useful.

Happy Netballing!
