ROUND 18 RDFNL PREVIEWS with Grace Bibby

Diggers Rest vs Melton Centrals

A bit of wind and a bit of sunshine and the boys from Diggers Rest have found some form. Melton Centrals used a 150 game milestone to get them up for the contest and they have another milestone to celebrate this weekend.

From the Coaches

Diggers Rest: It was pleasing to get back to playing some good football. We didn't allow them to do as they wanted it was played on our terms. We had a good break to freshen up and we got some players back in and were a lot more settled. We have had seven or eight players out of position trying to fill holes but with a few key inclusions our structure was a lot better. We are still not playing our best so we will be going in hard this weekend. We have layers who haven't played much football and we have players who haven't played a lot with other players we don't have much time to get our best 22 on the same page. It is an exciting challenge and we are looking forward to it but we want a win this weekend first and foremost.

Melton Centrals: John Ferri played his 150th last weekend and he is just the best bloke to have around your club. He doesn't miss a training he works hard he gets involved always helping out and doesn't ask for anything in return. We fought pretty hard on the back of all of that and it was good to show everyone we can compete. It has been a tough slog this season we recruited to improve our depth and then we had players leave and get injured so we didn't make the ground we were hoping to. It has been another enjoyable season and I hope we can finish with a win this weekend. I can't fault the group we have. They have been fantastic to coach they have committed, and they have listened and tried.

Players to watch

Diggers Rest: Mitch Jensen was back in a big way last weekend with a bag of six majors. He makes a huge difference to the Burras and if he is going well so is the team.

Melton Centrals: Sam Apineru has had a good year and will this weekend celebrate his 150th club game.

Prediction: Diggers Rest to record a comfortable win and lock in a top three spot and a second chance should they need it.

Kyneton vs Wallan

If previous results are anything to go by Lancefield were competitive against both for three quarters this will be a good contest.

From the Coaches

Kyneton: We needed to win to keep our slim hopes of finals alive. We haven't given up but we need a lot to go right now and it is unlikely. We will still give it our all and see where we finish up. The year hasn't been what we wanted it to be but we will come back bigger next season. We have all enjoyed our first year in the league and how welcoming everyone has been has been really pleasing.

Wallan: Lancefield played some inspired footy early and deserve a lot more credit for where they currently sit on the ladder. We managed to work through the game and finished off really strong, which was pleasing. We get back Boyall and Viani this week against Kyneton. Hayden Gill has played the last two games at Carlton, so not sure on his availability just yet. Patrick Baccari is also progressing nicely and not far off a return. Morris and Perri had strong games again and are primed for a big finals series. We are looking forward to playing on Kyneton's ground for the first time. Foreman leads them well and Harrison Huntley is a star. Josh Smith is also strong around the contest. Hopefully we can finish the season off with a solid four quarter performance and lock in a top three finish.

Players to watch

Kyneton: Caleb Fisher has been one of the best players all season long and he will no doubt want to cap his season off with another big game.

Wallan: Chris Stewart is one of the toughest match ups in the league and on the open spaces of Kyneton first use of the football is critical.

Prediction: Wallan to secure a top three finish and a date on Saturday of the first week of finals.

ROUND 18 RDFNL PREVIEWS with Grace Bibby

Macedon vs Romsey

Well this is an interesting scenario...Currently fourth and fifth on the ladder shaping up in round 18 and a good chance they meet again next weekend in the elimination final. How hard do they go and do they keep any cards close to their chest.

From the Coaches

Macedon: Melton Centrals really made us work for the win last week but we did what we wanted to do and that was to secure the four points. Probably late in the game we controlled the football and played our way. Thanks to our mates down the road, we have a little bit of breathing room now but we still want to win every game from here. We still haven't got that scalp we are talking about. The pleasing thing I say most weeks is we played our greatest number of teens last week it was 10 and they all played well. We don't consider them Under 19 players they are senior footballers now. We match up well against Romsey and both teams seem to pay well when we meet. They are always tight games.

Romsey: We knew we had a tough run home but we are still disappointed with the results. We haven't performed our best the last two weeks but we have also come up against some very good teams. We know what we need to work on and the level we need to get to. This weekend is a good opportunity to instill some belief back into the group with a good four quarter effort. It looks like we could play each other again next week so we would love to get the job done here.

Players to watch

Macedon: Hamish Govan is a strong body with plenty of experience who the young players are learning so much from. In big games you expect your experience to come to the fore and we are expecting big things from Govan this weekend.

Romsey: The Tessari brothers have added some depth to the back six at Romsey.

Prediction: Macedon to get their upset on the eve of finals.

Lancefield vs Riddell

A massive occasion for these two clubs where the result will have no impact on the standings. Lancefield still chasing that elusive victory while Riddell are the minor premiers win lose or draw.

From the Coaches

Lancefield: It is a big day for the footy club. Tom Waters will play his last game and celebrate his 300th game. He has been a fantastic person to have around the club and will be sorely missed. We hope we can celebrate him with a win but we know it is going to be tough. We got over the top of them this time last season so anything is possible and we would love to send Tommy out with a win.

Riddell: We are not taking this one lightly. We are fresh of the bye but we also know we have the week off next week. We need to make the most of playing football over the next few weeks. We got some good run in the legs last week and had the weekend off but we are hungry to taking winning form into finals. We have had two really good wins recently but we can't afford to get complacent. We think that has been our best football so we know how good we can be and that is now the standard.

Players to watch

Lancefield: Tom Waters. 300 Senior Games. Two Bowens. Multiple Premierships. Great bloke.

Riddell: Brent Swallow is expected to return to the line up and make a late push into the senior team.

Prediction: Riddell to win in a close one. Lancefield to have their chances.

WOMEN'S FOOTBALL GRAND FINAL RDFNL PREVIEW *with Grace Bibby*

After 15 weeks of competition we see ourselves in the same spot as we were this time last season. A grand final rematch between Macedon and Kyneton. All be it a little different to what we had last season.

is a long time in football. Kyneton have booked their spot in the big dance but they did have to do it the hard way with a win in the preliminary final against Woodend Hesket.

The good news is they played some of their best football in that game and will be hitting the grand final with full steam ahead.

Kyneton have had some injury concerns throughout the season but look to have their best players playing their best football at the right point of the season.

Nat Korinsky has led from the front all season long but the likes of Belinda ateley and Teagan Ainslie have been knocking on the door.

The draw at the start of the year will let Kyneton know they are capable but last season they had the likes of Alex Strawhorn and Taylah Moore floating around.

They have definitely lost players but their best will push Macedon.

Players to watch

Macedon: Ruby Scott has been the best player for Cats most weeks. She is hard in and under and in her first year of RDFNL football she has had a big impact.

Kyneton: Ella Jeffrey was the player of the week this week for her performance against Woodend Hesket in a big preliminary final.

Prediction: Kyneton to get the jump but Macedon to fight back and win it late.

Macedon vs Kyneton

Macedon: Macedon were the first team to book their spot in the 2024 Rookie Me Senior Womens Grand Final. After a stellar season where they have not yet lost a game the Cats went from strength to strength.

The first time they met Kyneton they came a draw but in their two encounters since Macedon have defeated the Tigers comfortably.

Macedon have recruited a whole host of young talent from Gisborne who have fitted in seamlessly this season.

The play a fast pace game and their skills have increased meaning they re much better at possessing the football and giving their opposition limited opportunities.

Macedon will go into the contest as favourites and with good reason but grand finals can create nerves that make anything possible.

The fact that most of their team was in this position last season will help.

Kyneton: This time last year it was Kyneton sitting pretty undefeated at the top of the table but a year

TACKLE YOUR FEELINGS

'Be a Champ'

- Tackle Your Feelings ambassador Nathan Buckley and social media larrikins the Shepmates have teamed up to create a humorous video celebrating local football club culture and encouraging players and coaches to help support the mental health of their footy mates
- Watch the video
- As part of the campaign, Tackle Your Feelings is looking to celebrate and recognise those local 'champs' who go above and beyond when it comes to investing in mental health
- Being referred to as a 'champ' is not always cast in a positive way, so Tackle Your Feelings is looking to reclaim the phrase and spin it around to celebrate these people who often don't get the recognition they deserve with the role they play at their clubs
- We want players, coaches, committee members, support staff and umpires to be a champ and book their club in for a Tackle Your Feelings workshop
- Clubs can register for a workshop at **tyfo.tackleyourfeelings.org.au/login/**.

Adam Baldwin, Program Manager said: "Clubs are beginning to understand their responsibility to create an environment which supports the mental health of their players. We want clubs to prioritise mental health in the same way they currently do physical health. Tackle Your Feelings is a free program that can help clubs kick-start the development of their own mental health game plan."

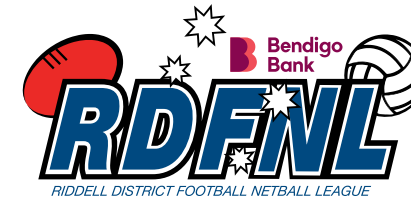

Book a @tyf_au workshop today.

What is Tackle Your Feelings?

- Tackle Your Feelings is a FREE mental health program for community football/netball clubs
- The program was formed by the AFL Coaches Association, AFL Players' Association and Zurich Insurance in 2018 following the death of Adelaide coach Phil Walsh
- The program is delivered by a local psychologist and aims to help participants gain the tools to Understand, Recognise and Respond to signs of mental ill-health.
- The program is based on the education delivered to the AFL industry and is led by high-profile player and coach ambassadors
- Since 2019, the TYF program has been delivered to more than 10,000 participants in every Australian state and territory and it's available to your club in 2024
- Quote from TYF ambassador Nathan Buckley: "It's an awesome program. It's so succinct and gives you really good strategies... It's a really good conversation starter."

To book a session in for your club contact **Grant McMillan via grant@rdfnl.com.au**

LANCEFIELD FOOTBALL NETBALL CLUB

Club Notes

Our final round is bought to you by one of our Gold Sponsors 'Ace Floors & Coatings'. Offering an extensive range of sprung timber floor systems to ensure they pass on an affordable fulfilled outcome for everyone involved, from Architects, Client, Builders, and user groups. Whether it's a floor or coating for basketball, netball, dance or theatre projects or even flooring refurbishments and maintenance the team at Ace Floors & Coatings have got you covered. Check out the website at aceflooring.com.au

What a big night in Lancefield after the game! It's our reverse raffle. Tickets are \$60, includes free drinks from 7-9pm, a mechanical bull, live music and a first prize of \$5,000 for someone to take home. You can buy the last remaining tickets from the bar today. Don't miss out on a huge farewell to 2024 and the chance to win \$5,000 for the off season!

Welcome back to our 2004 premiership players today in both football and netball as they celebrate 20 years since one of the great moments in Lancefield's history. Any time you win a flag is special, but to win both the football and netball flag in the same year must rank as one of our clubs greatest achievements. Twenty years after that great day, where both sides defeated Riddells Creek our opponent today, we look forward to celebrating you and hearing the stories of how much better you have all become as each year goes by. To our champions of 2004 we say 'Welcome Home'.

A day of mixed emotions today as we celebrate the 300th senior game of our great ruckman Tom Waters but

we also say farewell as he announces his retirement from the game. His CV is second to none having won premierships at both Lancefield and Macedon and also creating history in the RDFNL by being one of only a few players to win, not one but, two Bowen medals. Playing his first game in 2005 for Bulleen Templestowe in the VAFA he also played at Nightcliff in the NT, Lancefield, Gisborne and Macedon as well as interleague matches. He closes the curtain on his 20th year of senior football today and leaves the game as one of footballs most respected ruckman, known for his high leap, his dominant tap work and fair play. It's been an honour to have Tom as a player, a captain and a coach at Lancefield and he leaves today as one of our all time greats. From everyone at Lancefield FNC, and no doubt the whole of the RDFNL, we say thank you for the memories, your service and contribution to our great game.

Lastly a huge thanks to Lancefield's amazing volunteers. Without volunteers there isn't a club in the league that would be able to take the field. So to all of you, from not just Lancefield but every club, thanks for your service and ensuring our game goes on.

RIDDELL FOOTBALL NETBALL CLUB

Club Notes

THE RIDDELL RUB:

Welcome to Lancefield for our last home and away game. Let's make it a successful day before 7 out of our 8 netball & footy teams head into the finals. Speaking of finals, good luck to all the RCJFNC grand finalists tomorrow! Head to McPherson Park, Melton: U11 netball @ 9am, U13 netball @ 11.30am and U17 footballers @ 1.45pm (oval#2).

Our club had a general bye last week apart from the U19.5's who played a strong Macedon unit and went down by 51 points. Hopefully the boys finish on a winning note today! Look forward to seeing the U19.5's support all the other teams throughout the final's series.

Our major function held on 4th Aug was a huge success with one of our netballers winning the \$10,000 first prize. Congratulations Laura! 2nd prize of \$2500 went to Headchoppers & 3rd prize of \$500 was won by another netballer, Lindsay! Thank you to all who purchased a ticket & supported our LMS function. This helps our great club survive.

UPCOMING FUNCTION: RFNC Presentation Night, Friday September 20th, head to our FB page to purchase tickets online **BEFORE 31st August!**

SPONSORS: A special thanks to our sponsors for their continued support in 2024. Please ensure you support them as much as possible all year round

KYNETON TIGERS FOOTBALL NETBALL CLUB

Club Notes

The Tigers are thrilled to be back in the RDFNL Women's Grand Final for a second year in a row! Last year the Tigers were undefeated for the 2023 season and were able to beat the Cats in a thriller at their final match. This year it is Kyneton who are the underdogs and have had to take the long way around to get to the Grand Final. The players have been working hard to prepare for a strong Macedon Cats and will do everything possible to try and secure their second premierships cup on Saturday night.

Our Senior team would also like to congratulate our young up and coming stars in our Youth Girls team, who have also made the Grand Final this year. It will be the first time our Youth Girls team has ever featured in a Grand Final, and we are keen to support them and cheer them on to hopefully bringing

home another cup to add to our trophy case! Well done Tigers!

The Kyneton Women's team would like to thank their team and club sponsors for the support throughout the many years and to the KFNC Committee, Coaches, Trainers, Supporters and Volunteers for their tireless work every week to get our team on the park. It has been another great season for our Tigers, and we are continually building our team to be strong and successful both on and off the field.

If you would like to part of our club as a player, coach, member, volunteer or supporter please connect with us via www.kynetonfnc.com

Go the Tiges!!

Club Notes

The Gisborne Giants junior FNC is set to make history this Sunday at Macpherson Park as three football sides and five netball sides have secured their spots in the Grand Finals.

The under 11 silver, under 13 silver, and under 15 orange teams have excelled on the football field, while the under 11 orange, under 13 silver, under 13 orange, under 15 silver, and under 17 silver teams have dominated the netball court.

This remarkable achievement is a testament to the hard work and dedication of the players, coaches, and supporters of the club.

Behind every successful team is a group of dedicated volunteers who work tirelessly to ensure the smooth running of the club. Their efforts have not gone unnoticed, and their support has been instrumental in the success of the Gisborne Giants Junior FNC.

As the Grand Finals approach, the entire club stands united in support of their teams. Regardless of the results on Sunday, the Gisborne Giants have already made their mark and have every reason to be proud. Good luck to all the competing sides – the club will be cheering you on every step of the way!

Go Giants!

Umpires Corner

by Joshua Wilson

Well this is it! Our last round of home & away footy for season 2024. We made it! Well done to all our footballers on a terrific season, our umpires have thoroughly enjoyed playing our part to help bring you all season 2024.

Throughout the week, it was announced that RDFNL legend and two time Bowen medal winner, Tom Waters, was hanging up the boots after playing game #300 this weekend. Well done on a terrific career Tom from all your friends at the Riddell Umpires, you're definitely one of the greats!

If you have ever thought about giving umpiring a go, come on down and meet our group. Although it might be too late to umpire for this season, we'd love to have you join in preparation for season 2025! It's never too early for next year!

Please email us on gm@riddellumpires.com.au to find out more.

UMPIRE MILESTONES
 Congratulations to Karlee Farrall (left) & Phil Kyte (right) on reaching milestones last weekend. Karlee umpired her 100th game for the Riddell Umpires, and after a previous stint with us a few years back, Phil did his first senior game in the Melton vs Macedon clash. Well done to you both!

ROMSEY DENTAL NETBALL PREVIEW

by RDFNL Netball Manager Grace Bibby

Diggers Rest vs Melton Centrals

The tale of two seasons in this previews. Both teams started towards the bottom of the ladder and Melton Centrals have come home strongly while Diggers Rest haven't been able to have the same luck. Melton Centrals will play A Grade finals for the first time in a number of years while Diggers Rest's season will end here.

Diggers Rest: It has been a hard year for Diggers Rest. After a long season last year with limited structure Anica Scherer took the reigns and has done a fantastic job to bring in some new talent and create a good culture Unfortunately injuries took their toll through the middle stages of the season and they just didn't have the depth to compete with the teams at the top of the table.

They have a platform now and we hope they continue to build on that next season under the guidance of Anica.

Melton Centrals: Melton Centrals are one of the most inform teams in the competition but they will want to make sure they are playing their best netball next weekend when they play finals. This result won't change too much for either team but confidence and belief is everything. In the past few weeks the Centrals line up has changed significantly with how they start and changes they make. It will be interesting to see who starts where come finals.

Players to watch

Diggers Rest: Alice Sacco has had a great season in defence this year and is a player Diggers Rest will need to keep and build around.

Melton Centrals: Congratulations to Chloe Ere who has made the final cut of the state team as has Elisa Butterworth Gonebale in the 19s.

Prediction: Melton Centrals to win this one comfortably.

Kyneton vs Wallan

Another game where the result wont have a bearing on the final five.

Kyneton: Kyneton were smashed last weekend when they met top of the table Woodend Hesket. This is not just the case of here Kyneton is at it is also a good indication of the strength of Woodend Hesket at the minute. After defeating the Hawks in round 1 Kyneton set their season up nicely but it has been a hard slog since. Injuries, players being unavailable and the departure of their coach have made for a hard season. We expect Kyneton to recruit and come back bigger and stronger in 2025.

Wallan: Wallan have done enough to lock away the top three finish and the second chance should they need it during the early stages of the finals series. They peaked early had a bit of a lull but have been playing some strong netball again late in the season. Maddi Wallmeyer is the difference. She controls the court and gives the court the experience they need to lift around her.

Players to watch

Kyneton: Tilly Shepherd has been the most consistent player for the tigers this season. Her reach and ability to read the ball is second to none. She is going to be a fantastic player for many years to come.

Wallan: Rebekah Konstantopoulos was back to some of her best last weekend as she combined well with goal Shooter Mave Donegan.

Prediction: allan to record another strong win on their way to the 2024 finals series.

ROMSEY DENTAL NETBALL PREVIEW

by RDFNL Netball Manager Grace Bibby

Macedon vs Romsey

Another tale of two season that are polar opposites Romsey started well and fell away while Macedon started poorly and have found themselves inside the top five when it matters.

Macedon: Macedon were without their coach and star defender in Katie Clarke on the weekend and they really lacked that leadership in defence. Hopefully they can get a few of the injured players back this week so they can also get back on track before finals.

Romsey: Romsey have had so many talented players in their dress this season but unfortunately, they haven't had a full team as often as you need at this level. Those who have consistently turned up have been outstanding.

Players to watch

Macedon: Hetty Donoghue has been in and out all season long with injury and family commitments. They need her firing if they are going to make it out of the first week of finals.

Romsey: Hope Hamilton is winding back the clock with another player of the week performance.

Prediction: Macedon to win this one if they are at full strength.

Lancefield vs Riddell

Can Lancefield cause an upset to finish hat has been an improved season for them?

Lancefield: At the start of the season no one knew what kind of Lancefield team we were going to get but after 18 weeks we can see the impact Ciara Stewart is having on court. With a couple of wins under their belt the have a good stepping stone to move from next season as Stewart enters her second season as coach.

Riddell: Riddell have just quietly been going about their business this season. They haven't blown too many teams out of the water but they haven't lost too many games either. They will be the smoke going into this finals series. No doubt still hungry after just missing out last season.

Players to watch

Lancefield: Last week we saw Rosie Todd make her debut in the RDFNL and she is nex level good in any midcourt team. Lets hope we see more of her this week and moving into next season.

Riddell: Sarah Ball has made the final cut of state selection in the 19 and Under program.

Prediction: Riddell to record another strong win over Lancefield and bring their season to an end.

ROMSEY DENTAL NETBALL REPORT

by RDFNL Netball Manager Grace Bibby

The final round of regular season RDFNL for season 2023.

It is exciting that we are just seven days away from kicking off our senior finals campaign but it is also the end of it all for some clubs.

Every year of netball has its ups and downs but we are excited to one again have seen so many faces on court each week.

So many of our small community towns rely on football and netball clubs in so many ways.

As with any end of season there are several things to mention and several people to thank.

We will start by once again highlighting our Interleague coaches.

Thank you so much to Hope Hamilton, Naomi Klaasen and Tanae Bannan for their contribution to the RDFNL junior program.

We are hopeful of advertising for coaches of some age groups in the coming weeks and we will also be announcing the coaches who are continuing in their role which is great for the continuity of the program.

We hope that this year our program will begin in November with teams selected prior to the Christmas holidays.

This year we had some outstanding results at Association Champs.

All teams played hard but fair and were more than competitive.

This year we have also seen several a grade debuts and milestone games.

Each week we try to celebrate netball as much as possible.

This year we welcomed not one but two grades of netball. We for the first time ever have a modified (and Under competition which is just the cutest thing to watch and we have our D Grade competition. Most two grades at opposite ends of the scale but fequally as fantastic that we see another massive group of netballers on court.

Our netball competition continues to grow at junior level with 12 competitions this season after 10 last season. Of those 12 grades 11 will have a premiership up for grabs this weekend.

We know there are more exciting things happening at club land so please don't be afraid to send them in.

In a time where umpires have been so hard to come by our panel have been truly outstanding. We are not saying they are perfect and we know we won't

always agree with their decisions but each week they have shown up to ensure the RDFNL games go ahead with umpires who are not aligned to clubs. This season we have made a decision to add more youth to help with their development because our best umpires can't and won't umpire forever.

Thanks also to those umpires who are aligned to clubs and have stepped up to the league at short notice and to our club umpires covering 19s, C and D grade each week.

It is so disappointing that despite so many warnings we are still finding spectators and coaches more so than players abusing our umpires.

The league made a point of tightening up our rules and ability to report and suspend poor behaviour and we have seen a vast improvement in this area.

We have had so many umpires on our panel this year so I won't name them individually but if you get five seconds and see a familiar face this weekend it would be nice if we could say thanks.

Their commitment has made my job of managing the umpires a lot less stressful than it has been in the past.

Touch wood I have been very lucky that I haven't been scrambling for umpires on a Saturday morning too often.

Thank you to all our amazing netball coordinators. We know all the work you are doing behind the scenes and we know all the time it takes to organise teams, players and coaches. It can be a thankless job at times but the work you do is much appreciated by the league.

To the teams that are not participating in finals next week and beyond we hope you enjoy your off season and we are looking forward to seeing you back on court next season.

To those in finals enjoy the experience and play hard but remember it is just a game.

Have fun and be kind to one another.

We look forward to celebrating what has been another fantastic season at the Senior Vote Count on the 26th of September.

Who will win the Ryan medal will it be someone who has won it before? Will somebody new take the glory?

It should be a fantastic night with the team of the year honours, rising star and best and fairest vote counts from our other grades also being presenter.

Good luck to all teams this weekend!
