Tackle Your Feelings / AFL Coaches Association

The RDFNL is shortly going to announce a new partnership with the AFL Coaches Association and Tackle Your Feelings. This exciting partnership will give RDFNL Club's the opportunity to host free Tackle Your Feelings workshops targeted at mental health. We look forward to rolling this out in more detail over the coming weeks.

RDFNL Partners with FightMND

The RDFNL recently announced a partnership with FightMND. This year marks the 10th anniversary of the Big Freeze event held at the MCG on King's Birthday. We all know the nature of this horrid disease and we hope our Clubs can support the initiative by purchasing beanies and socks to go towards raising awareness and funds to find a cure.

Live Scoring and Team Sheets

A reminder to all Clubs that live scoring is compulsory for RDFNL Senior matches. Please assist us in marketing our League with up-to-date live scores of all our Senior matches each weekend. Please ensure all team sheets are accurate online at the beginning of the match. With umpires now completing the votes online, the team sheets must be accurate to allow umpires to select their 3-2-1.

Toyota Good 4 Footy Raffle

Some wonderful prizes again up for grabs in the Toyota Good 4 Footy Raffle in 2024.

Clubs can register to be part of the raffle via the following link <https://toyotagoodforfooty.raffletix.com.au/account/register>

Well done to Mt Alexander and Wallan for already registering for the Raffle. The Falcons have already raised over \$1100 through the raffle with all proceeds going directly back to Clubs.

TAC Towards Zero Partnership

The RDFNL in conjunction with AFL Victoria and the Transport Accident Commission will shortly be announcing details about the TAC Road Safety Round. Stay tuned for updates and how to get involved. This partnership provides RDFNL Club's with the opportunity to raise awareness and much needed funds. Many RDFNL Club's have received some generous funds from the TAC over the years.

ROUND 8 RDFNL PREVIEWS

with Grace Bibby

Kyneton vs Diggers Rest

Diggers Rest have really announced themselves in the competition after a big win over Riddell. The margin wasn't big but many have thought Riddell were unbeatable with their current list. Kyneton will be lifted by their win over Melton Centrals.

From the Coaches:

Kyneton: It was really good for us to get a win on the board. We think at the start most thought we would be pretty strong and we haven't been so it is nice to go into a few games as the under dog. We are looking forward to matching up against the leagues best and seeing how we go. We think we match up okay and we hope our big ground and pace catches them off guard. It is going to be tough but we are looking forward to the challenge.

Diggers Rest: It was pleasing to get a win over a team we rate very highly it was a pretty tough game of football and we will have to recover properly and get ready for this week. We know Kyneton are capable and we haven't played on their ground before. We expect them to come out firing and we don't want to leave anything in the tank heading into the bye.

Players to watch:

Kyneton: Caleb Fisher is a young gun for the Tigers and has been in rare form. He was awarded his second league player of the week this week.

Diggers Rest: Mitch Jensen is creating some issues for the opposition getting plenty of the football in the back half of the ground.

Prediction: Diggers Rest to record another big win.

Lancefield vs Wallan

Wallan are coming off the bye and it is hard to know what they will bring off the bye. Lancefield played their best game of football last week but four or five costly turn overs resulted in a bit of a blow out.

From the Coaches:

Lancefield: We played a lot better football. We had a bad few minutes that were costly but we fought back. It is a real credit to the boys we have on the park at the minute to keep grinding away. We tried to take some ownership of the football and keep the ball in our hands instead of rushing and losing possession. We will keep working at that this week. The effort was there last week and we are hoping to see that again. We were such much better around the football.

Wallan: The boys enjoyed the weekend off. We trained at Kris Terzievski's Gym "Crew Fitness & Performance, which was a great workout

Hayden Gill played for Carlton VFL on the weekend plus Owen Fowler, Riley Gilchrist and Marcus Datson went back and played in our Under 19's We travel to Lancefield this week and are looking forward to playing on a big ground. Hopefully it can suit our running game.

Previous game vs Woodend we had an even contribution from our group, in particular Reuben Rode, Brodie Gilchrist, Matt Perri & Shaun Stewart.

Players to watch:

Lancefield: Reece Baker has been shouldering most of the ruck duties and he continues to stand up.

Wallan: Brodie Gilchrist loves playing against Lancefield and dominated in both games last season. Look for a big game from this player across half back.

Prediction: Wallan to win by plenty!

ROUND 8 RDFNL PREVIEWS

with Grace Bibby

Melton Centrals vs Woodend Heskett

This is a must win game for both clubs. Neither team have really got going yet this season and with a few injuries they are nowhere near their best football. Woodend Heskett were super competitive against Romsey but Romsey pipped them at the post while Melton Centrals butchered the football on the way to a devastating loss to Kyneton.

From the Coaches:

Melton Centrals: I haven't seen a worse game of football when it comes to skills in the seven years I have been here. We really fell away in our forward line without Jobson in there. Our back six are holding up really well but we can't get anything going in our forward half. We made some changes late and managed to get it back on even playing but the damage was done. We will need to be better with the football this week to be competitive against the Hawks. They have the best player in the comp in Daniel Toman and this year he is hitting the scoreboard too.

Woodend Heskett: It was really shattering we didn't get the win last week. We thought we played pretty well and we are desperate to get another win on the board. We get a couple of players back this week in Dean Bramley and Trent Laverie that should bolster our team a little bit. This should be a good contest and we are looking forward to it.

Players to watch:

Melton Centrals: Big Evan has been used down back but with a few falls out we may see more of him around the ground.

Woodend Heskett: Melton Centrals were not shy in how much attention they will be putting into the former Bowen Medalist Daniel Toman. Will he still get plenty of the football?

Prediction: Woodend Heskett to win this one just.

Romsey vs Macedon

Another huge contest for both clubs. Romsey will go into as favourites but Macedon will certainly have their chances and give them a good run for their money.

From the Coaches:

Romsey: We got out played by Woodend Heskett I thought but credit to the group we found a way to win. We have shown a lot of growth in that area I believe. Games we would have lost last season we have found a way to win this season and it's pleasing because we know how much room we still have to improve. Macedon structure up really well and have a balanced list of talented players. Once we get the ball inside our forward 50 we want to lock it in and push our backs up create a lot of pressure. We have made some changes to how we set up and this year we have really good leaders on every line and I think the leadership helps us stay calm and in the contest.

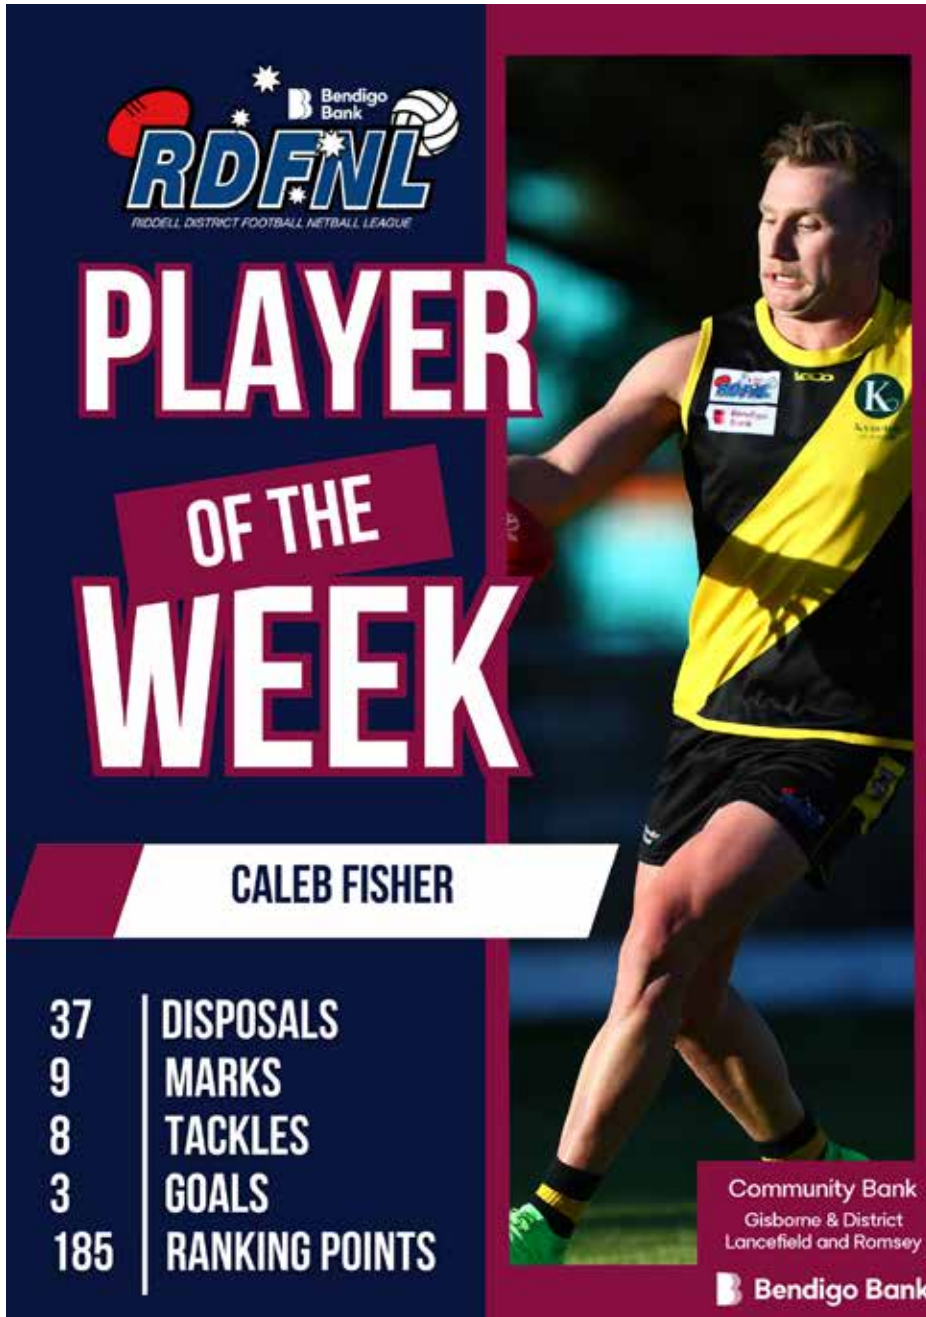

Macedon: This is another game we feel like it's a genuine 50:50 and both teams have a great opportunity to take the points. We were pleased to see someone else kick some goals outside of Cookey. It gives us another dimension up forward which we have lacked. We are comfortably playing better football than we were this time last season but we faded away and missed out on finals by percentage these are the games you have to win if you want a crack at the last few weeks. We are still a couple of weeks away from getting some strong players back which will be exciting.

Players to watch:

Romsey: Corey Pretzel is a strong body through the midfield who is hard to stop once he gets going.

Macedon: Lachy Hay has come into his own in recent weeks and he popped up and kicked a bag last weekend.

Prediction: Romsey to get another close win on the board.

WOMEN'S FOOTBALL ROUND 7 RDFNL PREVIEWS with Grace Bibby

Melton vs Macedon

Melton: This is another game that Melton will need to play at their best to stay within reach. They surprised Woodend Hesket last week with a good performance. Previous seasons this would have been a block buster game but the Cats have improved and Melton have struggled. Melton have some classy players in the mix and if they can string four quarters together they could cause an upset.

Macedon: Macedon are flying this season and will go into this one as favorites. They have shown from little things big things grow and their success last season has created a hunger for them this season that is bringing out their best football.

Players to watch

Melton: Rhiannon Carra was the only Melton inside the top five of the ranking points from their game last weekend. The rest of the team will need to lend some support to Carra this week.

Macedon: Ruby Watts has been amongst the best players each week for the Cats Ruby finds plenty of the football and also knows her way around the big sticks kicking two goals last weekend.

Prediction: *Macedon to get another strong win and keep their season ticking along.*

Lancefield vs Woodend Hesket

Lancefield: While not getting the win last week Lancefield challenges the Cats for the majority of the game. Lancefield have managed to find a way to score against the best teams in the comp and will be looking to do that again this week.

Woodend Hesket: The Hawks have the advantage of a strong ruck who gives them first use of the football allowing their mid fielders to go to work. They won't like losing last week when they went in as favourites.

Players to watch

Lancefield: Chloe Hodgson has been the standout for the Tigers most weeks and it was another elite performance last week.

Woodend Hesket: Harmony Cassar dominated for the Hawks and was named the player of the week.

Prediction: *Woodend Hesket are the more established team and should get the win but if Lancefield can compete around the ground they will have their chances.*

Kyneton vs Liyanganuk Banyul

Kyneton: Fresh off the bye Kyneton will be looking to get back on the winners list after a draw against Macedon. Kyneton have so many talented players all working seamlessly across the field but they haven't shown as much improvement as other teams in the competition. This will be a danger game for the tigers as one they will be hoping to take the four points from.

Liyanganuk Banyul: It was a surprise forfeit to Liyanganuk Banyul last weekend. They took the four points but they would have missed the battle. They love their football and love a challenge and this is now a realistic chance of a win where in previous years they were written off.

Players to watch

Kyneton: Teagan Ainslie is the captain of the Tigers and has had a stellar season to date. Teaghan isn't scared of doing the hard in and under work and last week had eight tackles to go with eight clearances.

Liyanganuk Banyul: Tash Ross Harris has been the standout player for the Falcons. The rest of the team will be improving around her but like Rhiannon Carra from Melton needs support to win the big games.

Prediction: *Kyneton to win in a close one. Liyanganuk Banyul are knocking on the door of another ig scalp though.*

TACKLE YOUR FEELINGS

Essendon are partnering with the Tackle Your Feelings (TYF) program to make mental health training available to community coaches, in 2022. Tackle Your Feelings is a free mental health training program for community AFL coaches, as well as committee members and other club support staff. The program is delivered by a local psychologist and aims to help participants gain the tools to Understand, Recognise and Respond to signs of mental ill-health in their players. In 2021, the program was delivered to more than 4000 community coaches from 352 clubs across every Australian state and territory. 'Tackle your Feelings' was inspired by mental health education developed for AFL professional coaches and players, consisting of a face-to-face presentation from a local psychologist and additional online learning. Ambassadors include Leon Cameron, Alastair Clarkson, Nathan Buckley, Neville Jetta, Kara Antonio and Dylan Buckley also feature throughout

the video content within the program. The program was formed by the AFL Coaches Association, AFL Players' Association and Zurich Insurance in 2018, after the tragic death of Adelaide coach Phil Walsh three years earlier.

How your club can get involved

Tackle Your Feelings is a free program and is available to your club in 2022.

Once coaches complete the training (workshop and online modules) they will have access to resources including blogs, podcasts and videos to assist with their ongoing learning. Participating clubs are eligible for the Tackle Your Feelings rewards program, which includes footballs, equipment and access to program ambassadors.

If your club wishes to get involved, please register your interest by contacting sabdilla@essendonfc.com.au

MEN'S FOOTBALL & NETBALL

Last week we travelled down to Macedon, a beautiful day for footy and netball. Our Under 19's played last year's 100+ point premiership winners and let them get away to a flyer but responded really well with not much being between them in the second half and our boys actually winning the last quarter against a quality opposition. The Reserves are doing it tough at the moment with the massive number of injuries meaning their numbers are being pillaged to provide for the seniors, they are toughing it out though and hopefully in the second half of the season we'll get to see what they are capable of. The seniors showed some really good signs last week to suggest that when the boatloads of injured players return we can cause a few surprises in the return games.

The netballers were oh so close, going down by just a single goal in the 19's. Great effort girls and a shout out to the O'Meara cousins who made a bit of their own history. In 1996 three brothers Ryan, Danny and Paddy O'Meara won a premiership together for Lancefield. Last Saturday their 3 daughters Grace, Amy & Ruby ran out together for the Lancefield U/19's netball side. That's what small country clubs are all about. Great to see girls and well done dads! The C graders had a tough day against the top outfit in the comp but played at a level that will win plenty of games. B grade continued their winning ways in a really competitive game. The A grade side took on a team that will give a lot of sides trouble this year and got blown out of the water in the first quarter, they regathered though and matched motors for most of the remainder.

A real challenge for the Tigers today as we take on the might of Wallan. They're a powerhouse club that sits in the top 4 with all their football sides and their netball sides are all right there at the pointy end if not top. As always we'll go in with a positive attitude and the knowledge that it's a free shot to nothing.

One thing Lancefield does well is the social functions so strap yourself in for some good times! Tonight after the home game to Wallan it's the 'Dynamic Duo's Beer Pong' event, this was a ripping night last year so enter your duo or just come along as a spectator on the night. This is our footballers player-led function but everyone is welcome, grab a mate enter a team via the link on our socials and we'll see you there.

Saturday June 29 following the home game against Woodend it's our iPod Shuffle Night. Enter your song and if its playing when the clock strikes 11:30 you're the winner! These are always good fun nights. When our players were organising their football and netball player events they got their heads together and said 'let's do another one as well as a joint night between the two groups'. This is it. Love that!

On Saturday July 20 after the home game against Romsey it's a big one, forget 'Beyond The Valley', we've got the first ever 'Beyond The Lancefield' bought to you by our netballers. We've had a huge response to this one, tickets are on sale now but given the massive interest we will have to cap numbers, DJ's are booked, doof are sticks compulsory, lots of fun guaranteed. Follow our socials for all the details on this event for what could be the first of a new tradition in Lancefield.

Club Notes

Another magnificent weekend!

The D Grade netballer's started out on Friday night with a trip to Gisborne for a friendly game. Big thank you to Gisborne Gaints and Jenni & Lucas for organising. Great evening had by all. Well done ladies!

On Saturday Kyneton U 19.5s arrived bright and early for their game. Our young lads rolled in in a timely manner. Great display by both teams. Fantastic to see so many come out to support the boys on a beautiful day. So good was the crowd, Stuart's toastiest were all sold within minutes of going on sale while Jess kept the coffees coming for anyone who wanted a nice morning coffee.

Scott did a fabulous job as Ground manager, while Carol kept the scoreboard accurate. On the ground Zac kept the messages coming to the boys in his role as runner. Jack, Ben and Blake kept the boys well hydrated. Rose and Tarsja kept the boys strapped and healthy. Kylie did an excellent job as the team manager. While Matty and Stevie kept the boys on track and gaming a great brand of football. Well done everyone! Amazing how many volunteers we need for just one game.

Thank you to all volunteers, your support and contribution is greatly appreciated!

Today we are off to Lancefield FNC to enjoy some more great games of football and netball.

MELTON WOMEN'S FOOTBALL NETBALL CLUB NOTES

The Bloods Ladies are coming off a nice 3 point win over woodend hesket , the bloods proved to be too strong and too tough for the woodend team causing a bit of an upset in the league tipping and predictions. Captain Jordyn Syme was super proud of her team and Coaches Brett & Josh are excited seeing the structure starting to play out well during games.

This week Melton Bloods look to Friday night footy under lights at Maccy Park where they take on Macedon. Melton will also be hosting ladies day at the club rooms on Saturday.

The Bloods are lucky enough to be celebrating **Alice Masters 200th game** this Friday night, a huge achievement in women's footy. This is what the club have to say about Alice the Camel.

Alices 200th game, we reflect not only on the wins and losses, but on the spirit,

determination, and passion that she has brought to the game. Her passion, leadership, and resilience have inspired us all to reach for new heights and strive for greatness. She has played for numerous clubs bringing leadership and strong values of the game, with achieving representation at the highest levels wearing a big V jersey and bringing home the championship carnival cup. She has played the game with true sportsmanship with teaching the generations to come the passion of the game and making many friendships along the way.

As we witness her step onto this field for the 200th time, let us celebrate not only the goals scored and the victories won but the barriers broken and the boundaries pushed. We are all truly honoured to witness this milestone today. Congratulations Alice.

LIYANGANUK BANYUL WOMEN'S SPORTS CLUB NOTES

After an unexpected week off after Romsey forfeited the Falcons are ready to go - with a few injured and away the Falcs will put their best team forward to represent the Liyanganuk Banyul Falcons!

National Reconciliation Week 2024 - Now more than ever! With permission from local Traditional Custodian Kerri Douglas we have adjusted our club name to the Djaara language - Liyanganuk Banyul Falcons.

We are proudly using this name through National Reconciliation Week - 27 May to 3 June. These dates commemorate two significant milestones in the reconciliation journey - the successful 1967 referendum, and the High Court Mabo decision respectively.

As we come together during Reconciliation Week, let us reflect on the history of this land and the resilience of the Dja Dja Wurrung people regardless of the local massacres, removal from Country and turning their lands upside down

to look for gold. Let's reflect on a community devastated by the recent No campaign to give a voice to Parliament and how that debate has damaged trust in a relationship across the Country. But most importantly let's reflect on the generosity of local Traditional Owners, Elders and Aboriginal people in our shire whom continue to lead our cultural understanding and their healing.

It's easy to change a name and a logo for a week but the Liyanganuk Banyul Falcons understand it is our responsibility to create a just and inclusive society, where Aboriginal and Torres Strait Islander voices are heard and respected.

Together, let us walk the path of healing, understanding, and unity.

The Falcons training session was a family friendly affair playing Mangrook - let's hope the running has paid off.

LANCEFIELD WOMEN'S FOOTBALL NETBALL CLUB NOTES

Last week was a great experience for our girls heading down to Macedon to take on the ladder leaders. This was always going to be a huge ask but also a great opportunity to play and learn and some off some of the best. How good were our girls! You couldn't help but be proud with the way they took the game on in the first quarter, we had a stack of the ball and the excitement among the supporters was high. Macedon showed some real polish as the game went on but our girls still stuck to their structures and game plans. A lot of lesser sides would have fallen away in the last quarter but our mighty Tiger girls finished the game off in the manner they started only losing their last quarter by 2 points. Every week this group surprise everyone with the pace at which they are developing.

This week we take on our friends at Woodend who were our teams historic first ever opponents in round 1. It will be great to see

how both sides have come on since that first game. Best of luck to everyone.

Don't forget all our social functions are coming up. Tonight after our game is the Beer Pong night, grab a friend and enter via the links on our socials.

Saturday June 29 following the home game against Woodend for the men, but the away game at Kyneton for our women, it's our iPod Shuffle Night. Enter your song and if its playing when the clock strikes 11:30 you're the winner!

On Saturday July 20 after the home game for the women against Melton it's a big one. Forget 'Beyond The Valley', we've got the first ever 'Beyond The Lancefield'. We've had a huge response to this one, tickets are on sale now but given the massive interest we will have to cap numbers so get in early!

Go get 'em Tigers!!!

WOODEND-HESKET WOMEN'S FOOTBALL NETBALL CLUB NOTES

Our senior women's team hosted the Melton women at home at Gilbert Gordon for a twilight matchup against a much-strengthened team compared to the one we had taken the points against only 2 rounds earlier due to the quirks of the senior women's fixture that saw us play again so soon.

The Melton team came out strong jumping to an early lead, Kat Bau was a late arrival to the game due to returning from Calder Cannon's duties earlier in the day and we were quickly down to 16 players due to an injury early in the match playing 17/18 for the remainder of the game, the girls fought incredibly hard to even the contest and push forward to claw back the score but ultimately we could not get the job done despite amazing attempts from a number of players late in the game to ultimately fall short by 3 points, congratulations to the Melton team who were well coached on the day to constantly stop our forward attacks.

Preview Round 7:

Looking forward to this week's matchup, again the fixture is playing funny buggers with our girls traveling to Lancefield to play the Tigers who we took the points against recently in round 2 despite not playing some other teams once yet. We are currently missing a number of key players from our squad for numerous reasons so are relying on a number of players to stand up in their absence to ensure we return with the 4 points. I've been really impressed with the early and quick progression of the new Lancefield team this year which appears to be well-coached and play a high-pressure game style, the match-up will be a great challenge but I believe the girls will be more than up for the fight,

GO HAWKS.

Riddell Umpires congratulate all our umpires who are appointed to officiate games over the Vic Metro Junior Interleague Carnival.

Our umpires (just like the players too) work very hard to earn their spot in these games.

The carnival commenced earlier this week on Wednesday night. The carnival will conclude with more games next weekend when our senior competitions take a well-earned break for the King's Birthday long weekend.

Riddell Umpires are still recruiting for season 2024, so message us on our socials or come on down to a training session to find out more and join in. We train on Wednesday nights at Diggers Rest Recreation Reserve from 6pm onwards, and we'd love to see some new faces there!

Special mention to the Gisborne Giants for hosting their first installment of the Mundanai Indigenous Round last Friday night. Pictured below left along with our umpires, are both Gisborne Giants & Romsey Under 19's captains, in their specially designed Indigenous Jumpers, they both looked great.

ROMSEY DENTAL NETBALL PREVIEW

by RDFNL Netball Manager Grace Bibby

Kyneton vs Diggers Rest

Kyneton: Kyneton were wiped off the court against Melton Centrals last week who dominated. Kyneton will need to string some wins together to get themselves back in finals contention. They played their best game in round one but have been struggling ever since.

Diggers Rest: Diggers Rest recorded a surprise win over Riddell last week proving they can match it with the best on a good day. Leona Hristovska and Olivia Marris are their two play makers and continue to create pace and options in attack. Alice Sacco is growing in confidence at goal defence.

Players to watch

Kyneton: Claire Oakley and Magie Payne will be the match up of the game. Both big strong bodies matching up. Neither will shy away from the contest. This will be interesting to watch.

Diggers Rest: See above.

Prediction: *Diggers Rest to make it two in a row.*

Lancefield vs Wallan

Lancefield: After a good performance against Romsey the week prior they were unable to back it up against Macedon. There were lots of turnovers and there wasn't the same conviction and confidence they played with the week before. They are a young group and will no doubt be up for the challenge of playing one of the team to beat this season.

Wallan: Wallan had the bye last weekend but will be still flying full of confidence after they dismantled Woodend Hesket without Maddi Wallmeyer. Wallan have put together a very strong start to the season and will be looking for another big win this weekend.

Players to watch

Lancefield: Karlee Bruno has been a shining light for Lancefield this season and the younger girls and learning from her leadership. She is a cool head under pressure and will need to be this weekend as she comes up against arguably the best mid court in the comp.

Wallan: Jac De Whale has slotted into defence and is working well alongside Georgia Stevenson. While the attacking are going well the defenders are giving them plenty of looks with lots of pressure, intercepts and rebounds.

Prediction: *Wallan to have a strong win.*

Melton Centrals vs Woodend Hesket

Melton Centrals: Melton Centrals have been playing well but they come up against the best defenders in the comp this weekend. The pressure Melton Centrals has been applying was far too great for Kyneton to keep up with. They are young and have a fearless attitude.

Woodend Hesket: Tayissa Coppinger dominated across the court last weekend. Ore often than not feeds were coming from the transverse line and their quick ball movement never gave the Redbacks a chance.

Players to watch

Melton Centrals: Chloe Eyre is continuing her development at senior level and is handling herself well. He will be tested again Coppinger this week.

Woodend Hesket: Tayissa Coppinger dominated Romsey last weekend notching up 10 clean intercepts on her way to our player of the week performance.

Prediction: *Woodend Hesket to win in a close one.*

Romsey vs Macedon

Romsey: Romsey weren't able to provide any kinds of resistance to Woodend Hesket's scoring last week. There were so many long bombs that resulted in their opposition shooting for goal beside the post. Emma Grech was impressive in attack while Emily Miles battled hard in defence despite giving away plenty of height.

Macedon: Macedon were hungry for a win last week against former coach Ciara Stewart and they came to play from the first whistle. This another really winnable game for the Cats who are tarting to play some really good netball after a slow start to the season.

Players to watch

Romsey: Lauren Anglin is leading from the front in the midcourt an will have a good match up on Hayle Birch who is also in good form.

Macedon: Eliza Petherick dominated in attack last week and will be able to again if the supply is up to the task.

Prediction: *Macedon to cause and upset.*

ROMSEY DENTAL NETBALL REPORT

by RDFNL Netball Manager Grace Bibby

Congratulations to all that participated in the 2024 Central West Association Championships.

All teams represented the league well and should be proud of their results.

Our 13 and Under team was our most successful they lost by one goal in

the semi final, a terrific effort by Hope Hamilton, Jesse Stiles and the group of players.

While the 15s narrowly missed out on finals and the 17s recorded a couple of wins for the day it is a great experience for all of the players and coaches.
