# RDFNL Senior Mens Previews

*By Grace Bibby*

**VS**

**VS**

Woodend Hesket came up all guns firing in their senior clash with Melton South last week after a fiery reserves encounter. Woodend Hesket were strong early but they got overran. Wallan on the other hand never looked in the contest as they took on Diggers Rest. Wallan went after some strong players in the off season but some injuries to their big men has seen them come up short. Woodend Hesket will fancy their chances if they are there abouts heading into the last quarter. For Woodend Hesket Marcus Stapleton is seemingly everywhere. He works across to cover the ground and denies teams in defence, send Hawks into attack from the middle and last week finished with four majors. Daniel Toman continues to get plenty of the football with his equally impressive work rate across the ground. For Wallan Matt Perri was the only multiple goal kicker with goals on the day. Pez has found some of his best form this season and could be eyeing off another league goal kicking medal if he has a strong second half of the season. He is currently in fourth. Co Captain Sean Morris is having another good year getting plenty of the football alongside Viani who also played well last week. This is a must win game for Wallan.

Prediction: Wallan to get the job done and stay in touch with the contenders.

Another fantastic match up of two teams who will be wanting to finish the season strong and go deep into finals. Riddell have just the one blemish on the season so far and that came at the hands of Diggers Rest. They were never headed against Lancefield while Romsey had a good start against the Kyneton Tigers and let the four points go begging. Riddell will go into this one as favourites but Romsey have an ability to play well against the better sides in the competition. Bryce Williamson has been putting in the hard yards getting closer and closer to a player of the week performance but each weeks falls agonisingly short. Ben Borg also go plenty of the football against Lancefield while Dean Galea was the usual suspect up forward with four goals. He takes his tally to 31 for the season. Romsey had terrible issues in front of the big sticks last week kicking just seven majors from 28 scoring shots. Rayment did most of the damage in the forward line and Milane and Pertzelt got plenty of the football. They will all need to be at their best this weekend as they take on the bombers who we know finish seasons well.

Prediction: Riddell to get a strong win over a respectable Romsey outfit.

# RDFNL Senior Mens Previews

*By Grace Bibby*

The cross town rivals meet again in front of what we hope is a bumper crowd at Melton Rec Reserve.

When these two teams met early in the season it was still very much the unknown.

After 10 round South look to be up and about while Melton Centrals are just ticking over.

Two players who Melton Centrals would be wishing were still in their colours are the Thorton Gielen brothers Jake and Will.

Jake especially has a great game last weekend as did the skipper Borden Collins who we all thought would be missing through injury. Alex Goodson is the spearhead up forward and he finished with four goals as did Will Thorton Gielen.

For Melton Centrals Jake Armistead played arguably his best game for the season kicking three goals and finished with three goals in a lone hand against the Cats.

Melton South were too strong in their first meeting this season but we hope Centrals can take it up to them second time around.

Prediction: Melton South to be too strong for a trying Melton Centrals.

Diggers Rest are looking the goods in season 2025 don't you worry about that.

Over the off season they got a new coach and new found energy and under Shan Campbell they have looked very impressive. Their only slight blip came when they were terrible undisciplined against Macedon.

Against Wallan they put a big score on the board and cruised to victory thanks largely to Campbell and Lester.

This week they will be without James Walker who is suspended.

For Kyneton they were really late to the party but got the job done against Romsey.

Danny Grmusa is having a fantastic season.

Prediction: Diggers Rest to win after a late challenge for Kyneton.

Macedon did what they needed from a lack lustre affair with Melton Centrals.

Gisborne Giants have had a good taste of senior football and then a break to freshen up for the second half.

Last time they met Gisborne Giants challenged early but the Cats ran away with a good win in the second half.

Charlie Rosseti has been a solid player both in the ruck and up forward for the Cats and was last weeks player of the week.

Matt Quigley has been the standout player for the Giants bit we expect them all to improve as the season goes on.

Prediction: Macedon to win but Giants to bring the margin in from their last meeting.

# TACKLE YOUR FEELINGS

## ‘Be a Champ’

- Tackle Your Feelings ambassador Nathan Buckley and social media larrikins the Shepmates have teamed up to create a humorous video celebrating local football club culture and encouraging players and coaches to help support the mental health of their footy mates
- Watch the video
- As part of the campaign, Tackle Your Feelings is looking to celebrate and recognise those local ‘champs’ who go above and beyond when it comes to investing in mental health
- Being referred to as a ‘champ’ is not always cast in a positive way, so Tackle Your Feelings is looking to reclaim the phrase and spin it around to celebrate these people who often don’t get the recognition they deserve with the role they play at their clubs
- We want players, coaches, committee members, support staff and umpires to be a champ and book their club in for a Tackle Your Feelings workshop
- Clubs can register for a workshop at **tyfo.tackleyourfeelings.org.au/login/**.

Adam Baldwin, Program Manager said: “Clubs are beginning to understand their responsibility to create an environment which supports the mental health of their players. We want clubs to prioritise mental health in the same way they currently do physical health. Tackle Your Feelings is a free program that can help clubs kick-start the development of their own mental health game plan.”

**Book a @tyf\_au workshop today.**

## What is Tackle Your Feelings?

- Tackle Your Feelings is a FREE mental health program for community football/netball clubs
- The program was formed by the AFL Coaches Association, AFL Players’ Association and Zurich Insurance in 2018 following the death of Adelaide coach Phil Walsh
- The program is delivered by a local psychologist and aims to help participants gain the tools to Understand, Recognise and Respond to signs of mental ill-health.
- The program is based on the education delivered to the AFL industry and is led by high-profile player and coach ambassadors
- Since 2019, the TYF program has been delivered to more than 10,000 participants in every Australian state and territory and it’s available to your club in 2024
- Quote from TYF ambassador Nathan Buckley: “It’s an awesome program. It’s so succinct and gives you really good strategies... it’s a really good conversation starter.”

# MELTON BLOODS

## Club Notes

The Bloods had a really hard game in the cold up against Mt.Alexander last week and couldn't get across the line. The Falcons were fierce at home and proved too strong. The final score 35-16.

Melton's best were Pauline Hutchins, Jordyn Syme, Talia Bozinovski, Vivian Lam, Ashley Zahra & Lina Farrugia. Well done girls. Linda Morren and Jordyn Syme were our goal kickers.

We've had some solid nights on the training track with a lot of reflecting and working on where we need to improve in this very even competition.

This week we're back at the Bloodbank as we take on Lancefield at 11:30am. Last time we both played each other it was such a close contest and we'll be expecting the same tough game this week at Macpherson Park.

Another banner this week as Belinda Dolheguy is playing her 50th game Belle has been at the club for a number of years now and is always working hard on and off the field to improve her skills & fitness. We are so lucky to have her partner as our runner and for her and her family to be apart of the Bloods. Congrats on 50 Belle

# WALLAN Club Notes

Massive week for the club last weekend. It began with a strong win for the Club 18s against Darley on Friday. On Saturday we welcomed Diggers Rest. Excellent results in the Netball with four out of five wins. On the football field the Under 19.5s had a great game and a narrow loose, while the Reserves an excellent win against a strong Diggers Reserves team and in the Seniors unfortunately it was not our day.

Congratulations to Amelia Haxby and Georgia Fern on their A Grade debut.

Congratulations to Alex Tomsy on his 200th Club. An outstanding achievement and highly regarded, seeing Alex appointed Reserves captain for 2025. Well done Alex!

Congratulations to Chris Stewart on his 300th Senior game. An amazing achievement and an amazing career. Well done Chris!

This week the Club 18s are away again, at Romsey while everyone else will head to Woodend Heskett. Go Wallan ❤️❤️

# WOODEND - HESKET Club Notes

Round 9 saw us back at Gilbert Gordon Reserve for a competitive day against the Melton South Panthers. While it wasn't a clean sweep, we came away with three strong wins across netball's A, B and C Grades, and plenty of heart shown in all other games. In the Senior Football, it was a real arm wrestle. The boys pushed hard all day, but a few missed opportunities and a strong last quarter from the Panthers saw us narrowly fall short. There were positives to take away – including standout games from Stapo, Tobi Duff Tytler, and our midfield trio of Butler, Duggan and Toman. A special shout out to The Wiz for kicking a goal in his 100th game!

The Reserves had plenty to play for as club stalwart Jesse Sheppard ran out for his 300th game. The boys got around Shep early with a goal in the first quarter, and while Melton South pulled ahead later in the day, it was fantastic to see so many familiar faces back in the mix. Shep even slotted two for the occasion!

Our Under 19.5s continue to battle hard with a young group, boosted by support from the Under 17s. Another five goals from Harrison Bate, and strong games from Ben Gladman and Ethan Azzopardi were highlights.

Netball saw dominant wins from A, B and C Grades – with particular mention to Mackenzie Brown, who notched up her 150th club game. Macca is a midfield machine and an integral part of the team – congratulations! D Grade just fell short in a spirited effort, while our 19 & Unders gained valuable experience against a slick opposition.

# Guiding Growing Minds PD

Join us for a powerful and practical session designed for professionals working with young people.

In this 90-minute professional development session, we'll explore the rising issue of anxiety in young people, unpack the contributing factors, and provide you with clear, actionable strategies to support the children and adolescents you work with.

## Featuring Guest Facilitator: Rebecca Harris

Rebecca is a counsellor, psychotherapist, education consultant, and author with over 20 years of experience supporting young people and those who care for them. A pioneer in trauma-informed educational practice, Rebecca brings a wealth of knowledge drawn from her background in developmental trauma, youth mental health, behaviour and regulation, and inclusive education. She is the author of *Safe to Learn: Embedding Trauma-Informed Student Wellbeing Practices* (2023), a practical guide for understanding behaviour through the lens of trauma and adversity.

In this engaging session, Rebecca will share:

- The latest insights on youth anxiety and resilience
- Practical, trauma-informed strategies for everyday use
- Tools to better support neurodivergent and LGBTIQ+ young people

Join the  
movement

It's lunch time and our partners Macedon Ranges Health have a program they want to share with us all. Vic Kids Eat Well is an exciting new state-wide movement to boost healthy eating in Victoria so kids can thrive. It's working with schools, sports clubs and other community organisations to:

-  Refresh the fridge
-  Switch up the snacks
-  Change up the menu
-  Put the 'fun' into fundraising and marketing

### **What snacks are you eating today?**

# RDFNL Senior Womens Previews

With the womens competition evening up and wins so crucial both teams will be hunting the four points from this contest. Melton fell short to Falcons last week while Lancefield got back on the winners list against Riddell who they have exchanged results with this season. For Melton Syme continues her dominance while Libardi is playing well for Lancefield. Lancefield were really clean with their possession last week and made the most of their opportunities and if they can continue with that form this weekend they will be hard to stop.

**Prediction: Lancefield to get a good win over tough competitions and give themselves some breathing room in second..**

Macedon were too strong for Romsey and Mount alexander were too strong for Melton setting this game up nicely. Last time they met it was a feirce battle that the Cats only just got out on top. Will it be just as close this weekend. Ruby Watts is the Cats superstar while Tash Ross Harris is just as good for the Falcons. They both kick goal and they both use the ball well and get plenty of it. If the coaches are reading this let them go head to head. Give the RDFNL Womens supporters what they want. This is going to be a fantastic game at Tony Clarke Reserve.

**Prediction: Macedon to win in a close one. Mount Alexander to really push the Cats for four quarters.**

Once again with the competition being so open when it comes to the ladder each game is do or die and this one is important for the teams wearing red and black. Riddell looked like they were going to quickly over take any one in their sights but the last few weeks they have come back to the pack. We know when Romsey have their full list they are hard to stop. Mady Brown is becoming a genuine star at football over night. For Romsey Zoe Hardiman continues to be one of many taking her game to new heights in season 2025.

**Prediction: Riddell to get the win and keep everyone on their toes in the RDFNL Womens Competition.**

It has no doubt been a big week behind the scenes at Woodend Hesket as they had to lick their wounds following a player point breach last weekend.

Woodend Hesket gave up the four points for the first time this season following their win against Melton South. Bec Hicks was not going to play when they called upon superstar Akira McCormack who is no stranger to the RDFNL to join the attacking end.

The Hawks will be hoping Akira can fit inside the points cap in the absence of Charli duff Tytler for the remainder of the home and away season.

This weekend they will also be without their key defender.

Wallan had their best win of the season against Diggers Rest and they will be looking to take that momentum into this encounter.

The midcourt battle will be crucial as both ends are stacked.

Laura Carland has quietly been going about her business for the Hawks along side Sarah Duff while Gen Carboon has moved back into centre following the injury to Dakota Lister.

Beth Barry looks set to make her A Grade debut so we wish her the best of luck if she takes the court.

Prediction: Woodend Hesket to win just in a very competitive game from Wallan who will still play their role in making this competition interesting.

This is a must win game for both teams. They currently play finals but I am not sure anyone sees them as a real powerhouse player just yet but a win here could re write the script.

Macedon lost Hetty Donahue to a broken wrist during the week but she has quickly been replaced with Claire Oakley looking set to make her return to the RDFNL.

Oakley was s star for Kyneton last season but has since moved to Springbank in the Central Highlands league and will now share her time between two clubs.

Much like Malia Seumanutafa.

Seumanutafa has played just one game and was arguably the difference as Giants knocked off Riddell.

Last time these two teams met Macedon led early and Gisborne Giants kept coming. It was a fantastic game that went goal for goal until the final siren.

Shooting accuracy on the day cost Macedon but their young goaling duo have been able to mature in a short amount of time and will be looking to overcome that disappointment with a win today.

Prediction: Macedon to get a win despite injuries and a depleted list. This one would have hurt them early in the season and they will be hungry.

There has been nothing but drama between these two clubs since Melton South made their way into the RDFNL.

We hope both teams can put the off field or off court politics behind them and play some strong netball.

Elisa Butterworth Gonebale has played some fantastic netball in recent weeks and Hayley Hill is so good no matter where she plays.

Gloria Kolio was named in the best last week as well.

For Melton South it has been a hard slog this season but they took the four points off Woodend Hesket. It was probably not the result they were after but they will take it none the less. Addison West is a stand out while Bonnie Cottam goes from strength to strength in defence. They just need a strong presence in attack to capitalise some of their hard work.

Prediction: Melton Centrals to win this one just.

While it is hard to see either of these teams playing games like this mean a lot to clubs who re struggling. Games where prior to taking the court you feel like it is going to be competitive and even if you have a lapse you might still be in the contest.

It is no secret both teams have struggled this season.

Diggers Rest and Kyneton have some stars in their line ups but they just dont have all the links in the chain yet but they are building. Hristovska, Cannon and Robertson were the three best players for Diggers Rest last weekend as they went down to Wallan. For Kyneton Anglin was one shining light. Tilly Shepherd spent some time on the bench fir the first time this season and we hop she is just being managed and not suffering any injury. Prediction: This game should be really close and hopefully both teams can take some confidence out of it but I think Diggers REst will win in a close one.

Riddell have been pretty up and down this season falling short to Giants and then easily accounting for Lancefield.

Romsey on the other hand have beaten everyone below them but just cant get the scalp of a higher ranked team.

Ellen Close has been in some fantastic form in goals while Finn McKeagney Stubbs is never far from a great game.

Bec Colwell hasnt played a lot of court time in recent weeks but if she does play she will be a tough match up for Josie Lepore.

Prediction: Riddell to be too strong in this one.
