by Football Operations Cameron Pope

“Your Actions, Their Game” with the aim to help “Shape Finals Football Environments”. Some of the key outcomes we hope to get from this webinar are below:

Walk away with a ‘charter’ of what they as a team and club are going to do in the final part of the season.

Ensuring that coaches provide a positive experience for ALL players who participate in finals regardless of scoreboard outcome.

Provide an Umpires perspective on the field and how that differs from a coaches/parents position

Ensuring we as Coaches are supporting an Umpires finals experience

This workshop will be aiming to help aid retention of both players and umpires following the conclusion of the season, heading towards 2026.

# RDFNL Senior Mens Previews

*By Grace Bibby*

It is a tough few weeks for Romsey Redbacks as they take on Riddell and follow it up with Diggers Rest. Romsey went down by almost ten goals to last years premiers and they will have to turn their form around quickly to hold of the Burras.

The positive for Romsey is they seemingly play some of their best football against Diggers Rest and these games are often closer than their ladder position suggests. Lockens and Jedwab combined for five goals last week while Wilson and Rayment racked up plenty of the football.

Fr Diggers Rest their slick start to the year continued with a win over Kyneton.

Kyneton challenged for three quarters but when the game was on the line Diggers Rest were able to find another gear and came home with a wet sail. Browne and Wearne were the major ball winners but each week it is someone else putting their hand up for the Burra. They have so much depth and do not rely on one person or player any given week.

**Prediction: Hard to see the ladder leaders losing this one. Diggers Rest to win.**

It has been a long season for both of these clubs with limited success but this is an exciting match up for all RDFNL supporters and especially these two clubs.

While they would be hopeful of more wins they would have an understanding of where they are both currently sitting. For both teams they have been led by a couple of superstars each weekend but their depth is lacking.

Melton Centrals would have been disappointed in their dismantling at the hands of South.

Giants on the other hand were in the contest early against Macedon but fell away.

A key player for Melton Centrals is Jake Armistead, who has been in red hot form in recent weeks and for Gisborne Giants Matt Quigley has no issues finding the football each week.

Melton Centrals are always tough on the inside but if Giants can get the ball on the outside and use their pace this is a big moment for their young list.

**Prediction: Melton Centrals to get the four points.**

# RDFNL Senior Mens Previews

By Grace Bibby

Wallan were able to account for Woodend Hesket last week where Kyneton went down to Diggers Rest but the form they take into this contest is pretty close. Wallan are missing Chris Stewart to injury and if Cameron Cloke isn't available and Jake Carlisle is playing in the ruck they will not have the same potency we have come to expect.

Kyneton looked really good for three quarters against Diggers Rest and led in the third term but they didn't have the staying power to stay with the Burra late. Cloke has kicked a bag each week he has played and will be a tough match up while for Tigers Nolte and Ryan are sharing the load up forward. Danny Grmusa is also a player to watch.

**Prediction: Kyneton to defeat Wallan and stay in touch with finals in 2025.**

Lancefield had the bye last weekend and will be looking to charge in the second half of the season.

It has been a tough run for Lancefield who are stuck in the middle of a pattern where it is hard to recruit because of a lack of success but they do not have a playing list that is competitive for four quarters.

For Macedon it is good to see some of their big name players such as Matt Dick and Jason Cooke finding their straps. The ruck dual will be a good watch with Lancefield Zac O'Halloran a good player taking on Charlie Rossetti who is in good form.

**Prediction: Macedon to be too strong for the Tigers.**

Melton South will fancy their chances in this one on the back of some red hot form and Riddell with a few injury concerns.

It is easy to forget just how far Melton South have come in a short time and the recruiting of Sam Darley and Marlion Pickett have had a huge impact. Pickett was the player of the week last week.

Riddell will not want to get caught napping to start the first at Melton Rec Reserve.

**Prediction: Riddell to be challenged clench a win.**

# TACKLE YOUR FEELINGS

## ‘Be a Champ’

- Tackle Your Feelings ambassador Nathan Buckley and social media larrikins the Shepmates have teamed up to create a humorous video celebrating local football club culture and encouraging players and coaches to help support the mental health of their footy mates
- Watch the video
- As part of the campaign, Tackle Your Feelings is looking to celebrate and recognise those local ‘champs’ who go above and beyond when it comes to investing in mental health
- Being referred to as a ‘champ’ is not always cast in a positive way, so Tackle Your Feelings is looking to reclaim the phrase and spin it around to celebrate these people who often don’t get the recognition they deserve with the role they play at their clubs
- We want players, coaches, committee members, support staff and umpires to be a champ and book their club in for a Tackle Your Feelings workshop
- Clubs can register for a workshop at **tyfo.tackleyourfeelings.org.au/login/**.

Adam Baldwin, Program Manager said: “Clubs are beginning to understand their responsibility to create an environment which supports the mental health of their players. We want clubs to prioritise mental health in the same way they currently do physical health. Tackle Your Feelings is a free program that can help clubs kick-start the development of their own mental health game plan.”

**Book a @tyf\_au workshop today.**

## What is Tackle Your Feelings?

- Tackle Your Feelings is a FREE mental health program for community football/netball clubs
- The program was formed by the AFL Coaches Association, AFL Players’ Association and Zurich Insurance in 2018 following the death of Adelaide coach Phil Walsh
- The program is delivered by a local psychologist and aims to help participants gain the tools to Understand, Recognise and Respond to signs of mental ill-health.
- The program is based on the education delivered to the AFL industry and is led by high-profile player and coach ambassadors
- Since 2019, the TYF program has been delivered to more than 10,000 participants in every Australian state and territory and it’s available to your club in 2024
- Quote from TYF ambassador Nathan Buckley: “It’s an awesome program. It’s so succinct and gives you really good strategies... it’s a really good conversation starter.”

## Club Notes

Giants were met with a brisk day when we headed up to Macedon last weekend for their indigenous round. Giants took home the chocolates in the netball winning the A grade, C grade, D grade and 19 & Under, with Macedon winning B grade. Across on the footy field, Macedon took home all 3 games.

We welcome Melton Centrals for the first time to the Macedon Ranges Sports Precinct.

Tonight we have our Wimbledon table tennis tournament. Please see the below link to register:

This week we're thanking sponsors New Gisborne Dental House, L O'Grady Constructions and Gisborne Golf Club. Thank you to all of our sponsors for your generous support of the Gisborne Giants.

We're refreshed after having the double bye and looking forward to travelling to local rivals Macedon for some competitive games on the footy field and netball court this weekend. Well done to Macedon & the RDFNL for a huge coordination effort with their indigenous round.

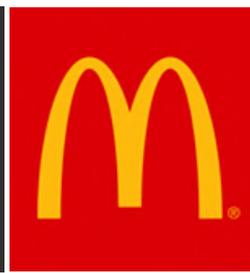

Congratulations to all the young Giants who have represented the RDFNL in both football and netball interleague over the last few weeks.

### LADIES DAY...

We're really proud of the contribution women make, not just to our club, but to our community as well, so we want to celebrate them in a big way. Get ready for one of the great Ladies Days at our home game today. Winter has set in so we're celebrating it with a Winter Wonderland theme in our marquee. You'll be treated to a gourmet grazing table and canapés while enjoying a complimentary cocktail on arrival in your own take home souvenir glass. You'll hear from our special guest speaker for the day Australia's former women's cricket captain and ICC Women's Cricketer of the Year Karen Rolton. We'll keep the good vibes going with \$6 cocktails through the day and a DJ will keep things buzzing. We'll have raffles, prizes and good times as you celebrate, mingle and network in our Winter Wonderland with the amazing women of Lancefield. Dress is 'Winter Chic', think cosy meets classy, the day starts at 3pm sharp after our women's footballers and netballers show their stuff. Tickets are just \$50, check out the QR code or Try Booking link that is on our socials for tickets and we'll see you there for a great day.

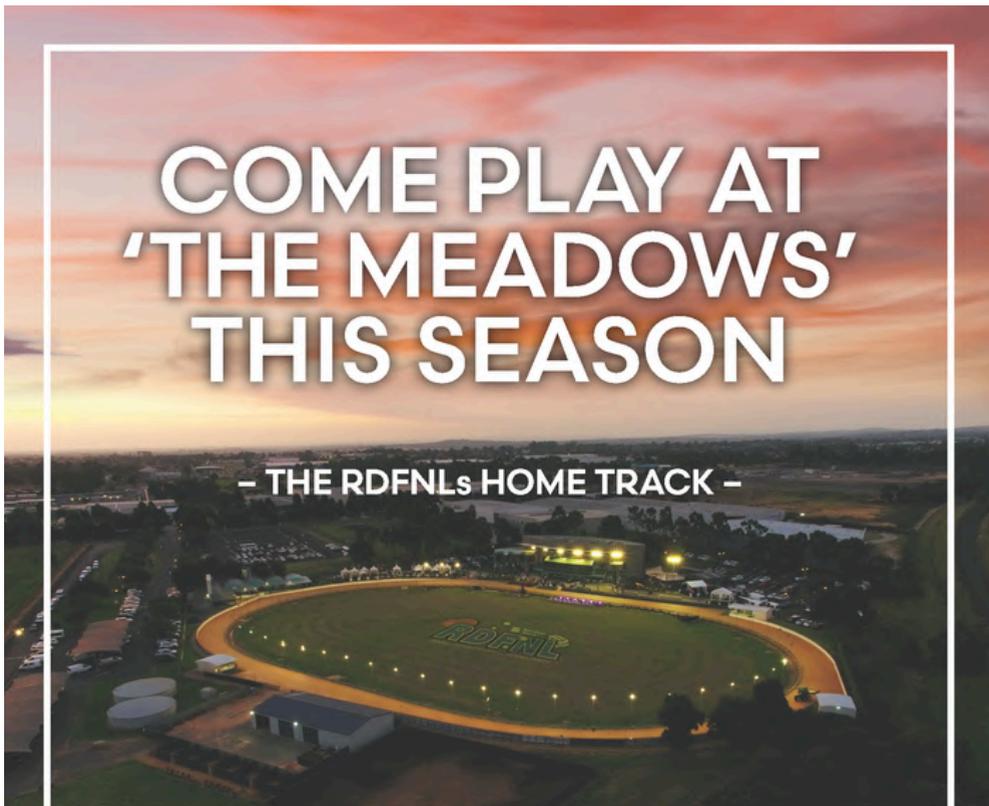

### AUSKICK...

Ross Moloney and Andrew Hall do a great job running the Lancefield Auskick program setting everything up each cold Saturday morning in preparation for the stars of the future. Today is their last day of the season so we are going to celebrate them. In collaboration with our Ladies Day, they'll be buddied up with a player from our women's team and do the warmup with our team before the game. At half time of the women's game this morning they'll play an exhibition game to show the skills they have learnt through this season. We're really looking forward to having them join our women's team on this special day.

## *Club Notes*

In the footy world, the U19s kicked the day off with a solid win. After a dominant start, Macedon let the Giants sneak back into the contest in the second quarter –but quickly hit the reset button to run out comfortable 30-point winners. Gus

“The Bus” Lynch was unstoppable, despite being closer to 30 than 19. Fin Burnell was also strong, stepping up with Tate on the sidelines. Judging by Tate’s post-game dancefloor, the injury clearly didn’t affect his moves. The Reserves kept the party rolling with a 40-point demolition job. Jarrod “Bully” Bulluss turned on the jets, and Jack Lord was right on his heels—not bad for someone rumoured to spend the off-season wrestling on trestle tables WWE-style. Locky Ireland caught the eye with a silky fend-off and a beautiful hit-up inside 50. Big things coming. The seniors continued the victories with an 80-point thumping. Matthew Dick was pure class off half-back, delivering with precision and polish all afternoon. The Giants were gutsy until half-time, but Macedon slammed the foot down in the second half and never looked back.

Jason Cooke did Jason Cooke things—slotting six straight and reminding everyone why defenders have nightmares about him. Word is, his old man Mark still has more functioning hamstrings. Rounding out the day, our Women continued their undefeated streak. Winning by 86 points, headlined by 6 majors from Taya Konias. We now sit 9 wins 0 losses, 4 games clear on top of the ladder. Unlike the football field, the netball court did not quite go our way. The U19 girls suffered another loss, going down 18 – 43. Audrey MacDonald was the standout player, shooting 11 goals. The D Grade we lost 11 – 43, however, the girls’ spirit is still well and truly alive! In the C Grade we were up against the top of the ladder team. We lost by 11 goals, however it was a resilient match and an improvement on the last time we met. Allira and Lauren were our best players, keeping the pressure on the Giants all match. In the B Grade was where we found our only win on the court, going up 48 – 36. Eliza Petherick continued her dominance, shooting 25 goals at 97%, despite being double teamed. Wrapping up the day, we lost a close one (again!) in the A Grade going down by two goals. Claire and Chloe split an even share of the goals shooting 17 and 16 respectfully.

This week we travel to Lancefield to take them on in what should be another great day of netball and football.

# MELTON BLOODS

## *Club Notes*

The Bloods have felt a bit of a mid season slump and have lost the last few games. Lancefield proved too strong for us and we left our run home too late with a mini surge in the last quarter, the final score being 24 - 56

In our best for Round 10 were Vivian Lam, Rebecca Dantonio, Danielle Rocznik, Lina Farrugia, Piper Ryan & Indiana Girgis congratulations ladies on a great game played. Our goal kickers for the game were Linda kicking 2 and Pauline & Vivian kicking a goal each.

Unfortunately in round 9 Kandise Mallinson injured her knee which has since been confirmed to be an ACL, MCL & meniscus injury. We are absolutely devastated losing one of our best players and a key figure in our leadership team. Kandise still continues to support the team at every single game and training which we are so grateful for, we wish her all the best in her recovery and will be by her side every step of the way

This week we head up to Riddell for some Friday Night footy with a 7:30pm bounce. We know how tough and close these games are after winning by only 1 point last time we met. It will be a cold hard game of footy for both teams.

We are lucky to be celebrating Ash Zahra's 50th game this week. Ash joined the team this season and was quickly introduced to the leadership team. Ash provides great feedback and direction to the team and has proven to be one of our best defenders, despite her injury this year she continues to push herself and involve herself in the hard contests. We are so lucky to have her at the Bloods and know she will have a great game as always.

Congratulations on 50 Ash

## WALLAN *Club Notes*

Another huge week for the club. We had the pleasure of travelling to Woodend on Saturday and enjoying Woodend Heskett's wonderful new netball facilities.

The footballers had a good weekend with a good win for the Club 18s on Friday night at Romsey. Great to see the boys helping out Romsey who were a little short on numbers on the night. Wonderful atmosphere with the Romsey Auskick presentation night and RDFNL junior netball games all happening.

Our Under 19.5s put in a great effort to secure their second win of the season in a very competitive game. On the netball courts the Netballers really enjoyed the new facilities with B Grade securing a good win with Kirrily Gilchrist as the stand in coach for the day.

The biggest congratulations goes to Stevie Bell. Stevie has now raised \$40,547 in total over the 11 years for MND and \$3,545 for the Big Freeze Campaign. ❄️❄️

This weekend the Club 18 will enjoy a bye while we will welcome Kyneton FNC to Greenhill Reserve for some big games of football and netball.

Go Wallan ❤️👊❤️

Join the  
movement

It's lunch time and our partners Macedon Ranges Health have a program they want to share with us all. Vic Kids Eat Well is an exciting new state-wide movement to boost healthy eating in Victoria so kids can thrive. It's working with schools, sports clubs and other community organisations to:

-  Refresh the fridge
-  Switch up the snacks
-  Change up the menu
-  Put the 'fun' into fundraising and marketing

### **What snacks are you eating today?**

Riddell made a statement with a dominant win over Romsey, holding them goalless and building valuable percentage. Melton dropped to fourth following their loss to Lancefield and will be desperate to get back on the winners list this weekend.

Melton Bloods can feel they are in a form slump and this will be a win they are desperate for. Ruby Taranto is a key player for the Bombers in the forward line while Mariam Habib played a strong game last weekend having 28 touches and 13 ranking points. Vivian Lam has played three games this season for Bloods and been in the best each time.

**Prediction: Riddell to win in a contested four quarter game.**

Romsey will be looking to put their last game behind them after a goal less loss to Riddell soured what has been a strong start to the season. Romsey have shown improvements in many areas but nothing went there way last week. Mount Alexander were also dealt a tough loss at the hands of Macedon.

For Romsey Kassinidis and Brundell were two of the better performers while for Mount Alexander Ross Harris continued the dominance and Baldwin also impressed.

Both teams can be hit and miss based on who is playing and the depth they have in their line up. At full strength this would be a fantastic contest.

**Prediction: Romsey to win just.**

It was all one-way traffic as Macedon stormed past Mount Alexander. A second-quarter blitz set up the 80-point win as the Cats extended their unbeaten streak to nine games, now sitting four wins clear atop the ladder.

Lancefield took control early and never looked back, limiting Melton's scoring and capitalising with 16 scoring shots. The win catapults Lancefield into second spot, making for a mouth watering contest this weekend. Some key players in the match up will be Ruby Watts and Brianna Woodburn for Macedon and Abbie Sarginson and Alice Bromley for Lancefield.

**Prediction: Macedon to win in a close one. Lancefield to have their chances throughou the four quarters.**

# NETBALL MANAERS REPORT

## by General Manager Operations Grace Bibby

Burnout is real especially if you're an administrator, volunteer or a coach. Administrators, volunteers and coaches understand the 'can't wait for the season to be over' feeling. Sorry everyone else.

I am hoping everyone enjoyed the long weekend and is ready to hit the second half of the season head on with a positive outlook.

The old 'buck stops with us' for results, organising and special requests can be extremely draining.

How can we start preparing for weeks in advance and how do we prevent repeating this same feeling or burning out year after year?

I've got a few tips you might like to try:

1. Say no. If you've been asked to Coach more than one team....think again. Ask yourself, can I give 100% to more than one team? Whatever the outcome, be measured in your answer for 'yes' I can Coach two teams or 'no', I can only Coach one team

2. Organise an amazing Manager. This is one of the best decisions you'll make. Ask someone who is prepared to go above and beyond to make sure all those little things which can end up being huge things are attended to

3. If you are a coach prepare your sessions. Before the season even starts map out your sessions. Eg if you only have one hour per week, then introduce skills that builds the individual and creates a skilled team.

4. If you are an administrator map out your

season. What needs to be done at the end of the year that can be in progress during the year, what needs to happen on Saturday/Sunday that I can knock over early in the week.

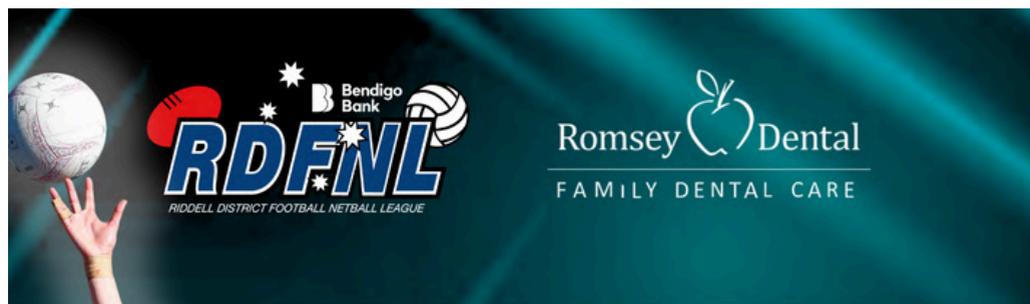

5. Introduce a Facebook page or WhatsApp for communication with parents/players depending on the age of the players. The more that can be communicated to a group the more time you will save.

6. Upskill. If there are Coach Education Courses on offer, sign up. Point of difference between Coaches that want to improve and those who are babysitting can be in acquiring knowledge. Coach Education is empowering and brings new energy into your Coaching world

7. Control what you can control. If you can't change the outcome don't let it change you. Things are always going to happen outside of your control sometimes it is easier to just go with it than fight it. If you choose to fight it what are you getting out of it?

8. Be kind to yourself. Yes, it's a privilege to Coach players, to be involved in sport but, hey, pat yourself on the back because it is a privilege for them to be Coached by you and for them to turn up each week with equipment, umpires and scorers.

We are now reaching the mid-way point of the season and it is a great time to sit back, watch the smiles on everyone's faces and know you played a part in community sport in 2023.

If form is anything to go by this one should be a close contest. Neither team have set the court alight yet this year but there have been strong glimpses by both teams. Romsey will be bolstered by some returning players in the form of Casey Lashford who played in 2023 and Abbie Barnes who also returns to the club. Sophie Capparelli was the red backs best last weekend stepping up in goal keeper. For Diggers Rest they have had many injuries this season. Their defenders are keeping them in the game with Alice Sacco, Lexie Lischke and Anica Scherer all in the best last weekend as they lost to Kyneton. Diggers Rest are a proud club and the loss last weekend would have hurt. They will be wanting to put their best foot forward this week and start working on a platform to build on in 2026. **Prediction: Romsey should win this one but anything is possible when you have nothing to lose as Diggers Rest do.**

Gisborne Giants will be full of confidence after a narrow win over Macedon for the second time this season. Both times they have been forced to come from behind and have been able to take the four points. Emma Vitalone played well and Jade Fisher was close to a player of the week for her work in the mid court. Melton Centrals recorded a strong win over Melton South. Imogen Sexton is having a break out season in the RDFNL and has shown she has what it takes at this level. With all the controversies and an injury to Lethlean Sexton has been a shining light this season. Congratulations to Elissa Butterworth Gonebale who is also playing well and was recently selected in the first nations Netball Victoria team. Other players selected included Manon Muir and Mia Williams. Avan Hobson and Malia Seumanutafa will be the match up to watch. **Prediction: Gisborne giants to be too strong in this contest.**

Both these teams are in reasonable form despite coming off different results. Wallan stuck with Woodend Hesket while Kyneton were far too good for Diggers Rest.

Tilly Shepherd was the player of the week with an incredible 15 intercepts and 16s deflections in one of the more incredible displays of netball I have seen.

Wallan will have to be mindful of Shepherds ability to read the play from Goal Keeper and take their time getting the ball to circle edge.

Gen Carboon will be crucial to Wallan taking the four points from this one.

**Prediction: Wallan to win and keep their finals ambitions alive.**

Both of these teams have been let down by player unavailability and injuries this season.

Last week Clair Oakley made her debut not in the league but for a new club in Macedon.

It was a tough start for Oakley in windy conditions but she was finding form before she had to run to another game at half time.

Caitlin Alrifraco did her best.

For Lancefield they come into this one on the back of the bye.

We know they are having some issues on court and it will be interesting to see who takes the court come 1m.

Quick shout out to Chelsea Kemp we cant wait to see you back on court!

**Prediction: Macedon to win as Lancefield cover some big personel losses.**

Melton South won't be too hopeful heading into this contest but without Ellen Close and Lauren Nolan they may shock us all.

Riddell have been the stronger of the two teams all season long and with the likes of Mady Brown and Finn McKeagney Stubbs its hard to see South taking the points from this one.

For South Addison West is important as is Bonnie Cottom.

**Prediction: Riddell to win this one comfortably.**
