VS

VS

Woodend-Hesket returns from the bye with fresh legs and a hunger to turn close contests into victories. Despite recording just two wins for the season, the Hawks have been no easy beats, showing glimpses of strong form across all lines—what they need now is consistency over four quarters.

Kyneton, meanwhile, are eyeing a return to the winners list after falling to Wallan by six goals in Round 11. With six wins under their belt, the Tigers are well in the finals hunt, and a win here is crucial to keeping a buffer between themselves and the teams sitting just outside the top six. On paper, Kyneton holds the advantage and should get the job done at home. But if Woodend-Hesket can maintain intensity from siren to siren, an upset isn't out of the question.

Danny Grmusa and Daniel Toman will be an interesting match up in the middle of the ground for their respective teams.

Prediction: Kyneton to get the job done and remain in reach of finals.

Romsey will be keen to steady the ship after a tough loss to top-of-the-table Diggers Rest at home last week. Sitting just half a game behind Macedon, the Redbacks know that dropping any points from here risks falling out of finals contention. A win for Romsey and a loss to Macedon will have the Redbacks in the top 6 so expect them to come out at the opening siren red hot.

Standing in their way is the Gisborne Giants who snatched victory from the jaws of defeat last week by kicking 7 final quarter goals and sealing a thrilling win over Melton Centrals with a goal after the siren. The Giants haven't had a lot to cheer about in 2025, but moments like that can be just the morale booster the Giants need if they want to run out of Romsey with the 4 points. The Giants have shown that their best football puts wins on the board, so unlike last week, they will need to be at their best for 4 quarters.

Prediction: Tight first half, but Romsey break away in the second half and get it done by 50 points

RDFNL Senior Mens Previews

By Cameron Pope

Macedon notched up a solid win over Lancefield last week, but a return of 15.23 from 38 scoring shots suggests they left plenty out on the park. Currently sitting in sixth and just half a game in the top 6, Macedon can't afford to waste chances if they're to match it with the Bombers.

Riddell continue on their merry way towards finals with them currently on a five-game winning streak that has them just half a game shy of top spot. A well-drilled and consistent outfit, Riddell play four quarters of good footy week in and week out and already proved too strong for Macedon back in Round 1, winning that encounter by six goals.

Expecting a similar outcome to that of round 1.

Prediction: Riddell to get a comfortable win over the Cats.

The undefeated Diggers Rest outfit continues to set the benchmark in 2025. Their Round 1 demolition of Melton South

by 10 goals set the tone for the year, and the Burras haven't looked back since. But Melton South are a very different side now. Sitting third on the ladder, they've added serious firepower in Marlion Pickett and Sam Darley. That injection of experience and class has helped shape the Panthers into a legitimate threat. This shapes as the match of the round. If Melton South's top-end talent fires, they could push the ladder leaders. But Diggers' structured, disciplined brand of football remains hard to crack.

Prediction: Diggers Rest to record second win over the Panthers.

Neither side has had much to celebrate in 2025 with both sides combining for 1 win and 18 losses, but that doesn't take away from what this match represents—heart, pride, and the chance to lift the spirits of their football community.

Melton Centrals suffered a heartbreaking loss last week after a goal after the siren sunk them. Lancefield, meanwhile, continue to search for their first win of the year and will be eyeing this clash as a real opportunity to break the drought.

Prediction: Melton Centrals to win.

TACKLE YOUR FEELINGS

‘Be a Champ’

- Tackle Your Feelings ambassador Nathan Buckley and social media larrikins the Shepmates have teamed up to create a humorous video celebrating local football club culture and encouraging players and coaches to help support the mental health of their footy mates
- Watch the video
- As part of the campaign, Tackle Your Feelings is looking to celebrate and recognise those local ‘champs’ who go above and beyond when it comes to investing in mental health
- Being referred to as a ‘champ’ is not always cast in a positive way, so Tackle Your Feelings is looking to reclaim the phrase and spin it around to celebrate these people who often don’t get the recognition they deserve with the role they play at their clubs
- We want players, coaches, committee members, support staff and umpires to be a champ and book their club in for a Tackle Your Feelings workshop
- Clubs can register for a workshop at **tyfo.tackleyourfeelings.org.au/login/**.

Adam Baldwin, Program Manager said: “Clubs are beginning to understand their responsibility to create an environment which supports the mental health of their players. We want clubs to prioritise mental health in the same way they currently do physical health. Tackle Your Feelings is a free program that can help clubs kick-start the development of their own mental health game plan.”

Book a @tyf_au workshop today.

What is Tackle Your Feelings?

- Tackle Your Feelings is a FREE mental health program for community football/netball clubs
- The program was formed by the AFL Coaches Association, AFL Players’ Association and Zurich Insurance in 2018 following the death of Adelaide coach Phil Walsh
- The program is delivered by a local psychologist and aims to help participants gain the tools to Understand, Recognise and Respond to signs of mental ill-health.
- The program is based on the education delivered to the AFL industry and is led by high-profile player and coach ambassadors
- Since 2019, the TYF program has been delivered to more than 10,000 participants in every Australian state and territory and it’s available to your club in 2024
- Quote from TYF ambassador Nathan Buckley: “It’s an awesome program. It’s so succinct and gives you really good strategies... it’s a really good conversation starter.”

Club Notes

This week we are thanking our sponsors Bee Smart Driving School, Calderlink & Strikon for all of their support in season 2025.

What a game last weekend, with our senior footballers recording their 2nd victory for the season, this time over Melton Centrals with an after the siren goal from Sam Van Taarling. We started slow, but worked our way back into the contest before a shoot out in the last quarter. Our Reserves also recorded a great win in a memorable day on the footy field.

Our netballers also had a great day out, winning A grade, C grade & D grade, while Centrals had wins in B & U19's.

Well done to our social committee lead by Brad Mangan for organising our Wimbledon night last weekend. Congratulations to our winners Lauren & Logan pictured.

This week we look forward to heading over to Romsey Park, Go Giants!

LANCEFIELD

Club Notes

Thanks to everyone who joined us for a great day celebrating the women of Lancefield and their amazing contribution, on and off field, to our club. We wouldn't be here without them. Thank you for all you have done and continue to do. The day was topped off by our special guest, Karen Rolton, one of our greatest Australian cricketers, what a story she has and a wonderful person as well who shared her time so generously afterwards. A big thanks to everyone who did so much work behind the scenes to put this special event together and to our generous donors who supported the day.

Great to have our mighty Lancefield Auskickers joining our women's team for their final session last Saturday. They joined in for the pre game warm up, played a game at half time and then cheered the girls back on to the field at half time with big smiles and heaps of enthusiasm. If you've got a little one don't miss your chance to join in Lancefield Auskick when it resumes next season.

Good luck to all our sides today with the men's football and netball heading to Melton Central while the women's footy head to Mount Alexander. The men's footy is a big one with the winning team getting to sing the theme song for the first time, Melton's sole win coming after a player breach disqualification in the days following the game and a heart breaking after the siren loss last week, while Lancefield led for a good part of the day against Macedon last week before getting run over. Good luck to both sides. In netball it's a chance for the A grade side to get back into the winners circle after a narrow loss to the Cats last week and before their crucial match next week against the Giants. In the women's footy the girls will be keen to make amends for their loss against the Falcon's last time where they led all night before being run over in the last quarter. They are in a real battle with Riddell and Melton for that 2nd spot on the ladder and no-one can afford to drop a game with only 3 games left after this week.

MELTON BLOODS

Club Notes

We had a very hard game under Friday nights at Riddell last week. Having multiple players go down with injuries in the first quarter, it was a gallant effort by the whole team to push through, keep flying the flag and to never give up. Riddell were too good for the Bloods in the end with the final scoreline being 68 - 13.

The best players named for Round 11 were Jordyn Syme, Pauline Hutchins, Vivian Lam, Helen Hutchins, Danielle Rocznik and Indiana Girgis. Great work girls. Both Pauline Hutchins & Shontaine Barker booted a goal each for the Bloods.

We had some big injuries to both Piper Ryan and Linda Morren who both put their bodies on the line each week. Their tough efforts never go unnoticed and we wish them a speedy recovery. We'll get around them and know they'll still be with us helping and supporting us each week until they're back.

This week we head up to Romsey again for a Friday Night match for a 7:30pm bounce. Romsey continue to improve and we'll have a big task ahead of us to overcome the Redbacks on their home deck.

WALLAN Club Notes

Another big week for the Wallan Football Netball Club. We welcomed the Kyneton FNC to Greenhill reserve. The weather was perfect for football and netball, no rain and only a slight breeze at times. Wallan enjoyed some very good results with both the Seniors and Reserves getting wins, while the Under 19.5s continue to work hard both on and off the field with another win likely to come soon. On the netball court the 19 & Unders, B & C grade had good wins. A Grade didn't have their best day and Kyneton enjoyed a good win. The D Grade team didn't get a win but continue to improve and develop, and scored their highest game score for the season to date.

Casey Nelson made his senior debut and Chloe Head and Erin Pearse made their A Grade debut, all acquitting themselves very well. Lachlan Inness produced another fantastic game in his 100th Club game.

This week most of us we will enjoy a break with the bye, except for the Club 18s who play Eynesbury on Friday night. Good luck to all teams playing this weekend.

RDFNL Senior Womens Previews

By Cameron Pope

The phrase "flip a coin" has never rung truer than it does in the senior women's fixture—and this clash is another perfect example. Romsey enter Round 12 with momentum after a strong win over Mount Alexander, while Melton will be eager to respond after a heavy defeat to Riddell.

This will be the third meeting between the two sides this season, with the head-to-head record locked at one win apiece. Melton claimed a 19-point win in Round 2, while Romsey struck back in Round 8 with a tight 3-point victory. Expect another tight battle.

Prediction: Romsey by 10 points

Prediction: Romsey to win in a close one.

Mount Alexander are searching for form after back-to-back losses and currently sit at the bottom of the ladder on percentage. Finals are still within reach, but they'll need to rediscover the grit and polish they showed earlier in the season.

Lancefield, equal second on the ladder, will be looking to bounce back after a disappointing goalless performance against Macedon. Their earlier meetings with Mount Alexander have both gone down to the wire, with Lancefield winning by 7 points in Round 3 and Mt Alexander returning the favour by a goal in Round 6.

Expect another arm wrestle, but Lancefield's defensive strength might prove the difference.

Prediction: Lancefield just.

It's 1st vs 2nd in what looms as the marquee matchup of the round. Macedon have been nothing short of dominant in 2025, entering this clash undefeated with a perfect 10-0 record. A win here secures them the minor premiership.

Riddell, while sitting second, are five games behind and will be out to prove they've narrowed the gap since these teams last met. That earlier contest ended in a comprehensive Macedon victory, with Riddell unable to hit the scoreboard. While Riddell are expected to show more this time around, Macedon's class, structure and consistency should once again shine through.

Prediction: Macedon to win in a close one. Riddell are desperate for this scalp.

NETBALL MANAERS REPORT

by General Manager Operations Grace Bibby

Burnout is real especially if you're an administrator, volunteer or a coach. Administrations, volunteers and coaches understand the 'can't wait for the season to be over' feeling. Sorry everyone else.

I am hoping everyone enjoyed the long weekend and is ready to hit the second half of the season head on with a positive outlook.

The old 'buck stops with us' for results, organising and special requests can be extremely draining.

How can we start preparing for weeks in advance and how do we prevent repeating this same feeling or burning out year after year?

I've got a few tips you might like to try:

1. Say no. If you've been asked to Coach more than one team....think again. Ask yourself, can I give 100% to more than one team? Whatever the outcome, be measured in your answer for 'yes' I can Coach two teams or 'no', I can only Coach one team

2. Organise an amazing Manager. This is one of the best decisions you'll make. Ask someone who is prepared to go above and beyond to make sure all those little things which can end up being huge things are attended to

3. If you are a coach prepare your sessions. Before the season even starts map out your sessions. Eg if you only have one hour per week, then introduce skills that builds the individual and creates a skilled team.

4. If you are an administrator map out your

season. What needs to be done at the end of the year that can be in progress during the year, what needs to happen on Saturday/Sunday that I can knock over early in the week.

5. Introduce a Facebook page or WhatsApp for communication with parents/players depending on the age of the players. The more that can be communicated to a group the more time you will save.

6. Upskill. If there are Coach Education Courses on offer, sign up. Point of difference between Coaches that want to improve and those who are babysitting can be in acquiring knowledge. Coach Education is empowering and brings new energy into your Coaching world

7. Control what you can control. If you can't change the outcome don't let it change you. Things are always going to happen outside of your control sometimes it is easier to just go with it than fight it. If you choose to fight it what are you getting out of it?

8. Be kind to yourself. Yes, it's a privilege to Coach players, to be involved in sport but, hey, pat yourself on the back because it is a privilege for them to be Coached by you and for them to turn up each week with equipment, umpires and scorers.

We are now reaching the mid-way point of the season and it is a great time to sit back, watch the smiles on everyone's faces and know you played a part in community sport in 2023.

CONGRATULATIONS COMMUNITY COACH

Kyneton have hit their best form at the right end of the season. Under new coach David O'Hare the Tigers are starting to get on a bit of a role. Their best win this season came last week on the back of a big win over Wallan. Tilly Shepherd is having another fantastic year but it was her defensive partner Laura Bennie who stepped up last week and down the attacking end Matilda Candy played one of her best games in the RDFNL. They will need to be every bit as good this weekend when they take on Woodend Hesket. They have beaten Woodend Hesket before though and will be hopeful of doing it again this weekend. Woodend Hesket will be without a few of their guns so if they were ever a chance it is this weekend.

Prediction: Woodend Hesket to win in a close one. Woodend Hesket will be challenged and that will give everyone confidence that they are gettable.

Both these teams had fantastic wins last weekend. Romsey destroyed a below standard Diggers Rest who are having some issues when it comes to getting their best team on court. Romsey welcomed back some new and returning faces to their line up including Casey Lashford from last season. Charlize Bellette and Emma Grech were combining well and Bellette shot 50 goals to be named the Romsey Dental Player of The Week. Gisborne Giants also got plenty of opportunity in attack as they easily accounted for Melton Centrals. Emma Winfield and Olivia Craske played well. This will be a really good match up especially if Malia Seumanutafa is unavailable. That will be a tough match up for Romsey if she does play.

Prediction: Gisborne giants to be too strong in this contest.

This is the tale of two very different outcomes last week. Macedon had a close win over a gallant Lancefield by two goals. Riddell on the other hand led by 21 goals at quarter time an extended that lead at every change.

Bronte Green enjoyed some court time in A grade along side Caitlyn Alifraco who also played well in the midcourt. Chloe Eyre is adjusted well to Claire Oakley coming in and out and was another strong player.

Riddell were without a couple of their guns but that made way for Julia and Sophie Auld.

Prediction: Riddell to win in a close one.

round one.

Both teams have copped their fair share of big losses since but this will be a game they both set themselves for.

They will be playing for a bit of pride but also to give their group some confidence heading into the back end of the season.

Both teams will learn a lot from this season especially Melton South who have returned to the RDFNL.

Prediction: Melton South to win this one.

Both teams were on the wrong end of the result last week. Lancefield are still a huge chance of playing and making a difference to the finals race if they can get their girls fit and firing. Mia Daly has had a fantastic season and is combining well with Darcee Ellard.

Daly will have the tough match up taking on Elisa Butterworth Gonebale who is fast and powerful around the court.

If Lancefield want to make an impact in finals they need to win this one.

Prediction: Lancefield in a hard contest.

It is no secret that both these teams have been off the pace to start the season.

Their best result outside of two points breaches in favour of Melton South has been the draw against each other in
