# ACROSS MY DESK

by Football Operations Cameron Pope

There are several potential risks and complications that may be associated with concussion. These include:

- Severe brain swelling (or “second impact syndrome”) which is a rare complication of head trauma in children or adolescent players;
- Increased risk of further concussion or other injuries on return to play;
- Prolonged symptoms (lasting longer than four weeks)
- Symptoms of depression and other psychological problems; and
- Long-term damage to brain function.

The risk of complications is thought to be increased by allowing a player to return to sport before they have fully recovered. This is why it is important to recognise concussion and keep the player out of full-contact training and matches until they have fully recovered, as outlined below.

Some of the longer-term risks or consequences (such as problems in mood e.g. depression and brain function e.g. CTE, dementia) may be related to high loads of repeated head trauma even in the absence of concussion.

It is great that during the week the ability to report a concussion on PlayHQ was implemented making it harder to work around the new set guidelines.

This should ensure better governance of concussions across community football.

# RDFNL Senior Mens Previews

*By Cameron Pope*

This clash has all the hallmarks of a finals-quality encounter as top-of-the-table Riddell hosts second-placed Diggers Rest in a blockbuster showdown. Between them, these two powerhouse clubs boast a combined record of 21 wins, 1 loss, and 1 draw – a testament to their consistency and dominance across the season. The only blemish on Riddell’s otherwise perfect season came in Round 6 at the hands of Diggers Rest, who claimed a 23-point win in a statement performance. Since then, both sides have continued their winning ways, setting the stage for what looms as a crucial contest in shaping the minor premiership. Expect Riddell to come out with purpose, determined to turn the tables and stamp their authority ahead of finals. Diggers Rest, led by the dynamic Jaidyn Caruana and the ever-reliable Marcus Calvaresi, will be out to end the winning streak in Riddell and leave with the 4 points.

Prediction: No idea, I’ll go with a draw

Both clubs will be disappointed after their performance last week so expect both teams to explode out of the gate. The ladder is congested, and the stakes are high for both clubs to walk away with a win in this one. For Romsey, a win is essential to keep their finals hopes alive as they currently sit half a game behind Macedon in 7th position on the ladder. For Melton South, victory would almost have them penciled down for September action and would push them to 8 wins for the year. When these two sides met in Round 5, it was Romsey who came away with a thrilling 2-point win as they made the most of their limited opportunities in front of goal. Melton South will be wanting to right their wrongs and will be hopeful that ball magnet Sam Darley and sharpshooter Alec Goodson lead their team to victory. Expect a game that will be won on making the most of their opportunities in front of goal.

Prediction: Melton South by 28 points

# RDFNL Senior Mens Previews

*By Cameron Pope*

Lancefield will enter this Round 14 clash on a high like no other after finally breaking through for their first win in 700 days as they took down the Gisborne Giants by 33 points. Who knows what one win can kickstart as they face a red-hot Wallan outfit riding a 3-game winning streak. The Magpies haven't dropped a match since Round 9 and continue to build momentum. Jake Carlisle has proved exceptional in the ruck, giving Wallan's midfielders first use and setting up a dangerous forward line. Expecting a fight from Lancefield but Wallan ultimately will prove superior.  
 Prediction: Wallan by 40 points

Woodend-Hesket enters Round 14 full of confidence after dismantling Melton Centrals in a dominant display that showcased what the Hawks are capable of when they run on all cylinders. Though finals may be mathematically out of reach, they'll be hungry to build momentum and avoid a bottom-two finish and that starts with back-to-back

wins. Expect midfield bull Daniel Toman to once again set the tone after one of the best games of his career last week. The Gisborne Giants, meanwhile, are licking their wounds after they were the first team to concede victory to Lancefield since Round 17, 2023. Quigley remains a consistent standout and will need to be at his best, along with Bradley Mangan commanding the forward line as they look to rebound and restore some pride after last week's disappointment.  
 Prediction: Woodend-Hesket by 5 goals

Macedon heads into this one riding the wave after a gritty win over Melton South where 12 goals from 34 scoring shots proved just enough to secure victory. Despite some fairly inaccurate kicking the last month, Macedon have won 5 out of their last 6 games and will look to capitalise on that form. Kyneton, on the other hand, must quickly shake off a dismal showing against Riddell if they're to have any hope of spoiling Macedon's finals push. Kyneton were the best of the two sides in their last matchup, beating Macedon by 16 points in Kyneton. A win here for Kyneton will put them in some good form heading into the business end of the season.  
 Prediction: Macedon by 8 points

# TACKLE YOUR FEELINGS

## ‘Be a Champ’

- Tackle Your Feelings ambassador Nathan Buckley and social media larrikins the Shepmates have teamed up to create a humorous video celebrating local football club culture and encouraging players and coaches to help support the mental health of their footy mates
- Watch the video
- As part of the campaign, Tackle Your Feelings is looking to celebrate and recognise those local ‘champs’ who go above and beyond when it comes to investing in mental health
- Being referred to as a ‘champ’ is not always cast in a positive way, so Tackle Your Feelings is looking to reclaim the phrase and spin it around to celebrate these people who often don’t get the recognition they deserve with the role they play at their clubs
- We want players, coaches, committee members, support staff and umpires to be a champ and book their club in for a Tackle Your Feelings workshop
- Clubs can register for a workshop at **tyfo.tackleyourfeelings.org.au/login/**.

Adam Baldwin, Program Manager said: “Clubs are beginning to understand their responsibility to create an environment which supports the mental health of their players. We want clubs to prioritise mental health in the same way they currently do physical health. Tackle Your Feelings is a free program that can help clubs kick-start the development of their own mental health game plan.”

**Book a @tyf\_au workshop today.**

## What is Tackle Your Feelings?

- Tackle Your Feelings is a FREE mental health program for community football/netball clubs
- The program was formed by the AFL Coaches Association, AFL Players’ Association and Zurich Insurance in 2018 following the death of Adelaide coach Phil Walsh
- The program is delivered by a local psychologist and aims to help participants gain the tools to Understand, Recognise and Respond to signs of mental ill-health.
- The program is based on the education delivered to the AFL industry and is led by high-profile player and coach ambassadors
- Since 2019, the TYF program has been delivered to more than 10,000 participants in every Australian state and territory and it’s available to your club in 2024
- Quote from TYF ambassador Nathan Buckley: “It’s an awesome program. It’s so succinct and gives you really good strategies... it’s a really good conversation starter.”

This week we're thanking Wooling Hill Memorial Estate, Telegraph Hotel and Gisborne & District Community Bank for their support of our great club in 2025.

Please ensure you visit and support our sponsors!

Some terrific results on the netball court last week with our A graders flipping the result from earlier in the year and defeating Lancefield.

Our B graders continue to try hard every week unfortunately going down, while C grade, D grade and our 19's all had wins.

Across on the footy field, our 19.5's had an impressive victory before our reserves showed how much they have improved this year with a terrific win. Congratulations to Lancefield Seniors for their drought-breaking win. Well done to our own Jesse Evans on his senior debut, kicking 2 goals.

This week we travel to Woodend-Hesket for some exciting match-ups in both football and netball.

## Club Notes

They did it! It's been a long hard road but after almost 2 years since our last win in the men's seniors footy the Tigers were finally back in the winners circle after defeating the Gisborne Giants by 33 points last Saturday. It looked like being more of the same in the opening part of the first quarter as Gisborne kicked the first few goals but the boys stuck to the task and gradually fought their way back into the game to go into half time with a narrow lead. The Tigers have gone into half time with a lead on a few occasions this year but haven't been able to finish it off. On Saturday though they ran the game out extending the lead to 45 points before conceding a few late goals that saw them run out 33 point winners. A feature of the win was the number of young players in the side with 7 players eligible for U/19's and more to come in. One of those players, Tyreese Sefer-Govender came to Lancefield Under 19's last season having never played a game of Aussie Rules in his life. Two weeks ago he made his senior debut in just his 18<sup>th</sup> game of football before tasting victory, including a goal after the siren, on Saturday.

Calling out to all members of our 1995 Premiership team. We'll be hosting a 30 year reunion of our Grand Final winning side on Saturday August 2<sup>nd</sup> when we play Woodend, the side that the '95 boys defeated. Get in touch with the club at [lancefieldfnc@gmail.com](mailto:lancefieldfnc@gmail.com) to let us know your contact details or keep a close eye on our socials over the coming weeks for more information.

Our club will be hosting the annual Reverse Raffle shortly. Dates are proving a bit sticky with a number of clashes but expect an announcement in the coming days. Tickets will be on sale shortly after so catch up with any of our players to buy one or come to the bar at any of our home games. Tickets are \$65 which includes dinner as well as beer, wine or soft drink between 6-9pm as well as entertainment on the night. If that's not enough some lucky ticket holder is going to go home with \$5,000.

## WALLAN *Club Notes*

The weekend began on Friday night with Bacchus Marsh making to trip to Greenhill Reserve for the Club 18s. The boys had a good win. Thank you to the boys who put their hand up to help Bacchus March out with a few extra numbers on the field.

After a weekend off for the bye we welcomed Romsey FNC to Greenhill Reserve. On a beautiful winters day, our D Grade Netball team got the day off to a great start recorded their first every win in two years in the competition. Your never give up attitude and persistence has finally paid off. All of those Monday night training sessions are all worth while now. Congratulations Ladies and Lucas!

The 19 & Under netball was an intense game with both teams giving it their absolute best. The girls were able to achieve a come from behind one point win.

On the football field, our Under 19.5s haven't had many wins this season but they also have not given up. They have continued to turn up to training very consistently and in great numbers. The boys didn't get the points but the won the second half which was a great achievement against of the top of the table Romsey. Well done boys, keep working hard and more wins will come! The Reserves game it was also a very competitive game with Wallan coming away with a good win.

After a great day of football and netball our \$5,000 Reverse Draw was held. It was a very successful night for the club. Thank you to everyone who brought tickets, everyone who attended and made it a great night. Thank you to all the volunteers who gave so much off their time over the weekend, we couldn't do it without your help and support.

# RDFNL Senior Womens Previews

*By Cameron Pope*

Mt Alexander come into this match riding a wave of momentum with back-to-back wins, and another win here would almost put them on the doorstep of finals football. Mt Alexander will not worry about the margin of victory but rather focusing on getting the win. Romsey, on the other hand, are clinging to faint finals hopes. They'll need to bring their best football to Harcourt Rec Reserve if they're to keep the dream alive. If Mt Alexander can get another dominant midfield performance from Tash Ross-Harris and convert their chances up forward, they should be hard to stop. Accuracy will be key.  
 Prediction: Mt Alexander by 10 points.

A huge game here with massive implications on finals as Melton take on Riddell in a must-win clash for both clubs. The Bombers will be looking to bounce back after two straight defeats, while Melton are also searching for answers after being held scoreless last week against Lancefield. Both teams come in looking to prove a point to themselves and their opposition that they can play finals footy. It was only three weeks ago that these two sides last met, with Riddell dominating in a 55 point demolition of Melton. If Mariam Habib and the ever-reliable Ruby Taranto can lead from the front, they should be too strong once again.  
 Prediction: Riddell by 20 points.

Huge matchup this one with 1st placed Macedon taking on 2nd placed Lancefield in what could be a finals match preview. Macedon's dominance has been unquestionable, and with players like Ruby Watts and Taya Konias in outstanding form, the Cats will be looking to keep their momentum rolling. For Lancefield, this match carries enormous importance. A win here would seal their spot in the 2025 finals and give them a major confidence boost heading into the pointy end of the season. They currently sit just one game clear of 5th, and while they've proven to be one of the competition's strongest sides, they'll need to be at their absolute best to pull off an upset.  
 Prediction: Macedon by 20 points.

Sport and volunteering are interlinked. In the sport sector, we know that volunteers ensure the activities of every sport of any size and at all levels go ahead, are well run, are accessible and inclusive. Volunteers come out in huge numbers in all weathers and at all hours to ensure sport activities go ahead. It is our volunteers who allow sport to form a critical part of the fabric of our communities.

As the world gears up for the excitement of the upcoming Paris 2024 Olympics, it's important to recognize the unsung heroes who make such monumental events possible: the volunteers who help the RDFNL competition come to life every Saturday and Sunday and the odd Friday during the year.

### Why Volunteers Matter in Sport

Volunteers are the backbone of any sporting event, large or small. At the Paris 2024 Olympics, there will be 45,000 volunteers providing essential support, including event coordination to athlete assistance, to ensure everything runs smoothly. Without volunteers, the Olympics and other major international sporting events would face overwhelming challenges and could not proceed as envisioned.

Similarly, at a grassroots level, local sporting clubs rely on volunteers to facilitate duties, including managing day to day operations and match day support roles. Unlike major events, local clubs operate year-round, making strong volunteer engagement crucial to sustain club functioning throughout the year.

### Key Benefits of Volunteering

#### For Clubs and Organisations:

- Operational Support
- Community Building
- Cost Savings
- Club sustainability and growth
- Diverse skills and expertise

#### For Volunteers:

- Networking Opportunities
- Skill Development
- Career Exploration
- Personal Fulfilment
- Social connection

Despite the benefits of volunteering to both sporting clubs and volunteers, many clubs still face challenges in attracting and retaining a sufficient volunteer base. These challenges include:

- Lack of Awareness:** Potential volunteers may not be aware of the opportunities available to them or the impact they can make.
  - Perceived Burden:** Some individuals view volunteering as a significant time commitment, which can deter them from getting involved.
  - Busy Lifestyles:** People today are busier than ever, juggling work, family, and other commitments. This leaves little time for volunteer activities.
  - Lack of recognition:** Volunteers may feel that their efforts go unnoticed and unappreciated, leading to a sense of undervaluation.
- Club Builder's Volunteer Engagement Program offers a promising solution by addressing these gaps to ensure sports clubs generate more volunteers and establish a supportive environment. This functions to develop the club and grow its relationship with the local community.

Diggers Rest had the bye last week so it will be a good test for them to take some winning form into this one. Against Melton South they welcomes Aliica Marko Rowling and it made a big difference. It was a good example of the growth of their team despite not getting results given they drew with Melton South in round one.

For Riddell they easily account for Kyneton.

Riddell were able to extend their league each quarter with the eventual margin being 19 goals.

Bec Colwell is doing some serious damage when she is on the court and will be a tough match up for the Burra defence.

Down the other end of the court Lauren Nolan is back to some of her best form moving around the defensive positions. In recent weeks coach Emily Ktona has been experimenting with different looks on court.

**Prediction: Riddell to be too strong for the Diggers Rest line up in this one.**

This is a massive contest for both clubs. Lancefield are currently in fifth spot and Wallan in sixth so both teams are inside finals contention. If Wallan can win this this will give them some breathing room for the last part of the season.

Wallan have played some good netball this season but they have been very in consistent.

The match up between Meave Donegan and Bella Colladetti will be one to watch while Mia Daly and Gen Carboon will likely go head to head in the mid court. The coaches have some history and there is a lot on the line this should be fantastic for the neutral RDFNL supporter.

Alannah Judd was once again in the best for the Magpies last week showing her constant improvement at A grade level while for Tigers Grace Rogers was best in her first outing for the club.

**Prediction: Wallan but with no confidence because I have rarely got their tip right yet this season.**

With a big win here and some other results going their way Romsey could find themselves inside the top six at the conclusion of round 14.

Abbie Barnes led the way in defence last week alongside Casey Lashford and Emma Grech who were also named in the best. For Melton South they struggled for any momentum in their thrashing at the hands of Macedon.

**Prediction: This is a must win game for Romsey if they want to play finals they will need to win this one and win it well.**

This is another big contest in terms of ladder position. These teams faced off earlier in the year and it was Woodend Heskett who took the points. Woodend Heskett have lost players since then and Gisborne Giants have recruited. Gisborne Giants turned their earlier result against Lancefield around last week and they will be looking to repeat

that feat this time around.

In recent weeks Ty Coppinger has been moving the bibs around and we have seen the decorated defender in the mid court to allow precious minutes to Jess Martin who is a promising youngster. With Malia Seumanutafa now playing at Giants we would expect Coppinger to stay in defence.

For Gisborne Lauren Clymo has had a fantastic month of netball and she will be the likely match up for Rebecca Hicks. With two powerhouse shooters who have previously played together in the RDFNL this will be a classic shoot out.

**Prediction: Woodend Heskett to be too strong.**

This has always been a rivalry in the football and with some big changes in the off season the rivalry will now be on the court as well. Claire Oakley will play against her former RDFNL club and will have a point to prove on the back of her player of the week performance. Kyneton have played well in patches but it is hard to see them winning this one without some big inclusions.

**Prediction: Macedon to get the win and close the gap on Giants in third pot on the ladder.**
