RDFNL Women's Round 3

Round 3 of the 2024 Rookie Me RDFNL Women's competition was held last weekend, congratulations to the following winners:

- Macedon
- Kyneton
- Woodend-Hesket

It was great for four of these Clubs to be involved in ANZAC Day matches, we hope all of the players enjoyed the showcase of that round. A bit of an upset with Woodend-Hesket accounting for Melton at MacPherson Park.

Round 4 Men's Football

Congratulations to the winners in Round 2:

- Diggers Rest
- Kyneton
- Wallan
- Riddell

Some very close results and great matches played. Congratulations to the four teams involved in ANZAC Day matches and especially to Macedon and Lancefield for hosting.

Woodend-Hesket had an improved showing against Riddell and pushed them right to the end and last year's grand finalists seem to have got into a bit of a groove.

Some very hotly anticipated matches await in Round 5.

Round 4 Netball

Congratulations to the winners in Round 4:

- Macedon
- Kyneton
- Melton Centrals
- Riddell

The upsets continue in the A grade netball with every side now having won and lost matches throughout the first four rounds. Centrals delivered the biggest upset accounting for the previously

undefeated Wallan at home at Arnolds Creek.

Good luck to our tipsters aiming to get more than two or three winners this week.

Live Scoring and Team Sheets

A reminder to all Clubs that live scoring is compulsory for RDFNL Senior matches. Please assist us in marketing our League with up-to-date live scores of all our Senior matches each weekend. Please ensure all team sheets are accurate online at the beginning of the match. With umpires now completing the votes online, the team sheets must be accurate to allow umpires to select their 3-2-1.

Senior Interleague

Things are ramping up for our Senior Interleague campaign on May 11th vs Southern FNL. We are playing matches at RSEA Park (old Moorabbin Football Ground and St Kilda FC base) in Senior Men's, Senior Women's, Under 19 Football and Senior Netball. All squads have started training and we will be announcing the final teams in the near future. We really appreciate the buy in from the players around the league and also the coaches who have put up their hand. Our head coaches are Daniel Nolan (Senior Men's), Scott Caton (Senior Women's), Katie Clarke (Senior Netball) and Jason Cooke (Under 19 Football).

Toyota Good 4 Footy Raffle

Some wonderful prizes again up for grabs in the Toyota Good 4 Footy Raffle in 2024.

Clubs can register to be part of the raffle via the following link <https://toyotagoodforfooty.raffletix.com.au/account/register>

Well done to Mt Alexander and Wallan for already registering for the Raffle. The Falcons have already raised over \$1100 through the raffle with all proceeds going directly back to Clubs.

ROUND 4 RDFNL PREVIEWS

with Grace Bibby

Diggers Rest vs Woodend Heskett

Both teams came to play in the previous round. Digger Rest had a steady win over Macedon while Woodend Heskett took it to Riddell and were unlucky not to take the four points.

A grand final rematch but so far this season we haven't seen that kind of football from either team.

Diggers Rest: Diggers Rest got on top of the Cats early but then allowed them back into the game with some poor decision making. As a club they attended the dawn service some maybe by the late afternoon some fatigue was setting in. When they play their best football they put sides away and go on with it. They did have a short turn around with games being on the Thursday and hadn't spent much time on the track so better preparation will be key this week.

Woodend Heskett: After a sluggish start the Hawks are finding what works for their new look team. Al Rae has been moving the magnets for the first couple of weeks but they look more settled and like they are finding their groove. They locked the ball in and played a tight congestive brand of football and kept themselves in it against Riddell.

Players to watch

Diggers Rest: Chris Lawton was instrumental down back for Diggers Rest on Anzac day and showed plenty of fighting spirit cutting off the Macedon attack.

Woodend Heskett: Riley Ferguson had some big shoes to fill but is doing a great job in the ruck and knows his way around the goals.

Prediction: *Diggers Rest to win in a close one.*

Lancefield vs Melton Centrals

Both teams need a win. Their first game of the season filled everyone with hope but the last few weeks final results have been somewhat disappointed.

This is a good opportunity for one of them to get a win, have a competitive hit out and get their season moving in the right direction.

Lancefield: Lancefield would have been stoked with their first half in the tigers showdown on Anzac Day. Poor kicking probably saw them fall away late in the contest but if they can make the most of their opportunity in front of goal it will go a long way to reducing the margin. Around the contest Lancefield were far better this week than last.

Melton Centrals: It was a long day for the Melton Centrals taking on Wallan. Wallan really got on top early and didn't take the foot off. For Melton Centrals and Matt Sproule they will be trying their best to get a win on the board and put the last two weeks behind them. Everyone knows their best football is good enough but they need to pull it together for four quarters and it needs to start this weekend.

Players to watch

Lancefield: Adam Miles was Lancefield's best last week dominating across half back and pushing into the midfield.

Melton Centrals: Despite a heavy loss the Thornton Gielen Brothers have been able to hold their heads high. They are important for the Melton Centrals success and will need big games this weekend to secure the four points.

Prediction: *Melton Centrals to record their first win of the season.*

ROUND 4 RDFNL PREVIEWS

with Grace Bibby

Romsey vs Riddell

The battle of the two top teams. Whoever wins here will likely become premierships favourites. Riddells had everyone talking in the off season and Romsey were quietly going about their business. Should be a great game to watch for the average RDFNL supporter.

Romsey are fresh from the bye and Riddell had a tough slog against Woodend Hesket.

Romsey: Romsey are yet to put a foot wrong this season. They have been out of games early and been able to fight back. Justin Sherman and his men will be fresh and raring to go. A lot of people had them just playing finals but this team strongly believe they can win it.

Riddell: Riddell have dominated games by taking away the oppositions times and space. They lead the way with defensive pressure and intercept positions. They are led by their back six who back themselves in to intercept the football and get the ball going in their advantage.

Players to watch

Romsey: After being injured for the majority of last season Nathan Blair has returned and shown great leadership for the Redbacks.

Riddell: Josh Grabham and his mate Tommy Alkemade are combining well across the ground. They get first use of the football and clear the football time and time again for the Bombers.

Prediction: *Riddell big name players to step up.*

Wallan vs Macedon

Wallan love putting big scores on the board and Macedon love keeping things tight. It will be interesting to see how the game plays out and who gets it on their terms. Both teams have had mixed results and based off previous results you would think Wallan take the four points but Macedon have got a good group together and are playing well.

Wallan: The game against Melton Centrals would have been very pleasing, as the players put in a strong four quarter performance. The big ground suits their game style. Chris Stewart was huge again, he is having an outstanding season and was the player of the week.

Young Riley Gilchrist showed his class and speed in the midfield, Sean Morris has been ultra consistent but overall it was a solid team performance.

Wallan have not won at home yet this year, so will be looking to rectify that in front of our supporters.

Macedon: Macedon showed a lot of fight late in the game against Diggers. Despite being well down they kicked two or three in a row to bring the margin back to two goals with a fair chunk of football still to play. They were slow out of the blocks though and never got the game back in their favour. If they can start well early against Wallan and put some scoreboard pressure on they can cause a boil over here.

Players to watch

Wallan: Sean Morris found plenty of the football last week and continues to stand up in the stacked midfield.

Macedon: Sam Indian has been consistently in the Cats best and found a way to find the football and a goal last week.

Prediction: *Wallan to win but Macedon to have their chances early.*

WOMEN'S FOOTBALL

ROUND 4 RDFNL PREVIEWS

with Grace Bibby

Romsey vs Macedon

Fresh of the bye Romsey will be raring to go when they take on Macedon who have been in outstanding form to start the season.

It is hard to see Romsey winning this one but one thing is for sure they will turn up with a smile on their face and give it as red hot crack.

Romsey: Romsey always hit the contest hard but they just struggle to get their hands on the football. They are still learning the game and with no junior to feed into their season they have a lot of players who have never played football before.

Macedon: Macedon on the other hand have a stacked team of older women and plenty of juniors waiting to make their mark. They will be hard to stop this week and over the coming years as their program continues to flourish.

Players to watch

Romsey:

Macedon: Ruby Watts dominated in the stats this week and has been a consistent player to start the season.

Prediction: Macedon to get a big win over Romsey.

Mount Alexander vs Lancefield

This game promises to be a great contest. Lancefield are still finding their way in their first season and Mount Alexander will be a good indication of where they are at.

Mount Alexander: Mount Alexander played a competitive game against the Cats. They found the football but their skills and disposal let them down. If they can clean up their ball use and get some score on the board their results will improve. They will be better matched to Lancefield than Macedon.

Lancefield: The Tigers group would have learnt a lot from playing against Kyneton on a big day for both clubs. Despite being well held across each of the match winning stats they still managed to get a score on the board which plenty of teams

have not been able to do against Kyneton in the past.

Players to watch

Mount Alexander: Bonnie Cummins got plenty of the football on Anzac day and will be looking to continue that form this weekend.

Lancefield: Taleeya Robotham knows how to find the football and will be important for the Tigers this weekend if they are to compete with the Falcons.

Prediction: Mount Alexander to record their second win of the season in a close hard fought game.

Kyneton vs Woodend Heskett

In years gone by this game would have been a comfortably win for the Tigers but the Hawks have shown promising signs to start the season.

Kyneton: Kyneton just keep on keeping on in the senior womens competition. They have so many talented players that opposition teams a hard pressed to stop all of their players at once. If one player has a bad day another player steps up.

Woodend Heskett: The Hawks were the big winners of the round dominating against Melton.

Previously Melton have been the second-best team in the competition but Woodend Heskett made light work of them last weekend.

The Hawks are still a little bit inconsistent but if they play like they did last weekend they will go very close to handing Kyneton their first loss in the womens competition.

Players to watch

Kyneton: Jordan Savoia continues to dominate on the wing and was the recipient of the Anzac Day trophy.

Woodend Heskett: Kat Bau was the star of the show in their big win over Melton.

Prediction: Kyneton to win by the barest of margins.

TACKLE YOUR FEELINGS

Essendon are partnering with the Tackle Your Feelings (TYF) program to make mental health training available to community coaches, in 2022. Tackle Your Feelings is a free mental health training program for community AFL coaches, as well as committee members and other club support staff. The program is delivered by a local psychologist and aims to help participants gain the tools to Understand, Recognise and Respond to signs of mental ill-health in their players. In 2021, the program was delivered to more than 4000 community coaches from 352 clubs across every Australian state and territory. 'Tackle your Feelings' was inspired by mental health education developed for AFL professional coaches and players, consisting of a face-to-face presentation from a local psychologist and additional online learning. Ambassadors include Leon Cameron, Alastair Clarkson, Nathan Buckley, Neville Jetta, Kara Antonio and Dylan Buckley also feature throughout

the video content within the program. The program was formed by the AFL Coaches Association, AFL Players' Association and Zurich Insurance in 2018, after the tragic death of Adelaide coach Phil Walsh three years earlier.

How your club can get involved

Tackle Your Feelings is a free program and is available to your club in 2022.

Once coaches complete the training (workshop and online modules) they will have access to resources including blogs, podcasts and videos to assist with their ongoing learning. Participating clubs are eligible for the Tackle Your Feelings rewards program, which includes footballs, equipment and access to program ambassadors.

If your club wishes to get involved, please register your interest by contacting sabdilla@essendonfc.com.au

Competitive weekend for the club across all grades on the weekend

Our Women's team continued good form getting over the top of Melton at Melton. An experienced outfit Melton our Women were a little too skilled and quick and took the points. A tough challenge against the reigning premier awaits this week

A heartbreaker for our seniors leading for the majority of the game. Plenty of good signs coming out of that group great to see Jack Duggan finding his feet at the nest while Ryley Ferguson continues to give the best rucks in the comp headaches.

Our reserves battled manfully. After going behind early they ended up maintaining that for the rest of the game. About 10 new players to the club. Great work by Rupert and Burnsy getting a team on the park. Hopefully the best dressed reserves coach can make it past half time this week.

A Grade just went down to Riddell in a rematch of the grand final. Our new combinations are gelling, and I am sure we will get the win in the reverse fixture.

B Grade battled having players help out our A Grade team I am sure their first win of the years isn't far away. Our C Grade were the only team to take the points at Riddell on the day. Well done this team continues to go from strength to strength.

The D Graders got back on the court after a couple of byes just going down to Riddell great to have our D Grade team playing with the club I am sure Brenda will have wins in store. Our under 19s had their first loss for the year. It could have been the 8am start on a Saturday. All teams are in action v Diggers at Diggers this week

Our first major event of the year is Hawkchella - Celebrating the Women of the Nest is on Saturday the 18th of May. Tickets through the club's face book our 4th year of this great event.

Our club sponsor this week is a new sponsor for the club. Town Planning People - any town planning needs get down and see Robert and has team

LANCEFIELD FOOTBALL NETBALL CLUB

Club Notes

It's yet another big event at Lancefield today with our first ever Ball Drop. It's a pretty simple concept, you buy a numbered ball, we're bringing in the biggest crane we could get our hands on, we'll point it as close to the sky as we can and we'll drop the balls. Whichever ball lands closest to the pin gets the cash.... \$5,000 worth of cash! What would you do with the big prize? You can buy the last remaining tickets at the Laurie Green Pavillion today for \$50. The ball drop will take place after the seniors match.

What a special occasion ANZAC Day was at Lancefield Park with cross town rivals Kyneton FNC meeting for the first time in the RDFNL and players from all codes coming together for the ceremony. We hope we were able to give the day the respect it deserves and to pay tribute to our diggers in a respectful way.

Can we pass on a special thanks to the Kyneton FNC for their cooperation, Romsey Lancefield RSL and the Kyneton RSL for their

involvement in the day, RSM Sean McElhinney delivering The Ode, Mary Anne Thomas MP, Denis Graham from the Romsey Lancefield Districts Historical Society and Bridget the bugler.

Great news with the Lancefield Hotel winning a spirited battle to secure the framed ANZAC tribute jumper with photos of our lost players for everyone to enjoy and raise a toast to in the bar. Thanks Alex.

Congratulations to our medal winners:

The Ike Johnston Medal for football - Adam Miles

The Bonny Lamb Medal for netball - Ella Stoward

The Jack Bristow Medal for women's football - Caitriona Goldsworthy

We're putting together a collection of photos of the day to share on our socials, check them out. See you all at Kyneton next year!

THE RIDDELL RUB:

Sponsorship

A big crowd at Bomberland last week for our clash against Woodend. A perfect day for footy but this did not transpire to the footy field. Our kicking for goal was woeful & our injury list is growing. One of those days for the Seniors where you take the 4 points and move on to next week. Big day today at Romsey. Both senior teams undefeated, should be a cracker of a game! The 2's played some great footy coming away with a 40-point win. The U19.5's were up against a very strong, manly Gisborne Giants but battled hard for 4 quarters. They are keen to break their losing streak this week against Romsey! Good luck to all teams!

The netballers won 4 out of 5 games against a tough Woodend. The 2023 Grand Final rematch in A Grade went Riddell's way by 2 points in a very intense finish! Well done to all the girls, you're flying...

We have a week off after today's game and then tackle Melton Centrals at Bomberland.

WALLAN FOOTBALL NETBALL CLUB

Club Notes

Another fantastic long weekend of football and netball.

It all began on Thursday, ANZAC Day when the Under 19.5s had the privilege of playing Romsey. Both teams played with great spirit and honoured the day. Thank you to the big crowd who came to support the teams.

On Saturday it was off to Arnold's Creek to play Melton Centrals. The Netballers had highly competitive games. In the football, Marcus Datson made his Senior debut. Congratulations Marcus! Pre game Riley Evans addressed the Senior team about his experiences, the meaning of Anzac Day to him and the importance of mateship.

On Saturday night the annual Beer Pong tournament was held. There was a great crowd in attendance with fantastic outfits and attitudes. A huge thank you to Megan Taylor for organising the night and ensuring everything ran smoothly and a great night was had by all. Well done Megan!

This week we welcome the Macedon Football Netball Club to Greenhill Reserve. We will also have the Wallan Junior Football Clubs Under 9 playing at halftime in the seniors.

LANCEFIELD WOMEN'S FOOTBALL NETBALL CLUB NOTES

What a great occasion for the Tigers last week when we had our first ever home game against..... the Tigers! It was our first ever home game and what a day to have it with the match coinciding with the clubs big Anzac Day event. It was great to have our girls on the ground lining up for the ANZAC Day ceremony before the seniors game.

Our girls put in a good showing last week considering the high class opposition they had when they took on undefeated reigning premiers Kyneton. They had a good amount of the ball in the first quarter but just couldn't make the most of their chances up forward. Again in the 3rd quarter we competed really well, holding a top shelf team like Kyneton to 13 points is something our developing side can heart and confidence from going

forward. Each week we'll continue to build and develop and each week we're closer to that first win.

Congratulations to Caitriona Goldsworthy who became our first Jack Bristow Medallist for the player that best personified the ANZAC spirit of skill, courage, self-sacrifice, teamwork and fair play. A worthy winner indeed.

Good luck to our girls today as they pack their bags for their first ever road trip away from the rest of the club as they head off for their prime time game against Mt Alexander Falcons. It'll be a great experience for our girls and we look forward to all catching up again later in the night.

KYNETON WOMEN'S FOOTBALL NETBALL CLUB NOTES

A great hit out between the two Tigers sides in the ANZAC Clash of the Tigers match last Thursday. Lancefield put up a hard fight against a more experienced Kyneton side. The match was played in great spirits in what will be an exciting annual event between the two clubs. Vice Captain Jordan Savoia took out the Most Courageous medal, scoring 3 goals and playing an exceptional game as a winger turned onballer.

The Tigers take on a strong and upcoming Woodend-Hesket this Sunday at home, knowing it isn't a match to take lightly. Kyneton would also like to congratulate their FIDA team who won their first ever game last weekend against Rupertwood. After a couple of tough years working hard to establish the team and build on a great squad - we are stoked the hard work has paid off for the Tiges!

WOODEND-HESKET WOMEN'S FOOTBALL NETBALL CLUB NOTES

Competitive weekend for the club across all grades on the weekend

Our Women's team continued good form getting over the top of Melton at Melton. An experienced outfit Melton our Women were a little too skilled and quick and took the points. A tough challenge against the reigning premier awaits this week

A heartbreaker for our seniors leading for the majority of the game. Plenty of good signs coming out of that group great to see Jack Duggan finding his feet at the nest while Ryley Ferguson continues to give the best rucks in the comp headaches.

Our reserves battled manfully. After going behind early they ended up maintaining that for the rest of the game. About 10 new players to the club. Great work by Rupert and Burnsy getting a team on the park. Hopefully the best dressed reserves coach can make it past half time this week.

A Grade just went down to Riddell in a rematch of the grand final. Our new combinations are gelling, and I am sure we will get the win in the reverse fixture.

B Grade battled having players help out our A Grade team I am sure their first win of the years isn't far away. Our C Grade were the only team to take the points at Riddell on the day. Well done this team continues to go from strength to strength.

The D Graders got back on the court after a couple of byes just going down to Riddell great to have our D Grade team playing with the club I am sure Brenda will have wins in store. Our under 19s had their first loss for the year. It could have been the 8am start on a Saturday. All teams are in action v Diggers at Diggers this week

Our first major event of the year is Hawkchella - Celebrating the Women of the Nest is on Saturday the 18th of May. Tickets through the club's face book our 4th year of this great event.

Our club sponsor this week is a new sponsor for the club. Town Planning People - any town planning needs get down and see Robert and has team

The Gisborne Giants U19.5s clinched a commanding victory over the Riddell Creek Bombers in their Round Four encounter, solidifying their position at the top end of the ladder.

Despite a minor setback in the second quarter when the Giants strayed from their structures allowing Riddell to take control of the game momentarily.

It wasn't until early in the third quarter before the Giants were able to regroup, from that pivotal moment onwards, the Giants showcased their strength and versatility across the ground, asserting control and dictating the tempo of the game. With unwavering determination and precision, the Giants outplayed the Bombers in every aspect, ultimately securing a comfortable win.

The Giants next challenge is Lancefield at home under Friday night lights in front of a large and enthusiastic crowd. Get down to Gardiner Reserve for a 7pm bounce! GO GIANTS!

This week sees our D-Grade Netballers out with a bye.

ROMSEY DENTAL NETBALL PREVIEW

by RDFNL Netball Manager Grace Bibby

Our Romsey Dental A Grade netball competition has never been this close or exciting.

After four rounds of netball every team has recorded a win and every team has recorded a loss.

Melton Centrals were the surprise winners of round four with a come from behind win over Wallan, to break their losing streak and Wallan's winning streak.

Diggers Rest vs Woodend Hesket

Diggers Rest had a really competitive showing against Macedon. They led for most of the day and only in the last quarter did they let slip their three-goal margin.

Leaon Hristovska was outstanding in attack and Olivia Marris and Lauren Creed are also added some class in the midcourt.

In defence Maggie Payne was the stand out and her leadership won her the ANZAC medal.

The Burra team has changed quite a bit and this was definitely their best hit out this season.

They should be more competitive with the top end teams as the season progresses.

Woodend Hesket were not good enough for Riddell last week as they were two goals behind at the final siren.

Woodend Hesket were very physical with the Bombers and Diggers Rest will need to hold their ground especially in attack.

Laura Carland played her best game for the year as did Georgia Bowkett.

The match up of Hristovska on either Tayissa Coppinger or Georgia Bowkett will be an exciting one as will Marris and Sarah Duff in the midcourt.

Prediction: Woodend Hesket to take the four points.

Lancefield vs Melton Centrals

Melton Centrals will be fired up as they take on Lancefield at Lancefield this week.

Last week they trailed by as many as six goals in the second half but were able to fight their way back.

Jaeda Utoasega played her best game for the club while Chloe Eyre continued her good form.

Both players are young and agile and have a never say die attitude which the whole team adopted last weekend.

For Lancefield they were also competitive against Kyneton on Anzac Day despite not getting the result.

It was great to see young Lancefield junior player Ella Stoward dominating at senior level.

The pathway at the club is a strong one and it will leave the Tigers in good stead in the years to come.

The Lancefield attacking end dominated the second half with Karlee Debono and Shanae Brundell combining well.

Brundell looked a lot more comfortable in attack than defence.

Prediction: Melton Centrals to record their second win in two weeks.

Romsey vs Riddell

This is going to be a big result for the entire competition. Previous results show this game will be close and hard fought.

Romsey are fresh off the bye while Riddell are going to be backing up from playing against Woodend Hesket which was a bruising encounter.

The Bombers will be without Xara Burge who has been a stand out for them this season.

We wish Burge the best of luck as she recovers from a broken leg sustained in the first quarter last week.

The injury made the win over Woodend Hesket even more impressive.

Lauren Nolan looks like she will be a regular in attack now as does Hope Hamilton in the Redbacks line up.

Riddell's Maddy Brown just gets better and better each week and if her and Romsey's Emily Miles match up on each other it will be great to watch.

They are two young guns of the competition.

Prediction: Romsey to win in a close one.

ROMSEY DENTAL NETBALL PREVIEW

by RDFNL Netball Manager Grace Bibby

Wallan vs Macedon

Macedon got their first win under coach Katie Clarke last week and it was a late surge from the coach that saw the Cats pull away from Diggers Rest.

Clarke was our player of the week for many deflections and intercepts but it was four later intercepts she turned the game into Cats favour.

Tayla Chamra also played really well.

Wallan let their winning margin go begging late

in the game with poor shooting accuracy which has been a highlight of their season so far.

Wallan's Dakota Lister played well but copped a knock late in the game and may be subject to the 21 day concussion protocol this week.

Both teams will be hungry for the four points.

Everyone knows games are not won or lost in the dying stages but over the entire match and the team that plays the best four quarters will win it.

Prediction: Wallan to bounce back with a win at home.

ROMSEY DENTAL NETBALL REPORT

by RDFNL Netball Manager Grace Bibby

What can we do to help our players ensure they're switched on and ready to put strong netball out on court in the opening minutes of a game?

Here are a few simple ideas worth considering thanks to the netball coach blog:

BUILD THROUGH THE WARM-UP

This is arguably the most common contributing factor in teams that consistently start games slowly – they're simply not ready to go, and it all stems from the pre-game warm-up.

Does your team spend the first 10 minutes of warm-up chatting, doing their exercises at half-pace and stretching poorly, followed by more chatting while they warm up their passing, and then eventually lifting their heart rate a little when they move into a team drill?

If players have barely broken a sweat in warm-up, how do we then expect them to step out on court and instantly go from 0 to 100?

Try thinking of your warm-up as an extension of the game – the first of five quarters. Build the intensity through the warm-up, aiming to hit close to match intensity (both physically and in voice) in the last five minutes before the players step on court.

Encourage your players to get to the courts five minutes earlier and get their chatting out of the way before warm-up starts. Once you're in warm-up mode, try to ensure that any chat is game-specific.

As the coach responsible for a group of young players, it's up to you to set the tone.

MIX IT UP

While there's certainly value in having a set, structured team warm-up, changing up a drill or two every so often is a good way to ensure players aren't just going through the motions every week.

ROMSEY DENTAL NETBALL REPORT

by *RDFNL Netball Manager Grace Bibby*

Add a different drill towards the end of the warm-up that they can perform well but also challenges them to think, and see if it helps them switch on.

GOALERS TAKE RESPONSIBILITY

Have you ever felt like you're dominating defensively and in general play during the first quarter of a game, but the scoreboard doesn't reflect it?

If your goalers aren't arriving early to put up shots for 10 minutes before the game (and practising throughout the week) don't expect them to be red hot right out of the gate.

Speak to your goalers about accountability and how putting up pre-game shots is part of the responsibility of having GS or GA on your bib, and let's loosen up those nervy shots before the game, rather than in the first quarter.

HAVE A SET PLAY

Ever had a team you have coached who had a habit of always conceding 3-4 goals before they'd finally wake up and put one on the board.

We tried everything during warm-up, to no avail, but the solution turned out to be having a strong set play on the centre pass to start each game (or even each quarter).

Every player on the team knew that that structure was the first thing we were going to set up, and nine times out of 10 we'd get a shot out of it, which got the scoreboard ticking over and helped everyone relax.

Find a set play your team can execute consistently and effectively, and give it a go.

ENCOURAGE YOUR PLAYERS TO THINK AHEAD

Often there's a good chance your players will know some of their opposition, and particularly later in the season once you've already played most teams.

Before the game, ask your players to tell you something about the other team or an opponent they might be playing on – a strength they'll need to combat or a weakness they can look to exploit.

For some players, it will be enough to help put their brain in game mode, and get them firing early.

PRACTICE THOSE GOOD STARTS

While it can be hard to replicate your match night at training, finishing a session with some matchplay scenarios that replicate the start of a game is a concept worth trying.

Pick four attackers in positions, and tell them they have five centre passes in which to score 3-4 goals (depending on their age and ability).

After five centre passes, change the combination and start again. While it's not quite the same as match night, it does force players to be on their game from the very first centre pass, and remain focused for 2-3 minutes, which can be the difference between getting off to a great start, or a poor one.

This is definitely one for the coaches and we hope you have found it useful.

Happy Netballing!
