

SENIOR WOMENS GRAND FINAL

RECORD

ACROSS MY DESK

by Football Operations Manager *Tanae Bannan*

On behalf of the RDFNL Board of Directors, I'd like to welcome everyone to the 2024 Rookie Me Senior Women's Football Grand Final Day.

Thank you to our hosts today Woodend-Hesket FNC and well done to Paul Podbury and the many volunteers and committee members to ensure today is a great success. Congratulations to Macedon and Kyneton for making today's Grand Final and for consecutive season.

Good luck to all players, coaches and support staff today.

Thanks to all our umpires who will officiate today, and who have been part of the big team throughout the season.

Without umpires we effectively do not have a game, so everyone should be appreciative of their efforts throughout the season. As you watch from over the fence today, please be mindful that these men, women, boys and girls are out there doing the best job they can, just like our players are. Any form of abuse has no place at the RDFNL. The 2024 RDFNL Women's Season has been a very successful one. With the growing number of teams from last year we welcome Lancefield into the competition. We look forward to growing the competition bigger next year with more teams.

To all Club Presidents, Secretaries and other committee members with whom we have been in contact with this year, many thanks for your support and efforts throughout the season, and well done for taking on the big task of performing a volunteer role to help ensure players are able to take the field/court each week.

We will continue to invest in our programs, evidenced by Premier Data, filming every match and providing increased coaching resources to all of our Women's clubs in 2024.

Thanks to RDFNL CEO Jordan Doyle, Grace Bibby and Grant McMillan for all of their efforts throughout the year and making the 2024 a success. Thank you to the RDFNL Board for their great support and faith. As you look around today, you will most likely see a number of people wearing the RDFNL jacket and beanie, and many of these will be our Board members, who are on hand to help run the day. I wish all competing clubs good luck today and look forward to a great day at the RDFNL Junior & Female Football and Netball Grand Finals. Win or lose, I look forward to seeing you all back bigger and stronger for season 2025.

WOMEN'S FOOTBALL GRAND FINAL RDFNL PREVIEW *with Grace Bibby*

After 15 weeks of competition we see ourselves in the same spot as we were this time last season. A grand final rematch between Macedon and Kyneton. All be it a little different to what we had last season. Macedon vs Kyneton

Macedon: Macedon were the first team to book their spot in the 2024 Rookie Me Senior Womens Grand Final. After a stellar season where they have not yet lost a game, the Cats went from strength to strength.

The first time they met Kyneton they came a draw but in their two encounters since Macedon have defeated the Tigers comfortably.

Macedon have recruited a whole host of young talent from Gisborne who have fitted in seamlessly this season.

They play a fast pace game and their skills have increased meaning they re much better at possessing the football and giving their opposition limited opportunities.

Macedon will go into the contest as favourites and with good reason but grand finals can create nerves that make anything possible.

he fact that most of their team was in this position last season will help.

Kyneton: This time last year it was Kyneton sitting pretty undefeated at the top of the table but a year is a long time in football.

Kyneton have booked their spot in the big dance but they did have to do it the hard way with a win in the preliminary final against Woodend Heskett.

The good news is they played some of their best football in that game and will be hitting the grand final with full steam ahead.

Kyneton have had some injury concerns throughout the season but look to have their best players playing their best football at the right point of the season.

Nat Korinsky has led from the front all season long but the likes of Belinda ateley and Teagan Ainslie have been knocking on the door.

The draw at the start of the year will let Kyneton know they are capable but last season they had the likes of Alex Strawhorn and Taylah Moore floating around.

They have definitely lost players but their best will push Macedon.

Players to watch

Macedon: Ruby Watt has been the best player for Cats most weeks. She is hard in and under and in her first year of RDFNL football she has had a big impact.

Kyneton: Ella Jeffrey was the player of the week this week for her performance against Woodend Heskett in a big preliminary final.

Prediction: Kyneton to get the jump but Macedon to fight back and win it late.

TACKLE YOUR FEELINGS

'Be a Champ'

- Tackle Your Feelings ambassador Nathan Buckley and social media larrikins the Shepmates have teamed up to create a humorous video celebrating local football club culture and encouraging players and coaches to help support the mental health of their footy mates
- Watch the video
- As part of the campaign, Tackle Your Feelings is looking to celebrate and recognise those local 'champs' who go above and beyond when it comes to investing in mental health
- Being referred to as a 'champ' is not always cast in a positive way, so Tackle Your Feelings is looking to reclaim the phrase and spin it around to celebrate these people who often don't get the recognition they deserve with the role they play at their clubs
- We want players, coaches, committee members, support staff and umpires to be a champ and book their club in for a Tackle Your Feelings workshop
- Clubs can register for a workshop at **tyfo.tackleyourfeelings.org.au/login/**.

Adam Baldwin, Program Manager said: "Clubs are beginning to understand their responsibility to create an environment which supports the mental health of their players. We want clubs to prioritise mental health in the same way they currently do physical health. Tackle Your Feelings is a free program that can help clubs kick-start the development of their own mental health game plan."

Book a @tyf_au workshop today.

What is Tackle Your Feelings?

- Tackle Your Feelings is a FREE mental health program for community football/netball clubs
- The program was formed by the AFL Coaches Association, AFL Players' Association and Zurich Insurance in 2018 following the death of Adelaide coach Phil Walsh
- The program is delivered by a local psychologist and aims to help participants gain the tools to Understand, Recognise and Respond to signs of mental ill-health.
- The program is based on the education delivered to the AFL industry and is led by high-profile player and coach ambassadors
- Since 2019, the TYF program has been delivered to more than 10,000 participants in every Australian state and territory and it's available to your club in 2024
- Quote from TYF ambassador Nathan Buckley: "It's an awesome program. It's so succinct and gives you really good strategies... it's a really good conversation starter."

Club Notes

The Tigers are thrilled to be back in the RDFNL Women's Grand Final for a second year in a row! Last year the Tigers were undefeated for the 2023 season and were able to beat the Cats in a thriller at their final match. This year it is Kyneton who are the underdogs and have had to take the long way around to get to the Grand Final. The players have been working hard to prepare for a strong Macedon Cats and will do everything possible to try and secure their second premiership cup on Saturday night.

Our Senior team would also like to congratulate our young up and coming stars in our Youth Girls team, who have also made the Grand Final this year. It will be the first time our Youth Girls team has ever featured in a Grand Final, and we are keen to support them and cheer them on to hopefully bringing

home another cup to add to our trophy case! Well done Tigers!

The Kyneton Women's team would like to thank their team and club sponsors for the support throughout the many years and to the KFNC Committee, Coaches, Trainers, Supporters and Volunteers for their tireless work every week to get our team on the park.

It has been another great season for our Tigers, and we are continually building our team to be strong and successful both on and off the field.

If you would like to part of our club as a player, coach, member, volunteer or supporter please connect with us via www.kynetonfnc.com

Club Notes

What a year for women's football in Lancefield! Starting from nothing to creating history with our inaugural team and then going onto win games. It's been a wild ride and one of the best things we have ever done as a club but how did it all go so quick?

From that first training session with just a handful of players to having 38 different players pull on the yellow and black through season 2024. We couldn't have done it without our coach Chris Clifton and assistant coach Cash Ferguson. It's those people who are there every Tuesday and Thursday night setting up the cones and gathering up the balls in the dark and the rain that keep sides going and make clubs what they are. Em Condron you're a pillar of Lancefield and such a great advocate for women's football. More than anything though to those amazing 38 women who took up the challenge to build something for the next generation of young girls to inherit we say thank you! And please... behave yourself on the footy trip!

Starting a women's footy club costs money and that means sponsors. As soon as we started up the Lancefield Bakery & Tooborac Hotel were straight out of the blocks wanting to get behind the girls and back them. To our great and valued sponsors we say thank you.

For all our girls don't forget to get your tickets for our club's Presentation night. Saturday August 31 at 6pm for a 6:30pm start. Tickets are \$65 and include a two-course meal and entertainment at Kilmore Trackside. A great chance to glam up, look back on the season and celebrate some great moments from season 2024. We'll have a free bus from Lancefield. Tickets available via the trybooking link on our socials.

Congratulations from everyone at the Lancefield FNC to the Macedon and Kyneton women's football sides on making the 2024 Grand Final. You're two sides that we have really enjoyed playing as we always felt we came away learning so much. Two worthy and deserving grand finalists, good luck to you both.

Club Notes

We spend our final home& away game at Macedon. With finals on the line for our 19s football, a win today will give us three teams in the football and three in netball being 19s, D & B grade playing finals.

Fantastic effort by all.

We would like to acknowledge all our volunteers through the home and away series for your help and time throughout the season. It is a hard task but you all do it without hesitation.

To all coaches and players, a big thank you to you as well. For some finals is out but the development of our younger players will pay dividends in years to come.

That in itself is a huge achievement.

Hope to see you all supporting all our teams in there final hit out before finals to finish the year on a high.

Good luck to all teams and hopefully we can go deep into the finals

Best of luck to both teams playing in the womens grand final this Saturday evening.

Riddell

UMPIRES

Umpires Corner

by Joshua Wilson

Well this is it! Our last round of home & away footy for season 2024. We made it! Well done to all our footballers on a terrific season, our umpires have thoroughly enjoyed playing our part to help bring you all season 2024.

Throughout the week, it was announced that RDFNL legend and two time Bowen medal winner, Tom Waters, was hanging up the boots after playing game #300 this weekend. Well done on a terrific career Tom from all your friends at the Riddell Umpires, you're definitely one of the greats!

If you have ever thought about giving umpiring a go, come on down and meet our group. Although it might be too late to umpire for this season, we'd love to have you join in preparation for season 2025! It's never too early for next year!

Please email us on
gm@riddellumpires.com.au to find out more.

UMPIRE MILESTONES

Congratulations to Karlee Farrall (left) & Phil Kyte (right) on reaching milestones last weekend. Karlee umpired her 100th game for the Riddell Umpires, and after a previous stint with us a few years back, Phil did his first senior game in the Melton vs Macedon clash. Well done to you both!
